## MESSAGE

Guru Nanak Dev University, since its inception in 1969, has carved a niche for itself in the field of education with its up-to-the-minute infrastructure, committed faculty and enthusiastic students. The university caters to the needs of students from all backgrounds and is always ardent to fulfill the needs of the society altruistically. The University is steadily in yoking competences of the teachers and students to pave the way for its learners towards right direction enabling them to face day to day challenges. This year's annual report reveals a remarkable recounting of time driven by alterations, restructurings, research excellences, community partnerships, and academic achievements. Guru Nanak Dev University encourages love for knowledge and innovation, and is committed to excellence.

Keeping in mind the current requirements, Guru Nanak Dev University curriculum is designed to focus on multi and interdisciplinary approaches which shall prepare the students for professional world. It is highly honourable that GNDU has been conferred with Category-I Status by Ministry of Human Resource Development, Government of India, along with Grade 'A++' by NAAC. It has been recognized as one of the leading institutions in India with the establishment of the first ever "MYAS-GNDU Department of Sports Sciences and Medicine" outside the Ministry of Youth Affairs and Sports. This university was recognized as "University with Potential for Excellence" by UGC. More than twenty departments of the university have received varied grants under CAS, SAP, DST-FIST, and PURSE. Also, under the Swachh Campus Ranking of Higher Education Institutions, GNDU was ranked as the 2<sup>nd</sup> cleanest Government Residential Universities in year 2018 as well as in 2019. GNDU is ranked among top 10% universities of the world by Centre for World University Ranking (CWUR). It has been selected as one of the most innovative universities amongst the World's Universities with Real Impact (WURI) for 2021 Rankings. It has been awarded with 41<sup>st</sup> rank in Ethical Values. Due to the efforts put in by the faculty of the university in their respective research areas, the H-index has increased to 118 in 2021 from 64 in 2017. In the mission for distinction, the university through its print and digital media is dedicated to offer openings to the students to be a part of numerous drill programmes, congresses, conferences, seminars, and workshops. Throughout 2021, the improved ranking of the institution at varied levels, implementation of student & employee beneficiary schemes, eco-friendly innovations, and disseminating advanced knowledge and scientific approach through MOOC courses etc. show that GNDU has evolved as an institution and stands strong as an emblem of higher education.

In the report that follows, we celebrate the wide-ranging ways in which Guru Nanak Dev University chases its central objectives and the astonishing work undertaken by an enthusiastic body of people. The present year's annual report throws light on the university's pursuance of its maxim with a determined dedication and it also promises that the year ahead will assuredly be full of hopefulness. I am sure that Guru Nanak Dev University shall make unceasing endeavours to accomplish its pledge of rising towards value based learning.

Guru Nanak Dev University, Amritsar has made a mark not only a national level but also on international level on the basis of achievements. The University has scaled new heights in academics, sports and cultural activities. It has carved a niche for itself on the academic map of India and has now become an excellent centre of learning for students from rural, urban and border areas not only of the state of Punjab but also from neighbouring states. The motto of the University as engraved on its emblem **Guru's wisdom illumines** all speaks of the vision and idealism for which the University stands. University Grants Commission has granted "Category One" status to Guru Nanak Dev University, the only University to get this elite status in the region of Punjab, Himachal Pradesh and Chandigarh.

The University Grants Commission acknowledged our university's contribution in teaching and research in humanities and sciences by awarding the status of University with Potential for Excellence. The University has accredited with A++ Grade, highest grade by NAAC on the basis of academic, research, sports and cultural achievements. The university provides pleasant, natural and a healthy learning ambience. Students get suitable conducive academic atmosphere for their studies. We are always committed and dedicated for maintaining the achieved standards. Even during worldwide interruption of all activities forced due to the Covid-19, our University immediately shifted to online learning to serve as the educational platform, transforming challenges into opportunities. With incessant inspiration of our Esteemed Vice Chancellor, active participation of teachers, researchers and its employees, Guru Nanak Dev University is persistently endeavoring to attain academic excellence and create a concrete edifice for an excellent future of our youth.

## MESSAGE

Guru Nanak Dev University, Amritsar was established in 1969 to commemorate the birth quincentenary of Sri Guru Nanak Dev Ji. Ever since its inception, the endeavour of the university has been to meet the objectives enshrined in GNDU Act, 1969, which laid emphasis on making provisions for imparting education and promoting research in the humanities, learned professions, sciences (especially of applied nature), technology and above all teachings of Sri Guru Nanak Dev Ji along with promotion of the Punjabi language and studies. In the following years, the university witnessed holistic and comprehensive development by expanding into newer and upcoming fields. It is heartening to note that the synergistic of all the stake holders of the University: academicians, employees, students etc. has contributed to the realization of the goals and expectation set forth in the Guru Nanak Dev University Act-1969. As a result of all these efforts, the UGC conferred upon this University the status of “University with potential for excellence” and recognized by NAAC (National Assessment and Accreditation Council) as A++ grade (highest level) and Category-1 University. The University has ranked among top ten “High Performing State Public Universities” across India by Ministry of Human Resource Development, Government of India. The University has also bagged 11th rank among the State Universities of India as per “India Today Ranking-2021” and Outlook.

In order to keep pace with the contemporary times and meet the demands of industry and employment generation in the region and nation, the university continuously upgrading its academic programmes. The university has also been pioneer in adopting sustainable environmental practices and green initiatives in order to set an example for the students and community at large. It is also pertinent to mention here that the university has risen to the challenge of imparting online education in the wake of prevailing situation on account of pandemic COVID-19.

Guru Nanak Dev University has a long track record of contribution in the field of sports for the country at International levels. Two of present University shooters and former nine hockey players and one fencer represented the country in Olympics Games, Tokyo 2021. The University has the history of winning India's prestigious MAKATROPHY for the record 23 times and proud to have 34 Arjuna Awardees in different sports disciplines in its name. Recently, two Academies (Fencing and Archery), two Kehlo India Centres (Handball and Hockey) and four Centres of Excellence (Athletics, Fencing, Cycling and Swimming) have been set up on the University Campus under “Khelo India” scheme of the Government of India.

With the objective of inculcating cultural activities among the students, tapping their hidden talent for extra-curricular participation, channelizing the energy of the youth into creative directions and provide opportunities for harmonious and balanced development of their personality, the Department of Youth Welfare actively organizes University Zonal, Inter-zonal Youth Festivals, Youth Leadership Training Camps for participation in North Zone Inter-University & All Indian National Inter-University Youth Festivals and other Inter-University competitions.

I am happy to learn that the Annual Report of the University for 2020-21 is being released by the Internal Quality Assurance Cell (IQAC). I am confident that this Annual Report will be a useful treatise reflecting detailed account of activities of the teaching departments, academic set up of university as well as all institutions associated with Guru Nanak Dev University. I extend my best wishes to all the members of Internal Quality Assurance Cell.

## PREFACE

---

The past tenure was one of unexpected change in every sector across the globe & faced many challenges brought on by the COVID-19 pandemic. No doubt the whole humanity suffered a lot but at the same time some positivity also happened with negativity all round. Though Guru Nanak Dev University also suffered alongwith other institutions of the world and Covid-19 has been a testing time for educational institutions and Guru Nanak Dev University by accepting the challenge emerged as stronger and trendsetter during its innovative initiatives. Inspite of so many odd challenges, during this year Guru Nanak Dev University attained many achievements. The University's growth has been astonishing in terms of its research & academic infrastructure, departments, new courses, syllabi & programmes and among recognized institutions.

During this tenure, under the able guidance of Vice Chancellor, Prof. Dr. Jaspal Singh Sandhu the university not only fought the COVID-19 pandemic challenges, but also organized a large number of offline and online international and national conferences, seminars, symposiums and other academic functions successfully to enrich the academic world. Due to Covid-19 the teachers of the university engaged the students through online/offline classes so that their studies might not suffer. The examinations for the final year students of all the subjects were conducted online as well as offline well in time which submitted timely declaration of the results. The admission process too was conducted online, with an increased number of student intakes for most of the courses as compared to previous year.

This year, Guru Nanak Dev University celebrated its 51st Foundation Day on November 24, 2020, but due to COVID-19 pandemic and as per the instructions of the Government, this mega event was celebrated online. Mr. Navdeep Singh Suri, IFS (Retd.), Former Ambassador to Egypt and UAE, apart from being a GNDU alumnus, and Dr. Jogishwar Singh, IAS (Retd.), ex-Managing Director at Edmond de Rothschild, Geneva, Switzerland delivered their academic lectures. Online International lecture Series dedicated to the 400th Parkash Purb of Guru Tegh Bahadur Ji was also started in this tenure.

Then Punjab Chief Minister Captain Amarinder Singh digitally launched online programmes/ courses started for the Punjabi diaspora settled across the globe. The University initiated admissions for UGC entitled/approved Online Courses for Punjabi Diaspora under newly established Directorate of Online Studies. These courses are started by keeping in view the demand of Punjabi Diaspora settled outside Punjab especially in foreign countries. UGC had granted permission to start courses to 37 Universities out of the 981 Universities of the country and the Guru Nanak Dev University is the only State Public University in the Punjab to have been given this honour by UGC.

Guru Nanak Dev University signed various MoUs with prestigious institutions during this tenure. The University signed a Memorandum of Understanding (MoU) with the National

Highway Authority of India (NHAI), New Delhi for conducting innovative research on different aspects of highway design, safety and beautification. The University has instituted three prestigious awards to honor outstanding researchers in the field of Life Sciences. The Department of Botanical and Environmental Sciences has signed an MoU for three prestigious academic awards for scientists and researchers working in the fields of plant and environmental sciences. The university signed another historic MoU with the Sports Authority of India, Ministry of Youth Affairs & Sports, Govt. of India, and New Delhi to set up residential Sports Academy under Khelo India Scheme in Guru Nanak Dev University in two sports disciplines: Fencing (Men & Women) and Archery (Men & Women). The Centre for Agriculture Research and Innovation and the Department of Agriculture of the University jointly signed an MoU with the College of Agriculture and Natural Resources, National Chung Hsing University (NCHU), Taiwan. NCHU. The University and the Nanak Singh Memorial Trust signed a Memorandum of Understanding to establish a Nanak Singh Centre within the premises of the Bhai Gurdas Library of the University and to institute the annual Nanak Singh Novelist Award and Nanak Singh Memorial Lecture. The Guru Nanak Dev University and the Consortium for Educational Communication (CEC), inter-university centre of the UGC signed a MoU for undertaking various activities aimed at addressing the needs of higher education and appropriate use of technology to increase the access of educational content for both undergraduate and postgraduate education. The University has signed a MoU with the Punjab Police to set up an institutional mechanism for interaction between the two organisations for a period of 5 years. University also signed MoU with Sri Guru Ram Das University of Health Sciences (SGRDUHS). Recognising the mutual benefits to be gained through a cooperative programme promoting scholarly activities and international understanding, the University inked MoUs with two different organisations to enhance research and promote entrepreneurial culture. The first MoU was signed with Aarhus University in Denmark and CTIF Global Capsule (CGC), developing research activities at the international level, for collaboration in academics, research and faculty development. The second MoU was inked with signed a MoU with 'Indigram Labs Foundation' to operationalize Technology- based Entrepreneurship Development Programme (TEDP) to facilitate linkage opportunities for innovations and start-ups. Our University is the first Indian university to join the Cities Forum London, the leading collaborative network of world cities that share a belief in the importance of culture for creating thriving metropolitan environments. In this regard, Centre for Sustainable Habitat, GNDU (CSH) signed a MoU with Cities Forum; London to conduct need based collaborative research and training in different fields of sustainable habitat. The Centre for Sustainable Habitat of the University signed a MoU with Centre of Science and Environment, New Delhi (CSE) to share knowledge, and conduct need based collaborative research and capacity building to address various issues and challenges occurring in the built environment of cities and villages. To promote science and scientific temperament among students of the Punjab region, SciRox-Science Club of the University

signed a Memorandum of Understanding with Society for Promotion of Science and Technology in India (SPSTI).

Among high ranking & ratings, this year Guru Nanak Dev University improved its position in the National Institute Ranking Frame (NIRF) - 2020 Rankings which were released by the Hon'ble Minister of Human Resource Development Shri Ramesh Pokhriyal 'Nishank'. As per the new ranking, Guru Nanak Dev University was placed 51st among all the central, public and private universities in India. This University now ranks 18th among the State funded universities of India. Participating in the QS IGAUGE Rating System, it has been rated in Diamond category in the field of 'research, faculty quality and infrastructure'. The University's high h-Index of 113 is the result of high quality research publications by the highly qualified faculty using state-of-the-art facilities. Regular updations of course curricula to lead high quality education and high employability of its programmes have earned the university Gold rating in 'Employability' criteria of agency. GNDU is also committed to its social responsibilities and hence keeps on organising various training events and awareness campaigns regularly which helped it to bag Gold rating. Overall the university is positioned in the Gold category for all the parameters adopted by the QS IGAUGE Rating System. Guru Nanak Dev University has been placed amongst top 9% universities of the world & among the top 10 state public universities of India in the Centre for World University Ranking (CWUR) - a leading evaluation agency in the world of higher education, which has been engaged in grading the top ranking universities world-wide on the basis of stringent objective parameters since 2012. The ranking list contains a total number of twenty thousand universities from all over the world, thereby, making CWUR list the largest academic ranking of the global universities. In "The Week-Hansa Research Survey-2020", the University happens to be the only university of Punjab to have bagged a position in the Top-10 Public State Multidisciplinary universities with the ranking position of 7. As far as North India is concerned the total universities which were taken into consideration i.e. Central, State and Private Universities, Guru Nanak Dev University stands at 8th position. Among the State Public universities in North India, it stands at the top position immediately after Panjab University, Chandigarh which is an inter-state corporate and funded by Government of India. The University adjudged as the only State Government University in North India to bag top position amongst higher education institutes for "India Today Ranking 2020". No higher education institute of Jammu, Kashmir, Haryana, Himachal Pradesh, Rajasthan or Chandigarh could attain any position even among the first 35 positions in the State Public Universities imparting education in arts, science and technology disciplines. Overall, GNDU is ranked 20th among all central, public and private Universities in the country. However, it has retained its position at 11th place among the State Universities of India in 2020. High quality research has improved the H-index of the university from 64 to 115 with top 10 percent highly cited papers in Scopus.

The University has also decided to start conferring the degrees of Doctor of Science (D.Sc.), Doctor of Literature (D.Litt.) and Doctors of Laws (LL.D.). It is worth mentioning here that D.Sc., D.Litt. and L.L.D. are the highest research degrees a university can award. There were many other remarkable achievements of the University during this year. Five scientists of Guru Nanak Dev University have been listed in World ranking of top 2% scientists in an independent study conducted by the scholars of Stanford University. In this study the scientists of Stanford University created a database of more than 100,000 top scientists of the world and made rankings on the basis of standardized citation indicators such as citations, H-index, co-authorship and a composite indicator. Two Shooters i.e. Divyanshu Singh Panwar & Ashwrya Partap Singh of Guru Nanak Dev University bagged medals in the ISSF World Cup 2021 at Karni Singh Shooting Range, New Delhi during this time period.

The sacred forest established this year in the university was dedicated to the 550th Prakash Purab of Sri Guru Nanak Dev ji. 28 percent shady trees, 24 percent fruit trees, 24 percent flower trees and 24 percent medicinal plants are being sown in an area of two acres for this sacred forest. The University compiled a handbook on "Plant Diversity of GNDU Botanical Garden". A campaign to plant 2500 different varieties of saplings was also launched at the University Campus. With grants received this year from MHRD, activities relating to establishing the Centre for Interfaith Studies at University campus also got a boost.

In this tenure, about 740 students of the University and its campuses have been placed in the various multinational companies on high salary packages. The University is one of the best choices for employer organisations because of the high academic standards and various academic reforms initiatives taken by the university. A large number of companies have confirmed their participation in the near future to recruit the students of the university through placements drives.

Keeping in view the health of the Faculty, Non-teaching staff and Students of the university in the current COVID-19 pandemic, the University has taken a novel initiative of setting up its own immunization centre with the vaccines very graciously provided by the office of Civil Surgeon, Amritsar.

Guru Nanak Dev University, with its commitment to excellence, has its roadmap ready for continuing as one of the best universities in the country. All these achievements have been possible with the innovative guidance of Vice Chancellor Prof. Jaspal Singh Sandhu, faculty members, students, researchers and administrative staff of our university.

## ABOUT SRI AMRITSAR

Sri Amritsar was founded by Sri Guru Ramdass ji, the fourth Guru of the Sikhs in about 1574 A.D. Before the city was founded, the area was covered with thick forests and had several lakes. To start the city the Guru invited 52 traders from different sectors belonging to nearby places like Patti and Kasur to settle here. These families started the first 32 shops in the city which still stand in the street called Batisi Hatta (32 shops). The Guru himself shifted to live among them in the city which came to be called Ramdasapur and has been eulogised in the Guru Granth Sahib.

Sri Amritsar, known for rich cultural heritage of four centuries, is living symbol of historical and religious traditions of Sikhs tangibly expressed through the divinely blessed shrines. Historically speaking, the fourth Guru, Guru Ram Das Ji built the *Sarovar* and laid the foundation of Amritsar, which became a sacred place for the pilgrimage of the community. The fifth Guru, Guru Arjan Dev Ji built Sri Harimandir Sahib in the centre of the *Sarovar*. Maharaja Ranjit Singh captured the city in 1805 and his first important act was to gild the whole structure of Sri Harimandir Sahib with gold. The city has been the center of activities for various historical events and freedom struggle in the last four centuries.

This city in northwestern India and the administrative headquarters of Amritsar district in the state of Punjab. The city lies about 25 km east of the border with Pakistan and is a major commercial, cultural, and transportation centre. It is also the centre of Sikhism and the site of the Sikh's principal place of worship.

The early name of the city was Chak Guru. Before its establishment, the area under the city was a part of the vast area covered under Indus valley Civilization during the early period of history. A city of historic walls and impressive gateways, Amritsar gained importance under the reign of Maharaja Ranjit Singh, one of the most resplendent figures in Sikh history. The city lies on the Grand Trunk road, Asia's one of the oldest and longest major roads connecting Eastern & Western parts of Indian sub-continent, built by King Sher Shah Suri in year 1539.

The city of Amritsar a dazzling showcase of composite culture and secular heritage .It has a proud past a glorious present and a promising future .This most important city of Majha has rightly been called the mukut-mani (Jewel of the crown) of the Punjab. Amritsar is like a diamond with many facets. The essential spirit of the city is found not only in its gurudwaras & temples, mosques & churches, takias & khankahs but also in its theatres & galleries, parks & gardens, archives & libraries, art & architecture, museums & memorials, havelis & forts,

fairs & festivals, vibrant folk dances & scintillating taans, narrow lanes & winding alleys, parlours & boutiques, clubs & pubs, traditional bustling markets & lip-smacking cuisine eatable like traditional Papad -Wadian, Soya-wadian and Aampapar. In addition, the city is famous for its woolens, carpets and blankets, kites, juttis, cut-glass work, bangles and embroidered stuff.

In Amritsar, Sri Harimandir Sahib is not only a central religious place of the Sikhs, but also a symbol of human brotherhood and equality. Everybody, irrespective of cast, creed or race can seek spiritual solace and religious fulfilment without any hindrance. It also represents the distinct identity, glory and heritage of the Sikhs. To pen-down the philosophy, ideology, the inner and outer beauty, as well as the historical legacy of Sri Harimandir Sahib is a momentous task. It is a matter of experience rather than a description. In Sri Harimandir Sahib Parikarma, Akal Takht literally means Eternal Throne. The Akal Takht is situated on the other end of the causeway connected to Sri Harmandir Sahib. It's foundation was laid by Guru Hargobind Sahib. The building of the Akal Takht opposite the Sri Harmandir Sahib has a special meaning. While the Sri Harimandir stands for spiritual guidance the Akal Takht symbolizes the dispensing of justice and temporal activity. The Akal Takht is the oldest of the Five Takhts. Amritsar is a center of the raag-based rendering of Shabad (Bani of Sri Guru Granth Sahib). The musical instruments are available around Town Hall and Jallianwala Bagh. The city boasts of maximum production of Musical instruments.

After partition, Amritsar has become the gateway of India by land route from Central Asia, Afghanistan, Pakistan and other countries on the western side. With its glorious heritage, Amritsar is proudly holding its status of an internationally known city not only historically but also in context of social welfare, philanthropic activity and higher learning. Guru Nanak Dev University located here carries a pleasant mélange of all that is worth.

Amritsar's international airport, Sri Guru Ramdass Ji International Airport, has more than 400 domestic and international flights during the week with daily connections to Chandigarh, Goa, Delhi, Mumbai, Pune, Bangalore, Srinagar and Jammu etc. Amritsar is connected by rail to almost every major city in India. Amritsar railway station is the main terminus. The Samjhauta Express and Bus runs from Delhi through Amritsar to Lahore in Pakistan. Sri Darbar Sahib - Sri Harmandir Sahib, Ram Tirath, Jallianwala Bag, Durgiana Temple, Wagha Border, Partition Museum, War Museum, Gobindgarh Fort, summer place of Maharaja Ranjit Singh, Pul Mouran, Khalsa College, Heritage Street, *ChaaliKhooh*, Heritage Village, Preet Nagar, and other religious places make Amritsar a popular tourist destination in world.

## ABOUT THE UNIVERSITY

With the glorious history of past fifty one years, Guru Nanak Dev University was established at Amritsar on November 24, 1969 to mark the Birth Quincentenary of Sri Guru Nanak Dev Ji, the apostle of universal brotherhood, truthfulness, non-violence, compassion, tolerance, harmony, humanity, strict observance of moral & ethical values in daily life,

who is also revered as the founder of Sikhism. It won't be an exaggeration to state that His teachings and preaching & His own personal life are perfect examples to be emulated by the entire mankind even after about four and half a centuries and will remain so eternally.

Ever since its foundation the endeavour of the university has always been to meet the objectives enshrined in the Guru Nanak Dev University Act 1969, which emphasized that the new University would make provision for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology. Studies and research on the life and teachings of Guru Nanak Dev ji, in addition to working towards the promotion of Punjabi language and spreading education among educationally backward classes and communities are the other commitments.

In consonance with these expectations, the university in its eventful history of 51 years has taken long strides in spreading the message of Guru Nanak Dev ji and promoting education in such fields as Science, Arts, Management, Information Technology, Industrial Technology, Environment, Planning, Architecture, Hospitality, Agriculture, Mass Media. To fulfill its commitment, the tuition fee charged from the students of the departments of Guru Nanak Studies and the School of Punjabi Studies has been waived.

Guru Nanak Dev University is a pioneer State University with A++ status given to it by National Assessment and Accreditation Council (NAAC). It has been conferred with 'University with Potential for Excellence' and 'Category-I' status by the UGC, New Delhi.

The University achieved so many high level rankings at national and international levels and recently, the University has emerged as the only multi-specialty university in Punjab and its neighboring states that has obtained position in the National Institutional Ranking Framework (NIRF) 2021. It has up-scaled its ranking to 13th position in 2021 compared to 14th position in 2020 among the multi-specialty state universities of India. No other multi-Specialty State University of northern region, except University of Kashmir, has figured in first 55 positions in the country. Overall, it has stood at 53rd position among all the universities of the country. Among all the higher education institutions of India, the university has improved its overall ranking from 88 in 2020 to 85 in 2021. Contesting for the first time in the engineering

discipline, it is ranked at 8th position among the multi-specialty universities of the country. State-of-the-art infrastructure, dedicated teaching-learning practices, curriculum enrichment, high employability, quality publications in highly cited national and international research journals are the key concerns to popularise GNDU's engineering education not only in India but across the world. High quality research in engineering and other disciplines has improved the H-index of the university from 64 to 115 with top 10 percent highly cited papers in Scopus. The University selected as one of the most innovative universities among the World's Universities with Real Impact (WURI) for 2021 Rankings. Contesting for innovative programmes in the 'social responsibility, ethics, and integrity' category', it is awarded the 41st rank in Ethical Values. Overall, the university is placed at 101-200 among the World's Universities with Real Impact.

With the motto of the university as engraved on its emblem Guru's wisdom illumines all, the university has been leaving no stone unturned to meet the aspirations and expectations of the society. Spread over area of 500 acres towards the west of the city, Guru Nanak Dev University presents a picture of modern architecture. Traditional red brick geometrical blocks represent its regard for time-honoured values and commitment to scientific advancement. The University today boasts of 44 teaching departments at the Campus and 153 affiliated colleges, 17 Constituent & University Colleges and 49 Associate Institutes, many of which are located in the rural areas. The university has always strived hard to make the benefits of Higher Education accessible to the rural masses.

In the recent time, the University has established Department of Agriculture in collaboration with Cornell University, USA; Department of Mass Communication & Journalism; Department of Tourism & Hospitality and Department of Physiotherapy. The University has also started various new courses like Bachelor degree in Mass Communication, B.Sc. Agriculture (Hons.), B.Com. (Hons.), M.Sc.(Sports Nutrition), M.Sc. (Exercise and Sports Physiology), M.A. (Sports Psychology), M.Tech.(Construction Technology and Management) M.Sc.(Applied Chemistry Pharmaceuticals.) etc. Recently, Rehabilitation Council of India, Ministry of Education, and New Delhi have approved B.Ed. Special Education (Multiple Disabilities) to Department of Education, Guru Nanak Dev University from the session 2021-22.

In consonance with this policy, a few colleges were set up in rural areas like Chungh, Mithra, Verka, NarotJaimal Singh, Patti under the Punjab Govt. /UGC scheme. New professional courses were introduced in the constituent colleges of the University. The newly constructed Sri Guru Granth Sahib Bhawan reflects the Sikh architecture. In this Centre, research work related to the studies of Sri Guru Granth Sahib is systematically undertaken. The construction of buildings of Sports Hostel and University Business School and extension of Architecture Department and health centre is already completed. The Building of University Institute of Technology will also start functioning from this session.

More than twenty thousand students, an overwhelming majority of them being women, are enrolled in various Departments at University Campus and Constituent Colleges. On-line admission, On-line counseling, On-line reevaluation, introduction of Credit Based Continuous

Evaluation Grading System etc are a few hallmarks of the university. All the results have been computerized and OMR (Optical Magnetic Recognition) system is being used to bring in more efficiency and transparency. This is the first University in the region to have computerized its examination and registration system. The students now have an all time access to their results through SMS service.

Academically also, the university has carved a niche for itself in the field of Higher Education in the country. Our University is recognized as one of the leading institutions in North India in the domain of Science and Technology. Many coveted projects from the apex bodies like the DST, CSIR, BARC and other organizations worth crores of rupees have been awarded to our faculty members. One of the four Nodal Calibration Centres established by Bhabha Atomic Research Centre is set up at our campus. The Centre of Emerging Life Sciences equipped with the state-of-the-art scientific instruments worth crores of rupees, well-maintained Botanical Garden, Deptt of Sports Medicine & Physiotherapy are a few of the jewels in the crown of the university. To more strengthen the university infrastructure and to prepare students for employments, computer lab with the help of TCS is also established. Further, the UGC has granted the University the Centre with Potential for Excellence in Life Sciences and Centre for Advanced Study in Chemistry.

In the field of culture and sports also, the achievements of the university are noteworthy. The university has been national Champion for 10 times & the winner of the North-Zone-Inter-Varsity Cultural Championship for 13 times. The winning of the coveted Maulana Abul Kalam Azad Trophy, the highest sports award for a university in the country, for a record number of 23 times, speaks volumes about its supremacy in the field of sports. An Astro Turf for hockey, a swimming pool of international standards, a velodrome, a Gymnasium hall, shooting range & many other state-of-the art sports facilities are the prized possessions of the university. The Lifelong Learning Department of the university is successfully catering to the female folk of the region to make them self-dependent by offering various skill development programmes. During Covid-19, the department makes masks & chemistry department made sanitizer. University is committed to sustainable development as envisaged by Vice Chancellor with 100% reuse of treated wastewater, extensive tree plantation, electric buses for students and staff, rooftop solar harvesting are a few of initiatives. University is planning to install digital water monitoring at the Sewage Treatment Plant so as to optimize the water reuse.

The Track record of employment of our students by big business Houses and Multi-National Companies has been very satisfactory. Our students of engineering, management and commerce field are employed by companies in India and abroad. They are all contributing to the creditworthiness of the University by their hard work and diligence. In the last year alone, almost all our Engineering and Management students were recruited by various companies through campus placements. It goes without saying that all these achievements would not have been achieved, but for the heart and soul put in by the students, faculty members, and administration of the university. Undoubtedly, the university remains committed to achieve the lofty goals, for which it was founded after the name of Sri Guru Nanak Dev Ji.

## 51<sup>st</sup> FOUNDATION DAY

---

Today world is suffering from so many alignments like discrimination, racism, gender & inequality etc. which is only because of intolerance and all of us are looking for a solution. So many centuries ago, Sri Guru Nanak Dev ji, on the name of which this Guru Nanak Dev University was founded, gave the message of Universal brotherhood which says that all human beings are equal irrespective of their caste, creed and religion.

These views were expressed by eminent scholar, Mr. Navdeep Singh Suri, IFS (Retd.), Former Ambassador to Egypt & UAE (GNDU Alumni) while addressing the academic session organized online by Guru Nanak Dev University as part of its 51<sup>st</sup> Foundation Day on November 24, 2020. This programme was streamed live on various social media a large number of viewers from all over the world participated. The second academic lecture was delivered by another eminent scholar, Dr. Jogishwar Singh, IAS (Retd.), Ex-Managing Director at Edmond de Rothschild, Geneva, Switzerland. Vice Chancellor Prof. Jaspal Singh Sandhu presided over the online session while Prof. Karanjeet Singh Kahlon, Registrar welcomed the guest speakers and audience. Prof. Sarabjot Singh Behl, Dean Academic Affairs presented a vote of thanks.

Mr. Navdeep Singh Suri said that Sri Guru Nanak Dev ji always advocated tolerance and gave the message to keep balance between freedom of religion and freedom of expression as leaders. We need to educate people and make them follow. He said that during the last few years, as per my experience, UAE is becoming a more tolerant country and giving liberties to so many things. While quoting the example of Amritsar City, he said that this city witnessed five tragedies during the last century and still tolerates & welcomes everyone. He said that during Jallianwal Bagh *Saka*, his grandfather S. Nanak Singh, an eminent novelist wrote in his poetry about the collective celebration of Janmashtami by Sikh, Hindu and Muslims together the same is even true today. He said that we need to introspect ourself instead of finding faults in others as Guru Nanak Dev ji said.

While blaming social media as cause for intolerance, he said that everybody should understand their responsibility to spread any message on social media keeping in view the ethics of humanity. He said that social media should be used for spreading positivity among all for the benefit of mankind. It is specially expected from students of this University to follow social media ethics which is the need of the hour.

While speaking on 'Teachings of Sri Guru Nanak Dev ji and its Relevance', Mr. Jogisher Singh said that the teachings of Guru Nanak Dev ji are Universal as people of all religions respect and follow Guru ji universally. Guru ji never criticised any religion but he was against hypocrisy and false show off.

He said that as per teachings of Guru Nanak Dev ji, politics should be based on ethics but the same is far away. He said that to follow the teachings of Guru Nanak Dev ji to match the conduct of saying and doing is what is desired even more today. He said that whatever is happening these days is giving the wrong impression of our country and the secular word is trashing its image.

He said that the young generation is getting away from religion due to substandard thought of preachers and the need of the hour is to address the questions raised by young generations and spread the real teachings of Guru Nanak Dev ji by shedding ego and hypocrisy more young generation will be associated. While touching our environment he expressed his concern over degradation of our ecology, he said that the concept of '*Balhari Kudrat Waseya*' and '*Pawan Guru Pani Pita Mata Dharat Mahat*' is needed to be analysed. He said that the balance between nature could only be maintained by following the teachings of Guru Nanak Dev ji. He said that today we are facing problems relating to inequality of gender and female foeticide. The solution of this problem is also lying in the teachings of Guru ji.

The celebration was started with Bhog Sri Akhand Path Sahib followed by Gurbani Kirtan by Bhai Jagtar Singh, Sri Harmandir Sahib. All precautions were followed. Major buildings of the University are illuminated with colorful lights to give a festive look.

**It was also involved in the following activities:**

- Assisted conduct branch with online application for practical module and assigning practical duties to teachers.
- Assisted Secrecy branch with online application for assigning teacher's duties & evaluation processing module.
- Assisted various branches in procuring hardware and software technology.
- Governance initiatives linked with examination related modules.
- Computer Awareness training to newly appointed staff in examination branches.

Quality improvement strategies adopted by the institution for Examination system and Evaluation:

- Digi locker-NAD: University is now live on Digilocker platform. Required Degree data along with photographs of students is being uploaded on the portal. This will help the students, verifiers to view and verify data online.
- "Online Web Portal (punjabcollegeadmissions.org)" for regular admissions in colleges. The new system is fully web-enabled having Service Oriented Architecture. It is providing interactive validation of data entry by users and user oriented self-service capabilities as per rules and regulations related to admissions. Automatic Assignment of registration number, roll numbers and automation of different pre-examination processes.
- Online web application for regular admissions in university and regional campuses under CBES system. It will Facilitates in making post admission related  
Process simple, as all the required information about the students is available online, whenever and wherever required.
- Migration Certificate, Duplicate DMC / Degree, Particular Correction Process is computerized. It helped students to avoid long queues and delays in getting migration certificate.
- Online Transcript System (e-Transcript). Students will access the online portal after verification through OTP on mobile.
- The student will proceed to fill the form and to upload the scanned copies of the documents.
  - The student can track status of his/her application online.
  - The fee payment can be done online through different payments modes available.
  - Online application to keep track of evaluation in different centers. Various kind of online reports are generated and payments are also processed through this module.

- The data about college's faculty and other achievements is available to university on single portal. It will help in better communication with teachers regarding assigning duties for exams and other academic purposes
- Video surveillance across the examination centers in different colleges to keep check on copying in examination.
- Video Conferencing facility was also set up in all Evaluations Centres for monitoring and surveillance in addition to following:
  - Distribution of answer sheets of various subjects to different places.
  - SMS facility launched to facilitate teachers from different colleges to get information regarding duty assigned and location of evaluation centres on their mobile.
  - Problem solving process has been improved. Guidelines are issued regularly by Controller Office and routine meetings are held through video conferencing between Professor Incharge (Examinations) and principals, co-coordinators of centers and superintendents of various evaluation centres to bring more efficiency, discipline and timely evaluations of answer books.
  - Various subjects are re-allocated during evaluation at various evaluation centres depending upon the availability of examiners to speed up the evaluation work.
  - Evaluation work is continuously monitored to overcome any delay in result declaration.
  - Timely opening and closing of Evaluation Centres established in various cities.
- To achieve E-governance, more applications and informational links have been added to the website and portal. To tackle the heavy usage Band width, web space has been increased & server resources have been upgraded.
- Synchronization with the OMR system and unique codification of different courses and subject files.
- Fast processing and timely declaration of results has been achieved and number of withheld results has been minimized.
- Different online applications running successfully for absentee award entry, practical award entry and re-evaluation are upgraded for new features and facilities to speed up the result processing and declaration process.
- E-governance in Examination system has been achieved towards communications with various campus departments, RCs, UCs, affiliated colleges & associate institutes.

## MAJOR REFORMS INITIATED UNDER CBES SYSTEM

- Only one mid-term examination of 20% weightage may be held, while the major end semester examination may be given 80% weightage.
- There will be no practical examination during mid-term. For final practical examinations, the external examiners from nearby places may be appointed. The evaluation of the examination shall be done both by external and internal examiners jointly.
- For at least 50 % papers of credit-based courses offered in different programs across the disciplines, the question papers will be set by external examiners appointed by the competent authority.
- In all the courses, the answer- sheets will be assessed by internal examiners through table marking.
- The answer-sheets may not be shown to the students after examinations. The students may be asked to go for re-evaluation of their answer-sheets, if they have any doubt.
- The project reports of master degree course will be evaluated by internal examiners, where the evaluation as only “satisfactory/unsatisfactory “is required. However, the master degree thesis with marks will be evaluated by external examiners.
- The percentage of marks will be calculated by multiplying CGPA with 10.

### DETAILS OF DEPARTMENTS

#### MAIN CAMPUS

#### AGRICULTURE

##### About the Department

The Department of Agriculture came into existence in the year 2019 and running B.Sc. (Hons.) Agriculture four year Degree programme. Students are imparted theoretical and practical training in Crop production and Crop Protection. The students will be additionally trained in skill based avenues like floriculture, Apiculture and Mushroom production etc. The research activities of the Department focus on the

thrust areas Natural Resources Management, Climate Change, Plant Tissue Culture, Plant Protection measures and Medicinal Crops. Department has ten acres land for research and teaching purposes which includes demonstration plots of various cereals, pulses, oilseed, horticulture and vegetable crop. Construction of protected structures for production and multiplication of exotic plants will soon be completed. Different innovative techniques are being practiced for sustainability in agriculture. Sole motto of department is the betterment of farmer's society and to provide them with better knowledge of latest techniques of farming. Department is setting up plans to provide training to the students and farmers about unconventional agriculture for eco-friendly farming.

## ARCHITECTURE

### About the Department

The Department was established in the year 1986 as a part of Guru Ram Das School of Planning and Architecture and was the first institute in Punjab to start the five years integrated B.Arch. Degree course. It started working independently as Department of Architecture in 1989 and is a premier institute in the region. Over the years, the department has evolved into a leading institution in the region by virtue of having

excellent human resources as well as technical infrastructure. The Department is actively engaged in the study and documentation of various historical and heritage structures and sites in the region and around. The intrinsic value of heritage and its conservation in the present day development process is key to their documentation and research. Other broad areas of research include inclusive development, sustainable and best management practices, architectural trends, housing etc. With academics as its main intent, the department has also leapfrogged in the areas of research and consultancy in the last few years by securing research projects and providing architectural consultancy to State Government and GNDU for various projects. The mission of the department is to develop a holistic vision of the students towards various issues of physical environment by evolving an integrated design approach incorporating the understanding of different disciplines that come together in conceptualization of creative ideas. The department has two years full time post graduate courses in Master in Architecture, (Urban Design) and M.Tech (Construction, Technology and Management). From time to time, the syllabi and scheme of courses are exhaustively reviewed and revised in the light of national/international professional needs and trends. The department is also running Ph.D programme in Architecture. The students of the department actively participate and achieve positions in various national level competitions. The Alumni of the department are doing well in Teaching and Architectural field at National and International Level and have brought laurels to the department

## BIOTECHNOLOGY

### About the Department

The Department of Biotechnology at Guru Nanak Dev University, Amritsar in Punjab ([www.biotechgndu.com](http://www.biotechgndu.com)) has contributed significantly in imparting high quality teaching and training in the field of Biotechnology since its inception in the year 1991. Due to substantial support of the University and DBT, GOI, the Department has established independent building with

modern labs and has emerged as a reputed national centre of learning and research in Biotechnology. Faculty members of the Department are highly qualified, specialized in diverse areas and are recognized nationally and internationally. Overall, the Department which is established in a premier University of the Country (Elite Category-I Status by UGC; [www.gndu.ac.in](http://www.gndu.ac.in)) takes the leverage of its highly qualified faculties, advanced teaching and research infrastructure with sound national as well as international collaborations in building technically competent manpower in Biotechnology. The continuous financial support from DBT, GOI for Post Graduate programme (M.Sc. Biotechnology) will enable the department to further capitalize on its strength and generate skilled human resources for catalyzing the bio-economy of the country.

## BOTANICAL AND ENVIRONMENTAL SCIENCE

### About the Department

The Department of Botanical & Environmental Sciences is UGC-DRS and DST-FIST sponsored department. The department offers programmes of studies leading to the award of B.Sc. (Hons.) Botany, M.Sc. Botany, M.Sc. Environmental Sciences and Doctorate in Botany and Environmental Sciences. The major emphasis of the course curricula is given on Plant

Biotechnology, Molecular Biology, Stress Physiology, Biodiversity, Natural Plant Products, Resource Conservation, Mathematical Biology, Statistics, Ecotoxicology, Environmental Pollution Monitoring and Remediation. Similarly, the research work is focused on thrust areas such as abiotic and biotic stress management in plants; Environmental toxicology; Assessment and bioprospection of plant resources, Environmental monitoring and clean up technologies for mitigation of environmental pollution. The teaching pedagogy includes field visits, project report, guest lectures, interaction meets, seminars and research techniques as an integral part of curricula. The students are given sufficient exposure to use and develop computer software for use in research and teaching. The spirit of community participation is inculcated by organizing environmental awareness campaigns, Shramdaan camps, Vanmahotsav, field visits, industrial tours etc. on regular basis.

## CHEMISTRY

### About the Department

The Department of chemistry came into existence in the year 1971 and over a period of time, it has emerged as one of the premier Departments not only of the university, but has also acquired prestigious status even at National level. The Department offers courses of B.Sc. (Hons.School), M.Sc. (Hons. School) and M.Sc. (Hons.) Chemistry. The department has adopted Credit based Continuous Evaluation Grading

system in order to make the examination process transparent and for continuous evaluation of the students. In each master's programme, the pursuing of independent research in final year and submission of dissertation is a distinguished feature. The dissertation is defended by the candidate before a committee of experts. Also each student of master's programme delivers a seminar on contemporary theme under the guidance of a teacher. The research activities of the Department focus on synthetic organic chemistry, supra molecular chemistry, structural inorganic chemistry, drug design, material science, electrochemistry, chemistry of surfactant, chemistry of oils and fats, theoretical chemistry, thermodynamics and analytical chemistry. Every year about ten students clear UGC-CSIR-NET/GATE test. The faculty of the Department runs more than twenty research projects funded by CSIR, UGC, DAE, DST and DBT etc. The contribution of the Department has been recognised both nationally and internationally and the faculty has been awarded FNASc, CRSI gold, silver and bronze medals, Bhagya Tara award, Prof. M.S. Wadia award, Brainpool fellow award, Coastal Chemical Society award, Thompson Reuter Research, Excellence India Citation Award and Commonwealth Academic Fellowship award. The Department has been adopted by the UGC under its special assistance programme (SAP) and by DST under its programme for improvement of Science and Technology (FIST). State of the art instruments like NMR, X-ray diffractometer, HRMS, UV, Fluorescence and Atomic absorption spectrometer, HPLC, DLS, SEM, TEM, AFM, DSC, Polarograph, Mossbauer spectrometer etc. are available for research and teaching. Several faculty members have exposure to foreign research laboratories in the form of post-doctoral and visiting scientist fellowship and are fellows of academic bodies of national/international repute. The department of chemistry actively participates in national and international conferences and symposia. It also holds refresher courses on regular basis along with national conferences / symposia/ meetings etc.

## COMPUTER ENGINEERING AND TECHNOLOGY

### About the Department

The Department of Computer Engineering and Technology was established on April 1, 2015 at Guru Nanak Dev University inside the Maharaja Ranjit Singh Bhawan building. The department is start functioning with as vision to create the most conducive environment for quality academic and research oriented undergraduate and postgraduate education in the field of

Computer Engineering and to prepare the students for a globalized technological society and orient them towards serving the society. It is engaged in cutting edge research in the areas of IoT, Wireless Sensor Networks, Cloud Computing, Big Data, Data Sciences, Image Processing and Parallel Computing. Its mission is to expose the students to broad research experience and to empower the students with the required skills to solve the complex technological problems of modern society. The department is running B.Tech (CSE), B.Tech (CE), M.Tech. (CSE) and P.h D. Programmes. Department has excellent placement records and many students of the department have been placed in the various National and International companies.

The department has well equipped research lab with latest computers and digital technologies, high end server and high speed Internet established under UGC 12th Plan and DST Purse. The department has dedicated research-oriented faculty as well as research scholars who have excellent publications in SCI indexed, Scopus Indexed as well as other reputed journals. The department has more than 400 publications in numerous journals and conferences. The department has conducted workshops on IOT, Cloud Computing, Big Data, Data Science using STATISTICA Tool and Research Application Programming Using MATLAB, Computer Networks in collaboration with TCS, University of Jean Spain as well as Grid Analytics India Pvt. Ltd. Apart from this, department has conducted many webinars to enhance the research.

## COMPUTER SCIENCE

### About the Department

The Department of Computer Science at Guru Nanak Dev University, Amritsar is having well qualified and experienced team of faculty members including nine (6 permanent and 3 contract/part-time) faculty members with Ph.D. qualification. The Department is engaged in cutting edge research developments with SCI, SCIE, ESCI, Scopus publications as well as other reputed journals in the areas of Wireless

Sensor Networks, Cloud Computing, Big Data, Data Sciences, Image Processing, Software Engineering and Parallel Computing. Currently there are 14 Ph.D. full-time research scholars working in respective/various research areas in the department. The department has dedicated research lab equipped with latest computers with high speed Internet. This department is having updated industry oriented curriculum along with massive technical exposure for MCA three year and five year students.

## EDUCATION

### About the Department

The department was established in 2013 with objective to produce quality teacher educators and researchers in the field of teacher education. The department offers courses leading to the degrees of M.Ed. (recognized by NCTE vide letter no. NRC/NCTE/recognition/2016, 147944-53 dated 2 May 2016 (File no. NRCAPP-894), M.A (Education), M.A.Education (Educational Management & Leadership). Certificate/ Diploma/PG Diploma

in Educational Management & Leadership Certificate/ Diploma course in Early Child Care and Education and Ph.D. and is providing leadership to 50 colleges of education affiliated to Guru Nanak Dev University, Amritsar. The department has well equipped educational psychology, educational technology, guidance and counselling, computer laboratories, Special Education Resource Room, Science Lab, Social Science room, Pedagogy labs along with learning resource centre equipped with books, Audio-visual learning material and equipments. The department is actively engaged in the development of curriculum for different programs of teacher education, providing professional development programs for teacher educators and school teachers especially in the field of integrating ICT in teaching learning and evaluation.

The department also has School of Education under PMMMNMTT scheme of MHRD, New Delhi which organises workshops and seminars for providing platform for deliberating on Issues of Education amongst educators from diverse areas and fields. The department has completed one major project funded by ICSSR and supervised one post-doctoral student sponsored by ICSSR. The department has successfully completed 7 Doctoral degrees and at present supervising 10 regular research scholars and 20 Part time research scholars.

## ELECTRONICS TECHNOLOGY

### About the Department

The Department of Electronics Technology was started in July 1983 with a vision to impart quality knowledge in the field of core Electronics as well as different facets of communication such as Microwave, Optical, Wireless, Data Communication, Digital Signal Processing and Image Processing so as to nurture the excellence in the students and enhance their capability

to meet the ever growing challenges in the field of electronics and communication engineering. The department has established itself as nodal centre for contemporary research in the area of Optical Communication, Microwave Materials, Wireless and Data Communication, Nanomaterial applications in Electronics, VLSI and Molecular Electronics etc. The department boasts of well-developed research facility for research in the field of optical communication. The department is contributing towards research in the field of fiber non-linearity control methods, gain flatness of optical fiber amplifiers, development of novel methods for optical switching and optical coupling. The current research is towards implementation of underwater optical communication and in visible light spectrum for applications such as secured military communication and radiation free communication in hospitals. Microwave ferrites and dielectric ceramics find applications in practical systems like radars, microwave absorbers, wireless communication systems, mobile base stations, satellite uplinks & broadcasting systems. Radar absorbing paints made from ferrites can be used to coat military aircraft for stealth operation. The department has state of the art facility to fabricate and characterize these materials especially at microwave frequencies in GHz range for such applications. The Carbon based molecular electronic components are being considered as alternative to conventional Silicon based electronic components. Atomistic modelling has been at the forefront of computational investigation of nanomaterials and has revealed a wealth of information on structure and properties of individual structural elements such as Nanowires, Nano films, Nano ribbons using Graphene, Fullerene, Carbon Nano Tube, Organic and Inorganic molecules as well as the characteristics of the interfacial regions and modification of the material properties at the nanoscale. The department feels proud to possess a dynamic and energetic faculty having a recognized research experience in their niche areas.

## ENGLISH

### About the Department

The Department of English has been offering Postcolonial Literature, Diaspora Literature, Indian Literature in English as well as in translation, British and American Literature, Semiotics, Literary and Cultural Theory, Systemic Functional Linguistics and Comparative Literature as core areas of research. A significant number of books, and research articles in various National and International journals of repute like *Ariel*, *Walt Whitman Review*, *Mark Twain Journal*, *Indian Journal of American Studies*, have been published by the faculty and research scholars. The Department brings out its own research journal *Punjab Journal of English Studies*. Besides, two other journals – *Subramaniam Bharati Journal of Comparative Literature* and *Odyssey: International Journal of Literature and Philosophy* – were initiated by the members of the faculty. Eminent writers like Mulk Raj Anand, Keki Daruwalla, Nirmal Verma, Shauna Singh Baldwin, and scholars like Christian Matthiessen, Rupen Desai, Alok Bhalla, Malashri Lal, Urvashi Butalia, and Kamla Bhasin have been among our invited speakers. The Department has also been organizing workshops and conferences in collaboration with institutions like British Council, Katha, Central Institute of Indian Languages etc. International Conferences in 2007 and 2016, and National Conferences in 1988, 1996, 1997, 2005, 2007, 2010 and 2016 have been organized by the Department for furthering the cause of research in the subject. About 52 students have completed their Ph. D and more than 334 students have obtained their M. Phil Degrees from the Department. The Post Graduate students are prepared for advanced language skills, critical understanding and analytical skills, including comprehension and interpretation of literary and cultural texts. For attaining these ends, the programme includes representative literary works, critical concepts and theories, structure of the English language and General Linguistics. The programme intends to produce free-thinking individuals sensitive to the aesthetic, political and social issues of their times so that they may contribute to their societies in meaningful ways.

## FOREIGN LANGUAGES

### About the Department

Undoubtedly, the knowledge of foreign languages is becoming more and more important in the global world of ours, when the physical distances are becoming irrelevant and the people belonging to diverse linguistic, socio-cultural, ethnic, religious backgrounds often come in contact with each other owing to a multiplicity of reasons. Subsequently, the department has been playing a leading role in meeting the

urgent demands of the society by imparting linguistic skills of Chinese, French, German & Russian ever since its inception nearly four decades ago. The department made a humble beginning with the introduction of then hugely popular Russian. Since then the department has been progressing by leaps and bounds and at present is offering Chinese, French and German besides Russian as Part-Time courses, namely, Certificate, Diploma & Advanced Diploma levels in addition to one year Diploma Course in French (Full-Time). Ever growing number of applicants for its courses in various foreign languages speak volumes about the contribution of the department to the society. Approximately 200 students pertaining to various departments of the university as well people from other walks of life like, professionals, lawyers, doctors, engineers etc enrol themselves every year in our department. Taking into account the requirements of the students, there months Short Term Courses are also being offered of late. The department also conducts need based capsule courses with the prior approval of the competent authorities. Facilities for research are also available in Russian. Emphasis is on imparting and strengthening the basic communication skills of the students in the chosen foreign language. French & German courses are designed such a way, so that the pass outs can successfully compete for various proficiency levels exam, conducted by Alliance Francaise & Goethe-Institute.

## FOOD SCIENCE & TECHNOLOGY

### About the Department

The Department of Food Science and Technology was established in 1994 with the objective of generating highly skilled manpower to meet the requirements of food processing industry. The M.Sc (Food Tech) program was started in 1993 and after its success was followed by B.Tech (Food Tech) program in 1995. The department also offers research guidance leading to Ph.D degree. The department is well equipped

with sophisticated instruments to carry out advance research in Food Science. Faculty members are providing consultancy & analytical services to Food Industry and Government welfare programs. The department has close association with well known MNC's like Nestle India Ltd., Pepsi Foods (P) Ltd., Glaxo Smith kline Beechem Consumer Healthcare Ltd., Cadbury's India Ltd., Joyco, Heinz, etc. Several students after completing degree from the department have got admissions in M.S Degree programs and Fellowships in internationally reputed institutions.

## **GURU NANAK STUDIES**

### **About the Department**

The Department of Guru Nanak Studies was established in 1971 with the provisions of the Article IV of Guru Nanak Dev University Calendar Act, 1969 as follows: To make provision for study and research on the Life and Teachings of Guru Nanak Dev and their cultural and religious impact in the context of Indian and World Civilizations. The Department of Guru Nanak Studies is an inter-disciplinary department with its main focus on Sikh Studies and Comparative Study of Religion. The department offers two Post Graduate Courses in Religious Studies and Philosophy. Besides teaching, research guidance is provided to regular as well as part-time students pursuing for their Ph.D. '*Journal of Sikh Studies*', a refereed journal of international repute has been a regular feature of the department since 1974. A new Journal *Dharam Adhyan Patrika* (Punjabi) has been started from 2012. National and International Seminars and Conferences are organized by the department for dissemination of research activities on the Sikh Studies and allied fields in the wider perspective. Candidates admitted in M. A. Religious Studies, M. A. Philosophy will be exempted of tuition fees. The students of our post-graduate courses prepare mostly for the jobs in educational institutions in India as well as abroad. Other avenues of employment open for our post-graduate students are in religious institutions of Sikhism, JCO's in armed forces (Religious Teacher), guides in religious and cultural tourism sector and in Journalism (Print and Electronic media).

## **GURU RAM DASS SCHOOL OF PLANING**

### **About the Department**

Guru Ramdas School of Planning was established to impart education and training at Post Graduate level in the field of City and Regional Planning. Initially, the School conducted two years Master's Degree in City and Regional Planning (MCRP). Later on, the nomenclature of the course was changed to Master of Technology in Urban planning i.e. M.Tech. (UP). At present, School conducts four academic programmes, one at the Under Graduate level i.e. B.Plan (Urban & Regional) which is of 4 years (8 semesters) and the others at the Post Graduate levels i.e. M. Plan (Urban), M.Plan (Infrastructure) & M.Plan (Transport) which are of 2 years (4 semesters) each. The School has emerged as one of the pioneer professional institutions in the country for education and training in the field of Urban and Regional Planning. The School so far has trained more than 700 town planners at Masters and Bachelor levels. The graduates from this School are serving in different capacities in various government and private town planning and allied organisations at National and State level in India and abroad. The Alumni of the School have served as Chief Town Planners of Jammu & Kashmir, Himachal Pradesh, Haryana, Punjab, Rajasthan, and Arunachal Pradesh. They are also leading other reputed public and private sector institutions throughout the country.

### **INFRASTRUCTURE OF THE DEPARTMENT**

The Guru Ramdas School of Planning has well equipped labs for undertaking hands on training on different software's such as Auto-CAD and GIS. The Survey lab is well equipped with all instruments for training purposes.

### **MAJOR EQUIPMENTS IN THE DEPARTMENT**

Surveying instruments including chains, tapes, compasses, poles, tripods, mounts, dumpy level, Eidograph, Total Station and Global Positioning System (GPS), Sonic Meter, Water Level Sensor, Air Quality Pollution Meter Detector, Arc-GIS, Computers, Printers and LCD Projectors.

## HINDI

### About the Department

The department of Hindi is one of the pioneer and leading Departments of Guru Nanak Dev University. It specializes in Ancient, Medieval and Modern Literature. It also nurtures Aesthetics, Stylistics, Drama & Theatre, Sociology of Literature, Axiology, Gurbani & Linguistics. The courses are regularly updated in line with the latest literary trends. It has carved out a special niche for itself in the field of Modern

Linguistics, Stylistics, Semiotics, Aesthetics, Axiology and Cultural Study. It also provides Sociological, Psychological, Philosophical and Historical approach to literature through its various research oriented courses. Hindi Department has taken the responsibility of giving a special focus to Hindi Literature written in Punjab. In the Modern era of Globalization, the department has provided a mirror of Punjab, Punjabi & Punjabiya to the rest of the world. In the present transitional period, the department also focuses towards Media, Journalism and Information Technology.

## HISTORY

### About the Department

Main focus of the research in the Department has largely been on the Socio-Economic and Cultural history, especially Agrarian history of the Greater Punjab in the North-West of the Indian sub-continent, encompassing present day areas of Punjab, Haryana, Himachal Pradesh, Jammu and Kashmir and West Punjab (Pakistan). In the last decade, the Department has traversed to newer areas. Broadly speaking, the main areas of research of the Department are as under:

### Department of History

1. Social and Economic History
2. Agrarian Society; Social Change
3. Colonial Economy
4. Socio-Cultural and Religious Developments
5. Major Trends in Punjab and Sikh Historiography
6. Gender Studies
7. Punjabi Diaspora.
8. History of Science and Medicine in the Punjab
9. Punjabi Press and literature
10. Fresh Analysis of Partition of the Punjab
11. Contemporary Punjab

The department offers facilities for research in Modern Regional history of North West India in Ph.D programme. The department publishes Journal of Regional History on regular basis.

## HUMAN GENETICS

### About the Department

The Department of Human Genetics was established in 1990 for dedicated research and education in the field of Human Genetics and to provide genetic services to the society. The department has the biphasic vision to nurture and mentor Student-Learning outcomes, and to carry out research on genetic diseases and disorders in terms of diagnostics, counselling, management, prognostics and therapeutics. The department has the mission to facilitate, develop and foster excellence in Human Genetics Research and Education, and promote Human Genetics and the understanding of Human Diseases. The department admits to M.Sc (FYIC), M.Sc (Hons. School), M.Sc and Ph.D programmes.

The research interests are in molecular genetics, cytogenetics, medical genetics, population and quantitative genetics and immunogenetics related to in depth genetics characterization and delineation of the basic mechanisms of genetic abnormalities that can eventually assist in better disease management. Besides, the Department has received grants from various national and international R & D agencies such as UGC, DST-FIST, DST Purse, UGC-SAP, DBT, CSIR, PSCST and ICMR. The department has published more than 580 research papers along with several books/Book chapters in international and national journals/books. Moreover, the department has also produced over 62 Ph.Ds. The students of the department have been absorbed in premier research institutes with placement in different diagnostic centres, laboratories, hospitals and in teaching institutions, both in India and abroad.

## LAWS

### About the Department

The Department of Laws at Guru Nanak Dev University, Amritsar was established in the year 1972 having LL.B. Course and in 1983, teaching of LL.M. was started. The Department has a team of highly educated, committed, dedicated and motivated teachers. Besides teaching, they are actively and tirelessly engaged in research in their respective fields. The Department has strength of One Professor, One Associate

Professor, Five Assistant Professors, Seven Assistant Professors on Contract basis and 5 Assistant Professors on part-time basis and Seven Research Fellows.

The Departmental Library has a collection of about 20,000 books and manuscripts. The Library is also having a collection of Law Commission Reports. The Library is also subscribing to Indian Law Institute Newsletter. The main library is well connected with INFLIBNET, DELNET and Legal Software available on the website [www.highcourtchd.gov.in](http://www.highcourtchd.gov.in), [www.eCourts.gov.in](http://www.eCourts.gov.in).

## LIBRARY & INFORMATION SCIENCE

### About the Department

Initially the Department provided programme leading to Bachelor of Library & Information Science, but since 1984-1985 it has been offering courses leading to Bachelor and Master Degrees in Library and Information Science. The Department also provides facilities for doctoral research since 1988. Special emphasis is laid on teaching of modern methods for information processing and use. The department has introduced a

paper, in each class, on computer and IT applications in Libraries for students to work in automated libraries. The department has augmented teaching material supplied to students by adding more to the Departmental library. Total number of Textbooks in the Departmental Library has gone up to 1125. A computerized catalogue of the library books has been prepared using library software WINISIS. Computer Laboratory of Ten Intel i3 PCs with LAN and Internet connectivity has been set up in the Department for providing practical training to the students in the use of computers and networks.

## MASS COMMUNICATION

### About the Department

The Department of Mass Communication is one of the most acclaimed in the sectors of media and mass communication in India. Since its inception in 2019, the department has been functional in imparting theoretical and practical knowledge regarding media advances. It has endeavoured to inculcate the attributes of community leadership and analytical thinking through its flexible curriculum. Recognising the importance of practical knowledge, the adept faculty provides with enriching activities for students to attain best on-the-job experience. In a brief span of two years, the department has become an epitome of serving quality education. It offers B. A. (Hons) Journalism and Mass Communication, a three years integrated course. The curriculum does not only focus on grasping textbook concepts but also helps in real personality development of the individuals. For promulgating the practical knowledge, the department collaborated with British Broadcasting Company (BBC) for Sports Hackathon 2021 organised for BBC Indian Sportswoman of the Year 2020 to enhance information about Indian Sportswomen on Internet. The proficient faculty also organized online interviews under the series titled "Kahani Kamyabi Ki (K3)" with Aakash Talwar, a well known Television Artist and Vipin Kumar Rana, Chief Reporter of Dainik Jaagran in Amritsar. The department collaborated with Dee4 news, a YouTube news channel, to conduct discussions on various issues encouraging active participation of students. The former students of the department have also worked in Bollywood as interns. Students are guaranteed to acquire unbiased exposure. Through its excellent modules and active participation in various events, the department has become the most promising option for aspiring journalists and strong communicators of near future.

## MICROBIOLOGY

### About the Department

The department of Microbiology was established in 1990, after School of Life Science reorganized into different departments. The department is offering B.Sc. Microbiology (3 years), M. Sc Microbiology (2 years) and Ph.D. programs. The teaching programs of the department lay stress on both the basic and applied aspects of Microbiology. The curriculum of the courses includes extensive practical work, project work/ industrial training/ visits to related industries/ premier research institutes of the country. The faculty members of the department are actively engaged in the research work related to their respective core areas and have fetched independent grants from DBT, CSIR UGC, NAIP (World Bank) and other funding agencies. The department is DST-FIST and UGC-DRS recognized department. The students from the department have been finding employment in the industry, teaching and research institutes. The PhD students are occupying good positions in teaching and research in India and abroad including, USA, Europe and Australia.

## MOLECULAR BIOLOGY & BIOCHEMISTRY

### About the Department

The School of Life Sciences was carved out of the Department of Biology in 1988 with five major disciplines: Botanical Sciences, Human Biology and Human Genetics, Microbiology, Molecular Biology and Biochemistry, and Zoological Sciences. Subsequently in 1990, these five major disciplines were separated as independent departments. This Department takes up fundamental and applied aspects of Molecular Biology and Biochemistry in its teaching and research programs. It admits students to the various programs leading to the awards of B.Sc., M.Sc. and Ph.D. degrees. The current number of seats are 40 in B.Sc., 50 in M.Sc. and the number of students admitted in Ph.D. varies from year to year. Admissions are made on the basis of entrance test. The students are continuously evaluated based on their performances under credit based evaluation and grading system.

The thrust areas of the Department are Protein Biochemistry, Structural Biology, Malarial Research, Microbial Genetics, Reproductive Biology and Molecular Biology of infectious diseases. The faculty in the department is well trained with experience in foreign laboratories and the department has a good infrastructure.

## MYAS

### About the Department

MYAS-GNDU Department of Sports Sciences & Medicine has been established in December 2017 and is the only department of sports sciences & medicine in any state university in India. This is the only department in India, which offers Ph.D. program in sports medicine and sports physiotherapy. It has one of the most comprehensive research laboratories in the fields of neurophysiology, motion analysis,

human performance, sports psychology, exercise physiotherapy, kinanthropometry, exercise physiology, isotonic and VO<sub>2</sub> calculation. On the teaching aspect, this department was the first to introduce Masters in Sports Physiotherapy [newly changed course name as Masters' in Physiotherapy (Sports Physiotherapy)] in South-Central Asia. This department has been established in collaboration with MYAS in order to generate human resource specialized in the field of sports sciences. The department is successfully running professional master's degree programme in health care administration. The department is also running dedicated courses in sports sciences including sports nutrition, sports psychology, sports physiology and sports physiotherapy. The students will receive on field training and attachments to teams. The department is successfully running clinics for each field for counselling and treatment.

## **PHARMACEUTICAL SCIENCE**

### **About the Department**

The Department of Pharmaceutical Sciences was established in 1995 at Guru Nanak Dev University, Amritsar with a clear vision to produce trained professionals to meet the ever-growing demand in the Pharmaceutical Industry and Academia. The Department is recognized by Pharmacy Council of India (PCI) and All India Council of Technical Education (AICTE), New Delhi. The department is enriched with highly qualified faculty and is presently running Bachelor of Pharmacy and Masters of Pharmacy courses in Pharmaceutics, Pharmaceutical chemistry, Pharmacology, Pharmacognosy and Ph.D. course in all disciplines. The department is well equipped with state of the art laboratories in Pharmaceutics, Pharmaceutical chemistry, Pharmacology, Pharmacognosy sections. The infrastructure available makes the department a conducive place for academic learning that provides students with quality education in a clean and comfortable environment. In last few years, more than 350 research papers have been published and presented at various national and international conference chairs. The Department is working towards becoming a centre of excellence in Pharmaceutical Education and Research. The Department has research collaborations with the various national and international institutes. Number of research projects in the department has been funded by various scientific agencies including CSIR, DST, UGC and AICTE. The department has very good placement record with students holding jobs in government sector, academics and in industry as R & D scientists.

## SOCIOLOGY

### About the Department

The Department of Sociology was established in 1976 with a small faculty of one Reader and a Lecturer. The shortage of faculty was compensated by the visits of the well-known and senior faculty members from other universities. This helped the Department to grow on a solid footing. The Department tried to conserve its research and intellectual base and took upon itself the responsibility of publishing its own journal,

namely *Guru Nanak Journal of Sociology* in 1980. The journal has helped the Department to establish its own academic network in the country. The second stage of the development of the Department was between 1986 and 1995. The faculty strength reached seven and diverse areas such as; Population Studies, Urban Studies, Sociology of Entrepreneurship and Sociology of Movements were the new areas of thrust. The Department has the distinction of organizing 5<sup>th</sup> and 15<sup>th</sup> Conferences of the North West Indian Sociological Association, 27<sup>th</sup> Conference of the Indian Sociological Association and one International Conference on Habitat Agenda. Faculty members of the Department have published 52 books and 390 research papers. The UGC identified the Department for a grant in the area of Sociology of Environment in 1995. The UGC also recognized it under the Special Assistance Programme (SAP) and the department has entered DRS level III and got a grant of Rs. 82 lakhs for five years (2014-19). During the past few years a shift in the thrust areas of the Department has taken place.

## ZOOLOGY

### About the Department

The Department of Zoology was established in 1990. The Department has six faculty members who are currently pursuing research in the thrust area of Environmental monitoring and best ecological practices. Research is being carried out in the fields of Aquatic Ecology, Aquatic Toxicology, and Insect pest control, Nematology, Vermicomposting and Cytogenetics. The Department is recognized under the DST-FIST and PURSE and UGC SAP Program. Besides, the Department has received grants from UGC, MOF, DBT, CSIR and DST. The Department has active collaboration with international and national research institutes. The Department has published more than 500 research papers and book chapters in international and national journals/books. Moreover, the department has also produced about 62 PhDs. The Department offers study programmes leading to the awards of degrees in MSc (FYIC) (USHS) of 5 years duration, MSc Zoology of 2 years duration and PhD. Students achieve competence in theory and practical's related to Applied Zoology, Structure and Function of Animals, Molecular Cell Biology, Immunology, Developmental Biology, Ecology and Wild life, Biosystematics, Evolution, Animal Behaviour and Metabolic Regulation of Cell along with knowledge of Computer Application and Biostatistics. Students are also trained for handling teaching assignments and sophisticated instruments through interactive learning tools such as seminars, workshops, field trips and group discussions. Students get opportunities to pursue higher education and research in reputed institutes of India and Abroad. Every year around 6-7 students clear various national level eligibility tests. After completing their degree the students are absorbed in universities, colleges, research institutes and administrative jobs.

## TEACHING DEPARTMENT REGIONAL CAMPUS

---

### REGIONAL CAMPUS JALANDHAR

#### ENGINEERING AND TECHNOLOGY

The department was established in 2002, and since its inception, it has been actively engaged in promoting technical education in the fast growing fields of Information and Communication Technology. The Department provides a well-designed course curriculum that facilitates a unique blend of theory and practical to help students assimilate the subject thoroughly. The curriculum stresses on developing analytical skills, communication, problem-solving and team work abilities. The Department is facilitated with state-of-the-art facilities for Devices and Circuits Lab., Digital Electronics Lab, Communication Systems Lab, Microprocessor lab, Measurement lab, Instrumentation lab Printed Circuits Board Lab and Electronic Design Automation lab. Labs are equipped with high end tools and instruments, for hands-on experience to assimilate theoretical knowledge. The Computer Labs are well equipped with latest PCs supported with internet connectivity of 20Mbps (leased line). Department is graced with a distinguished and highly qualified faculty. The department also facilitates the Research and Development activities in the following spheres:

- Artificial Intelligence, Internet of Things (IoT) & Machine Learning.
- Wireless/Optical Communication and Networks.
- Nano-Electronics & Electronic Devices.
- Biomedical Signal Processing, Biomedical Instrumentation.
- Programming/Network Security & Cryptography.
- Cloud Computing, Big Data.

Licensed research softwares including Matlab, NetSim, Virtual Nano Lab, Optisystem, Biopac TM, Aneka etc. are available in the department that serve as innovative ground for the promotion of research. For the practical understanding and exposure of the technology, students are encouraged to take up projects in diverse areas related to Engineering and technology. The departmental library has Multi-storeyed space with over 30,000 books journal etc. Students have free online access to a vast pool of e-journals/e-books related to engineering & science. The students are also motivated to participate in various co-scholastic activities like mock campus interviews, Group discussions, and seminars to hone Soft-Skills and enrich their personalities. The N.S.S. unit actively organizes camps of Blood Donation, Tree Plantation and Aids Awareness etc. The students are actively taking participation in smart initiatives inclusive of tree plantation for clean and green city, and e-waste management. Career Guidance, Personality Development Seminars, Mock Tests, Group Discussions, Workshops and Guest Lectures are also conducted for the students. Excellent campus placements have been achieved by students in the prestigious multinational companies on regular basis through centralized Placement Cell of the university.

## Infrastructure

The Department is facilitated with state-of-the-art facilities for Devices and Circuits Lab, Digital Electronics Lab, Communication Systems Lab, Microprocessor lab, Measurement lab, Instrumentation lab Printed Circuits Board Lab and Electronic Design Automation lab. Labs are equipped with high end tools and instruments, for hands-on experience to assimilate theoretical knowledge. The Computer Labs are well equipped with latest PCs supported with secured internet connectivity of 20Mbps (leased line) supported with firewall (Sophos).

## **DEPARTMENT OF JOURNALISM & MASS COMMUNICATION**

The Department was conceived under Guru Nanak Dev University College at Basti Nau, Jalandhar, in 1989. It became a full-fledged department in 1995. At present, it is running a Master's Degree and Ph.D. in Journalism and Mass Communication. The department's focus is on visits, guest lectures and projects etc. The placement rate of the department is high with students placed in various media organizations in India and abroad. The Department believes in practical orientation because of the professional nature of this course. For this purpose, quizzes, seminars, assignments, projects etc. are undertaken by the students, besides participating in media related competitions in the region.

### **ACTIVITIES:**

The Department fully utilizes the equipment to conduct practicals in subjects like photography, production techniques, computers etc. The stress is on the development of the overall personality of the students. So, visits and tours to newspapers, AIR, DD etc. are regularly organised. Guest Faculty, comprising experts in media, are invited for interaction with students.

### **ALUMNI:**

The Department attracts students from all over India and even abroad. The placement rate of the students in various media organisations is also satisfactory. Our students figure on the rolls of prominent dailies like Hindustan Times, Times of India, The Indian Express, The Tribune, Ajit, Hind Samachar, Amar Ujala, Dainik Jagran ; electronic and other media like Asian News International, AIR, DD, PTC, Google etc. . Some of them have started their own Production Houses, Advertising and PR Agencies.

### **Infrastructure**

The Department of Journalism and Mass Communication has a well equipped audio video studio for conducting practicals and other projects for electronic media. Beside the department also comes out with its news letter at regular intervals for which purpose there is computer lab. Since the course involves practical training, the Department has developed some infrastructure, which includes equipment like still cameras, video cameras, color TV, VCD, DVD, OHP, Slide Projector, LCD Multimedia projector, Music system, Xerox machine, computers etc. The department has its own state of the art audio-visual and still photography studios.

## REGIONAL CAMPUS GURDASPUR

Guru Nanak Dev University Regional Campus, Gurdaspur spread over an area of 28 acres, is located on Hardo-Channi Road in the Lap of pristine nature which adds to the beauty and glory of the Institution. The campus was set up in the year 1999, to cater to the educational needs of the students of Punjab and neighboring states such as Himachal Pradesh, Haryana, Rajasthan and Jammu & Kashmir. Apart from the basic amenities, the Regional Campus,

Gurdaspur has a separate hostel facility for boys and girls with the capacity of 200 and 300 students respectively. The Hostels are well furnished and have facility for indoor games, Wi-Fi-Internet, common room and canteen etc. The regular placements of students from Regional Campus, Gurdaspur have been a distinguished achievement of the Campus. Further keeping pace with evolving cyber age, the University envisaged dedicated internet connectivity (20 Mbps) and four high end programming cum computing labs. There being a revolution in the telecommunication world, different advanced Computer and Electronics labs have been setup. Wi-Fi Internet connectivity is provided in the boys and girl's hostels. All departments in the campus have been provided the internet connectivity. One Internet Lab is provided in the girls' hostel for working in evening hours. The campus also has 250 KVA generators to provide 24 hrs electricity in the departments and the hostels. The Campus is having well stocked library with a collection of more than 19000 books and a subscription of various national and international e-journals. Special book bank has been set up for students belonging to SC students. The campus also has an active Technical Student Society (TSS#) that organizes various technical and cultural events and workshops/ seminars/ conferences to enhance the technical and personality development skills of the students. It organizes an annual Tech Fest LAKSHYA 2K (Technical events) and URJA 2K (Sports activities) every year. The campus organized two national seminars in 2012, 2014 and a National Conference in 2017. The NSS unit of campus is also active in organizing various social activities like tree plantation, blood donation and awareness programs on gender sensitization, drug abuse problem, traffic rules & road safety, etc.

## DEPARTMENT OF ENGINEERING AND TECHNOLOGY

The Department of Engineering and Technology was established in year 2002 with full-time 4-year B.Tech. (Electronics and Communication Engineering), B.Tech.(Computer Science and Engineering) and MCA (FYIC) degree programmes. In 2013, M. Tech.,(Computer Science and Engineering) and M.Tech. (Electronics and Communication Engineering) courses were also started in the department. Further in 2021, two new programmes i.e. 3-year BCA and 4-year B.Tech. (Electronics and Computer Engineering) have been introduced. The

department is catering to the needs of the students hailing from various parts of the country especially the backward and border areas of Punjab.

The department imparts high quality education in Engineering and Technology to produce competent technical manpower to meet the ever growing demand of the global industrial sector and nurtures young minds to grow and excel in the technical world. Students are motivated to participate in the various activities like mock tests, group discussions, and seminars, workshops to improve their soft skills and enrich their personality. The syllabi of the various courses are regularly updated to keep pace with the latest development in the industry. The performance of the students is continuously evaluated according to Credit-Based Evaluation and Grading System.

It has highly qualified faculty members to educate the students theoretically and practically as per the industrial requirement. The faculty regularly attends various International/National Conferences/Symposia and Workshops to keep themselves updated with the emerging technological trends. The faculty of the Department undertakes an active interest in various research areas like Software Engineering, Computer Networks, Optimization Methods and Parallel Computing, Image Processing, Nano-Technology, Optical Communication and Networks etc.. Each member of the department bears a continuous responsibility to articulate, reinforce and reflect those values that support our highest aspiration

### **Infrastructure**

The department has well stocked air conditioned library having around 9,000 books, various Newspapers, Magazines and many other e- Journals for ready reference to the students. Also, the department is well-equipped with the advanced laboratories and research softwares such as NetLogo, MATLAB, OptiSystem, LabVIEW, Scilab and CST-Studio. The department provides state-of-the-art computing facilities and has about 150 Intel 5th Generation computers having i5 processor, with latest software platforms like Windows 7/10, LINUX, UNIX etc. All the computers in the various labs /offices in the Department are connected via campus wide Local Area Network and WiFi facility is also available. The department provides Internet connectivity through 20Mbps leased line catering to the need of entire Campus. The department has 8 ICT enabled classrooms and 2 Seminar halls for lectures and other co-curricular activities.

During the course, the students are given theoretical and hands-on training in Programming Techniques, Database Management System, Operating Systems and other Application Software. Database Lab with latest SQL Server and supporting application software like MS Access, SQL Server, Oracle 10g & 11g are used for software development. Programming Lab is used for programming with latest IDE installed in it front-end tools like C/C++, Java, VB.Net Developer 2015. Also, the department has well-furnished laboratories of Electronic Devices and Circuits, Communication Systems, Digital Electronics, Microcontroller, Microprocessors Microwave Engineering, Industrial Electronics etc.

The various laboratories of the department are as follows:

**Programming Lab I :**

The Programming Lab-I is exclusively dedicated for teaching the basic programming techniques and its implementation to the students of B. Tech first year (CSE). The lab has 40 terminals with tool like C, C++, and Microsoft Office etc.

**Programming Lab II:**

The Programming Lab II is dedicated for teaching advanced programming techniques and its implementation to the students of B. Tech (CSE) second and third year. The lab has 25 terminals with Microsoft Visual Studio, Net Beans and other web development tools.

**Database Lab:**

The Database lab is dedicated for teaching various database management systems and its implementation to the students of B. Tech (CSE) second and third year. The lab has 25 terminals with Oracle, MySQL and other front end development tools like PHP and Microsoft Visual Studio.

**Internet Lab:**

The Internet lab is common for all the students of the campus. It has 25 latest Computers with high speed leased line internet connectivity. All the students are free to use the facility for academic and research purposes.

**Electronic Devices and Circuits Lab:**

This lab emphasis on practical aspect of basic electronics and its applications like various rectifier circuits, amplifiers circuits for e.g. Class A, Class B, Class C, Class AB, Push Pull, and transistor configuration such as common base, common emitter and also FET based circuits.

**Communication System Lab:**

It imparts knowledge to the students on the concept of Analog and Digital communications through trainer Kit like AM, FM, PM pulse, ASK, FSK, PSK Modulator and Demodulator.

**Digital Electronic Lab:**

This lab equips students with basic knowledge of digital electronics circuit such as various Digital Gates, Flip Flops, Registers, Counters, Multiplexers and De-Multiplexers, Timers, Encoder and Decode.

**Analog Integrated Circuits Lab:**

In this lab students design the operational amplifiers and IC 555, 565, 566 based circuit for analyzing theirs the characteristics like gain, input impedance, output impudence, frequency, locking range, capture range measurements etc.

### Microprocessor, Micro controller & Digital Signal Processing Lab:

In this lab students learn about the programming concept of 8085, 8086 & Microcontroller from basic to various interfacing cards because these systems are building blocks for all the intelligent systems. Digital Signal processing lab helps the students to understand the concepts of various operations on different types of data, voice and video signals i.e. manipulation, processing and visualization.

### Microwave Lab:

This lab encourages the students to work towards the design and analysis of microwave circuits, and components such as antennas, phase shifters, attenuators, VSWR meter, directional coupler, klystron tube, filters etc. for RF, microwave, millimeter wave applications.

### Electronic Measuring Instrument Lab:

This Lab helps students to study various instruments like Shearing Bridge, Wheat-Stone Bridge, Anderson Bridge, Wein Bridge, Kelvin Double Bridge, CRO, Function Generator, L.V Power Supply for Kelvin Bridge etc.

## CONSTITUENT COLLEGES

### GURU NANAK DEV UNIVERSITY COLLEGE, JALANDHAR

Guru Nanak Dev University College, Jalandhar which was started as Punjab University College in 1962, came under the jurisdiction of Guru Nanak Dev University, Amritsar in 1973. Located in the centre of the city, it is situated at a distance of just 1 km from the railway station and 2 kms from the bus stand. With conventional and novel educational programs, and requisite infrastructure, the college is housed in a majestic building and has a peaceful, natural and conducive environment for studies.

It was started as an Arts College but gradually shifted its focus from traditional to professional courses. With the prime objective to provide quality education and career opportunities to the students of the region and to make them employable keeping in view the changing market needs, MCA(FYIC) was started in the year 2002, MBA(FYIC) in 2004, MBA(Two years) in 2010, and MCA(Three years) in 2011. In continuation with these endeavours, B.COM, B.COM (Honours) and M.COM courses were started from the academic session 2013-14. Besides, BBA, BCA and M.Sc. (Mathematics) were also started from academic year 2014-15. B.Com (Financial Services) which is a professional course for students aspiring to study finance as a specialisation was also started in 2019-20. In addition to these courses, vocational courses like B.VOC (Retail Management), B.VOC (E-Commerce and Digital Marketing), and B.VOC (Photography and Journalism) were introduced in academic session 2020-2021. These professional courses and skill based courses are expected to create young leaders, winners and achievers in a global corporate world.

### INFRASTRUCTURE OF THE COLLEGE

The college claims excellent infrastructure in terms of airy and spacious Class Rooms, modern Computer Labs, and well equipped Seminar Halls which are aesthetically designed to ensure high degree efficiency in the teaching learning process. Wi-Fi facility, 2 Mbps leased line; modern teaching aids like multi-media projectors are available to complement the teaching learning process.

Several support systems for overall development are bestowed to the young minds. College Sports services encourage the students to give importance to their physical well-being along with studies. It is the best way to channelize the energy of the present-day youth.

An Entrepreneurship Development Centre has also been established for the welfare of entrepreneurs and giving new shapes to the business ideas of each individual. Management and IT experts are regularly invited to interact with the students. The college also has an Institution's Innovation Council established by Ministry of Human Resource Development, Govt. of India to promote innovation in the institution.

A NSS unit has also been established in the college to promote the motto of NSS which is "not me, but you". Moreover, NSS helps the students to develop a sense of selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings.

The College library has a valuable collection of text books, reference books, variety of newspapers, national and international magazines and professional journals.

## SHAHEED RAM SINGH PATHANIA MEMORIAL GND UNIVERSITY COLLEGE, NIARI

### About the College

Way back in the early nineties, the awakened citizens of Dhar Block, under the patronage of Rajput Sabha joined their heads, hearts and hands together. The noble aim was to provide higher education to the daughters/ sons of the soil i.e the remote and backward areas of Dhar subdivision. It was an uphill task but worth the cause. Drawing inspiration from the great legendary hero of the ilaqa, Shaheed Ram Singh Pathania, they started

this educational Institute in the scenic lap of nature at village Niari. Initial hiccups inspired them to hand-over the college to Guru Nanak Dev University Amritsar, courtesy care and concern of the then education minister Master Mohan Lal ji. The Gram Panchyat of the Naloh/Niari was very kind to offer 27 acres of land for this purpose. Under the stewardship of the worthy Vice-chancellor Dr. H.S Sooch, the Guru Nanak Dev University Amritsar took reins of this College on June 10, 2001. Vide Syndicate decision dated 29-12-2000, the college was taken over by Guru Nanak Dev University, Amritsar, from a private trust and University started imparting instructions in Bachelor of Arts classes. The said decision of the Syndicate was duly approved by the senate of the University vide decision/ resolution dated 25-01-2003. Since then the College is a University College standing as a light house for the Dhar subdivision. Honorable Vice-chancellor Dr. Jaspal Singh Sandhu is very keen to develop this institution as one of the best educational Colleges. He has been very kind to get the construction of four new classrooms completed and furnished them with sleek furniture. Located in the lush green edenic surroundings, our College is about 35 kilometers from District Head Quarters on Pathankot-Dalhousie road. The college imparts instructions the following Courses/ Degrees:

- I. B.A with effect from 2000-2001 & with Comp Sci Subject w.e.f. 2007

**AMARDEEP SINGH SHERGILL MEMORIAL COLLEGE, MUKANDPUR****About the College**

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4<sup>th</sup>, 2007 as a university college with the mission to provide quality education to the rural youth. The university has established this institution as Rural Model College. Under the aegis of worthy Vice Chancellor, Prof. (Dr.) Jaspal Singh Sandhu, our college is progressing by leaps and bounds and the college is running professional courses like MCA and MBA since 2008. The college was established in 1994 in the memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in prime of his youth. He was the only son of S. Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill. Instead of getting subdued in grief, the parents decided to serve noble cause of spreading the light of knowledge amongst rural youth with the help of other 120 NRI associates. The college is situated at Mukandpur which is a small town in district SBS Nagar. It is about 8 kms. From Banga, 20 kms. From Phagwara and 20 kms. From Phillaur and 20 kms. from SBS Nagar. The campus sprawls over 20 acres with an architecture that merges with landscape.

The college has highly qualified, hardworking and dedicated faculty. Strength of the college is approximately 700 and with the introduction of new courses, we hope to gain even more students from the adjoining areas in near future. To widen the horizons of learners, seminars and extension lectures by eminent speakers are arranged in the college. In nutshell, college aims to develop ideal human resources for meeting diverse socio- economic requirements of the country as well as to produce educated, enlightened, cultivated, committed and responsible citizens.

**Infrastructure of the College**

The college has a magnificent triple storied building with open shelf library, which has more than 33500 books, 40 journals/magazines and leading newspapers. The college library is providing e-journals and e- books through NLIST, Directory of Open Access Journals (DOAJ) and National Digital Library of India. The library has a separate e- book section also. The students can view the educational CDs in the library. The college library provides facility of internet and photocopy to students and faculty members. Latest equipments are employed as teaching aids. The college has Physics, Chemistry, Botany, Zoology, and Home Science, Child care, Music (V), Dress Designing Labs and smart class rooms. There is a separate Computer Science and IT Block, which has 6 state of Art Computer labs equipped with 150 computers and internet connectivity of 20 mbps (1 :) through radio link. Equipped with modern teaching aids, the department of Commerce and Business Management disseminates essential skills of entrepreneurship through academic and professional courses. There is a separate seminar Hall with a seating capacity of 170 persons. A hostel for 80 girls is available with extended internet facility in it. Gymnasium with its latest imported machines is a

cynosure of all eyes. Sports facilities include a track of four hundred meter and playfields for football, hockey, volleyball and handball. Latest addition in the sports facilities is wrestling coaching which is provided free of cost to college students as well as to non students. The college campus is fully covered under Wi-Fi facility. A fleet of buses carries the girl students to college and back to their homes. The beautiful open air theatre helps our students to nurture their academic and cultural capabilities.

## **GURU NANAK DEV UNIVERSITY COLLEGE, CHUGH TARN TARAN**

### **About the College**

Keeping in view the academic needs of the residents of rural, semi urban and border areas of Tarn Taran district, to impact affordable quality education and to spread knowledge, the Higher Education Department of the Government of Punjab established this College as Government College, Chungh (Tarn Taran). The foundation stone of the College was laid on 18<sup>th</sup> February, 2010 by the Hon'ble Chief Minister of Punjab, S. Parkash Singh Badal in the presence of the Education, Civil Aviation, Vigilance and Law Minister

Dr. Upinderjit Kaur; Member of Parliament, S. Rattan Singh Ajnala; M.L.A. Valtoha constituency, S. Virsa Singh Valtoha; Principal Secretary, Higher Education, S. K.B.S. Sidhu, IAS and Deputy Commissioner Tarn Taran, Shri Khushi Ram.

Later on, Punjab Government handed over the College to the administration of the University as a Constituent College and the College was renamed as Guru Nanak Dev University College, Chungh (Tarn Taran). Subsequently, the formal inauguration of the College was held on October 21, 2011 by Hon'ble Chief Minister of Punjab, S. Parkash Singh Badal. From its beginning academic session 2011-12, under the visionary guidance of Worthy Vice-Chancellor, Guru Nanak Dev University, Dean Academic Affairs, Dean College Development Council, and under the dynamic leadership of current OSD Mrs. Kinderjit Kaur, the College is consistently endeavouring to achieve the set goals.

Deserted and terrified owing to repeated Indo-pak wars, devoid of basic infrastructure of education, even after decades of independence, this area was waiting for such a milestone to happen. Dream of development of the people was realized by the Government of Punjab in the form of this very College. In the natural and beautiful setting, the college is spread over a vast campus measuring 12 acres on the Bhikhiwind- Khemkaran main road. With spacious, magnificent, sunlit and airy rooms of the four blocks- Administrative Block, Science Block, ICT Block and Arts Block- the college represents a unique model of modern architecture in its own. The College housed with state-of-the-art computer, science and other laboratories; a fully computerized library stacked with large number of quality volumes; highly qualified faculty appointed by the University, is currently imparting education in as many as 10

academic courses. The College is indeed a boon for the people of this area, especially for poor section of the society.

### Infrastructure of the College

The Guru Nanak Dev University College, Chungh has well equipped Chemistry, Physics, Geography, Computer Science, Psychology laboratories.

### **COURS/TRAINING PROGRAMME**

1. Prof. (Dr.) Renu Bhardwaj delivered a talk on “Research Proposals for Laboratory Research” on 19th February, 2021 in online National Workshop on Preparing Research Proposals from 11 to 24 February, 2021 organized by School of Education, GNDU, Amritsar under PMMMNMTT Scheme, Ministry of Education, Govt. of India.
2. Dr. Neena, Professor and Head, Punjab School of Economics has participated as one of the experts in "CONSULTATION FOR SDGs ACTION PLAN FOR PUNJAB- FOCUS SDG's" organised by Lead-Integrated Planning & Implementation, Sustainable Development Goals Coordination Centre, Department of Planning, Government of Punjab on dated 17.06.2021 and presented her views on the topic "Gender Issues in Health & Education in the State". Dr. Preet Mohinder Singh Bedi, Professor, Department of Pharmaceutical Sciences & Coordinator, Drug & Pollution Testing Laboratory, Guru Nanak Dev University, Amritsar is going to attend online workshop on "General aspects of Chemical safety and security in Laboratories" Under the aegis of National Authority Chemical Weapons Convention (NACWC), New Delhi from 08.06.2021 to 10.06.2021.
3. Dr.Amandeep Singh, Asst. Professor, Department of Physical Education (T), is going to attend one week Faculty Development Programme on "Open Source Tools for Research" to be conducted by Teaching Learning Centre, Ramanujan College, University of Delhi from 03-09 April, 2021.
4. Dr. Gurshaminder Singh Bajwa, Assistant Professor, School of Social Science is going to attend "Workshops in Leadership Development Programme 02" being organised by Faculty Development Centre (Human Resource Development Centre) from March 17-23, 2021.
5. Dr. Anjali Mehra, Associate Professor, School of Social Science is going to attend "Workshops in Leadership Development Programme 02" being organised by Faculty Development Centre (Human Resource Development Centre) from March 17-23, 2021.
6. Dr. Paramjeet Kaur, Assistant Professor in Commerce, Babe Nanaki University College, Mithra (Kapurthala) is going to attend Online workshop on "Research Methodology in Social Science : Integrating quantitative methods" being organised by Teaching Learning Centre, Central University of Punjab, Bathinda from March 22-26, 2021.

7. Dr. Prakash Chander Mishra, Assistant Professor, Department of Biotechnology is going to attend short term course on "Workshops in Leadership Development Programme 02" being organised by Faculty Development Centre (Human Resource Development Centre) during March 24-30, 2021.
8. Mr. Dhruv Agarwal, JRF, Department of Microbiology, GNDU, Amritsar is going to attend International Conference on Biotechnology for Sustainable Agriculture, Environment and Health to be held at B.I.S.R., Jaipur from 04-08 April, 2021.
9. Ms. Yashika Raheja, JRF, Department of Microbiology, GNDU, Amritsar is going to attend International Conference on Biotechnology for Sustainable Agriculture, Environment and Health to be held at B.I.S.R., Jaipur from 04-08 April, 2021.
10. Mr. Gaurav Sharma, Project Fellow, Department of Microbiology, GNDU, Amritsar is going to attend International Conference on Biotechnology for Sustainable Agriculture, Environment and Health to be held at B.I.S.R., Jaipur from 04-08 April, 2021.
11. Mrs. Baljit Kaur, Women Scientist, Department of Microbiology, GNDU, Amritsar is going to attend International Conference on Biotechnology for Sustainable Agriculture, Environment and Health to be held at B.I.R.S., Jaipur from 04-08 April, 2021.
12. Dr. Gursharan Kaur, Assistant Professor, Guru Ram Das School of Planning, GNDU, Amritsar is going to attend Online Short Term Course in "Climate Change and Disaster Management" organized by UGC-HRDC, GNDU Amritsar from 25-31 March, 2021.
13. Dr. Ravi Inder Singh, Assistant Professor, Guru Ram Das School of Planning, GNDU, Amritsar is going to attend Online Short Term Course in "Climate Change and Disaster Management" organized by UGC-HRDC, GNDU Amritsar from 25-31 March, 2021.
14. Ms. Jaipreet Kaur, Asstt. Professor, Department of Electronics & Communication Engg. , GNDU, Amritsar is going to Attend short term program in "Short Course on Latex: A Document Preparation System" organized by HRDC, GNDU, Amritsar from 19-25 March, 2021.
15. Ms. Rupendeeep Kaur, Asstt. Professor, Department of Electronics & Communication Engg. , GNDU, Amritsar is going to Attend short term program in "Short Course on Latex: A Document Preparation System" organized by HRDC, GNDU, Amritsar from 19-25 March, 2021.
16. Mr. Satvir Singh, Research Scholar, Department of Physics, GNDU, Amritsar is going to deliver Online oral Presentation in "International Conference on Porous Materials for Energy & Environment" organized by Cluster Research Centre, PG & UG Department of Chemistry in Association with IQAD, GCASCK from 12-13 March, 2021 and he is also going to deliver Online Presentation in "Third National

- Conference on Radiation Awareness and Detection in Natural Environment (RADNET-III)" held at Department of Physics, Govt. P.G. College, New Tehri & Department of Physics H N B Garhwal University SRT Campus, Tehri Garhwal from 18-20 March, 2021.
17. Dr. Karamjit Singh Chahal, Professor, Department of Architecture and Dr. Kuldip Singh, Associate Professor, GRD. School of Planning are going to attend the Training Programme titled 'Liveable, Inclusive and Healthy Housing' at Nimli, Tijara, Alwar from March 23-25, 2021.
  18. Dr. Arvindeka Chaudhary, Asstt. Professor, Department of Law, GNDU Amritsar is going to deliver invited talk on Mar 08, 2021.
  19. Dr. Arneet Kaur, Asstt. Professor, Department of Law, GNDU Amritsar is going to deliver invited talk as Resource Person in National Seminar on Mar 08, 2021.
  20. Dr. H.S. Saini, Professor, Department of Microbiology, GNDU Amritsar is going to attend Training Programme titled 'Decentralised Wastewater, Faecal Sludge and Septage Management ' from Mar 09-12, 2021.
  21. Dr. Jitender Kaur , Assistant Professor, Department of Mathematics, GNDU College, Verka has attended 3 days workshop on "Data Analysis" at School of Education, Pandit Mohan Malviya National Mission on Teachers and Teaching, GNDU, Amritsar from January 20-22 , 2021.
  22. Dr. Rachna Hora, Assistant Professor, Department of Molecular Biology and Biochemistry is going to attend workshop 'Workshop in Leadership Development Programme 02 (Middle Level Teaching Experience more than 05 years) to be Organized by Faculty Development Centre (Human Resource Development Centre), UGC, GNDU, Amritsar from 25.02.2021 to 03.03.2021.
  23. Dr. Jasminder Pal Singh, Assistant Professor, Dept. of Economics, GNDU College, Verka is going to attend Faculty Development Programme-Academic writing from Feb. 18-24, 2021.
  24. Dr. Amrinder Singh, Assistant Professor, MYAS GNDU Department of Sports Sciences & Medicine, GNDU Amritsar is going to attend Workshop on Leadership Development Program - 2 from Feb. 25-Mar 03, 2021.
  25. Ms. Gurpreet Kaur, Assistant Professor, Department of Commerce, BNU College, Mithra is going to attend Online Workshop on 'Preparing Research Proposal' from Feb. 11-24, 2021.
  26. Dr. Pawandeep Kaur, Assistant Professor, Department of Electronics Technology, Guru Nanak Dev University, Amritsar is going to attend Short Term Course on Engineering Science from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar.

27. Dr. Ashwani Luthra, Professor & Coordinator, Centre for Sustainable Habitat, Guru Nanak Dev University, Amritsar is going to attend a Training Programme on Waste Management: A Cradle to Cradle Approach from Feb. 23-25, 2021 to be conducted by Centre for Science and Environment, New Delhi.
28. Dr. Vinit Grewal, Assistant Professor, Dept. of Engineering & Technology, GNDU Rc, Jalandhar is going to attend Online Winter School (Engineering Science) from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar.
29. Ms Pooja Sukheja, Assistant Professor, Dept. of Commerce, GNDU Colleege, Nakodar is going to attend Faculty Induction Programme from MAr 02-29, 2021 to be organised by UGC-HRDC, Guru Nanak Dev University, Amritsar.
30. Dr. Harneet Kaur, Assistant Professor, Dept. of History, Guru Nanak Dev University, Amritsar is going to attend Online Refresher Course in Hlstory from Dec. 01 2020 - Apr 30, 2021 on SWAYAM for ARPIT 2020.
31. Ms Asha Bhatia, Assistant Professor , Dept. of Botanical & Environmental Sciences, Guru Nanak Dev University, Amritsar is going to attend Faculty Induction Programme -03 from Jan. 28-Feb 24, 2021 to be conducted by Human REsource Development Centre, Guru Nanak Dev University,Amritsar .
32. Dr. Satpreet Singh Jassal, Assistant Professor, Dept. of Punjabi, Guru Nanak Dev University, RC Jalandhar is going to attend Online National workshop in Curriculam Design and Development from Feb. 03-13, 2021 to be conducted by Central University, Bathinda.
33. Dr.Manjinder Singh, Assistant Professor, School of Punjabi, Guru Nanak Dev University, Amritsar is going to attend refresher course on Advanced Research Methodology -Tool and Techniques from Feb. 05-18, 2021 to be conducted by UGC-HRDC, GNDU Amritsar.
34. Dr. Megha Salwan, Assistant Professor, School of Punjabi, Guru Nanak Dev University, Amritsar is going to attend refresher course on Advanced Research Methodology -Tool and Techniques from Feb. 05-18, 2021 to be conducted by UGC-HRDC, GNDU Amritsar.
35. Dr. Himali Sarangal, Assistant Professor, Engineering & Technology, GNDU RC Jalandhar is going to attend Online Winter School (Engineering Science) from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar.
36. Dr. Jasinder Pal Singh, Assistant Professor, GNDU College ,Verka is going to attend Online Two Weeks interdisciplinay refresher course on Advanced Research Methodology -Tool and Techniques from Jan.30 - Feb.14, 2021 to be conducted by Ramanujan College,University of Delhi.

37. Prof. Adarsh Pal Vig, Director , UGC Human Resource Development Centre, Guru Nanak Dev University, Amritsar is going to attend Three day workshop cum orientation programme on Leadership in Educational Administration in Universities and Colleges from Feb. 17-19 , 2021 to be conducted by National Institute of Planning and Administration.
38. Dr. Sapna Sharama, Assistant Professor, Department of Hindi is participating in 14 days Online Refresher Course in Languages Literature and Cultural Studies (Indian, English & Foreign Languages) to be organized by UGC-Human Resource Development Center of Guru Nanak Dev University, Amritsar from 5th Feb 2021 to 18th Feb 2021.
39. Mr. Hardeep Singh, Assistant Professor, Dept. of Computer Engineering & Technology, Guru Nanak Dev University, Amritsar is going to attend Winter School (Engineering Science) from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar .
40. Dr. Prabh preet Kaur, Assistant Professor, Dept. of Computer Engineering & Technology, Guru Nanak Dev University, Amritsar is going to attend Winter School (Engineering Science) from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar .
41. Dr. Kamaljit Kaur, Assistant Professor, Dept. of Computer Engineering & Technology, Guru Nanak Dev University, Amritsar is going to attend Winter School (Engineering Science) from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar .
42. Ms Kiranbir Kaur, Assistant Professor, Dept. of Computer Engineering & Technology, Guru Nanak Dev University, Amritsar is going to attend Winter School (Engineering Science) from Feb. 10-23, 2021 to be conducted by UGC HRDC (Human Resource Development Centre), GNDU Amritsar .
43. Dr. Sheetal Kalra, Assistant Professor , Dept. of Engineering & Technology, Regional Campus, Guru Nanak Dev University, Jalandhar is going to attend FDP in Paractical Approach to Cyber World and Forensics from Jan. 17- Feb 05, 2021 to be conducted by NITTR Chandigarh .
44. Dr. Neena, Professor , Punjab School of Economics, Guru Nanak Dev University, Amritsar is going to attend Three day workshop cum orientation programme on Leadership in Educational Administration in Universities and Colleges from Feb. 17-19 , 2021 to be conducted by National Institute of Planning and Administration.
45. Dr. Ramanpreet Kaur Aulakh, Assistant Professor , Department of Physics, GNDU College, Patti is going to attend online Short term course on Leadership Development Programme-01 from 06-12 Jan, 2021 to be conducted by Faculty Development Centre, GNDU Amritsar.

46. Dr. Anu, Assistant Professor, Department of Chemistry, GNDU College, Patti is going to attend online Short term course on Leadership Development Programme-01 from 06-12 Jan, 2021 to be conducted by Faculty Development Centre, GNDU Amritsar.
47. Ms. Rupandeep Kaur, Assistant Professor, Department of Electronics Technology, Guru Nanak Dev University, Amritsar is going to attend online Short term course on Leadership Development Programme-01 from 06-12 Jan, 2021 to be conducted by Faculty Development Centre, GNDU Amritsar.
48. Dr. Harminder Singh, Asstt. Professor, Department of Mechanical Engg., GNDU Amritsar is going to attend (Winter School) Engineering Science being organized by HRDC GNDU, Amritsar from Feb 10-23, 2021.
49. Dr. Sandeep Sharma, Assistant Professor, Department of Physics, Guru Nanak Dev University, Amritsar is going to Present paper entitled "MoS<sub>2</sub>/Multiwalled Carbon Nanotubes Based Composite for Room-Temperature Ammonia Sensing" in 2nd International Conference on Aspects of Materials Science and Engineering (ICAMSE-2021) from Mar. 05-06, 2021 Organised by Punjab University Chandigarh.
50. Dr. Jasveen Kaur, Associate Professor, University Business School, Guru Nanak Dev University, Amritsar is going to attend the workshop "Orientation to the concept of E-learning, preparing teaching learning material including e-content, use of social media for developing platform for the social interaction and as a tool for professional development, digital resources offline and online " from Jan. 05-11, 2021 under PMMMNMTTGNDU to be conducted by the School of Education, Guru Nanak Dev University, Amritsar.

## DIRECTORATE OF OPEN & DISTANCE LEARNING

---

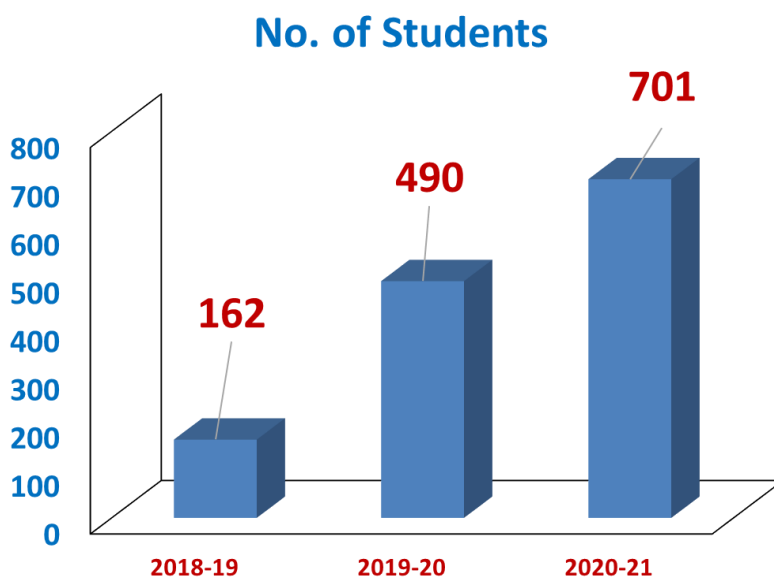

Open and Distance Learning reflects both the fact that all or most of the teaching is conducted by someone removed in time and space from the learner, and that the mission aims to include greater dimensions of openness and flexibility, whether in terms of access, curriculum or other elements of structure. Contributing to social and economic development, Open and Distance Learning is fast becoming an accepted and indispensable part of the mainstream educational systems.

Guru Nanak Dev University, Amritsar is accredited as A++ grade (highest level) by NAAC (as per modified criteria, notified on 27/07/2017), conferred 'University with Potential for Excellence' and 'Category-I University' by UGC, New Delhi

As per the UGC notification F. No. 1-8-2017 (CPP-II) "Categorization of Universities (Only) for Grant of Graded Autonomy Regulations, 2018" dated 12th Feb, 2018, Guru Nanak Dev University has been categorized as 'Category-I University'. Guru Nanak Dev University, being Category-I University, has been given the privilege to run Open & Distance Programme(s) without seeking the permissions from UGC as per below given notification:

4.10 "University may offer courses in the open and distance learning mode, without approval of the commission, provided it satisfies all the conditions laid down under UGC (Open and Distance Learning) and amendments from time to time."

All the courses under Category-I autonomy provisions are approved by UGC vide letter no. F. No. 74-2/2018 (DEB-I) dated 18/10/2018 and under this provision, with the permissions from Academic Council, Senate & Syndicate, Guru Nanak Dev University, Amritsar has established the Directorate of Open and Distance Learning in the main campus of GNDU, Amritsar. As per the provisions, new programmes under ODL mode have been introduced in the University, its Regional Campuses and its Colleges (Both University and Constituent) from Session 2018-19. Presently, the Directorate is offering 13 courses (Diploma in Computer Applications (DCA), B. Com., B.C.A., B. Lib., PG Diploma in Applied Nutrition (PGDAN), PG Diploma in Computer Applications (PGDCA), PG Diploma in Sports Psychology (PGDSP), M.B.A., M.C.A., M. Com., M.A. (English), M.A. (Punjabi), in areas of Arts, Humanities, Business Management, Commerce, Computer Science and Sports Sciences. In session, 2020-21 directorates has started one new PG programme M.Com. Directorate started its academic activity from session 2018-19 and in this session 2020-21 student count has increased to 700.

Availability of Self Learning materials (SLMs) is the backbone of open and distance learning mode of education. Directorate has worked extensively in this area and presently having the SLMs for almost for all subjects/courses. In the last two years, total 178 SLMs has been developed for different subjects for courses offered under ODL mode.

During the ongoing COVID 19 pandemic following practices has been developed and followed by Directorate to support the learner at their door steps

- Conduct of PCP classes in online mode
- Submission of the Internal Assignments in Online Mode.
- Submission of all documents in online mode.
- Online Grievances Redressal System.
- Sending of hard copy of study materials to home/office address of learner

Provision to provide Online Support / Counseling with dedicated Mobile Landline No. Some Highlights/Milestones achieved by the Directorate during the Session 2020-21. Introduction of one new PG Course M.Com To better facilitate the candidates, the Directorate has successfully conducted the Personal Contact Programme (PCP) classes in online mode during the Covid-19 pandemic.

Centre for Internal Quality Assurance (CIQA) (dedicated to programmes being offered under ODL mode) was established and Directorate has successfully submitted the CIQA report to Distance Education Bureau, University Grants Commission, New Delhi. In terms of infrastructure development, directorate has allocated the dedicated floor in old education block. In last session two dedicated computers labs and multimedia labs, store and office has been set up.

**UGC-HUMAN RESOURCE DEVELOPMENT CENTRE**

---

**Director : Prof. (Dr.) Sudha Jitender**

**Deputy Director : Dr. Rajbir Bhatti**

Established as Academic Staff College in the year 1988, rechristened as Human Resource Development Centre by the UGC w.e.f. February 1, 2015, it has traversed a long, arduous journey under the stewardship of eminent scholars, academicians pertaining to diverse disciplines & has already carved a niche for itself in the realms of Higher Education in the country. Successful completion of 109 Orientation Programmes, more than 220 Refresher Courses, more than 40 Short Terms Courses, in which teachers and Research Scholars pertaining to a wide spectrum of disciplines from various nooks and corners of the country participated, bears a testimony to its growing stature (approx. 12,000 participants). The NAAC team in the year 2012 ranked our ASC (now known as HRDC) 12th amongst the 66 in the country. The visiting team of the NAAC in November 2014 once again was highly impressed with our performance.

Fully conscious of the various aims & objectives of establishing these Centres, our HRDC leaves no stone unturned to meet the aspirations of the teachers. Keeping in view the heterogeneity of the participants for an Orientation Programme, the curriculum is designed to cover current burning social, political, economical, ethical issues like Gender Sensitization, Women Empowerment, Moral Values, Female Foeticide, Drug Addiction, Changing Educational scenario etc. in addition to the other diverse disciplines. Apart from erudite scholars, academicians, experts from the other walks of life, like renowned social workers, public administrators, bureaucrats, playwrights, etc. are brought face to face with the participants. Much emphasis is laid on honing the pedagogical skills of the young faculty members. In consonance with the rapid advancements in the field of information technology, the participants are imparted training in the optimum use of the ICT & other latest gadgets in the classroom teaching. So far as Refresher Courses are concerned, a Coordinator is appointed to look after the entire academic aspect of the course. The main motive of these Refresher Courses is to update the learned participants with the latest advancements in their respective discipline. All these courses including the Short Term Courses are intended to augment the existing knowledge of the learned teaching faculty/Research Scholars, in addition to enhance their pedagogical skills to raise the level of teaching in the institutes of higher education.

The academic administrators like Principals of the Colleges, Heads of the Departments are also brought together in the form of One-Day Meet, where the current issues pertaining to the Higher Education are discussed threadbare with the leading academicians. The HRDC has also ventured into organizing Short Term Courses for the Non-Teaching Employees, who, needless to say, act as a backbone of an Institute of higher learning.

All these courses are conducted with the prior approval of the University Grants Commission, New Delhi and are fully financed by it. Due to the pandemic of COVID-19 all courses were undertaken in online mode as per the UGC guidelines. In addition to the Faculty Induction Programmes, Refresher Courses, Short Term Courses and workshops; webinars were also undertaken in online mode.

The participants are not only supposed to sit through the sessions as passive listeners, but also to actively take part in deliberations. To make them more attentive in the sessions, MCQ test based on the lectures delivered has also been introduced as per UGC guidelines. Moreover, Project, Seminar/presentation, overall responses are the other three parameters, on which they are evaluated towards the end of each course. The entire process of evaluation of the participants is carried out by the examiners appointed by the Vice-Chancellor of the University. The participants are empowered to evaluate the Resource Person as well, for which a specially designed questionnaire is given to them. This evaluation of the Resource Person is strictly confidential and only the Director of the Centre is privy to it. The projects, seminars presented by the participants are properly documented and housed in the library of the HRDC. An ambience conducive to the free and frank interactions of the participants with the Resource Persons during the formal academic sessions as well as during informal talks is highly appreciated by our participants. Apart from the inaugural and valedictory sessions of each course, an informal interactive session is conducted with the Director/Deputy Director, in which candid, free and frank, objective, judicious, critical comments of the participants regarding the overall conduct of a course are solicited. This feedback from the participants is given due weightage and corrective measures are taken, where ever possible, in future. To sum up one can say that we at HRDC have been persistently working hard to meet the aspirations of the participants.

Candidates were admitted in this course along with already run courses for UGC and UPSC/PCS.

## DEPARTMENT OF LIFELONG LEARNING

The Department was established in 1985 with an objective of providing quality vocational education to the youth. The main focus of providing vocational education has been to make the youth self-reliant especially the women coming from weaker sections of society. Over a period of time, the department has been making efforts to upgrade the different syllabi to keep pace with changing times. This has brought very encouraging results as many students have been able to start their own ventures and have got placements in various government and private organizations. It has always been an endeavor of the department to provide latest training and conducive environment to the students so as to develop their talents in the best possible ways. The department organizes an exhibition every year to showcase the artifacts prepared by students.

## CENTRE FOR CAPACITY ENHANCEMENT PROGRAMME

**Director: Prof. Hardeep Singh Gujral**

Under Capacity Enhancement Programme during the Session 2020-21, the number of Associate Institutes was 53 with student enrolment of 4476. In this session only old institutions were given continuation and no new institute was setup.

Under Capacity Enhancement Programme, a number of technical, professional, arts, commerce, P.G. Diplomas, Certificate Courses and P.G Degree level courses run parallel to courses offered in the regular mode of education. The ordinances, syllabi, examinations, evaluation etc. of this programme are the same as of regular programme. Unrestricted mobility of students between this programme and conventional modes of education is the merit of this programme. The quality, in delivery of educational instructions, is ensured by way of regular inspections and supervisions of Associate Institutes. Spreading higher education to remote, rural and border areas is the aim of this Programme.

## CENTRE ON STUDIES IN SRI GURU GRANTH SAHIB

---

Sri Guru Granth Sahib occupies a unique place among the world scriptures. On the occasion of the 400<sup>th</sup> anniversary of its First Installation on September 1, 2004, the then Prime Minister of India, Dr. Manmohan Singh, had announced the establishment of Centre on Studies on Sri Guru Granth Sahib. This Centre was inaugurated in Guru Nanak Dev University, Amritsar on April 1, 2011. The building of Sri Guru Granth Sahib Bhawan has been built in Sikh Architecture over 82,000 square feet. All the expenses of the Centre are borne by U.G.C.

This Centre undertakes research work on the following aspects of Sri Guru Granth Sahib:

- I. Studies on Interfaith Understanding
- II. Scriptural Studies
- III. Studies on Musicology
- IV. Hermeneutic and Linguistic Studies
- V. Social and Cultural Studies
- VI. Scriptural Translations

To conduct research in these fields, provision is made for six Professors, Six Visiting Professors and 18 research fellows. Their work will provide high standard research material for academicians and scholars engaged in the study and research in Sikhism.

## CENTRE FOR BASIC AND TRANSLATIONAL RESEARCH IN HEALTH SCIENCES

---

The centre for basic and translational research in health sciences (CBTRHS) is established in the University in 2019 under Component 4.0 of RUSA 2.0 scheme with a budgetary provision of Rs. 10 Crore with major aim to provide necessary platform to translate fundamental research and ideas into meaningful practices in the area of health sciences. The establishment of the centre for “Basic and Translational Research in Health Sciences” is providing necessary platform to translate fundamental research and ideas into meaningful practices in the area of health sciences. The centre is also bringing together leading investigators of Guru Nanak Dev University in different key areas in health science. It acts as a catalyst to support health science research by providing resources to investigators, staff, scholars, trainees, and other stakeholders. The Centre is also in process of developing a centralized facility in Emerging Life Science building to provide a centralized resource dedicated to facilitating biomedical research, promote multidisciplinary basic & translational research, and foster long term collaboration between clinicians & basic science researchers.

### **The major objectives of this Centre are:-**

- To be a pioneer in improving clinical care and health by developing innovative strategies for Prevention, early diagnosis and treatment of disease.
- To find problem based solutions in the area of health sciences using modern technologies and multi dimensional approach.
- Address key challenges in the area of diagnostics, drug discovery, drug delivery and regulatory compliance.
- Developing innovative, cost effective technologies to solve complex problems in the area of health sciences.
- To educate, mentor and train young investigators.
- Knowledge generation and IPR protection.

### **Different activities undertaking in last one Year :**

Since the last year, Centre has developed a centralized facility in Emerging Life Science building to provide resources dedicated to facilitating biomedical research, promote multidisciplinary basic & translational research, and foster long term collaboration between clinicians & basic science researchers. The basic infrastructure facilities have been built to cater the research needs of Ph.D. scholars from different departments of GNDU. The instrumentation is such that research scholars can have multifaceted approach to achieve their desired objectives. Besides provision of basic instruments like hot air oven, BOD incubator,

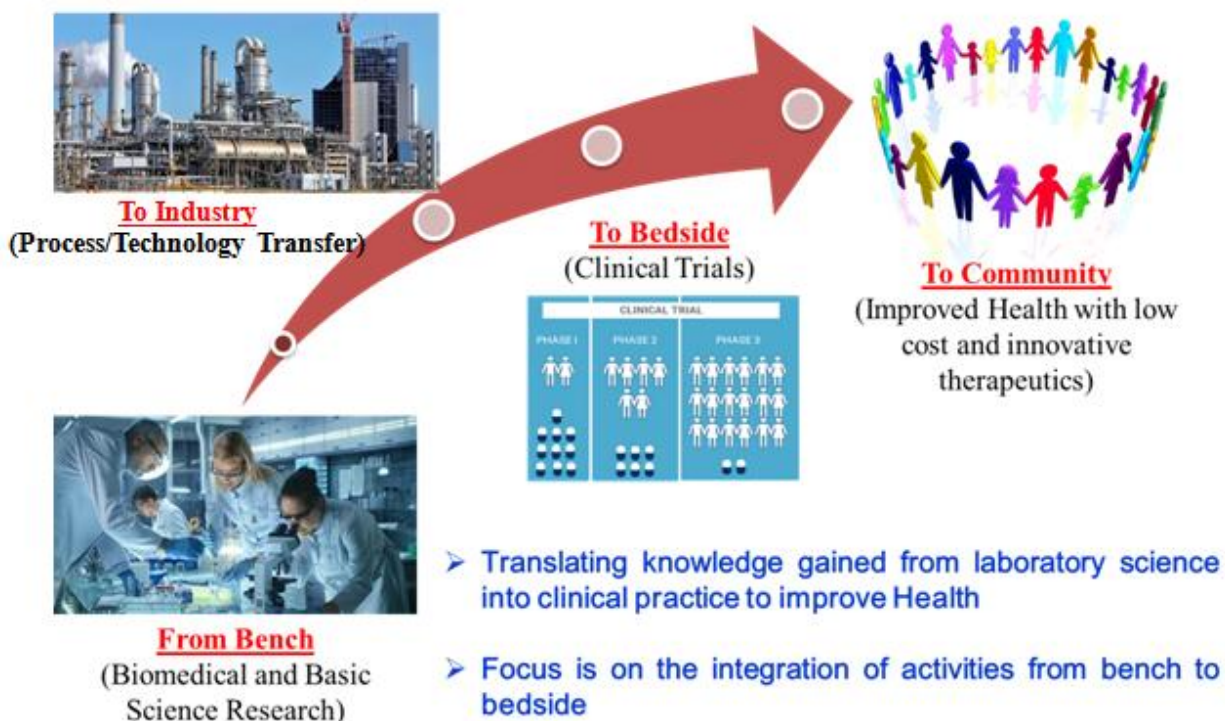

orbital shaker, refrigerator, deep freezer required at initial sample preparation and storage phases, sophisticated instrumentation (Multimode ELISA plate reader, Ultratome etc.) for further sample processing and analysis is also available.

**Centre has appointed two post doctorate fellows (PDFs) to do the advance research in following thrust areas as approved under RUSA DPR.**

- Genetic disorders, Life Style disorders and infectious diseases.
- Drug discovery and development (Natural and synthetic approach).
- Development of drug formulations, herbal formulations and their validation.

In addition, advance research is going on in fifteen research projects sanctioned under this Centre to faculty members of ten different departments of the University (Botany, Biotechnology, Chemistry, Human Genetics, Microbiology, Molecular Biology & Biochemistry, MYAS-GNDU, Pharmaceutical Sciences, Drug & Pollution Testing Lab and Psychology) with grant in aid of Rs. 15 lakhs each (Total 2.23Cr). Principal investigators are working with multidisciplinary approaches with concept of

## CENTRE FOR AGRICULTURAL RESEARCH

---

**Vision:** To integrate research and outreach education in agriculture, food systems and the environment to establish ecologically and economically sustainable models of agriculture.

**Mission:** CARI sets its mission to build a world-class ecosystem for promoting research, and finding innovative and meaningful solutions in the field of agriculture for the benefit of the society.

### Activities of CARI

- Under the aegis of CARI, the department of Agriculture has been established to promote education, training and outreach activities in the various fields of agriculture like horticulture, agronomy, plant protection, agri-informatics and agri-biotechnology etc.
- Aligning with the mandate of the centre, 8 projects with 15 lakhs each have been sanctioned to faculty members to develop and fine-tune technologies in the field of agri-food sector for the benefit of farmers and entrepreneurs.
- The centre has recruited 4 postdoctoral fellows to pursue independent research activities on secondary agriculture and the development of environmentally sustainable technologies in the field of agriculture.
- The centre and the department of agriculture is also emphasizing on exploiting under-exploited and under-utilized plant resources, develop innovative practices for the propagation of high valued plants and optimum utilization of natural resources for the economic prosperity of the region.
- The centre has been trying to establish a synergistic relationship with various stakeholders like farmers, entrepreneurs and investors to create an ecosystem of entrepreneurship and innovation.
- Centre for Agriculture Research and Innovation has signed MoU with the College of Agriculture and Natural Resources, National Chung Hsing University (NCHU), Taiwan; Cornell University, USA; Punjab Agriculture University (PAU), Indigram Labs Foundation (ILF)-TBI, New Delhi etc to promote cooperation in teaching, training and innovative research in the field of Agriculture.
- In another significant development PUM, Netherland has identified a senior expert Mr. Carel Zwinkels for strategic mentoring of the centre to achieve excellence in the field of Agriculture.
- Partnering with these national and international institutions is surely going to bring new knowledge, technology and opportunities to agriculture and in turn will catalyse the economy of the state.

## **CENTRE FOR SUSTAINABLE HABITAT**

---

The Centre for Sustainable Habitat is established in the University in late 2018 under Rashtriya Uchchattar Shiksha Abhiyan (RUSA) 2.0 Component 4 with a budgetary provision of Rs. 10 Crore to propagate the agenda of sustainability in education, living and professional practice. It attempts to demonstrate coexistence of the natural and built environment in a way that reduces our planetary footprint, emissions, resource consumption and waste, and improves quality of life for all. This is done by integrating multi-faceted ecological, social, economic and cultural perspectives together and translating into applied sciences, technology and most importantly behaviour. The Centre specializes in research towards comprehensive understanding of environmental issues facing, but not limited to, the country. The Centre has come up in line with the Sustainable Development Goals purposed by United Nations for Quality Education, Clean Water and Sanitation, Affordable and Green Energy, Sustainable Cities and Communities and Climate Actions. The Centre's research and conduct interests are formed by four interconnected pillars i.e. Sustainable Urbanism, Resilient Natural Systems, Green Enovation Systems and Community for Sustainability. For the same, the Centre has identified six tracks viz Sustainable Habitat, Transportation Planning, Water Management, Sanitation and Septage, Waste Management and Green Energy. Inter-disciplinary teaching, research and training in the above mentioned tracks will address the key challenges of sustainable habitat, environment and ecology, social economic characteristics to help in formulating workable, achievable and rational planning and management policies and strategies at the local and regional levels. The Centre's resources provide ample opportunities for hands-on learning through research and training programmes. The Centre intends to introduce Certificate/Diploma/Degree/Doctoral Degree/Post-Doctoral, Faculty Development and outreach programmes in the times to come. The state-of-art centralized design, transport, water and air and noise pollution labs are in the process of establishment for the conduct of the Centre Core Committee has been constituted by the University to prepare action plans for various activities of the Centre. Also, a Steering Committee comprising of experts from a research and professional institutes is constituted to advise on different matters concerning the Centre. A Project Review Committee comprising of experts from academic, research and professional training institute is constituted by the University to review the research conducted under the projects of the Centre. The Centre has initiated possible collaborations for research and capacity enhancement with the National and International organizations. In this endeavour the Centre has awarded 11 research projects to the Faculty of the University addressing the water, sanitation, environmental pollution, and energy challenges faced by the urban and rural settlements of Punjab. The research projects aim at analysing and identifying the impacts of these challenges on the health and liveability conditions of the inhabitants of the settlements. Each project is awarded at the grant of Rupees 15 Lakh for a period of two years. Three Post-Doctoral Fellows are recruited to conduct research on aspects related to the mandate of the Centre. The Center has signed MoU's with Centre for Science and Environment, New Delhi; Cities Forum, London; National Highway Authority of India, New Delhi to undertake collaborative research and capacity building training programmes.

## CENTRE FOR DATA ANALYTICS AND RESEARCH

---

The Centre for Data Analytics and Research, CDAR, was established with intent to boost the research activities not just in the university but in the region. The need to tap the immense potential of the young and seasoned researchers, the Centre was conceived to work for research solutions and enhance the quality of research in the region. This was needed to steer the research activities in the winning direction to strengthen the research output and carve an enviable niche in the research society. In pursuit of its edifying goal, CDAR has been providing veritable assistance to scholars at different points of research. In providing impetus to research activities and creating a research culture, the following specific activities were undertaken by centre:

1. **Database availability:** Data remains the integral part of research and the foundation on which the entire research structure is built. Realising the indispensability of data, CDAR has made available the comprehensive and most accessed database for researchers in field of social sciences, i.e. ACE Equity. The accessibility to database has been made available to the entire research community with assistance in generating query, retrieval of information and downloading. In the wake of the pandemic induced lockdowns, to ensure the smooth conduct of research, the remote access of ace equity called ace solver was also procured from the suppliers. CDAR has also procured authoritative approvals for provision of another useful database called PROWESS which is accepted to be available for access shortly.
2. **Creating programs for research:** Having successfully developed different programs for analysis, the Centre stands committed to assist the research efforts and overcome impediments on the road to research goals. The development of specific, query driven programs is a continuous exercise and few programs are currently being worked upon. On their successful implementation and use by the researcher they will be mentioned in the department's contributions. These relate to resource allocation in companies, readability of issue documents of IPO companies, risk disclosure etc. to name a few.
3. **Assistance to researchers:** CDAR is dedicating itself to the service and assistance of researchers from university and outside. The Centre provides assistance pertaining to various facets of research ranging from accessing the literature, data collection, and data cleaning and most importantly in analysing the data in the best and methodologically sound manner. Following research scholars were successfully guided by the centre.

4. **Developing a culture of Open Source Software:** The indispensability of statistical software cannot be overemphasised in current competitive times dominated by information overload. In the face of very highly priced data analysis software and the drain on financial resources especially in pandemic times exorbitant prices deter the research work. Hence, Centre has shouldered the responsibility of sensitising the researchers about the efficacy and eminence of open source software, providing familiarity to these open source software promoting the use of statistical software. Creating awareness about this software, underlying ethical considerations, sharing links for accessing this software and making the users familiar to this software has all been initiated by CDAR. The centre is trying to create a culture of making open source software a part of research analysis and has been promoting use of software like R, R studio, R Commander, Jamovi, Gretl, Bluesky, Jasp etc.
5. **Offering value added courses:** Responding to the dynamic needs of the industry and accreditation agencies Guru Nanak Dev University, Amritsar has been contemplating the idea of launching audit courses for value addition and providing the necessary skills to the youth to be prepared for the challenges of contemporary dynamic times. In this context, CDAR is working on the details of designing an audit course in data analytics to chisel the analytical abilities of interested students. An Inter-disciplinary course in the open source software R was launched during the session but failure to garner minimum required registrations, the course could not be started. The Centre will continue to work on the pedagogical and curriculum-based details and offer value driven, audit or ID courses to students in present times when data analytics offers loads of opportunities.
6. **Queries of students and researchers:** CDAR has committed itself to assisting researchers and provide solutions to the minor and major hiccups faced in their research journey. CDAR has made its resources and assistance available for helping the researchers tread the research path with a positive and winning attitude. Students and researchers have been reaching out to the centre with their queries and clarifications and CDAR has been helping the researchers conduct meaningful research and contribute to strengthening the research metrics of the university, region and country overall.
7. **Assistance in conduct of activities in university:** As a Centre for analysis and programming CDAR has been able to contribute in the smooth working of the university. CDAR prepared a program for The Department for Life Long Learning whereby the entire activities from maintaining the list of registered candidates to the final printing of certificates was successfully done. This held more significance in pandemic struck times where accessing professional services and physical movements were restricted. CDAR has been contributing in the effective working of the Electricity Department of university where customised program has been developed for day to day

operations and regular activities like bill generation, calculation of rentals and updation as and when the rates change. This year also the Centre worked for the extensive updation of the software in line with the changes in the systems and rentals.

CDAR spearheaded the counselling process (both online and offline) for all UG and PG courses in the Faculty of Economics and Business. This included generating systems for conduct, creating lists, ensuring correct course allotment, generating fee slips and enabling payments through all modes. In light of the Covid protocols the job was arduous but with the diligence and cooperation of the entire CDAR team and the university authorities, the counselling process was a huge success. CDAR also contributed in the admission and counselling of the courses in the Faculty of Engineering and seats were successfully filled amidst the challenges of lockdown, Corona and the stringent protocols.

**Workshop in collaboration with STATCRAFT:** In continuing its services to the research fraternity, CDAR conducted a one-day workshop on the theme ‘Data Analysis in R Using STATCRAFT’ in collaboration with STATCRAFT on February 27, 2021 to create awareness about the R software, different analysis using R and implementing STATCRAFT codes in the R environment. The audience was apprised of the various analytical tools and their usage in R and utilising the benefits through STATCRAFT.

The Centre for Data Analytics and Research remains committed to the edifying exercise of strengthening the research profile of the university, region and nation. The Centre is aiming to provide comprehensive research related services to the researchers of all disciplines, varied research experience, different geographical locations are attempted to be conditioned and prepared for effective and influential research. Through trainings, counselling, data analysis and data availability CDAR is keeping its relevance intact in order to keep research relevant and rewarding.

## DEAN STUDENT WELFARE

---

The office of Dean Students' Welfare is located on the ground floor of Sahibjada Ajit Singh Student Bhawan, and looks after the welfare of students and their overall wellbeing in the university campus. Matters related to discipline in the university campus & hostel premises are also coordinated by the Dean Students' Welfare office.

The office coordinates and monitors various student activities like campus sports, cultural activities, NSS, NCC and Youth festivals. The operation of mess & canteen services and hostel admissions are also monitored by the office.

Various students' activity clubs viz., Literary Club, Music Club, G.N.D.U. Talkies, Science Club, Dance Club, Fine Arts Club, Fitness Club, Drama Club, Go Green club and Photography Club are also working under the guidance of the Dean Students' Welfare. Election Literacy Clubs and Ek Bharat Shresth Bharat Abhiyaan are also working under the guidance of Dean Students' Welfare. The Dean Students' Welfare is Nodal Officer for Post Matric Scholarship to SC/OBC students and have been coordinating the above cited activities all year long.

## INTERNAL QUALITY ASSURANCE CELL

---

**Director : Prof. Ashwani Luthra**

**Assistant Directors : Dr. Tejwant Singh Kang, Dr. Gagandeep Kaur Gahlay,  
Dr. Aditya Sunkaria, Dr. Rekha Handa**

**Assistant System Analysts: Mr. Bhupinder Singh Thakur, Mr. Harpreet Singh**

In pursuance of the National Assessment and Accreditation Council's (NAAC) Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education an Internal Quality Assurance Cell (IQAC) is established as a post-accreditation quality sustenance measure. As per NAAC's "Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions", the Office of IQAC is to work with specified objective and strategies to perform expected functions as per the following.

### **Objectives:-**

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through Internalization of quality culture and institutionalization of best practices.

### **IQAC shall evolve mechanisms and procedures for :-**

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

### **Some of the functions expected of the IQAC are:-**

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.

- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters of higher education;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Development of Quality Culture in the institution and Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

#### Activities in the 2020-21:

- The University 51<sup>th</sup> rank in University and 88<sup>th</sup> rank in Overall Category in NIRF 2020.

2020	51	88

- In THE WEEK-HANSA Research-Best University Survey Ranking- 2020 University received following ranks

Multi-Disciplinary Universities –All India Rank	Multi-Disciplinary Universities –State	Multi-Disciplinary Universities –North Zone
16	7	8

- In India Today Group-MDRA Best Universities Ranking 2020, University got 20<sup>th</sup> rank among Overall Ranking in India's Best General Government University category.
- Outlook Magazine Survey 2020-the University scored 17<sup>th</sup> rank under Public State Universities in India.
- In the Education World 2020 Ranking, the University secured 26<sup>th</sup> rank among government institute.

- Centre for World University Ranking (CWUR) has ranked GNDU among top 9% universities of the world. The university is among the top 2000 universities of the world.
- Compile data for Performance Audit on Outcome of Higher Education in Punjab for last five Years.
- The Syndicate approved in its meeting held on 21.09.2020 that the reporting time for the Annual Report of the University may be modified from calendar year (January – December) to academic year (July to June) to bring consistency with the Annual Quality Assurance Report (AQAR) of the University.

IQAC organised two national and one international webinar as listed below.

- The webinar on the topic: Awareness about NAAC Assessment and Accreditation Process organize on 30<sup>th</sup> July, 2020.
- The International Webinar on the topic: Changing Higher Education Scenario in the Post-COVID Times organize on 19<sup>th</sup> November, 2020.
- The webinar on the topic: Cancer Prevention and Adopting Healthy Lifestyle in collaboration with Sanjeevani LBC on 26<sup>th</sup> November, 2020.
- Submitted the List of CARE Journals to UGC.
- GNDU is nominated among the top 5 HEIs in the category of ‘Universities in existence >30 years’ for the University of the Year Award in the 16th FICCI Higher Education Summit 2021.
- GNDU is placed in Diamond category in the field of ‘research, faculty quality and infrastructure’. It has earned Overall GOLD Rating given by QS I-Gauge.
- GNDU is amongst the 451-500 universities as per QS Asia University Rankings 2021 in Asia region. In India it is placed at 71-75.
- Completed the 49<sup>th</sup> and 50<sup>th</sup> University Annual Report 2018, 2019-20.
- Submitted the University AQAR 2018-19 and 2019-20 to NAAC.
- Submitted the list of CARE Journals to UGC.
- Preparation of NAAC-SSR (2016-2021) for University Accreditation.
- Organised the IQAC Committee Meetings on 15<sup>th</sup> July 2020, 3<sup>rd</sup> December 2020, 25<sup>th</sup> June 2021.

#### **Participation in Webinars:**

- Attended the launch virtual event of ‘QS IGAUGE Methodology 2.0 & Subject Ratings’ on Wednesday, 29<sup>th</sup> July, 2020.
- Attended the Webinar organised by NAAC on ‘Assessment Accreditation Process for Women College’ on 5<sup>th</sup> August, 2020.
- Attended the Webinar organised by FICCI-RBS on ‘Shift to Hybrid Learning Model: The New Normal for Education’, 6<sup>th</sup> August, 2020.

- Attended the Webinar organised by FICCI on ‘National Education Policy 2020’, scheduled on 17<sup>th</sup> August, 2020.
- Attended the Webinar organised by NAAC on ‘National Education Policy 2020: A Way to *Aatmanirbhar Bharat*’ scheduled on 24<sup>th</sup> August, 2020.
- Attended the online address by Hon’ble Minister of Education, Govt. of India, Dr. Ramesh Pokhriyal Nishank Ji on 11<sup>th</sup> September, 2020 on the theme ‘Aacharya Devobhava’ through NAAC portal.
- Attended webinar organised by Ministry of Education and UGC on NEP 2020 titled ‘Faculty Development for Quality Education’ on 15<sup>th</sup> September, 2020.
- Attended the Webinar organised by Centre for Science and Environment on ‘Power to the Norms’ on 21<sup>st</sup> October, 2020.
- Attended the virtual ceremony of ‘QS IGAUGE Awards Ceremony’ for QS IGAUGE Ratings and QS IGAUGE E-Lead Certification on 21<sup>st</sup> October, 2020.
- Attended the ‘UNDP Punjab-Academic Institutions Consultation’ on 28<sup>th</sup> October 2020.
- Attended the Entry Conference on the Performance Audit titled ‘Outcomes Audit of Higher Education in Punjab’ on 10<sup>th</sup> November 2020.
- Attended the QS APPLE 2020 Virtual Conference and Exhibition on ‘New Global Partnership for Resilience and Climate Action’ 25<sup>th</sup> to 27<sup>th</sup> November, 2020.
- Attended virtual round table discussion on “Quality Assessment in Higher Education – The Need of the Hour” on 11<sup>th</sup> of December 2020.
- Attended Webinar on “KAMDHENU CHAIR in Indian Central, State, Deemed and Private Universities / Colleges of India” on 14<sup>th</sup> December 2020.
- Attended discussion on “Faculty Well-Being and Development” on the 16<sup>th</sup> of December 2020.
- Attended Webinar on “QS World University Rankings: Asia. What are the key trends in India?” on 17<sup>th</sup> December, 2020.
- Attended national level virtual discussion on "My Sustainable Campus" on 22<sup>nd</sup> December 2020.
- Attended national seminar on “Benchmarking Quality Enhancement Initiatives through Innovative Practices” on 9<sup>th</sup> January 2021.
- Attended webinar on “World University Ranking in Indian Context” on 4<sup>th</sup> March 2021.
- Attended Webinar on “Managing Internationalisation: Tracking and Measuring your International Office’s Activities with MoveON Software” on 31<sup>st</sup> March, 2021.

University Library was established in March 1970. In 1979, it was shifted to the present building of five storeyed, inverted pyramid shaped magnificent building, directly visible from the main gate of the University on the Grand Trunk Road. It is centrally located with teaching departments all around. University Library has been named after the great Sikh Scholar Bhai Gurdas and is popularly known as Bhai Gurdas Library. Bhai Gurdas had a rare privilege of taking dictation from the fifth Sikh Guru, Guru Arjan Dev Ji for the compilation of the holy scripture of the Sikhs, the Adi Granth.

The library remains open on all days of the year except on two National Holidays i.e. 26<sup>th</sup> January, and 15th August.

### Library Timings

Monday – Friday 9 AM – 9 PM

Saturdays, Sundays and other holidays 9 AM – 5 PM

Air-conditioned Reading Hall 24 hours open

Currently, University library has a collection of 5, 29,359 books and other documents. During this academic session, the library has purchased 769 books of different subjects.

## **ALUMNI ASSOCIATION**

---

Alumni Association Guru Nanak Dev University (AAGNDU) was set up in the year 2007. In the beginning, only offline membership facility was available, but now the University has rededicated itself to the cause of the alumni by launching a website to strengthen the relationship with alumni settled in India and abroad. The alumni can register themselves online on this portal (<http://alumni.gndu.ac.in>). The registration is completely free of any charges. After registration, the alumni are provided with unique ID/password to edit/update their information. The website is also updated with the achievements of the alumni and the University from time to time. A section for the Achievers Alumni has also been kept on the website, which provides brief profile of the renowned Alumni. The alumni can also put their views about the University on this website. Thus, the website has become a platform for the alumni to stay together through AAGNDU. The office is regularly collecting the details of alumni from the various departments of GNDU Campus & Regional Campuses and updates the list to strengthen the database. As of the total number of 15845 alumni members have registered themselves on the alumni website till date. GNDU is providing the Alumni Life Membership Card with several Life time facilities such as library, gym, guest house, and swimming pool (paid services as on discount basis as per university rules) will be offered the Alumni Life Membership Card holder. The facilities would be provided to the alumni on becoming Life time member after paying one time Life Membership Fee (Rs.5000/- from the member living in India and Rs.15000/- from the member living abroad).

So far 51 alumni have come to the alumni association to make cards, due to which Rs. 2,55,000/- has been received by GNDU.

G.N.D.U. Alumni Society, GNDU, Amritsar has been registered under section 12A, and donors to the society will get tax benefits under section 80G. Donations and contributions will be used for the growth of the University. Presently this society can accept donations only in Indian rupees from persons living in India.

Alumni online meetings organized on September, 2020 by Alumni Association during 2020-21 due to the period of covid-19 pandemic. In this meeting, the members urged to redouble efforts to generate funding through donations.

## PHYSICAL EDUCATION

Guru Nanak Dev University accredited by NAAC with 'A' grade was established on November 24, 1969 to mark the 500<sup>th</sup> birth Anniversary of Sri Guru Nanak Dev Ji. It is both a residential and affiliating university. Guru Nanak Dev University has made phenomenal progress in the field of sports in the Inter-University, National and International competitions. The Department of Physical Education (Allied Teaching) was set up in 1970. The Department started organizing Inter-College tournaments from 1970 itself and sent teams for the Inter-Varsity tournaments for the first time in 1971. From the very beginning, Sports Committees for men and women were formed to guide and coordinate the sports activities and to organize games and sports in the affiliated colleges to raise the university teams for Inter-University and other tournaments. On the basis of the performance in the Inter-College tournaments, various universities teams are selected for participation in the Inter-University competitions which are organized by the Association of Indian Universities, New Delhi. Each year, the Department of Physical Education (Allied Teaching) organizes 120 Guru Nanak Dev University Inter-college (Men and Women) tournaments and sends 95 universities (M&W) teams for participation in North Zone / All India Inter-University (M&W) Championships. In order to attain excellence in sports, coaching camps for selected men and women teams are organized at a Hill Station during summer vacation for imparting physical fitness and conditioning training. Liberal facilities are provided to the players who participate in the Inter-University tournaments as members of Guru Nanak Dev University teams in terms of free board and lodging during coaching camps and cash prize money to those players who win the positions in Inter-University competitions. Today, in the field of sports, Guru Nanak Dev University is rated as the Top University amongst 609 universities in the country. The unparalleled achievement of Guru Nanak Dev University in sports is much due to its sportsmen and sportswomen of the colleges as well as a mechanism of 'right type of training' 'right type of selection' and 'right type of administration' which remained the key factors in achieving high standards in sports at Inter-University, National and International levels.

## UNIVERSITY HEALTH CENTRE

---

The University Health Centre was established in 1973 as a primary health care facility. The mission of the Health Centre is to enhance the health and wellness of University students, faculty and staff by providing access to quality health services and ensuring their well being. Health Centre provides clinical (supporting health and well being through care for acute and ongoing diseases and injuries) as well as ancillary services like laboratory, radiology and pharmacy services to the University community apart from supporting educational and research activities as well.

The University Health Centre provides services for Medical, Dental as well as Ayurvedic O.P.D. There is also a specialized sports dentistry clinic which provides mouth guards to the sports persons for prevention of dental injuries. Attached to the Health Centre is a well equipped Physiotherapy Centre having trained physiotherapist. These facilities remain open Monday to Saturday and even on gazzetted/declared holidays. Emergency services including ambulance services are available 24x7. The doctors at Health Centre provide primary health care. For services not covered at Health Centre, referral services to Government and Multispecialty hospitals for specialized treatment/hospitalization are available. Twenty Nine hospitals are on empanelment with the University at CGHS rates.

**Other in house facilities available at Health Centre are:**

Fully computerized digital Electrocardiograph (ECG)

Digital X-ray

Bone mineral density scan (DEXA Scan)

Mammography

Dental X-ray (RVG)

Orthopantomogram

Vacuum thermoforming machine (for making mouth guards)

A Medical Board has been constituted at the Health Centre (with two outside experts) for issuing chronic complicated disease certificates to eligible University patients. In addition a Medical Committee is also constituted to assess the working of Health Centre and recommend programs for the benefit of University patients.

In order to manage any casualty among girl students, Health Centre has set up a medical room in the Girls' Hostel and a staff nurse is available at the hostel from 8 pm to 8 am daily including on Sundays & holidays. The medical officers of Health Centre regularly inspect the messes and Canteens in Boys & Girls Hostels. The mess & canteens workers are periodically examined and screened for any communicable diseases.

The University Health Centre has set up a sample collection unit in collaboration with NABL accredited laboratory for providing quality lab facilities at special subsidised rates. Ultrasonography facility has been provided to the university patients at discounted/CGHS rates in collaboration with three leading diagnostic centres of the city.

Keeping in view the unprecedented COVID-19 time, an isolation room has been set up at Health Centre to separate and restrict movement of persons who are not ill but believed to have been exposed to the infection for the purpose of preventing the transmission of the disease. A few students of the University had availed of this facility in co-ordination with District Health Authority and successfully completed their quarantine period. Furthermore, recognising the community transfer of COVID-19, the University had made arrangements for sample collection for rt-PCR tests at the Health Centre. Being committed to the health of the faculty, staff and students of Guru Nanak Dev University and following the procedure and guidelines issued by the Punjab Government a vaccination drive against COVID-19 was started on 01-04-2021 and is still continuing at University Health Centre, 2158 doses of Covishield and Covaxin have been administered to people aged 18 years and above till 30 June 2021.

The infrastructure of Health Centre has also been strengthened. The computerization of registration of faculty, staff & students has initiated and the process to fully computerise the pharmacy is underway. A bigger and more patient friendly ambulance has also been purchased.

## LANDSCAPE DEPARTMENT

---

**Consultant Horticulture : Dr. J. S. Bilga Ph. D.**

**Landscape Officer : Mr. Gurwinder Singh M. Sc.**

Commemorating Guru Nanak Dev's birth quincentenary celebrations Guru Nanak Dev University Amritsar was established on 24<sup>th</sup> November 1969. Hence a high powered committee was constituted with S. Bishan Singh Samundari the then founder Vice Chancellor Guru Nanak Dev University, Dr. M. S. Randhawa the then Vice Chancellor Punjab Agricultural University Ludhiana, the then Vice Chancellor Punjab university Chandigarh, Chief Architect U.T. Chandigarh, Architect PAU Ludhiana and some prominent personalities in the subject for planning, designing and development of the new campus of university. Accordingly the department of Landscaping was also established for the proper planning and development of landscaping through selection and collection of different types of plants in trees, shrubs, climbers, indoor plants, ground covers and grasses then their plantation and maintenance for beautiful campus Landscaping. The committee did extensive survey of the campus then intensive planning selected the promising and beautiful plants and planted them to make the campus of Guru Nanak Dev University evergreen, colorful, fragrant and pleasant. This department had been looked after by Mr. H. S. Dhindsa as the founder Landscape Officer (Dec. 1971 – July 1978) who was followed by Mr. G. S. Pannu from August 1978 to April 30<sup>th</sup> 2009 his superannuation.

The department of Landscaping has been activated by Prof. (Dr.) Jaspal Singh Sandhu the worthy Vice Chancellor after a big gap when he joined Guru Nanak Dev University Amritsar (16th August 2017). He picked up Dr. J. S. Bilga from Central University of Punjab Bathinda as Consultant Horticulture. Now Dr. Bilga is assisted by 5 head Malis, a small number of 19 Malis and 35 workers for a vast campus of 500 acres of Guru Nanak Dev University including 25 acres of Botanical Garden. Mrs. Mandeep Kaur is working as Data Entry Operator.

Department of Landscaping is assigned the responsibilities of planning, plantation, transplanting and maintenance of gardening all over the campus including, nursery production, hoeing, irrigation, pruning, training & trimming, replacement of plants, fertilization and plant protection along with over all greening and cleaning of lawns. Under educative agenda this department is organizing Flower shows and seminars twice a year in the subject for the awareness of students and residents.

### **Regular appointment of Landscape Officer:**

Prof. Dr. Jaspal Singh Sandhu Vice Chancellor being a gardening lover and dedicated environmentalist deeply felt the need of a regular Landscape Officer for the continuous up keep of the department approved the regular of appointment of Landscape Officer. Hence Mr. Gurwinder Singh possessing

M. Sc. In the subject of Landscaping and Floriculture from PAU Ludhiana was selected through proper meritorious procedure. Mr. Gurwinder Singh joined as Landscape Officer on 22<sup>nd</sup> December 2020 (FN).

During the reporting year 2020 - 21 the department of Landscaping has performed the following activities:

**New Landscaping and plantation works:**

- New planning and development of Landscaping around the following departments have been done during the current year:
- Different species of ground covers with three varieties of palms i.e. Phoenix palm (*Phoenix roebelenii*), Traveler palm (*Ravenella madagascarensis*) and Bismarkia palm (*Bismarkia nobilis*) have been planted around Bhai Gurdas Library for its beautiful look.
- UIT building,
- HRDC building,
- Tourism and Hospitality department,
- Department of Agriculture,
- Department of Mass Communication shall be done for their beauty and environment.
- Department of Education
- Area between Punjab and Sind Bank and University shopping centre.
- **Revenue plantations:**

In continuation with the previous plantation of Shisham trees (the state tree of Punjab) around UIT block, it has been added to the more areas behind B and C type houses as a source of revenue for the years to come.

- **Plantation of fragrant plants:**

As our campus is known for the best tree and green cover along with large number of seasonal flowers this year we have started the collection and plantation of fragrant plants. Accordingly Rat- ki- rani (*Cestrum nocturnum*), jasmines (*Jasminum sambac*), mehndi (*Lawsonia inermis*), gardenia (*Gardenia jasminoides*), harshingar (*Nyctanthus arbortristus*) and murraya (*Murraya paniculata*) have been planted at various sites to make the campus fragrant.

- **Pollution check barriers:**

Buffer plantation has been done with different species of trees, shrubs and three varieties of Bamboos i.e. *Dendrocalamus strictus*, *Bamboosa multiplex* and *Phyllostachys aurea* (brought from CSIR - IHBTP Palampur, HP) inside the boundary wall starting from Ram Tirath gate to

HRDC through UIT as a green barrier to check total pollution including dust, smoke and noise.

- **Gap filling in Citrus orchard:**

- Citrus orchard was developed under the guidance of Citrus Council of Punjab during the year 1907. With the passage of time many plants had died accordingly 480 plants of Kinnow and Daisy were procured from PAU Fruit Research Station Jallowal, Jalandhar and planted in the citrus orchard.
- Bougainvilleas around Sports complex and boundary wall of Botanical garden from university house to Administrative block.
- Beautification of university campus with different varieties of seasonal flowers procured from different sources as PAU Ludhiana, Mr. Avtar Singh of Beauscape Farms Ludhiana (Big supply of winter flower seeds free of cost) and local nurseries.
- Landscaping around Bhai Gurdas Library with the plantation of different varieties of ground covers as this area does not have full sunlight due to which flowering plants can't be grown easily.
- Enrichment of flora in the Botanical Garden continued with additional species in medicinal, fruits and other plants continued.
- Different varieties of Lilly (*Amaryllis belladonna*) have been planted in the lawns of Senate hall, Rose Park, nursery and construction wing.
- In continuity with the plantation of different species of fragrant shrubs and trees for sweet fragrance added at prominent places.
- Golden Jubilee Rose Park, a dream project conceived by the worthy Vice Chancellor Prof. (Dr.) Jaspal Singh Sandhu developed during the Golden Jubilee year with 50 named varieties of Roses matching with Golden Jubilee celebrations of the university is being maintained properly.
- The 49<sup>th</sup> Sacred Jungle developed in the campus the university with the co-operation of Baba Sewa Singh, Kar Sewa Sri Khadoor Sahib with 1800 plants is being looked after by this department.

**Mechanization of landscaping department:**

- An efficient grass cutting machine called Brush cutter have been added to the department for grass cutting in and around various sites which is cannot be done by shrub master.
- Grafting and budding tools for budding of roses is also added to the nursery.

### **Awareness agenda:**

To get the residents in general and the students in particular aware about the importance of green and beautiful environment and growing of different plants for their surrounding Guru Nanak Dev University organized two Flower shows:

- Due to the Covid-19 this year Bhai Vir Singh Flower Show and Seminar could not be continued in the chain of these awareness and educational activities.
- However Spring Flower show and Rangoli was organized from 17<sup>th</sup> to 19<sup>th</sup> March 2021 where large number of educational institutes and individuals participated with full enthusiasm. This Flower show and Rangoli was inaugurated by Prof. Dr. Jaspal Singh Sandhu Vice Chancellor and prizes were distributed jointly by Prof. Dr. Avinash Kaur Nagpal Prof. Botanical Sciences and Dr. J. S. Bilga.
- This year Seminar could not be organized due to Covid 19 guidelines.

### **Botanical Garden:**

Botanical Garden of Guru Nanak Dev University had been put under the supervision of Consultant Horticulture (2017). Department of Landscaping during the year 2018 have taken the following activities:

- **New varieties of RET species, ferns, aromatic plants, medicinal plants, spices and fruit plants from different sources including many nurseries.**
- **To make the Botanical Garden more colorful and pleasant different varieties of seasonal flowers have been planted at different locations.**
- **Mulching of plants was continued for the conservation of soil and water both along with suppressing weeds and gradual addition of organic matter to the plants besides protecting the plants from extreme summer as well as winter.**

### **Continuation of Rejuvenation of campus:**

Due to poor quality of soil in the campus of Guru Nanak Dev University the growth of trees had been retarded even trees started drying up from top. Hence rejuvenation of campus soil has been continued. Accordingly large quantities of leaves shed were ploughed in the soil that made the soil fertile, aerated and improved its absorption of water. Due to this technique all the lawns have been completely regrassed and the tree tops which were drying up before have been rejuvenated resulting good growth and flowering of plants.

### **Maintenance works:**

- ❖ Tree plantation along road starting from Boys Hostel 3 to UIT than HRDC
- ❖ Number of shrubs, ground covers, chrysanthemum and seasonal flowers are being propagated in this nursery.

- ❖ To make the campus more attractive, hanging baskets hanged throughout the campus with different varieties of plants added during 2018 have been enriched with more varieties.
- ❖ Cutting of grass and wild growth all over the campus.
- ❖ Training, pruning and trimming of plants.
- ❖ Hoeing, weeding and staking of plants whenever required.,
- ❖ Protection of plants from weather, insects, pests and disease.
- ❖ Collection of broken, dry and dead twigs.
- ❖ General cleaning of lawns & removal of dead and broken plant parts.

**Next year programmes:**

Following projects are earmarked for the next year 2021-22:

- ❖ Area adjoining Department of Agriculture.
- ❖ Addition of climbing roses in different areas.
- ❖ Further mechanization of landscaping department.
- ❖ Awareness and Educational agenda i.e. Flower show and Seminar.
- ❖ Additional plantation of fragrant plants to continue in the campus.
- ❖ Inventory of total plants in the campus shall be prepared systematically and proper labeling of plants in collaboration of department of Botanical and Environmental Sciences shall be done to make the campus flora educative.

## NATIONAL ACADEMIC DEPOSITORY

---

Indian Higher Education system is a large and growing system with approximately 60 school boards, 416 state universities, 124 deemed universities, 54 central universities and 364 private universities. Apart from these, there are 107 other institutions such as IISc/IITs/IIMs/NITs/IISERs/IIITs/NITIE and 12 other centrally funded institutions. These institutions issue academic awards to students including degrees, diplomas and certificates along with mark sheets and evaluation reports. Apart from these, institutions under various Ministries/Departments and other skill based institutions also dispense certificates, diplomas and advanced diploma. Those who are entering into employment or pursuing higher studies require a credible, authentic and convenient mechanism for access, retrieval and validation of such academic awards. Retrieval of old academic records maintained in paper form is cumbersome. Academic records maintained in paper form are susceptible to hazards such as spoilage and forgery. Students often face difficulties in obtaining copies of their certificates/mark-sheets whenever they are lost or destroyed.

Maintaining academic awards in an electronic depository would provide benefit to educational institutions, students and employers by enabling online access of academic awards which will eliminate the need for persons to approach educational institutions for obtaining transcripts of such awards or marks-sheets for verification. It would also eliminate fraudulent practices such as forging of certificates and mark-sheets, by facilitating online verifications thereof.

The National Academic Depository aims at ensuring a credible and convenient mechanism for online lodging, verification and authentication of the academic awards issued by various educational institutions. The vision of National Academic Depository (NAD) is born out of an initiative to provide an online store house of all academic awards. National Academic Depository (NAD) is a 24X7 online store house of all academic awards viz. certificates, diplomas, degrees, mark-sheets etc. duly digitised and lodged by academic institutions / boards / eligibility assessment bodies. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage.

Digi Locker is a provider of NAD services and aims at 'Digital Empowerment' of citizen by providing access to authentic digital documents to citizen's digital document wallet. Maintaining academic awards in an electronic depository would provide benefit to educational institutions, students and employers by enabling online access of academic awards which will eliminate the need for persons to approach educational institutions for obtaining transcripts of such awards for verification. It would also eliminate fraudulent practices such as forging of awards, by facilitating online verification thereof and maintains the authenticity, integrity and confidentiality of the award. It aspires to make the vision of Digital Academic awards for every Indian a reality.

## STUDENT UGC-GRIEVANCE REDRESSAL CELL

---

As per the University Grants Commission, New Delhi, Guru Nanak Dev University has established an "Online Students Grievance Redressal Cell". The Student's Grievance Cell desires to promote and maintain a conducive and unprejudiced educational environment. The objectives of Students Grievance Cell include the following:

- To support, those students who have been deprived of the services offered by the University, for which he/she is entitled.
- To make officials of the university responsive, accountable and courteous in dealing with the Students.
- To ensure effective solution to the student's grievances with an impartial and fair approach.

The Cell enables a student to express feelings by initiating and pursuing the grievance procedure in accordance with the rules and regulations. 'Student's Grievance Cell' enquires and analyses the nature and pattern of the grievances in a strictly confidential manner. Emphasis on procedural fairness has been given with a view to "the right to be heard and right to be treated without bias".

### **Functions:-**

- Redressal of Students' Grievances to solve their academic and administrative problems.
- To co-ordinate between students and Departments / Sections to redress the grievances.
- To guide ways and means to the students to redress their problems.

In order to attend to the students' complaints, a grievance redressal cell has been set up in the university. It offers immediate and effective redressal to the problems reported by the students and work towards providing a safe and secure atmosphere for the holistic growth of the students. For this, a Nodal Officer has been appointed to monitor and respond to students' grievances. Students from the Guru Nanak Dev University can lodge complaints through "Online Students Grievance Redressal Portal" at <https://www.ugc.ac.in/grievance> , related to admission process, non-transparent or any unfair evaluation practices, provision of student amenities, alleged discrimination of students, etc. On receipt of complaints from aggrieved students Nodal Officer of Grievances Redressal Cell also monitor and respond to students grievances lodged on to its portal.
