PROCEEDINGS OF MEETING OF THE ACADEMIC COUNCIL FOR THE SESSION 2020–21
(Dated: 09-03-2020)

ਉਪ-ਕੁਲਪਤੀ ਸਾਹਿਬ

A meeting of the Academic Council was held in the Senate Hall on 09-03-2020, which was presided over by Prof. (Dr.) Jaspal Singh Sandhu, Vice-Chancellor of the University. Dr. K. S. Kahlon, Registrar of the University, welcomed Prof. Sandhu, V.C. and other faculty members of the house and presented the agenda of the Academic Council meeting.

Prof. (Dr.) Jaspal Singh Sandhu informed the house about the achievements of the University. He said that the University has been awarded the status of Category-1 by the Ministry of Human Resource Development, New Delhi. He mentioned that Ours is the only Category-1 University in the Punjab. Panjab University, Chandigarh has been awarded as Category-2. He said that unfortunately we couldn't win MAKAT this time, but we have won it for total 23 times. The University got 4 Centres for Excellence for which 17 Crore was allocated by the Govt. of India to the University. From this grant a hostel for boys and girls is to be constructed. Apart from this the various sporting venues like cycling velodrome, swimming pool etc. have been updated. All the expenditure has been made by the Govt. of India. Centre of Excellence have been awarded due to contribution of the Deptt. of MYAS-GNDU Deptt. of Sports Sciences & Medicine and our performance in the MAKAT. The Deptt. of MYAS-GNDU has been declared as gold standard by the Ministry.

Our University has been selected for RUSA-2 by the MHRD amongst the 10 topmost Universities in the country, he said. He also said that Incubation Centre has been started in the University, which is a new concept, which focuses on the skill development of the students and also feedback of the students is also taken for it through surveys etc.

He further said that we are lacking in perception. He said that we are only 3-7% in terms of perception, while P.U. Chandigarh is on 35-40%. He added that if our perception improves, we will be in the topmost 50 universities of the country. He also informed that if it doesn't improve the funding will be discontinued and there may be a financial crisis in the University. He humbly requested all to contribute their best to bring forward the university amongst the topmost universities of the country, so that funding may continue.

Talking about the Campus, Prof. Sandhu told that steps have been taken to make the campus more clean and green. He also told that e-vehicles will be increased more (like in London) and the students as well as teachers will take benefit of it. He further told that pollution is a big problem in Amritsar and Amritsar falls in Orange Zone in terms of pollution and Amritsar comes amongst the 20 most polluted cities. He appealed that we all must try to keep it as clean as possible.

Talking about h-index, he mentioned that it has increased to 102, which was only 64 before two years. He was thankful to the faculty and research scholars of the University for this achievement. He further told that three new Departments are running successfully. One is the Deptt. of Agriculture, its new building is also being constructed, which will compete shortly. Second is the Deptt. of Journalism & Mass Communication, which was not doing well in Regional Campus, Jalandhar. Best facilities especially a Studio will be provided for this Department, he further said. Third is the Deptt. of Tourism & Hospitality, which is doing well. Apart from routine courses, Short Term Training Courses have also been started in this Department. He further stated that the University should learn how to market the things.

Prof. Sandhu further talked about the plans for the next year. He said two more Departments are also going to be started, one is the Deptt. of Statistics, a multi-study deptt., which will also include Mathematics, Computer Science, Commerce & Economics as a part of it and the second Deptt. of Visual & Performing Arts, which will lay emphasis on various performing arts like Drama etc.

He further told that the Deptt. of Open Distance Learning is running good and it is working as per rules of the Govt. of India, which sometimes also causes some problems also, but it is going good. Not many students have increased, but it is still going good. He further talked about the Deptt. of Evening Studies, which is started for the people who want to pursue their studies with their jobs. It is not getting much success, but hope that it will do better in the times to come. He further said that our aim is to make the University viable, which will improve it more. With this he thanked all the members.

The agenda of the Academic Council was discussed and approved by the house. Thereafter the Dean, Academic Affairs, thanked all the present faculty members.

- * (i) MYAS vide its letter no:70-34/2019-SP VI (NCSSR) dated 22-07-2019 (copy attached as per **Appendix N(xiii)**) has informed that the selected universities must confirm to the syllabi for running their sports sciences courses. Thus, this syllabus is to be adopted by the MYAS-GNDU Department of Sports Sciences and Medicine, Guru Nanak Dev University, Amritsar for the batch 2020-22.
- (ii) The MYAS through email dated 03-09-2019 has communicated to GNDU (vide letter no 4003/VC dated 05-09-2019 attached as per Appendix-III) further that it will be essential for the batch 2020-22 onwards to have a mandatory internship period for the courses funded under NCSSR Scheme, with a stipend of Rs. 10,000/- per month. Thus for the courses funded by NCSSR, the BOC recommends a mandatory internship period as stipulated by MYAS.

Recommendations of Equivalence Committee meeting dated 28.05.2019

Item no. 6: The committee considered the recognition of Foreign Examinations/Degree passed from various countries and the cases received through ICCR under scholarship for admission to higher courses.

The committee noted that several applications received from ICCR, Chandigarh under various scholarship scheme in every session, but a lot of time elapses in obtaining the information from AIU regarding equivalence of their degrees. As per Equivalence Book of AIU, the Equivalence Committee, represented by the Vice-Chancellor, is authorised to grant equivalence of Foreign Qualifications.

In view of above, the committee recommends that the equivalence of the foreign candidates sponsored by the ICCR under different scholarship schemes, must be done on the basis of following criteria, which was already approved by a Committee in its meeting held on 12.04.2019, constituted by the worthy Vice-Chancellor:-

1. Those candidates, who have applied for admission in Masters/Ph.D. courses in this University, under scholarships scheme then the information regarding their Universities/Institutions, where they qualify the lower examination needs to be verified from the "International Handbook of Universities" to ensure that the names of their universities are available in the list. If the name is incorporated in the "International Handbook of Universities" then the concerned course of the candidate may be treated as equivalent to that of this university and the eligibility may, accordingly, be confirmed as per rules.

(RECOMMENDATIONS OF THE EQUIVALENCY COMMITTEES)

2. The candidates, who have applied for admission in Bachelors courses in this University, under scholarships scheme then the information regarding their Boards/Institutions, where they qualify the lower examination needs to be verified from Equivalence Book of “Association of Indian Universities, New Delhi”.
