ANNUAL QUALITY ASSURANCE REPORT (2023-24)

INTERNAL QUALITY ASSURANCE CELL
GURU NANAK DEV UNIVERSITY
AMRITSAR

FOREWORD

Guru Nanak Dev University (GNDU) has consistently been striving to establish itself as a leading institution in the fields of academics, research, athletics, and cultural pursuits. With a steadfast commitment to growth and excellence, the university has enhanced its infrastructure and facilities to provide an optimal learning environment for its students. In recognition of its outstanding efforts, the University Grants Commission (UGC) has conferred upon it the prestigious status of a "University with Potential for Excellence." Furthermore, in its fourth accreditation cycle conducted in December 2022, the National Assessment and Accreditation Council (NAAC) awarded GNDU an impressive CGPA of 3.85 on a four-point scale, securing an "A++" grade the highest possible rating. Additionally, the university has been designated as a "Category One" institution, making it the only university in the Punjab and Chandigarh region to receive this distinguished classification. The present Annual Quality Assurance Report (AQAR) for the year 2023-24 provides a comprehensive account of the university's planned expansion and advancements across diverse domains. It serves as a testament to the remarkable progress achieved by GNDU during this academic session. The university's continuous growth is attributed to its commitment to excellence in research, academic achievements, and active engagement with the community. These efforts are reflected in numerous innovations, research initiatives, and accomplishments of the institution.

Beyond academics, Guru Nanak Dev University fosters a holistic educational experience by offering a broad spectrum of extracurricular, cultural, and sports activities for its students. Despite the prevailing trend of declining admissions across the state, GNDU has experienced a significant increase in student enrolment over the past four years. This growth is a result of the university's strategic initiatives, which have enhanced its resources and optimized online learning methodologies to ensure an effective and well-structured educational framework. GNDU has also received national recognition for its commitment to environmental sustainability and cleanliness. The Ministry of Human Resource Development, Government of India, ranked it second among all government universities in the country for maintaining cleanliness. Additionally, the university has been recognized as a "High Performing State Public University," securing the 11th position in the "University (Government)" category in the India Today Ranking-2024 survey.

The university remains dedicated to fostering excellence in knowledge dissemination and innovation, ensuring that its research and teaching activities contribute meaningfully to society at local, regional, national, and global levels. This commitment is further reinforced by substantial financial support for the establishment of specialized research centres. Notably, GNDU has received funding to set up the Centre for Interfaith Studies and the MYAS-GNDU Centre for Sports Sciences. Furthermore, the Government of India has designated GNDU as a host for four Centres of Excellence in Sports, specializing in Athletics, Fencing, Cycling, and Swimming. Under the Rashtriya Uchchar Shiksha Abhiyan (RUSA) 2.0 and 4.0 components, the university has also established three distinguished research centres: the Centre for Agriculture Research and Innovation, the Centre for Sustainable Habitat, and the Centre for Basic and Translational Research in Health Sciences. The university's faculty has consistently demonstrated exceptional academic and research prowess, contributing significantly to their respective fields. Faculty members have published extensively in renowned peer-reviewed journals, secured numerous national and international research grants and fellowships, and advanced the university's research standing. As a result, GNDU's H-index has risen to 157 as of January 2025, reflecting the impact and quality of its research contributions.

The national outreach and influence of Guru Nanak Dev University have expanded considerably, solidifying its reputation as a centre of academic and research excellence. This report encapsulates the university's unwavering dedication, perseverance, and strategic vision in harnessing the transformative power of education. It underscores the substantial advancements made over the past year and highlights the university's ability to adapt to the evolving demands of society. Looking ahead, Guru Nanak Dev University remains resolute in its mission to cultivate an environment that fosters intellectual growth, innovation, and societal impact. The institution is committed to ensuring that every individual associated with GNDU has the opportunity to realize their full potential, thus contributing to the collective aspiration of academic and research excellence.

Vice-Chancellor

PREFACE

In order to submit the University's Annual Quality Assurance Report: 2023–2024 (AQAR) to the National Assessment and Accreditation Council (NAAC), the Office of Internal Quality Assurance Cell (IQAC) of Guru Nanak Dev University, Amritsar has gathered data on the academic, administrative, and financial activities and accomplishments of the university. The purpose of the report is to emphasize the university's vision, mission, and initiatives aimed at achieving greatness.

The AQAR highlights the University's achievements in research, education, and extracurricular activities. Out of all universities worldwide, the Center for World University Ranking, 2023–2024 placed 64th in the National Rank. In INDIA TODAY-MDRA Survey, it has improved its rank from 17th to 11th rank in the 'India's Best General Government University Category'2024. Ministry of Higher Education, Government of India has identified it as the second cleanest campus among the Multi-disciplinary Government Universities across India under its Swachh Campus Ranking. In recognition of efforts and contributions to improve and protect Punjab's environment, Guru Nanak Dev University, Amritsar, received the prestigious Shaheed Bhagat Singh Punjab State Annual Environment Award 2023.

The University has not only excelled in teaching and learning but has also come up with high quality research publications in peer reviewed journals. Its institutional H-index has scaled high to 157 at present (January, 2025). For the same, the University has received higher research grants from various agencies as well. The university has a stellar placement record over the years, which attests to the efficacy of the teaching-learning process implemented there thanks to the innovative and dynamic leadership of the renowned Vice-Chancellor and the sincere efforts of the faculty, staff, and students. The University is the best example of a higher education institution thanks to its endeavors on a clean, green, and digital campus.

I would like to extend my sincere thanks to the worthy Vice-Chancellor, Prof. Karamjeet Singh, for extending his guidance and support to IQAC to carry out various activities in the interest of the University. I am grateful to the Dean Academic Affairs, Prof. Palwinder Singh Randhawa and the Registrar, Prof. Karanjeet Singh Kahlon, for their contributions in compiling the present AQAR. The efforts made by the IQAC Advisory Committee members in completing this report are duly acknowledged. IQAC remains indebted to the Heads of Departments and the faculty of the University for furnishing the required information for the present AQAR. Sincere efforts of the IQAC team and staff are deeply acknowledged as well.

16. Multidisciplinary/interdisciplinary	
<p>One of the major proposals in the New Education Policy (NEP 2020) is the creation of Multidisciplinary Universities (MDUs). MDU is understood to employ multiple disciplines such as arts, sciences, commerce, law, architecture, engineering, planning and medicine for study within the University. The underlying philosophy of promoting MDUs is creditable as students are free to choose courses from different disciplines which not only give them diversified exposure but also helps them to imbibe critical thinking skills and knowledge. GNDU has always striven to meet the ever-changing needs of society with updated courses and curricula. It has carved a niche for itself in the field of higher education in the country. The focus of the University is to produce student capital that can stand out professionally and appeal to the employers with their rich perspective of a combination of subject areas and flexible career choices. The University is already working on “a holistic and multidisciplinary education system that aims to develop all capacities of human beings: intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner” as stated in NEP-2020. Forty-five departments run a variety of programmes in disciplines like sciences, life sciences, arts and humanities, architecture and planning, Indian and foreign languages, engineering and technology, education, physical education, law, agriculture, and mass communication, etc. New departments such as Agriculture, Mass Communication, Tourism and Hotel Management and Computational Statistics & Data Analytics have been established and functioning after the announcement of NEP-2020. GNDU has a well-established culture of interdisciplinary teaching and research. The establishment of departments such as School of Social Sciences, School of Education, Mass Communication, Agriculture, Sports Sciences, Pharmaceutical Sciences, Biotechnology, Microbiology, Molecular Biology and Biochemistry, Planning, Architecture, Computational Statistics & Data Analytics depict the sensitivity of the University towards interdisciplinary academics. Similarly, the establishment of Centre of Agriculture and Innovation, Centre for Sustainable Habitat, and Centre for Basic and Translational Research in Health Sciences under component 4.0 of RUSA 2.0 and award of 43 projects speak loud about the concern of the University for interdisciplinary research. Furthermore, the University has decided in Academic Council to implement multiple entry and exit points to bring flexibility by removing rigid boundaries and thereby promoting lifelong learning in the faculty of sciences. Department of Education has already launched BSc Hons course in Early Childhood Education and Care with multi-entry and exit points from 2022-2023 session. One mega project of developing a Center of Inter-Faith Studies is truly an impressive initiative to span across diverse religions and stitch together a unified fabric demonstrating the nations rich socio-multi cultural religious heritage. The University leadership has a well-developed vision, energy and resources to take the agenda of effective implementation of NEP-2020 through multidisciplinary and interdisciplinary teaching and research.</p>	
17. Academic bank of credits (ABC):	
<p>One of the provisions of the National Education Policy 2020 (NEP-2020) is the introduction of the Academic Bank of Credits (ABC). ABC will allow students of undergraduate and postgraduate degree courses to exit the course and enter within a stipulated period thus enabling student mobility and academic flexibility. In this context, the University is well prepared as it has registered on the DigiLocker platform for National Academic Depository (NAD) depository and has signed an MoU with NSDL and accordingly the data regarding students’ academic records has been uploaded on the designated website. Academic records under Degree Certificates have also been uploaded and duly published. The University is fully committed to implementing the Academic Bank of Credits and has also constituted a technical team for the same and is now working on the inter- institutional mechanisms for the transfer of credits earned by the students. Total Ten Thousand Two Hundred Eighty-One (10281) students have registered themselves on the ABC Portal.</p>	
18. Skill development:	
<p>The NEP 2020, with its focus on skill development, is envisaged to hold the key to restructuring the educational ecosystem towards employability of future generations. Guru Nanak Dev University understands its responsibility as an educational institution for generating highly skilled youth for the benefit of the industries and society at large. A large number of courses have been introduced recently which have a greater potential for employability and entrepreneurship. For instance, the Department of Life Long Learning is running 12 diploma and 36 short courses related to computer applications, cosmetology, fashion design and other skills. To coordinate and promote innovation-driven activities and the commercialization of advanced technologies, Centre for Entrepreneurship & Innovation has been established in the University. The responsibility of this Centre is to create an innovation- driven academic and research ecosystem leading to an entrepreneurship-oriented society where job seekers will become job creators. The mandate and activities of the Centre reflect on the preparedness of the University for generating skillful youth. The major mandates of the Centre are: a) Generation and nurturing of knowledge in the field of engineering & technology, sciences, life sciences, economics and business, sports medicine & physiotherapy, arts,</p>	

and social sciences, etc. b) To actively pursue academic engagements with national and international universities/institutions of eminence for imparting quality education, offering dual/joint degrees, promoting interdisciplinary research, and training students and faculty members in different disciplines. c) To develop a strong partnership with industry and other organizations at the national and global level for cross-fertilization of ideas, enhancement of entrepreneurial skills, and fostering career development among youths. d) To prioritize identification of core competence and converting available knowledge to innovative practices to build an ecosystem of outstanding innovation, entrepreneurship, and career development. e) To promote stronger entrepreneurship through consultancy and sponsored projects and to take leverage of these experiences for the commercialization of concepts and technologies. f) To facilitate innovation-driven activities and research to promote start-ups, branding, and economic gain.

19. Appropriate integration of Indian knowledge system (teaching in Indian language, culture using online course)

The NEP seeks to instill in students a rootedness and pride in India, and in its “rich, diverse, ancient and modern culture and knowledge systems and traditions”. It thereby seeks to develop knowledge, skills, values, and dispositions that support commitment to human rights, sustainable development and living, and global wellbeing. The University has established language departments running a number of programmes in Punjabi, Hindi, Urdu, and Sanskrit. In addition, a number of language related subjects are introduced in inter-disciplinary learning to encourage students from other faculties to appropriately integrate the Indian knowledge system through these courses. With this intent, Punjabi and Punjab History and Culture have been introduced as compulsory courses to be undertaken by the students in Undergraduate programmes. The student can also opt for the courses from Hindi, Sanskrit, and Urdu departments as interdisciplinary/value-added courses for their programmes. Such integration exposes students across diverse cultures and states of India to learn another language besides acquiring and experiencing cultural diversity and its richness. In one of the first, the University has introduced an online Punjabi language course for the Punjabi diaspora. The Centre of Interfaith Studies to be established in the University shall specifically cater to the study of Indian and world religions and languages and thereby achieve the objective of integration that the NEP 2020 has entailed.

20. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

The NEP 2020 brings to the center-stage an outcome-based model of education that rejects the traditional focus on what the school provides to students, in favor of making students demonstrate that they “know and are able to do”. Therefore, it is the need of the hour to move from traditional to results-based education that overcomes the necessity of contemporary times and futuristic needs. Guru Nanak Dev University has been continuously engaged in knowledge generation and dissemination for more than fifty years. The University is at the forefront in realizing the importance of outcome-based education and implementing it in true spirit. Enhancing skills among students to address contemporary challenges of society has been the main focus of the University in the recent past. To execute such a plan, the University has introduced programmes/courses with higher potential of employability and adapted best practices of top global educational institutions. In this regard, each of the University departments have listed their programme and course-based outcomes and graduate attributes on their webpages. Every departmental Board of Studies has at least one member from industry/academia to contribute to fine tuning the learning outcomes and designing curricula accordingly. The Incubation Center established by the University is also a landmark step in this direction. It provides a platform for students to find solutions to societal problems through new ideas and innovative thinking and experimentation. Further, the Center emphasizes on identification of the available knowledge and managing it successfully for creating an environment for fostering ideas and innovation. Aligning with the NEP 2020, the Center strongly emphasizes skill enhancement among youth through the introduction of such programmes/courses that improve employability. The activities of the Center will greatly benefit the University as well as the society and is expected to lead to positive multiplier effects in skill enhancement and job creation.

21. Distance Education/Online Education:

One of the key targets of NEP 2020 is to raise Gross Enrolment Ratio (GER) to 50% by 2035 and to achieve this it brings to fore a paradigm shift in distance/online modes of education through creation of public digital and inter-operable infrastructure that can be utilized by multiple platforms and enable flexible teaching learning mechanisms to develop. Guru Nanak Dev University, Amritsar has established the Directorate of Open and Distance Learning (ODL) with an objective “to provide quality education for all.” New programmes under ODL mode have been introduced which currently include Diploma in Computer Applications (DCA), B. Com., B.C.A., B. Lib., PG Diploma in Applied Nutrition (PGDAN), PG Diploma in Computer Applications (PGDCA), PG Diploma in Sports Psychology (PGDSP), M.B.A., M.C.A., M. Com., M.A. (English), M.A. (Punjabi). Amongst these, the technological and skill-based courses like MBA, M.Com., BCA and MCA will fulfill the needs of the students in rural and remote areas of the state and other parts of the country as well. Documents, transcripts, live discussions, and training materials are all archived and recorded so that they can be retrieved via mail, e-mail for reading, downloading, and printing. GNDU is running 9-degree courses in fully online mode. In addition to this, there has been a consistent demand from Punjabi Diaspora, living in USA, UK, Canada, and many parts of Europe, and Africa, to provide basic and higher education of Punjabi Language. To cater to this demand of the Punjabi Diaspora, manner, it is the first University in India to offer Online Punjabi courses, at Bachelor, and Master's level.

Part-B

**Part B****CURRICULAR ASPECTS****1.1 - Curriculum Design and Development**

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the Programmes offered by the University.

The curricula designing exercise at the University is a dynamic process crafted using extensive feedback, research, and consideration of needs at local, regional, national and global levels. The twin objectives of quality knowledge production and critical thinking have been defining student-centric curriculum. The University has served as a beacon of quality education across all disciplines to maintain the necessary essence of continued relevance.

After the implementation of NEP-2020, the University leadership has taken cognizance of its provisions and accordingly, programme and course outcomes have been carefully redefined and realigned. The programme outcomes, programme specific, and course outcomes are explicitly grounded in discipline specific requirements and achievable through targeted teaching-learning processes. The inputs for the curriculum so developed are sieved from pedagogy and specific discipline research. It also involves incorporating elaborate faculty and student feedback, alumni experiences, academic experts from other institutions, industry, and intelligentsia. Further, every academic year, the Board of Studies of each Faculty deliberates upon the curricula which are further stringently reexamined and approved by the University's Academic Council. The curriculum is designed to incorporate 70% of its content as per curricula guidelines of various accreditation councils/UGC/AICTE while 30% of the content is sensitive to local/global needs.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

A value-based approach underlies the curriculum design at the University so that its graduates emerge as worthy professionals and righteous human beings in the work environment. With this intent, the University has attempted to ingrain all those knowledge components into the academic curriculum that nurture personal and community advancement.

The relevance of gender mainstreaming for national development cannot be understated and the University has been overly sensitive in this regard. Several core and interdisciplinary courses across the taught disciplines are targeting gender issues and their mainstreaming approaches thereby ensuring that gender sensitivity and its inclusion at all levels of development are consciously incorporated. The University's focus on environment and sustainability matters stems from the belief that "without environmental sustainability, economic stability and social cohesion cannot be achieved." As such, immense emphasis has been placed on running academic programmes and interdisciplinary courses in environment and sustainability covering all important aspects of environmental challenges. With the University's core principles drawn from the teachings of Guru Nanak Dev ji and respect for human values; a compulsory course at both graduate and post-graduate level, has been incorporated into the curriculum design. Besides almost all the disciplines have included course on human values and rights.

2.2 - Catering to Student Diversity	
2.2.1 – The institution assesses the learning levels of the students and organizes special programmes for advanced learners and slow learners	
<p>Using the pedagogical concept of ‘No Student Left Behind’, the University’s entire educational architecture heterogenizes students’ needs and individual capabilities while focusing on the larger objective of academic enrichment and inducing value-based learning amongst its students. A wide range of continuous assessment methodologies as a part of the CBCEGS enable faculty members to identify advanced as well as slow learners. These methodologies combine class interactions with daily discussions, tutorials, periodic assignments, seminars, group discussions, quizzes, midsemester tests, practical performances, viva-voce examinations, supervised internships, research-based projects and proctorial meetings. The advanced learners are allowed to augment their learning potential by providing research opportunities both nationally and internationally, motivating students to apply for several prestigious national and international fellowships, providing them assistance to compete in various competitive examinations (through AISCCE), encouraging them to participate in summer and winter school programmes and providing scholarships and financial aid to help meritorious students. They are also provided resources available either online or offline to further augment their learning levels. For slow learners, supplementary and remedial classes are organized by respective departments based on the students’ needs. The buddy system is encouraged and simplified notes and e-content are also disseminated by faculty.</p>	
2.2.2 – Student – Full time teacher ratio during the year 2023-24	
Number of Students	Number of Teachers
11107	648
2.3 – Teaching - Learning Process	
2.3.1 - Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences	
<p>The University lays immense emphasis on the adoption of student centric teaching methodologies in all disciplines. These include:</p> <p>Learning Experiential: The "Learning by Doing" method constitutes the core of experiential learning and is ingrained into the teaching processes across all disciplines. The classroom-based theoretical teaching prepares the ground for accumulation, critical analysis, and synthesis of formal learning of concepts, facts, and other information constituting knowledge. The practical components are introduced by laboratory-based experiments, design studios, reconnaissance, advanced surveys, etc. which allow for the application of knowledge to a “real world” setting.</p> <p>Participative Learning: It is also ensured that learners are involved actively in the learning process. Applying cooperative learning strategies like “think-pair-share” and role plays, the students work on a specific problem individually and then discuss their approach with a student partner. In this manner the entire class is involved in the discussion, presenting their work to co-students and brainstorming to achieve better outcomes.</p> <p>Problem Solving Methodologies: The University also trains its students to be spontaneous decisionmakers and problem solvers using case study methods, critical pedagogy, reflective pedagogy, problem solving through scientific methods, and action research. Project method and flip learning strategies are used for developing HOTS.</p>	
2.3.2 - Teachers use ICT enabled tools including online resources for effective teaching and learning processes during the year 2023-24	
<p>The University encourages the extensive use of different ICT enabled tools including online resources for effective teaching and dissemination of knowledge. Use of Google Classroom for online lectures by faculty where students are provided with notes, video links, and reference materials on Google Classroom. Access to e-journals and e-books from a wide range of databases such as Scopus, Web of Science, Elsevier, Science Direct, etc., is provided to faculty and students. ICT-based classroom presentations and</p>	

use of online resources for preparing and delivering lectures. Multi-media Conferencing Facilities ranging from large auditorium to medium and small multi-media conference halls and rooms that are equipped with the latest ICT infrastructure are available to enable teachers to hold national/international interactive sessions with experts and to deliver guest lectures. Preparation and dissemination of video lectures by teachers for the students as a part of the creation of reference banks comprising of hard and soft reading materials and video-based information. Conduct of regular workshops and short courses for teachers to augment and sharpen their ICT usage skills.

2.5.3 - IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution	
<p>The University has been carrying out systematic e-reforms through an emphasis on IT integration in all the procedures/practices of the evaluation and examination system. University Entrance Examinations for admission to various disciplines have become a seamless process post introduction of computer-based checking of MCQs promoting complete accuracy and compilation of merit lists within a few hours. Continuous Internal Assessment through research assignments, seminars, and quizzes, is being done at the University. Moreover, the preparation of question papers, evaluation, and preparing results using IT tools and its online communication to the students, is an integral part of the continuous internal assessment system.</p> <p>End Semester Examination: The special in-house software tailored to the examination requirements enables the handling of complex data, computing, and interpreting the same to achieve precision and accuracy of results. In cases where the exam is conducted online, the Question Paper Delivery System delivers the paper just about 15 minutes in advance of the exam which helps in preventing paper leaks and copying.</p> <p>Online filling of Examination/Revaluation Forms: Online filling of examination /revaluation forms and self-generation of receipts and roll number downloading facility to students is highly student centric, saving time for both the students and the University.</p>

2.6 – Student Performance and Learning Outcomes	
2.6.1- The institution has stated learning outcomes (generic and programme specific)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents	
Critical pedagogy demands clearly spelled out programme and course outcomes to enable students to decipher academic deliverables and match their expectations with the same. In sync with this objective of student-centric teaching and the emphasis of NEP-2020 on outcome-based curriculum design, the University has detailed out learning outcomes of all its academic programmes and courses. The programme, as well as course outcomes, ensure that the students are imparted both theoretical knowledge and	

practical skills with the intent of achieving higher professional proficiency. The programme and course outcomes determine the design and periodic improvisation of the curriculum whereby clearly spelled outcomes align the contents as well as teaching learning practices to meet the tripartite objectives of student expectations, targeted delivery of academic products, and meeting the demands of potential employers. Continuous evaluation through research assignments, seminars, quizzes, case study appraisals, etc. allows the achievement of specific discipline-oriented learning outcomes. The generic and programme outcomes are published in the University Prospectus and are also incorporated in hard and soft formats along with course outcomes in the curriculum copies of the disciplines are available for reference and can be downloaded from the University's website.	
2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year 2023-24	
A comprehensive framework for evaluation of the satisfactory attainment of course and program outcomes at all levels is the sine qua non towards achieving the goal of quality education outreach. These are subjected to stringent annual evaluation by the Departmental Board of Control and Board of Studies comprising of faculty members and experts from other institutions. The teaching methodologies designed and applied by the teachers are responsive to the specific course outcomes and are continuously evaluated through class assignments, students' performance in practical components like laboratory tasks or design studios, research-oriented assignments, mid-semester tests, and end of semester examinations etc. At the Post Graduate and Undergraduate levels, the attainment of program outcomes is measured both through students' progression to higher studies, in premier higher educational institutions in India and abroad as well as through the number of students gainfully employed in public, private sectors, and non-government organizations. Simultaneously, the feedback from the principal stakeholders is a meticulous exercise where the course outcomes and actual attainment is constantly put under rigid scrutiny leading to revisions in syllabi and refining outcomes as necessary. Besides the University's Internal Quality Assurance Cell (IQAC) plays a significant role in evaluating the collected feedback.

RESEARCH, INNOVATIONS AND EXTENSION	
3.1 - Promotion of Research and Facilities	
3.1.1 - The institution Research facilities are frequently updated and there is well defined policy for promotion of research which is uploaded on the institutional website and implemented	
The University houses a specialized research facility known as the Central Instrumentation Facility. This facility promotes interdisciplinary research among various faculties in the university, as well as with other academic research institutes and industries in and around the Punjab region. Several state-of-the-art sophisticated instruments are installed in the block, such as Spectrophotometer, Scanning Electron Microscope, Confocal Microscope, High-resolution Mass Spectrometer (LC-MS), Raman Microscope, and Transmission Electron Microscope, etc. The details of these instruments are uploaded on the institutional website. Apart from the central facility, excellent research facilities in the laboratories of various departments are available, which are also frequently upgraded through grants like PURSE, CPEPA, RUSA, etc. The MYAS GNDU Department of Sports Sciences and Medicine boasts state-of-the-art labs that facilitate athlete training based on research. The University has also registered on the I-STEM portal, which can help faculty locate specific instrumentation facilities for their research work. The University also has a digital lounge with 100 computers in the Central Library for accessing e-resources that are freely available or subscribed to by the University. The University also has a well-defined policy for the promotion of research, which is implemented and uploaded on the institutional website.

<p>The University has created a conducive and vibrant ecosystem for innovation and knowledge transfer by juxtaposing inquiry with appropriate technologies. The Golden Jubilee Centre for Entrepreneurship and Innovation is established under component 4 of RUSA 2.0. The primary focus of the Incubation Centre is to foster entrepreneurship and innovation by forging strong partnerships with industry and other organizations at national and international levels. The Centre has developed three skill labs to conduct internships and training in the field of new-age technologies. Seven innovative projects have been granted INR 10 lakh each as seed money for proof of concept/prototype development. The Centre has been actively engaged with members of various industries and entrepreneurs in Amritsar through frequent interactions with representatives of the Confederation of Indian Industry (CII). Additionally, the Centre for Sustainable Habitat, the Centre for Agricultural Research, and the Centre for Basic and Translation Research in Health Sciences have also been established to conduct interdisciplinary teaching, innovative research, and training in diverse areas of sustainability, agriculture, environment, and health sciences, with the goal of establishing economically sustainable models for society. Forty-three interdisciplinary research projects worth Rs. 6.45 crores have been awarded to the University faculty under these centres.</p>

INFRASTRUCTURE AND LEARNING RESOURCES	
4.1 – Physical Facilities	
4.1.1 -The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment, etc.	
Core Infrastructure:	
1. Classrooms and Lecture Halls: The University has digitally enabled 322 classrooms and 40 lecture halls, each with a huge seating capacity of students.	
2. Laboratories and Design Studios: The departments have state-of-the-art laboratories, workshops, and studios to support practical learning. In addition, the Departments of Sports Science and Medicine have a full-fledged OPD with world-class infrastructure.	
3. Computer Centre and Equipment: Each of the Departmental Computer Labs is well-equipped with hardware, software, and highspeed internet connectivity. The Centre for IT solutions is responsible for the management, maintenance, and upgrading of the digital infrastructure.	
Support Infrastructure:	
1. Central and Departmental Libraries: The University has a fully automated central library with a digital lounge, RFID technology, a seminar hall, and is well-stocked with 5.29 lakh books, along with access to various e-resources. Additionally, 22 departments have their own libraries.	
2. Student Restrooms & Refreshment Facilities: Clean and well-maintained restrooms, RO water filters, water coolers, student canteens, cafeterias, and refreshment booths are available at multiple locations across the University.	
3. Conference Facilities and Convention Centers: Ultra-modern centralized conference halls, amphitheaters, committee rooms, exhibition halls, five auditoriums, and a recording studio are available.	
4.1.2 - The institution has adequate facilities for cultural activities, yoga, games (indoor, outdoor) and sports. (Gymnasium, yoga centre, auditorium, etc.)	
The University has created the infrastructure that can unleash students' talents and also provide them with immense opportunities to perfect their skills.	
Cultural Activities: The University has five auditoriums and two amphitheaters with varying seating capacities. A new auditorium (951.8 m ²) is under construction. These facilities are fully equipped with lighting and sound systems, seating, and stage facilities for both the audience and performers. The open amphitheaters are regularly used by students for leisure and recreational activities.	
Indoor and Outdoor Sports Infrastructure: The University has created world-class sporting facilities. A well-equipped indoor gymnasium, an indoor gym, and four outdoor gyms are optimally utilized by students and campus residents. The Student Center has all the provisions for indoor games. The University also has an AstroTurf Hockey Stadium, Velodrome, Swimming Pool, Shooting Range, Archery Range, Cricket Ground, Basketball, Volleyball, and Handball Courts, Kho-Kho, Football ground, Kabaddi ground, Field, and Athletic Track. A Sports Hostel for the stay of sportspersons is available. Having won the prestigious MAKATROPHY	

twenty-five times for excellence in sports, along with the availability of world-class infrastructure, has led to the University being awarded four specialized sports academies and a sports hostel under the Central Government's Khelo-India Programme.	
4.1.3 - Availability of general campus facilities and overall ambience	
<p>Enthralling Ambience: The campus has more than 50,000 trees, shrubs, flowery bushes, grass-carpeted grounds, open spaces, and is home to at least 500 species of birds. The University's Botanical Garden, spread over ten hectares of land, houses a lily pool, an aquatic pond, a fern house, an herbal garden, and an open-air amphitheater. The University buildings, predominantly made of subtle exposed red brick, stand out while also merging with the greens, both complementing each other in this visage of elegance, simplicity, and yet profound harmony.</p> <p>Pedestrian-friendly Campus: The University has well-designed walkways and low vehicular density owing to the establishment of parking zones at the gates. Various academic blocks are connected with tiled footpaths interspersed with shady trees and seating benches. Ten e-buses run within the campus free of charge.</p> <p>Digital Screens and Student Walls: Pole-mounted digital screens at strategic points on the campus provide crucial information to the students and visitors related to various current and future university activities and endeavors. Student Activity Walls are placed at various locations on the campus to enable them to highlight their activities, events, opinions, and other matters of interest. A 24/7 CCTV network provides round-the-clock security support on the campus.</p>

4.2 - Library as a Learning Resource	
4.2.1 - Library is automated using Integrated Library Management System (ILMS) and has digitization facility	
<ol style="list-style-type: none"> Besides a digital lounge, a fully integrated MIS (KOHA) has been implemented in the library with complete RFID Integration, which automates data collection and vastly reduces human effort and errors. Self-Checking and Self Check Out Kiosks has been installed for issuance and return of the books. Smart Cards with encoding have been prepared by the library for the student's access. OPAC Kiosks are available for searching the books on every floor through KOHA, and users can easily locate the books as the floor number and rack number are already given in the system. All users (PATRONS) can track their library accounts on the KOHA system. Users can also reserve books that are already checked out, and an intimation will be sent to the user once it becomes available for checkout. All the books in the library are tagged with RFID tags, thus preventing any kind of theft with the installation of RFID Security Gates. <p>The library has digitized 1511 manuscripts and 1656 Rare Books. Additionally, the library has digitized 1324 theses in the Thesis, Dissertations, and Punjabi Reference Library Section. 2024 theses have been uploaded to Shodhganga. Furthermore, the library is a member of INFLIBNET's Consortium for Higher Education Electronic Resources, providing access to 7040+ e-journals and 4 databases. The library also subscribes to about 2326 online journals, 2 databases and 15612+ e-books.</p>

4.3.2 - Institution has an IT policy, makes appropriate budgetary provision and updates its IT facilities including Wi-Fi facility	
<p>For offering high-end IT resources to the students and staff in a lawful and ethical way, the university has its own IT policy. The term 'IT Resources' includes all university-owned, licensed hardware and software, as well as the use of the university network through wired, wireless, or hotspots, regardless of the ownership of the computers or devices connected to the network. Different web pages on the website relate to the University's mission and are being maintained and updated periodically. The personal data of the employees and students are password-protected and hence cannot be accessed by the general public. An authorized user (employee/student) can access only those IT resources for which he/she has authorization. The public content featured on the University website may be reproduced free of charge with the approval of the competent authority, with due acknowledgment. The Network Policy is implemented to facilitate glitch-free network access at the gateway level. This reduces the likelihood of external intrusions into the network, with a minimum chance of the transmission of risk in different segments of the network. The policy helps users follow network ethics and maximize the efficient use of network resources.</p>

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.	
SOPs for Physical Infrastructure Maintenance: Various facilities at the university are managed by different in-charges/authorities who, in coordination with the maintenance department, oversee their maintenance. The responsibilities for the maintenance and utilization of the departments, hostels, Central library, IT, Guest houses, auditoriums, sports infrastructure, and university health center facilities lie with the Heads of the Departments, Dean of Students' Welfare (DSW), In-charge of the library/Head Librarian, Incharge of the Center for IT Solutions, In-charge of the Director of Hospitality & Event Management, Director of Sports, and Senior Medical Officer, respectively. The authorities/in-charges of the facilities are supported by other staff members. For example, for the maintenance and utilization of hostel facilities, the DSW is supported by wardens of respective hostels and other staff members. Similarly, the Director of Sports is assisted by the Deputy Director, Coaches, and various other staff members. Besides this, the University also forms a number of committees annually with members from across academic faculties and administration to maintain its facilities.

5.3.2 - Presence of Student Council and its activities for institutional development and student welfare	
<p>The presence of student-friendly governance architecture, including the Student Council and departmental student and class representatives, ensures their active participation in all aspects of institutional development and their welfare. This fosters transparency, inclusiveness, and active engagement in university affairs.</p> <p>Class Representatives (CRs) are nominated for each class in different academic programs by the respective department. Additionally, each teaching department nominates one Department Representative (DR). This selection is based on academic performance, participation in sports and cultural activities, conduct within the institution, and seniority. The nominated DR serves as the representative of the University Electoral College for electing the Student Union body. A committee, consisting of the Dean of Students' Welfare and three Senior Professors, oversees the electoral process to select the eleven-member Student Union body. The office bearers include the President, Vice-President, Secretary, Joint Secretary, Treasurer, and six executive members.</p> <p>Student-related activities on campus, such as academics, culture, sports, and youth welfare, feature equal participation from student representatives. 5.4 - Alumni Engagement	
5.4.1 - The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and other support services during the year 2023-24	
<p>The Alumni Association Guru Nanak Dev University (AAGNDU) was set up in the year 2007. In the beginning, only offline membership facility was available, however in 2018, the association launched a website to strengthen the relationship with alumni settled in India and abroad. The alumni can now register themselves online on portal (http://alumni.gndu.ac.in). The website is continuously updated with the achievements of the alumni and the university. 28442 alumni members have registered themselves on the website by 2024. AAGNDU has started the Alumni Life Membership Card Scheme under which several lifetime facilities such as gym, guest house etc. facilities are offered at discounted rates. These facilities are provided to the alumni after paying one-time fee (Rs.5000/- from the member living in India and Rs.15000/- from the member living abroad). 18 alumni have enrolled in this programme in FY 2023-24. The alumni fee contributed by the students for alumni association is Rs. 1, 14, 13,987/- in FY 2023-24. The annual alumni meet was organized at Sri Guru Granth Sahib Bhawan of the University on 2, February, 2024. This meet attended by an approximately 400 alumni of the university from wide range of spheres such as judiciary, civil services, defence, industrialists etc.</p>

GOVERNANCE, LEADERSHIP AND MANAGEMENT	
6.1 – Institutional Vision and Leadership	
6.1.1 - The institution has a clearly stated vision and mission which are reflected in its academic and administrative governance	
<p>Vision of the University: Guru Nanak Dev University was established to commemorate the 500th birth anniversary of Sri Guru Nanak Dev Ji. Since its inception, the University aspires to impart quality education beyond the confines of any form of disparity, becoming a harbinger of research excellence and innovation. It continuously strives to be recognized as an exemplary global institution producing world-class human capital and knowledge that empowers, enlightens, and leads to societal betterment.</p> <p>Mission Statement of the University: The mission of the University, as reflected in its objectives and duties mentioned in The Guru Nanak Dev University Amritsar Act, 1969, is as follows:</p> <ul style="list-style-type: none"> To provide education and promote research in the humanities, learned professions, sciences, especially of an applied nature, technology, and other branches of learning and courses of study as deemed appropriate. To conduct research on the life and teachings of Guru Nanak Dev Ji and their cultural and religious impact in the context of Indian and world civilizations. To foster Punjabi studies, culture, and literature and facilitate research and development in these areas. To facilitate the spread of University Education among classes and communities that are educationally disadvantaged. 	
6.1.2 - The effective leadership is reflected in various institutional practices such as decentralization and participative	

management	
<p>GNDU has an exemplary administration set-up reflecting participative management and the decentralization of powers. The highest administrative body, i.e. The Syndicate, comprises University and non-University members from other institutions and prominent civil society figures. The Senate of the University reflects the next level of decentralization and participatory composition, comprising the Chancellor, Vice-Chancellor, select members from the State Legislative Assembly, and other members. The Board of Control (BOC) of each Department is empowered to decide on their local matters as per University rules. Syllabus and curriculum design are undertaken at the level of BOC, Board of Studies (BOS), and external experts. At the apex is the University Academic Council, which has representation from all the Faculties and external members from other institutions and industries. There are various other administrative offices related to academic and non-academic work, which symbolize decentralized management practices in the University. The students' involvement in administrative decisions regarding granting fee concessions and financial aids to poor students, recommending library books, providing continuous feedback, and their regular interaction with the Vice-Chancellor on different matters is another example of participative management. Hostel maintenance, messing services, and other student facilities on campus also have student members on the committees.</p>	
6.2 - Strategy Development and Deployment	
6.2.1 - The institutional Strategic plan is effectively deployed	
<p>1. Academic Progression and Erudition: The annual academic plan of the University serves as a guide for implementing updated curricula and introducing new programs, whereas the Annual Academic Calendar helps in achieving academic targets. At present the University has 45 teaching departments with various centers and chairs.</p> <p>2. Efficient Governance and Financial Management: The Public Finance Management Systems (PFMS), comprising e-procurement and the Government e-Market Place (GeM), have been implemented, and 100% digital financial transactions have been achieved.</p> <p>3. Innovation, Collaboration, and Social Outreach: The University Industry Linkage Programme (UILP) and MoUs with eminent institutes (national and international) have facilitated collaborations, academic exchange, and placement opportunities. The University has adopted 5 villages to develop them as model villages.</p> <p>4. Environmental Enrichment and Carbon Footprint Reduction: The implementation of ecological strategies on the campus, such as zero waste, zero carbon emissions, rainwater harvesting, greywater recycling, and vehicle-free zones, has been completed. Various other initiatives are ongoing.</p> <p>5. Public, Private, NGO, and Community Partnerships: The University has established partnerships with public and private sector institutions to explore the possibilities for job creation, intellectual support from academia to the public, and also with NGOs and communities that could ensure a positive social and economic upliftment of society.</p>	
6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.	
<p>The officers and staff are governed by the statutes and regulations of the University, which are framed in consonance with the UGC regulations from time to time and assented to by the Hon'ble Chancellor. In the absence of relevant statutes and regulations on any particular aspect, Punjab State Civil Service Rules are followed. The statutes related to service rules, procedures, recruitment, and promotional policies, etc., adhere to UGC norms. Videography of the interviews during selections and promotions ensures transparency. A Performance-Based Appraisal System (PBAS) is followed for the recruitment and promotion of teaching and non-teaching staff.</p> <p>The grievances of the university employees are addressed through the grievance redressal committee. Awareness about various committees, appropriately represented by representatives from teaching, research, non-teaching, students, female gender, SC/ST, an NGO representative, and a legal adviser, is created by circulating notifications in different departments of the University, relating to different aspects of teaching, nonteaching staff, and students.</p> <p>All these measures have led to the improvement of governance and quality leadership, and they have thereby contributed to the optimal utilization of grants, digital monitoring of files, and a progressive increase of the h-Index to 157 till January 2025.</p>	
6.2.3 - Institution Implements e-governance in its areas of operations

6.3 - Faculty Empowerment Strategies	
6.3.1 - The institution has a performance appraisal system, promotional avenues and effective welfare measures for teaching and non-teaching staff	
<p>The University follows the UGC guidelines for the performance appraisal of teachers for recruitment and promotion, wherein direct recruitment for Assistant and Associate Professors is based on the Academic Performance Indicators (API) score obtained by the candidates. These proformas are available at http://iqac.gndu.ac.in/Pdf/teacher_promo.pdf. The University recruits its non-teaching staff through direct recruitment, promotions/selection, and appointments of employees borrowed from Government Departments and other institutions, as mentioned in Chapter II of Calendar IV of the University. The University follows the Reservation Policy of the State at the time of direct recruitment of non-teaching staff.</p> <p>The University has instituted several measures for both teaching and non-teaching staff, as listed below:</p> <ul style="list-style-type: none"> • Medical and Group Insurance. • Financial assistance for national/international conferences for faculty members. • A research board for encouraging faculty to apply for research projects. • Granting of Study Leave in India and abroad. • Sabbatical leave is provided for advancing research work and for writing books. • Recognition for distinguished Faculty members who have won awards and fellowships. • Free medical, sports, and recreational facilities. 	

<ul style="list-style-type: none"> • A policy for the appointment of kin for its deceased employees. • Vehicle/education/house construction, and other permissible loans. • Health and fitness centers, as well as open gyms. • Uniform and an annual wheat allowance for Class IV employees.

6.4 - Financial Management and Resource Mobilization	
6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources	
<p>As the University is a State Government University, the main sources of funds are student fees and Grant in aid from State Government as per budgetary allocations. As the University is a State Government University, the main sources of funds are student fees and grants-in aid from the State Government, as per budgetary allocations. However, to meet the requirements for research and teaching-learning resources, the University also mobilizes its resources through:</p> <ol style="list-style-type: none"> 1. Grants from MHRD, such as RUSA, and the PMMMNMTT scheme. 2. Funded projects from GoI, including Khelo India, MYAS, MSJE, the National Sports Development Fund, the HUDCO-CSR fund, and the Botanical Survey of India. 3. Research projects from DST-FIST, SERB, PURSE, DBT, ICMR, and ICSSR, TEQIP among others. 4. Consultancy services. 5. Income from various scientific analyses and tests. 6. Financial support from alumni. 7. Leasing and renting out the infrastructure facilities. 8. Funds generated from self-financing and vocational courses offered by the University. <p>The University utilizes its funds in a transparent manner through a well-developed Public Financial Management System (PFMS). Adequate funds are allocated to various departments, the utilization of which is overseen by the accounts and audit branch. The Central Purchase Committee (CPC) ensures transparency in the purchase of various items. Expenditure and utilization statements, along with progress reports, are promptly uploaded through the PFMS portal. Grants received from UGC/GOI/NGOs or philanthropic organizations are earmarked for various activities and spent in accordance with the guidelines of the respective funding agency, University purchase rules, and Punjab Financial Rules.</p>

6.4.4 - Institution conducts internal and external financial audits regularly.	
<p>The University has a robust system of checks and balances in place for its financial requirements, which includes pre-auditing and auditing as vital components. A team of internal auditors within the Internal Finance Division (IFD) evaluates all financial aspects of the University. This simplifies the preparation of post-audit procedures during the planning stages and provides foresight regarding risk factors, improving internal procedures, administrative operations, risk control, and management.</p> <p>Additionally, an external statutory audit is conducted in an elaborate manner on a regular basis by the Government Audit team deputed by the Local Audit Department (LAD), Punjab Government, independently each year. Furthermore, any expenditures involving payments from grants received from the State Government and the UGC/MHRD are audited by the Government LAD team and the audit team deputed by the Auditor General (AG), Punjab.</p> <p>Throughout the years 2016-2017 To 2023-2024 all expenses incurred by the University were audited by three different branches of the audit system: internal audit, LAD, and the audit team deputed by the AG Punjab and CAG. Audit objections are resolved by the Public Accounts Committee (PAC) of the Government of Punjab and the University Finance Committee, a Statutory Committee chaired by the Vice-chancellor.</p>	
6.5 - Internal Quality Assurance System	
6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals	

<p>The Internal Quality Assurance Cell (IQAC) was established in the University in 2009. Since then, it has been functioning to the best of its capabilities with regard to the following:</p> <ol style="list-style-type: none"> 1. Academic and administrative audits are conducted, and identified gaps are presented to the IQAC Advisory Committee. 2. Augmentation and utilization of Management Information Systems (MIS) to sustain and develop a culture of quality. 3. Development and application of quality benchmarks/parameters for various academic and administrative activities. 4. Facilitating the creation of a learner-centric environment and arranging for feedback from various stakeholders. 5. Dissemination of information on various quality parameters in higher education. 6. Organization of inter and intra-institutional workshops and seminars on quality-related themes and the promotion of quality circles. 7. Acting as a nodal agency of the Institution for coordinating quality-related activities. 8. Preparation of the Annual Quality Assurance Report (AQAR) in accordance with the guidelines and parameters of NAAC, to be submitted to NAAC. <p>The IQAC is actively involved in preparing the University Annual Reports and AQAR, as well as in filing data for NIRF and other rankings. The IQAC highlights key aspects requiring improvements in teaching and learning, and the university authorities take appropriate actions based on these highlights and other suggestions.</p>

<p>6.5.3 - Incremental improvements made for the preceding during the year 2023-24 with regard to quality (in case of first cycle) Post accreditation quality initiatives (second and subsequent cycles)</p>	
<p>Based on the 12 recommendations made by the Peer Team for the Third Cycle of Accreditation for Quality Enhancement, the following initiatives have been taken:</p> <ul style="list-style-type: none"> • An e-filing and digital reviewing and monitoring system has been established through various in-house ERP modules. • The financial procedures have been simplified for the PIs by introducing a public finance management portal. • Teachers are encouraged to undertake quality research regularly. • The Computational Statistics and Data Analytics Department has been established. • Necessary approvals from various regulatory bodies for different programs, wherever required, have been obtained, with the exception of its diagnostic laboratories. • A grievance redressal cell has been established, and the Vice-Chancellor also listens to the grievances of students regularly. • The Alumni Association is strengthened, and an annual alumni meet is organized at the University. • Construction of handrails and ramps, etc., is an integral part of newly constructed buildings, and the same has also been added to the old buildings depending on site suitability. Lifts have been installed in the administrative block and Girls' hostel. • Hostels have been connected to high-capacity electricity generators. • Toilets in the hostels, a few departments, and the administrative blocks have been renovated. • The University has established committees to sensitize stakeholders about biosafety and biomedical waste. 	
<p>INSTITUTIONAL VALUES AND BEST PRACTICES</p>	
<p>7.1 - Institutional Values and Social Responsibilities</p>	
<p>7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year 2023-24</p>	
<p>Adhering to the understanding of a solemn shift towards more evolved societies, the University follows a zero-tolerance policy and diligently enforces The Sexual Harassment of Women at the Workplace (Prevention, Prohibition, and Redressal) Act, 2013. Committees against Sexual Harassment have been established, and workshops on gender sensitization and diversity management are conducted annually. Giving top priority to the security and safety of all residents, especially female students, the University maintains a full-time Campus Security Cell with staff stationed at strategic locations within the campus. The University has also installed CCTV cameras in all departments, while the girls' hostels benefit from 24-hour CCTV camera surveillance, female attendants, and women night guards. A 24/7 mobile facility for women's security-related issues is in operation. To celebrate womanhood, the University observes Gender-Specific Days and Events, such as International Women's Day on 8th March and the International Day of the Girl Child on 11th October. All departments designate a female faculty member as a Gender Champion, and the University also offers the services of a Mental Health Counselor trained to address gender-sensitive mental health issues and concerns.</p>	
<p>7.1.2 - The Institution has facilities for alternate sources of energy and energy conservation (2023-24) Solar energy, Biogas plant, Wheeling to the Grid, Sensor-based energy conservation, Use of LED bulbs/ power-efficient equipment</p>	<p>A. Any 4 or All of the above</p>

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words)		
Solid waste management	Liquid waste management	Biomedical waste management
E-waste management	Waste recycling system	
Hazardous chemicals and radioactive waste management		
The integrated solid waste management program has led to the campus's recognition as the second cleanest campus among universities nationally. Biodegradable components are effectively recycled into ecological products, while non-biodegradables are sourced to specialized industrial units.		
The university's liquid waste management model ensures the recycling of all wastewater for landscaping and other non-potable uses. For effective bio-medical waste management, a collection agreement is in place with M/s Amritsar Enviro Care Pvt Ltd, Amritsar, a private firm. In addition, customized incinerators have been installed in the University Girls Hostels for sanitary napkins.		
The e-waste, amounting to an average of about 13 tonnes per annum, is collected by recycling units wherein only authorized dismantlers/recyclers are given the contract to collect e-waste.		
In 2017, the Solid-Liquid Waste Management Centre was established to recycle waste as a resource. Biodegradable waste utilization is done through recycling organic waste material into usable products, whereas dry waste is sorted at the SLRM center and sent to the recycling industry through private contractors.		
In sync with the Hazardous Waste Management Rules of 2016, the university ensures that the storage and collection of toxic and other hazardous substances used for academic or other purposes are done in compliance with the rules.		
7.1.4 - Water conservation facilities available in the Institution:	A. Any 4 or all of the above	
Rain water harvesting		
Bore well/Open well recharge		
Construction of tanks and bunds		
Waste water recycling		
Maintenance of water bodies and distribution system in the campus		
7.1.5 - Green campus initiatives include (2023-24)		
7.1.5.1 - The institutional initiatives for greening the campus are as follows:	A. Any 4 or all of the above	
1. Restricted entry of automobiles		
2. Use of bicycles/ Battery-powered vehicles		
3. Pedestrian-friendly pathways		
4. Ban on use of plastic		
5. Landscaping		
7.1.6 - Quality audits on environment and energy are regularly undertaken by the institution		
7.1.6.1 - The institution's initiatives to preserve and improve the environment and harness energy are confirmed through the following:		
1. Green audit	A. Any 4 or all of the above	
2. Energy audit		
3. Environment audit		
4. Clean and green campus recognitions/ awards		
5. Beyond the campus environmental promotional activities		
7.1.7 - The Institution has a disabled-friendly and barrier-free environment Ramps/lifts for easy access to classrooms and centres.	A. Any 4 or all of the above	
Disabled-friendly washrooms Signage including tactile path lights, display boards and signposts Assistive technology and facilities for persons with disabilities: accessible website, screen-reading software, mechanized equipment, etc. Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading materials, screen reading, etc.		
7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words)		
The University places great emphasis on fostering an academic environment that upholds respect for all ethnicities, religions, linguistic diversity, and socio-cultural variations.		
Academic Curriculum Initiatives include the mandatory interdisciplinary subject of Human Rights and Constitutional Duties for all students. Linguistic initiatives encompass online classes in Punjabi for the Punjab Diaspora, as well as instruction in regional and foreign languages like Sanskrit, Urdu, French, German, and Persian.		
National and International Student Representation is diverse, with students hailing from across India, encompassing various religious and cultural backgrounds. Additionally, the university accommodates students from sixteen different nationalities, with an International Student Cell dedicated to safeguarding their interests.		

<p>To address cultural and religious needs, the university has a Youth Welfare Department to promote cultural affinity. The NSS and NCC Units organize social harmony camps, and the campus houses a Gurdwara and a Temple. The publication of 'Amritsar and Guru Nanak Dev University: The Contours of Inheritance' and an Inter-Faith Studies book commemorate the 550th Birthday of Guru Nanak Dev Ji. Support Committees, such as the anti-ragging committee and gender champion committee, ensure that the university's objective of "imparting education in an environment free of prejudice towards anyone" remains uncompromised.</p>	
<p>7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:</p>	
<p>With a deep belief that 'someone else's rights are my duties,' the University has made enormous strides in ensuring that constitutional obligations are engraved in the hearts and minds of its students and staff. A Handbook of Human Values and Professional Ethics has been prepared, with its content drawn from the country's constitution. Another initiative is the introduction of a compulsory course, 'Human Rights and Constitutional Duties,' which all Bachelor's and Master's level students must complete as part of their degrees. Important days such as Independence Day (15th August), Republic Day (26th January), and Human Rights Day (10th December) are celebrated with fervor and zeal. Special blood donation drives are organized from time to time to sensitize both staff and students to the value of brotherhood and saving lives through selfless service. The NSS and the NCC Units contribute through blood donation, tree plantation drives, cleanliness drives, and awareness forums against social issues. Another significant initiative is organizing special lectures and seminars throughout the academic year, the subject matter of which is related to upholding human and constitutional values. The 'Golden Expressions' outdoor congregation space symbolizes freedom of speech and expression.</p>	
<p>7.1.10 - The Institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic programmes in this regard. The Code of Conduct is displayed on the website There is a committee to monitor adherence to the Code of Conduct Institution organizes professional ethics programmes for students, teachers, administrators and other staff Annual awareness programmes on Code of Conduct are organized</p>	<p>All of the above</p>
<p>7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals</p>	
<p>The University follows the practice of celebrating festivals and organizing national and international commemorative days to instill its students and employees with ethos and values. Cultural Festivals: National and regional cultural festivals such as Diwali, Holi, Lohri, Baisakhi, and Teej are celebrated with active student participation. Student activity clubs take the lead in organizing events, including talks, cultural evenings, and interactions that bring together students from diverse cultural backgrounds. In 2019, the University had the privilege of hosting the 35th North Zone Inter-University Youth Festival. Guru Nanak Dev University (GNDU) in Amritsar, Punjab hosted the Punjab State Inter University Youth Fair 2023 from November 26–29, 2023. The event was jointly organized by the Department of Youth Services of the Government of Punjab and GNDU. The fair showcased the talents of student artists from 16 universities in the region. Additionally, Jashan is a three-day inter-departmental cultural and sports activity festival celebrated annually. Departmental Fairs and Events: Several University Departments organize their own cultural and technology-based events on an annual basis. For example, the Department of Electronics Technology hosts its annual TechFest, known as 'TACHYON.' The Department of Lifelong Learning organizes a three-day event called 'NAYAAB.' Alumni events are also held annually, bringing together alumni from India and overseas to their alma mater. Commemoration of National and International Days: The University commemorates important national and international days with events such as memorial lectures, seminars, cultural displays, and exhibitions.</p>	
<p>7.2 - Best Practices</p>	
<p>7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual (2023-24)</p>	
<p>GNDU has become a net-zero waste-green campus by adopting the 3R principle and innovative green techniques/technologies in integrated solid waste management, liquid waste management, biomedical waste management, rainwater harvesting, and water conservation, solar energy harnessing, green mobility, and e-waste management as per the PPCB guidelines. The plantation of about 50,000 trees, shrubs, and plants of different species has transformed GNDU into a green campus. Its integrated solid waste management program has resulted in a significant reduction in landfill waste, making it the second cleanest state university in India. The university's liquid waste management model ensures the use of recycled wastewater for irrigation in its botanical garden, thus saving thousands of gallons of water. Its Health Centre has an agreement with PPCB-approved M/s. Amritsar Enviro Care Pvt. Ltd., Amritsar, to collect properly sealed and labeled bags/containers of biomedical waste. Customized incinerators have been installed in the Girls Hostels for sanitary napkins. E-waste is collected by authorized dismantlers/recyclers. The introduction of e-vehicles and the promotion of walkability are landmark initiatives for green mobility. The installation of rooftop solar panels, solar water heaters, and energy-efficient LED light sources has reduced conventional power consumption by 5% annually.</p>	
<p>7.3 - Institutional Distinctiveness</p>	
<p>7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words) (2023-24)</p>	
<p>The University is engaged in translational research and consultancy with the objective of ensuring its dissemination and application for societal and clinical benefits. Applied and translational research is undertaken to improve clinical care and health. Innovative strategies for the prevention, early diagnosis, and treatment of diseases are developed by effectively utilizing the University's academic excellence and infrastructure through collaboration with public and private institutions. The concept of "From Laboratory</p>	

Bench to Bedside to Community" is adopted to impact grassroots development, targeting societal problems. The Faculty of Physical Planning and Architecture has been a pioneer in the region and the country, providing consultancy-based environmentally friendly design solutions to government and nongovernment agencies. The Department of Biotechnology has developed new approaches for plant propagation and its improvement in terms of conserving genetic resources, creating variability, and increasing productivity to produce plants with desired genetic characteristics and productivity. The Life Sciences and Science departments are involved in developing natural and synthetic drug molecules and innovative novel drug delivery formulations with good therapeutic potential, especially in the areas of life-threatening diseases. These activities offer academic and research opportunities for quality-based skill enhancement to effectively equip students for pertinent professional accomplishments.

7.3.2 - Plan of action for the next academic year

The University proposes a radical shift to bring the Sustainable Development Goals (SDGs) and the contents of the new National Education Policy to its center stage through a five-tiered approach:

Academic Progression and Erudition: The University will update existing curricula and introduce new programs to ensure that the academic content meets international standards.

Efficient Governance and Financial Management: With digitization at the heart of its e-governance reforms, the University will strive to reduce its dependence on paper and manual mechanisms of governance and administration.

Innovation, Collaboration, and Social Outreach: The University will implement necessary reforms to promote initiatives such as the University-Industry Linkage Program (UILP) and facilitate collaborations and placement opportunities for students through Memorandums of Understanding (MoUs). Extension programs for social outreach in rural areas, especially, will be developed and implemented.

Environmental Enrichment and Carbon Footprint Reduction: The University will further its goal of contributing to environmental enrichment through landscaping and other strategies, such as zero waste, grey-water recycling, and vehicle-free zones.

Public, Private, NGO, and Community Partnerships: Meaningful partnerships for job creation, aimed at ensuring the positive social and economic upliftment of society, will be forged.

30	International Conferenceon, "Luminescent Materials from Fundamentals to Applications(ICLMFA-2024)	Dr. Vandan Bhalla	SERB New Delhi	Government	Chemistry	2024	300,000	15-16 March,2024
31	Impact of Parho Punjab, Parho Punjab Programme in Improving Learning of Students in the State	Dr. Kuldip Kaur	SCERT, Mohali	Government	Dr. B.R. Ambedkar Chair	2023	313,329	07/03/2023 tp 06/09/2023
32	Organocatalytic Enantioselective Construction of Quaternary Stereocenters: Access to Biologically Relevant Molecules	Dr. Swapandeeep Singh Chimni	CSIR New Delhi	Government	Chemistry	2019	142,640	01/08/2019 to 31/03/2023
33	Novel AIE+ESIPT Active Materials for Visualization of Latent Finger/Glove Prints and Applications Thereof	Dr. Prabhpreet Singh	CSIR New Delhi	Government	Chemistry	2023	188,500	10/07/2023 to 09/07/2026
34	AIE ACTIVE MATERIALS: A SEARCH FOR NEW SOLID STATE EMITTERS	Dr. Vandana Bhalla	CSIR New Delhi	Government	Chemistry	2019	153,559	01/08/2019 to 31/07/2022
35	Synthesis and Characterization of Highly Surface-Active Ionic Liquids and their mixed micellization behaviour with different amphiphilic block copolymers for the solubilization of hydrophobic drugs	Dr. Rakesh Kumar Mahajan	CSIR New Delhi	Government	Chemistry	2020	215,000	01/10/2020 to 31/03/2024

36	Synthesis and Characterization of Highly Surface-Active Ionic Liquids and their mixed micellization behaviour with different amphiphilic block copolymers for the solubilization of hydrophobic drugs	Dr. Rakesh Kumar Mahajan	CSIR New Delhi	Government	Chemistry	2020	843,973	01/10/2020 to 31/03/2024
37	IDENTIFICATION AND CHARACTERIZATION OF SALT-INDUCED CYCLOPHILINS FROM A STRESS TOLERANT PENCILLIUM STRAIN AND THEIR IMPLICAITONS IN STRESS TOLERANCE	Dr. Prabhjeet Singh	CSIR New Delhi	Government	Biotechnology	2019	66,577	29/11/2019 to 30/11/2022
38	Exploring the Micellization and Binding Properties of Surfactants in the Company of Biologically Active Compounds	Dr. Parampaul Kaur Banipal	CSIR New Delhi	Government	Chemistry	2020	766,200	01/10/2020 to 31/03/2024
39	Triazole Linked Mono Carbonyl Curcumin-Coumarin Bifunctional Hybrids as Novel Anti Tubulin Agents: Design Synthesis, Biological Evaluation and Molecular Modeling Studies	Dr. PMS Bedi	CSIR New Delhi	Government	Pharmaceutical Sciences	2018	114,029	28/05/2018 to 31/05/2021
40	Novel AIE+ESIPT Active Materials for Visualization of Latent Finger/Glove Prints and Applications Thereof	Dr. Prabhpreet Singh	CSIR New Delhi	Government	Chemistry	2023	187,500	10/07/2023 to 09/07/2026
41	To Explore the role of glia	Dr. Gurcharan Kaur	CSIR New Delhi	Government	Biotechnology	2022	265,000	26/05/2022 to

	neurological outcomes of peri-menopausal transition and translational implications							25/05/2025
42	Grant-in-aid of Creation of 200 Bedded Hostel (one for Women and One for Men) including furnishing in GNDU at GNDU, Asr	Director Sports	MYAS New Delhi	Government	Sports	2020	19347300	2020 to till the completion of Building
43	Travel Grant	Dr. Gagandeep Gahlay	INSA New Delhi	Government	Molecular Biology & Bio-chemistry	2024	18,101	01/11/2023 to 31/12/2023
44	National Network Project of NIPER, Mohali	Dr. P.M.S.Bedi	DBT	Govt	Pharmaceutical Sciences	2023-24	853000	01-01-24 to 31-12-28
45	Conduct of Baseline Survey of Knowledge, Attitude, Practices (KAP) of Citizens	Dr. Nirmal Singh	Election Commission	Government	Political Science	2023-24	1273973	01-08-23 to 31-10-23
46	Tendinopathies-Prevalence, Associated Risk Factors and Exercise based Management in Sports	Dr. Amrinder Singh	ICMR	Government	MYAS-GNDU Deptt. of Sports Science & Medicine	2023-24	3446623	10-11-23 to 09-11-24
47	Transitional metal implanted Mxenes for developing highly stable pervoskite solar cells under ambient coditions	Dr Aman Mahajan	IUAC	Government	Physics	2021-22	346,467	27-08-21 to 26-08-24
48	Identification and Conservation of Threatened Fish Species of River Ravi	Dr. Anish Dua	UGC, New Delhi	Government	Zoology	2009	132131	01-02-2009 to 31-01-2012
49	Tailoring the properties of phenolic Schiff bases and their lanthanide complexes for fabrication of efficient pesticides sensing probes	Dr. Sanyog Sharma,	DST, New Delhi	Government	Chemistry	2023	973800	11-07-2023 to 10-07-2026
50	Study of the high	Dr. Nisha Sharma,	DST, New Delhi	Government	Physics	2023	1143504	20-07-2023 to

	prevalence of Uranium in ground water of Punjab micromapping source determination and its remediation							19-07-2023
51	Development of Organic Photosensitizers for Photodynamic therapy	Dr. Manoj Kumar,	SERB, New Delhi	Government	Chemistry	2022	600000	(23-12-2022 to 22-12-2025)
52	Financial sanction of the award SERB-POWER fellowship	Dr. Vandana Bhalla,	SERB, New Delhi	Government	Chemistry	2021	1100000	24-03-2021 to 23-03-2024
53	Neurocognitive Correlates of childhood and adolescent obesity search for Potential bio markers and interventions	Dr. Gurcharan Kaur,	DST, New Delhi	Government	Biotechnology	2020	1500000	16-03-2020 to 11-06-2024
54	Two Dimensional Functionalized Myenes for Highly stable and efficient perovskite solar cells	Dr. Aman Mahajan,	SERB, New Delhi	Government	Physics	2020	500000	28-12-2020 to 27-12-2023
55	Rewiring of circadian clock by Sulforaphane: Strategic Activation of Nrf2 Attenuates sleep Deprivation induced Alzheimer's Like Cognitive Dysfunctions in Mice	Dr. Aditya Sunkariya,	SERB, New Delhi	Government	Biotechnology	2022	850000	25-01-2022 to 24-01-2025
56	Potential probiotic Saccharo-mycetes bouldarmediated epigenetic regulation of colorectal carcinogenesis: A Biotherapeutic strategy	Dr. Suresh Singh Yadav	SERB, New Delhi	Government	Mo Bio Biochem	2023	1078000	30-10-2023 to 29-10-2026
57	Source apportionment of Uranium in Hotspots of Bathinda & Mansa districts, SW-Punjab	Dr. Bikramjit Singh Bajwa	SERB, New Delhi	Government	Physics	2023	1134000	04-12-2023 to 03-12-2026

58	Electrospun photoanode with enhanced light harvesting capability properties for fabrication plasmonic dye sensitized solar cells	Dr. Aman Mahajan	SERB, New Delhi	Government	Physics	2017	152987	17-03-2017 to 16-03-2020
59	Exploring various banana germplasm for banana bunchy top virus (BBTV) tolerance through screening and molecular analysis by transcriptomic approaches	Dr. Saurabh Pandey	SERB, New Delhi	Government	Agriculture	2024	2140172	23-01-2024 to 31-03-2024.
60	Rylene Imide-based Stable Radical Anions and their Photothermal Applications	Dr. Prabhpreet Singh	SERB, New Delhi	Government	Chemistry	2024	2294800	25-01-2024 to 31-03-2024.
61	To develop aquatic weed and floral waste biorefinery for bioethanol production	Dr. Meenu Hans	SERB, New Delhi	Government	Biotechnology	2024	2828000	03-02-2024 to 31-03-2024.
62	Superactive Single Atom Catalysts (SACs) derived from organic carboxylate-based metal organic frameworks (MOFs) for efficient electrocatalytic water splitting	Dr. Amanpreet Kaur	SERB, New Delhi	Government	Chemistry	2024	1686000	16-02-2024 to 31-03-2024.
63	Synthesis and Characterization of New Surfactants Based on Biomolecules for Treatment of Oil Slicks	Dr. Tejwant Singh	SERB, New Delhi	Government	Chemistry	2021	400000	28-12-2021 to 31-03-2024.
64	Identification and characterization of the effect of polymorphism associated with human Zp2 gene on idiopathic female infertility	Dr. Gagandeep Kaur Gahlay	SERB, New Delhi	Government	Mo Bio Biochem	2022	455000	18-07-2022 to 17-07-2025

65	Quality characterization and utilization of microgreen in different food products	Dr. Amritpal Kaur	SERB, New Delhi	Government	FST	2021	1100000	27-12-2021 to 26-12-2024
66	Structural studies of conducting oxide and oxyhalide glasses and glass ceramics for applications in solid state batteries" (CRS-M-306)	Dr. Atul Khanna	DAE	Government	Physics	2020	232991	01-04-2020 to 31-03-2024.
67	Post-doctoral Fellowship	Dr. Kirandeep Kaur	DAE	Government	Maths	2023	628000	01-07-2023 to 30-06-2024
68	Structure-property correlation studies in chemically strengthened aluminosilicate and aluminosilicate glasses by high-Q neutron diffraction	Dr. Atul Khanna	DAE	Government	Physics	2023	243240	01-04-2023 to 31-03-2025
69	Structure determination of functionally important exported proteins from Plasmodium falciparum using X-ray crystallograpy	Dr. P.C. Mishra	DAE	Government	Biotechnology	2023	243240	01-04-2023 to 31-03-2025
70	To Study the bulk and flexible thin sheets of Polymer/multiferroic ceramics composites for enhanced magneto electric coupling using Neutron Diffraction and magnetic tools	Dr. Anupinder Singh	DAE	Government	Physics	2023	483960	01-04-2023 to 31-03-2025
71	Study of Carrying Capacity of Critically Polluted Areas of Jalandhar & Ludhiana	Dr. Rajinder Kaur	PPCB	Govt.	Bot. & Env. Sciences	2023-24	1,260,000	8 months
72	National Technical Textiles Mission	Dr. Varinder Kaur	Ministry of Textile	Govt.	Apparel & Textile	2023-24	34,250,000	1 Year
73	Tech Startup Connect &	Dr. P.K. Pati	PSCST	Govt.	GJCEI	2023-24	50,000	1 Day

	Grow Workshop							
74	Seminar on Caste, Tribe & Gender in India's Policy Landscape	Dr. Rachna Sharma	ICSSR, New Delhi	Govt.	Sociology	2023-24	150,000	2 Days
75	Development of Conservation Strategies for Withania Coagulans: An important Endangered Medicinal Plant of Punjab	Dr. P.K.Pati	Punjab Biodiversity Board	Govt.	Biotechnology	2023-24	200,000	2 Years
76	Seminar on Impact of Science & Technology on Society	OSD, Mithra College	ICSSR, New Delhi	Govt.	GNDU College	2023-24	150,000	2 Days
77	Seminar on Politics of Identities in Punjab: understanding the recent Trends & Patterns	Dr. Satnam Singh Deol	ICSSR, Chandigarh	Govt.	Political Science	2023-24	72,000	1 Day
78	Seminar on Act Local to Go Global: A step towards sustainable future	Dr. Ashwani Luthra	ICSSR, Chandigarh	Govt.	CSH	2023-24	72,000	1 Day
79	International Day for Biological Diversity	Dr. Jatinder Kaur	Punjab Biodiversity Board	Govt.	Bot. & Env. Sciences	2023-24	25,000	1 Day
80	Seminar on Dr. B.R. Ambedkar's Contribution Towards Women Empowerment	Dr. Kuldeep Kaur	ICSSR, Chandigarh	Govt.	Dr. B.R. Ambedkar Chair	2023-24	54,000	1 Day
81	DBT Supported M.Sc. Biotechnology Prog. Recurring Grant	Dr. P.K. Pati	DBT	Government	Biotechnology	2023-24	1032881	01/04/2023 to 31/03/2024
82	DBT Supported M.Sc. Biotechnology Prog. Studentship Grant	Dr. P.K. Pati	DBT	Government	Biotechnology	2023-24	1321862	01/04/2023 to 31/03/2024
83	ICSSR Doctoral Fellowship	Ms. Ketki Bhabra	ICSSR	Government	University Bussiness School	2023-24	130000	16/12/2021 to 15/12/2023
84	ICSSR Research Project	Dr. Pavleen Kaur	ICSSR	Government	University Bussiness School	2023-24	120000	14/03/2022 to 13/03/2024
85	ICSSR Short Term Research Project	Dr. Baljit Kaur	ICSSR	Government	Punjab School of Economics	2023-24	225000	04/09/2023 to 03/03/2024

86	ICSSR Research Project	Dr. Swati Mehta	ICSSR	Government	Punjab School of Economics	2023-24	160000	15/03/2022 to 14/08/2024
87	ICSSR Post Doctoral Fellowship	Dr. Ajaypal Kaur	ICSSR	Government	Department of Laws	2023-24	111400	16/09/2013 to 15/09/2015
88	ICSSR Doctoral Fellowship	Ms. Harleen Kaur	ICSSR	Government	University Bussiness School	2023-24	260000	16/12/2021 to 15/12/2023
89	ICSSR Post Doctoral Fellowship	Dr. Anju	ICSSR	Government	Education	2023-24	198500	12/12/2023 to 11/12/2024
90	ICSSR Minor Research Project	Dr. Harkirandeep Kaur	ICSSR	Government	Department of Laws	2023-24	375000	15/01/2024 to 14/01/2025
91	ICSSR Doctoral Fellowship	Ms. Rajveer Kaur Ritu	ICSSR	Government	Punjab School of Economics	2023-24	130000	26/12/2023 to 25/12/2024
92	ICSSR Major Research Project	Dr. Amit Kauts	ICSSR	Government	Education	2023-24	165996	15/02/2018 to 14/02/2020
93	Research Project Impact of Pre Schooling .. Education	Dr. Deepa Sikand Kauts	SCERT	Government	Education	2023-24	310320	07/03/2023 to 06/09/2023
94	Research Project Instituto de Medicina Molecular (iMM)	Dr. Kamaljit Singh	IMM, Portugal	International	Chemistry	2023-24	875530	13/10/2023 to 30/06/2024

31	Tailoring the properties of phenolic Schiff bases and their lanthanide complexes for fabrication of efficient pesticides sensing probes	Dr. Sanyog Sharma,	DST, New Delhi	Government	Chemistry	2023	973800	11-07-2023 to 10-07-2026

32	Study of the high prevalence of Uranium in ground water of Punjab micromapping source determination and its remediation	Dr. Nisha Sharma,	DST, New Delhi	Government	Physics	2023	1143504	20-07-2023 to 19-07-2023
33	Development of Organic Photosensitizers for Photodynamic therapy	Dr. Manoj Kumar,	SERB, New Delhi	Government	Chemistry	2022	600000	(23-12-2022 to 22-12-2025)
34	Financial sanction of the award SERB-POWER fellowship	Dr. Vandana Bhalla,	SERB, New Delhi	Government	Chemistry	2021	1100000	24-03-2021 to 23-03-2024
35	Neurocognitive Correlates of childhood and adolescent obesity search for Potential bio markers and interventions	Dr. Gurcharan Kaur,	DST, New Delhi	Government	Biotechnology	2020	1500000	16-03-2020 to 11-06-2024
36	Two Dimensional Functionalized Myenes for Highly stable and efficient perovskite solar cells	Dr. Aman Mahajan,	SERB, New Delhi	Government	Physics	2020	500000	28-12-2020 to 27-12-2023
37	Rewiring of circadian clock by Sulforaphane: Strategic Activation of Nrf2 Attenuates sleep Deprivation induced Alzheimer's Like Cognitive Dysfunctions in Mice	Dr. Aditya Sunkariya,	SERB, New Delhi	Government	Biotechnology	2022	850000	25-01-2022 to 24-01-2025
38	Potential probiotic Saccharo-mycetes bouldarduimediated epigenetic regulation of colorectal carcinogenesis: A Biotherapeutic strategy	Dr. Suresh Singh Yadav	SERB, New Delhi	Government	Mo Bio Biochem	2023	1078000	30-10-2023 to 29-10-2026
39	Source apportionment of Uranium in Hotspots of Bathinda & Mansa districts, SW-Punjab	Dr. Bikramjit Singh Bajwa	SERB, New Delhi	Government	Physics	2023	1134000	04-12-2023 to 03-12-2026

40	Electrospun photoanode with enhanced light harvesting capability properties for fabrication plasmonic dye sensitized solar cells	Dr. Aman Mahajan	SERB, New Delhi	Government	Physics	2017	152987	17-03-2017 to 16-03-2020
41	Exploring various banana germplasm for banana bunchy top virus (BBTV) tolerance through screening and molecular analysis by transcriptomic approaches	Dr. Saurabh Pandey	SERB, New Delhi	Government	Agriculture	2024	2140172	23-01-2024 to 31-03-2024.
42	Rylene Imide-based Stable Radical Anions and their Photothermal Applications	Dr. Prabhpreet Singh	SERB, New Delhi	Government	Chemistry	2024	2294800	25-01-2024 to 31-03-2024.
43	To develop aquatic weed and floral waste biorefinery for bioethanol production	Dr. Meenu Hans	SERB, New Delhi	Government	Biotechnology	2024	2828000	03-02-2024 to 31-03-2024.
44	Superactive Single Atom Catalysts (SACs) derived from organic carboxylate-based metal organic frameworks (MOFs) for efficient electrocatalytic water splitting	Dr. Amanpreet Kaur	SERB, New Delhi	Government	Chemistry	2024	1686000	16-02-2024 to 31-03-2024.
45	Synthesis and Characterization of New Surfactants Based on Biomolecules for Treatment of Oil Slicks	Dr. Tejwant Singh	SERB, New Delhi	Government	Chemistry	2021	400000	28-12-2021 to 31-03-2024.
46	Identification and characterization of the effect of polymorphism associated with human Zp2 geneon ideopathic female infertility	Dr. Gagandeep Kaur Gahlay	SERB, New Delhi	Government	Mo Bio Biochem	2022	455000	18-07-2022 to 17-07-2025

47	Quality characterization and utilization of microgreen in different food products	Dr. Amritpal Kaur	SERB, New Delhi	Government	FST	2021	1100000	27-12-2021 to 26-12-2024
48	Structural studies of conducting oxide and oxyhalide glasses and glass ceramics for applications in solid state batteries" (CRS-M-306)	Dr. Atul Khanna	DAE	Government	Physics	2020	232991	01-04-2020 to 31-03-2024.
49	Post-doctoral Fellowship	Dr. Kirandeep Kaur	DAE	Government	Maths	2023	628000	01-07-2023 to 30-06-2024
50	Structure-property correlation studies in chemically strengthened aluminosilicate and aluminosilicate glasses by high-Q neutron diffraction	Dr. Atul Khanna	DAE	Government	Physics	2023	243240	01-04-2023 to 31-03-2025
51	Structure determination of functionally important exported proteins from Plasmodium falciparum using X-ray crystallograpy	Dr. P.C. Mishra	DAE	Government	Biotechnology	2023	243240	01-04-2023 to 31-03-2025
52	To Study the bulk and flexible thin sheets of Polymer/multiferroic ceramics composites for enhanced magneto electric coupling using Neutron Diffraction and magnetic tools	Dr. Anupinder Singh	DAE	Government	Physics	2023	483960	01-04-2023 to 31-03-2025
53	Study of Carrying Capacity of Critically Polluted Areas of Jalandhar & Ludhiana	Dr. Rajinder Kaur	PPCB	Govt.	Bot. & Env. Sciences	2023-24	1,260,000	8 months
54	National Technical Textiles Mission	Dr. Varinder Kaur	Ministry of Textile	Govt.	Apparel & Textile	2023-24	34,250,000	1 Year

Annexure XXVI

3.3.3 Number of awards / recognitions received for research/innovations by the institution/teachers/research scholars/students during the year 2023-2024				
3.3.3.1: Total number of awards / recognitions received for research/ innovations won by institution/teachers/research scholars/students year wise during the year 2023-2024				
Title of the innovation	Name of the Awardee	Name of the Awarding Agency with contact details	Year of Award	Category- institution/teacher/research scholar/student
Best Poster Presentation Award	Naincy	Punjab Science Congress (Punjab Academy Of Sciences), Patiala	2023-2024	Research Scholar
Best Oral Presentation Award	Ankita Sharma	Khalsa College For Women Amritsar	2023-2024	Research Scholar
Best Poster Presentation Award	Ankita Sharma	Dav College Bathinda	2023-2024	Research Scholar
Studies In Self Assembly/Co-Assembly Of Pyrazine Based Chiral Building Blocks In Aqueous Media.	Gaurav Kumar	Rsc Best Oral Presentation Award	2023-2024	Research Scholar
Development Of Donor-Acceptor Supramolecular Assemblies: Tailoring Specific Type I/ Type Ii Photosensitizer For Organic Transformation.	Manpreet Singh	Acs Materials Best Poster Presentation Award	2023-2024	Research Scholar
Certificate Of Research Fellowship For Exceptional Dedication To Knowledge And Their Pivotal Role In Fostering Global Research Ties At Shinwatra University	Prof (Dr) Deepa Sikand Kauts	Shinwatra University	2023-2024	Professor, Dean Faculty of Education
Award Of Post-Doctoral Fellowship To Dr. Anju For Two Years By Icssr	Dr. Anju	ICSSR	2023-2024	Research Scholar
1St Prize For Oral Presentation In Faaculty Group	Dr. Suresh Singh Yadav	National Environmental Science Academy, New Delhi India	2023-2024	Teacher
Dry Pool Therapy	Dr. Poonam Chaturvedi	Patent Agency India	2023-2024	Teacher
1) Patent On -Gym Equipment For Shoulder Exercise 21/01/2024 By	Dr. Mehak Arora	Young Researcher Award May, 2024 By Government Of Micro	2023-2024	Teacher

The Patent Office, Government Of India 2) Patent-Hand Exerciser Resilience Equipment,12/06/2024 By Patent Office ,Govt Of India 3) Patent On Stress Relieving Equipment 12/06/24 By Govt Of India		And Macro Industries, Govt Of India		
(Best Paper Award) Exploring The Influence Of Learning Mechanism On Firms' Performance: A Study Of Ludhiana'S Manufacturing Firms	Manpreet Kaur	Madras Institute Of Development Studies (Mids) Chennai	2023-2024	Research Scholar
Contribution To Research	Dr. Pavleen Soni	Shiv Nath Rai Kohli Award From Panjab University, Chandigarh	2023-2024	Teacher

Annexure XXVII

3.4.3 Number of Patents published/awarded during the year 2023-24			
3.4.3.1: Total number of Patents published/awarded year wise during the year 2023-24			
Name of the Patenter	Patent Number	Title of the patent	Year of Award of patent
1.Guru Nanak Dev University 2.Amrit Kaur 3.Manoj Kumar 4.Dr. Vandana Bhalla	506968	Novel Supramolecular Assemblies Of Quinoxaline Derivative And Preparation Method Thereof	2023-24

Annexure XXVIII

3.4.4 Number of Ph.D.s awarded per teacher during the year 2023-24						
S. No.	Name of the PhD scholar	Name of the Department	Name of the guide/s	Title of the thesis	Year of registration of the scholar	Year of award of PhD
