संदेश

मुझे अत्यंत प्रसन्नता है कि गुरु नानक देव विश्वविद्यालय, अमृतसर अपनी 55वीं वार्षिक रिपोर्ट प्रस्तुत कर रहा है। यह रिपोर्ट शिक्षा, अनुसंधान, खेल और प्रशासन के क्षेत्रों में विश्वविद्यालय द्वारा प्राप्त उल्लेखनीय उपलब्धियों का प्रभावी दस्तावेज़ है। इस महत्वपूर्ण अवसर पर मैं कुलपति, संकाय सदस्यों, विद्यार्थियों, शोधकर्ताओं तथा विश्वविद्यालय परिवार के सभी सदस्यों को हार्दिक बधाई और शुभकामनाएँ देता हूँ।

विश्वविद्यालय द्वारा अकादमिक उत्कृष्टता, नैतिक मूल्यों और वैश्विक दृष्टि से युक्त युवा तैयार करने की दिशा में प्रदर्शित प्रतिबद्धता और समावेशी दृष्टिकोण उल्लेखनीय हैं। यूजीसी से ''उत्कृष्टता की संभावना वाला विश्वविद्यालय'' का दर्जा, नैक का A++ ग्रेड, एनआईआरएफ 2023 में 48वीं रैंक तथा H-index का 64 से बढ़कर 173 तक पहुँचना–ये सभी उपलब्धियाँ विश्वविद्यालय के शोध की अंतरराष्ट्रीय गुणवत्ता और सतत प्रगति को स्पष्ट रूप से प्रमाणित करती हैं।

खेलों में विश्वविद्यालय की अभूतपूर्व उपलब्धियाँ, विशेष रूप से 25वीं बार मौलाना अबुल कलाम आज़ाद ट्रॉफी जीतना, इसके मजबूत खेल–परंपरा और उत्कृष्ट प्रशिक्षण प्रणाली का प्रमाण है। 'खेलो इंडिया' के अंतर्गत विभिन्न खेल अकादमियों और 'सेंटर ऑफ एक्सीलेंस' की जिम्मेदारी सौंपा जाना विश्वविद्यालय की क्षमता और राष्ट्रीय स्तर पर उसकी विश्वसनीयता को और दृढ़ करता है।

प्राध्यापकों के सतत शोध योगदान, विद्यार्थियों की प्रतिभा और प्रशासनिक दक्षता ने गुरु नानक देव विश्वविद्यालय को एक अग्रणी शोध–प्रधान संस्था के रूप में स्थापित किया है। अवसंरचना, डिजिटल सुविधाओं, छात्र सहायता, सामुदायिक सहभागिता तथा सतत विकास के क्षेत्रों में हुए सुधार विश्वविद्यालय की दूरदर्शी नीतियों और प्रगतिशील चरित्र को रेखांकित करते हैं।

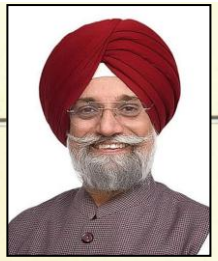

मुझे पूर्ण विश्वास है कि गुरु नानक देव विश्वविद्यालय ज्ञान, अनुसंधान, नवाचार और सेवा के अपने मूल्यों को आगे बढ़ाते हुए पंजाब और राष्ट्र के विकास में भविष्य में भी महत्त्वपूर्ण योगदान देता रहेगा। मैं कुलपति, संकाय सदस्यों और छात्रों को इस सराहनीय उपलब्धि के लिए एक बार पुनः हार्दिक बधाई एवं शुभकामनाएँ देता हूँ तथा विश्वविद्यालय के उज्ज्वल भविष्य की कामना करता हूँ।

ਸੰਦੇਸ਼

ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਪ੍ਰਥਮ ਸ਼੍ਰੇਣੀ ਦੀਆਂ ਯੂਨੀਵਰਸਿਟੀਆਂ ਵਿਚੋਂ ਹੈ ਜੋ NAAC ਸਕੋਰ 4.00 ਵਿਚੋਂ 3.85 ਅਤੇ A++ ਗ੍ਰੇਡ (2029 ਤੱਕ) ਨਾਲ ਸ਼ਾਨਦਾਰ ਉੱਚ ਸਿੱਖਿਆ ਪ੍ਰਦਾਨ ਕਰਕੇ ਰਾਸ਼ਟਰ ਦੇ ਨਿਰਮਾਣ ਵਿਚ ਮੁੱਖ ਭੂਮਿਕਾ ਨਿਭਾਉਣ 'ਤੇ ਮਾਣ ਮਹਿਸੂਸ ਕਰਦੀ ਹੈ। ਇਸ ਯੂਨੀਵਰਸਿਟੀ ਦਾ ਮੁੱਖ ਟੀਚਾ ਗਿਆਨ ਪੈਦਾ ਕਰਨਾ ਅਤੇ ਸਾਂਝਾ ਕਰਨਾ ਹੈ ਜੋ ਇੱਕ ਮਜ਼ਬੂਤ ਅਤੇ ਸਾਂਝੀਵਾਲਤਾ ਵਾਲੇ ਪ੍ਰਗਤੀਸ਼ੀਲ ਸਮਾਜ ਦੇ ਨਿਰਮਾਣ ਵਿਚ ਸਹਾਇਤਾ ਕਰਦਾ ਹੈ। ਇਹ ਸਾਡਾ ਦ੍ਰਿੜ ਵਿਸ਼ਵਾਸ ਹੈ ਕਿ ਕਦਰਾਂ-ਕੀਮਤਾਂ ਤੋਂ ਬਿਨਾਂ ਸਿੱਖਿਆ ਅਧੂਰੀ ਹੈ।

ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ, ਅੰਮ੍ਰਿਤਸਰ, ਮੁੱਢ ਤੋਂ ਹੀ ਰਾਸ਼ਟਰ ਨਿਰਮਾਣ ਲਈ ਯਤਨਸ਼ੀਲ ਹੈ ਅਤੇ ਇਹ ਨਵੀਆਂ ਉਚਾਈਆਂ ਪ੍ਰਾਪਤ ਕਰਦੀ ਹੋਈ ਉੱਚ ਸਿੱਖਿਆ ਦੇ ਪ੍ਰਚਾਰ ਪ੍ਰਸਾਰ ਲਈ ਮੋਹਰੀ ਭੂਮਿਕਾ ਨਿਭਾ ਰਹੀ ਹੈ। ਇਹ ਸ਼ਲਾਘਾਯੋਗ ਹੈ ਕਿ ਇਸ ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਸਮੂਹ ਸਟਾਫ਼ ਅਤੇ ਕਰਮਚਾਰੀਆਂ ਦੁਆਰਾ ਹਰੇਕ ਅਕਾਦਮਿਕ ਸਾਲ ਨਵੇਂ ਟੀਚੇ ਨਿਰਧਾਰਤ ਕੀਤੇ ਜਾਂਦੇ ਹਨ ਜਿਨ੍ਹਾਂ ਦੀ ਪੂਰਤੀ ਲਈ ਅਨੁਕੂਲ ਵਾਤਾਵਰਣ ਸਿਰਜਦਿਆਂ ਵਿਦਿਆਰਥੀਆਂ ਦੇ ਸੰਪੂਰਨ ਵਿਕਾਸ ਨੂੰ ਇਮਾਨਦਾਰੀ ਅਤੇ ਲਗਨ ਸਦਕਾ ਹਕੀਕਤ ਵਿਚ ਬਦਲਿਆ ਜਾਂਦਾ ਹੈ।

ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਅਕਾਦਮਿਕ, ਖੋਜ, ਖੇਡਾਂ, ਸਹਿ-ਪਾਠਕ੍ਰਮ ਅਤੇ ਪਾਠਕ੍ਰਮ ਤੋਂ ਬਾਹਰ ਭਾਈਚਾਰਕ ਗਤੀਵਿਧੀਆਂ ਵਿਚ ਅੱਗੇ ਵਧਣ ਲਈ ਸਿਖਲਾਈ ਦੇਣ ਤੋਂ ਇਲਾਵਾ, ਨੈਤਿਕ ਕਦਰਾਂ-ਕੀਮਤਾਂ, ਸਮਾਜਿਕ ਜ਼ਿੰਮੇਵਾਰੀ, ਇਮਾਨਦਾਰੀ, ਟੀਮ ਵਰਕ, ਅਨੁਸ਼ਾਸਨ ਅਤੇ ਇਮਾਨਦਾਰੀ ਨੂੰ ਵਿਕਸਤ ਕਰਨਾ ਸਿਖਾਇਆ ਜਾਂਦਾ ਹੈ। ਸਿੱਖਿਆ ਵਿਅਕਤੀ ਅਤੇ ਸਮਾਜ ਲਈ ਇੱਕ ਬਿਹਤਰ ਭਵਿੱਖ ਨਿਰਧਾਰਤ ਕਰਨ ਵਿਚ ਪ੍ਰਭਾਵਸ਼ਾਲੀ ਭੂਮਿਕਾ ਨਿਭਾਉਂਦੀ ਹੈ। ਸਾਡਾ ਮੰਨਣਾ ਹੈ ਕਿ ਅਸਲ ਸਿੱਖਿਆ ਸਿਰਫ਼ ਅਕਾਦਮਿਕ ਸਫਲਤਾ ਨਹੀਂ ਹੁੰਦੀ ਸਗੋਂ ਇਹ ਚਰਿੱਤਰ ਨਿਰਮਾਣ, ਕਦਰਾਂ-ਕੀਮਤਾਂ ਨੂੰ ਉਤਸ਼ਾਹਿਤ ਕਰਨ ਅਤੇ ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਆਪਣੇ ਆਲੇ-ਦੁਆਲੇ ਦੀ ਦੁਨੀਆਂ ਵਿਚ ਸਾਰਥਕ ਯੋਗਦਾਨ ਪਾਉਣ ਲਈ ਵੀ ਤਿਆਰ ਕਰਦੀ ਹੈ। ਯੂਨੀਵਰਸਿਟੀ ਦੀ ਸਾਲਾਨਾ ਰਿਪੋਰਟ, ਪਿਛਲੇ ਸਾਲ (ਜੁਲਾਈ, 2025 - ਜੂਨ, 2026) ਵਿਚ ਉੱਤਮਤਾ ਅਤੇ ਸੇਵਾ ਪ੍ਰਤੀ ਸਾਡੀ ਵਚਨਬੱਧਤਾ, ਸਮਰਪਣ, ਪ੍ਰਾਪਤੀਆਂ ਅਤੇ ਪਹਿਲਕਦਮੀਆਂ ਨੂੰ ਦਰਸਾਉਂਦੀ ਹੈ।

ਚਲਦਾ....

(2)

ਜਦੋਂ ਅਸੀਂ ਪਿਛਲੇ ਸਾਲ 'ਤੇ ਨਜ਼ਰ ਮਾਰਦੇ ਹਾਂ ਤਾਂ ਮੈਨੂੰ ਇਹ ਸਾਲਾਨਾ ਰਿਪੋਰਟ ਪੇਸ਼ ਕਰਨ ਵਿਚ ਖੁਸ਼ੀ ਅਤੇ ਮਾਣ ਮਹਿਸੂਸ ਹੁੰਦਾ ਹੈ। ਇਹ ਸਾਡੀ ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਸਮੂੱਚੇ ਭਾਈਚਾਰੇ ਦੀ ਸਖ਼ਤ ਮਿਹਨਤ, ਸਮਰਪਣ ਅਤੇ ਪ੍ਰਾਪਤੀਆਂ ਨੂੰ ਦਰਸਾਉਂਦੀ ਹੈ। ਇਸ ਸਾਲ ਵੀ ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਨੇ ਸਿੱਖਿਆ, ਖੋਜ ਅਤੇ ਸਮਾਜ ਦੀ ਸੇਵਾ ਵਿਚ ਉੱਤਮਤਾ 'ਤੇ ਧਿਆਨ ਕੇਂਦਰਿਤ ਕਰਨਾ ਜਾਰੀ ਰੱਖਿਆ ਹੈ। ਸਾਡੀ ਯੂਨੀਵਰਸਿਟੀ ਲਈ ਸਾਲ 2024-25 ਇਸ ਗੱਲੋਂ ਮਹੱਤਵਪੂਰਨ ਰਿਹਾ ਹੈ ਕਿ ਇਸ ਵਰ੍ਹੇ ਦੇ ਅੰਤਰਗਤ ਯੂਨੀਵਰਸਿਟੀ ਨੇ ਅਕਾਦਮਿਕ ਪ੍ਰਦਰਸ਼ਨ, ਸੰਸਥਾਗਤ ਗੁਣਵੱਤਾ ਅਤੇ ਵਿਸ਼ਵਵਿਆਪੀ ਮਾਨਤਾ ਦੀਆਂ ਨਵੀਆਂ ਮੰਜ਼ਿਲਾਂ ਸਰ ਕੀਤੀਆਂ ਹਨ। ਰੈਂਕਿੰਗ ਵਿਚ ਨਿਰੰਤਰ ਵਿਕਾਸ, ਨੀਤੀਗਤ ਸ਼ਮੂਲੀਅਤ, ਖੋਜ ਅਤੇ ਨਵੀਨਤਾ ਪ੍ਰਤੀ ਦ੍ਰਿੜ ਵਚਨਬੱਧਤਾ ਦੇ ਨਾਲ ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਭਾਰਤ ਵਿਚ ਉੱਚ ਸਿੱਖਿਆ ਦੇ ਇੱਕ ਚਾਨਣ ਮੁਨਾਰੇ ਵਜੋਂ ਕਾਰਜਸ਼ੀਲ ਹੈ।

ਇਸ ਸਮੇਂ ਦੌਰਾਨ, ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਖੋਜ ਆਉਟਪੁੱਟ ਵਿਚ ਸ਼ਾਨਦਾਰ ਵਾਧਾ ਹੋਇਆ ਹੈ। 2025 ਵਿਚ ਇਸ ਦਾ ਐਚ-ਇੰਡੈਕਸ 157 ਤੱਕ ਵਧਿਆ ਹੈ ਅਤੇ ਸਕੋਪਸ-ਇੰਡੈਕਸਡ ਪ੍ਰਕਾਸ਼ਨਾਵਾਂ ਵਿਚ ਵਾਧਾ 11,331 ਤੱਕ ਪਹੁੰਚ ਗਿਆ ਹੈ। ਇਹ ਸਫਲਤਾ ਅਤਿ-ਆਧੁਨਿਕ ਸਹੂਲਤਾਂ ਵਿਚ ਨਿਵੇਸ਼, ਇੱਕ ਮਜ਼ਬੂਤ ਖੋਜ ਈਕੋਸਿਸਟਮ ਅਤੇ ਨੀਤੀਗਤ ਅੰਤਰਰਾਸ਼ਟਰੀ ਸਹਿਯੋਗ ਨੂੰ ਦਰਸਾਉਂਦੀ ਹੈ। ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਨੇ 2024-2025 ਸੈਸ਼ਨ ਦੌਰਾਨ ਰਾਸ਼ਟਰੀ ਅਤੇ ਅੰਤਰਰਾਸ਼ਟਰੀ ਪੱਧਰ 'ਤੇ ਖੇਡਾਂ ਦੇ ਖੇਤਰ ਵਿਚ ਸ਼ਾਨਦਾਰ ਪ੍ਰਾਪਤੀਆਂ ਕੀਤੀਆਂ ਹਨ। ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਐਥਲੀਟਾਂ ਨੇ ਕਈ ਪ੍ਰਤਿੱਸ਼ਠਤ ਮੁਕਾਬਲਿਆਂ ਵਿਚ ਹਿੱਸਾ ਲਿਆ ਅਤੇ ਸ਼ਾਨਦਾਰ ਪ੍ਰਦਰਸ਼ਨ ਕੀਤਾ ਹੈ। ਡਿਜੀਟਲ ਤਰੱਕੀ ਨੂੰ ਅਪਣਾਉਂਦੇ ਹੋਏ, ਯੂਨੀਵਰਸਿਟੀ ਨੇ ਡਿਜੀਟਾਈਜ਼ੇਸ਼ਨ ਵੱਲ ਮਹੱਤਵਪੂਰਨ ਕਦਮ ਚੁੱਕੇ ਹਨ। ਇਸ ਦੀ ਸਵੈਚਾਲਿਤ ਅਤੇ ਡਿਜੀਟਲਾਈਜ਼ਡ ਭਾਈ ਗੁਰਦਾਸ ਲਾਇਬ੍ਰੇਰੀ ਕੁਸ਼ਲ ਪ੍ਰਬੰਧਨ ਲਈ ਈ-ਬੁੱਕਸ/ਈ-ਜਰਨਲ, ਡਿਜੀਟਲ ਲਾਉਂਜ ਅਤੇ RFID ਸਿਸਟਮ ਇਸ ਦੀ ਮਿਸਾਲ ਹਨ। ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਵਿਖੇ ਗੋਲਡਨ ਜੁਬਲੀ ਸੈਂਟਰ ਫਾਰ ਐਂਟਰਪ੍ਰਨਿਓਰਸ਼ਿਪ ਐਂਡ ਇਨੋਵੇਸ਼ਨ (GJCEI) ਪੰਜਾਬ ਵਿਚ ਨਵੀਨਤਾ ਅਤੇ ਸਟਾਰਟ-ਅੱਪਸ ਨੂੰ ਉਤਸ਼ਾਹਿਤ ਕਰਨ ਲਈ ਇੱਕ ਗਤੀਸ਼ੀਲ ਕੇਂਦਰ ਵਜੋਂ ਉੱਭਰਿਆ ਹੈ। ਰੋਬੋਟਿਕਸ, ਆਰਟੀਫੀਸ਼ੀਅਲ ਇੰਟੈਲੀਜੈਂਸ, CAD, ਅਤੇ ਬੌਧਿਕ ਸੰਪਤੀ ਸਬੰਧੀ ਪ੍ਰਭਾਵਸ਼ਾਲੀ ਵਰਕਸ਼ਾਪਾਂ ਦਾ ਆਯੋਜਨ ਕਰਨ ਤੋਂ ਲੈ ਕੇ ਸਟਾਰਟ-ਅੱਪ ਸਲਾਹਕਾਰਾਂ ਅਤੇ ਅੰਤਰਰਾਸ਼ਟਰੀ ਸ਼ਖ਼ਸੀਅਤਾਂ ਨਾਲ ਉੱਚ-ਪੱਧਰੀ ਸੈਸ਼ਨਾਂ ਦੀ ਮੇਜ਼ਬਾਨੀ ਕਰਨ ਤੱਕ, GJCEI ਨੇ 40 ਤੋਂ ਵੱਧ ਸਟਾਰਟ ਅੱਪਸ ਨੂੰ ਸ਼ਕਤੀ ਪ੍ਰਦਾਨ ਕੀਤੀ ਹੈ।

ਇਸ ਦੇ ਨਿਵੇਕਲੇ ਅਕਾਦਮਿਕ ਪ੍ਰੋਗਰਾਮ, ਮਜ਼ਬੂਤ ਖੋਜ ਈਕੋਸਿਸਟਮ, ਅੰਤਰਰਾਸ਼ਟਰੀ ਸਹਿਯੋਗ ਅਤੇ ਅਤਿ-ਆਧੁਨਿਕ ਬੁਨਿਆਦੀ ਢਾਂਚਾ ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਵੱਡੇ ਸੁਪਨੇ ਦੇਖਣ ਅਤੇ ਤਰੱਕੀ ਕਰਨ ਲਈ ਸ਼ਕਤੀ ਪ੍ਰਦਾਨ ਕਰਦੇ ਹਨ। ਆਪਣੀਆਂ ਸਭਿਆਚਾਰਕ ਜੜ੍ਹਾਂ ਅਤੇ ਸਮਾਜਿਕ ਭਲਾਈ ਪ੍ਰਤੀ ਵਚਨਬੱਧਤਾ ਪ੍ਰਤੀ ਸੱਚੇ ਰਹਿ ਕੇ, ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਨਾ ਸਿਰਫ਼ ਆਉਣ ਵਾਲੇ ਪ੍ਰਤੀਨਿਧੀਆਂ ਦਾ ਰਾਹ-ਦਸੇਰਾ ਬਣ ਰਹੀ ਹੈ, ਸਗੋਂ ਸਾਡੇ ਸਾਰਿਆਂ ਲਈ ਉੱਜਲੇ ਭਵਿੱਖ ਦਾ ਨਿਰਮਾਣ ਕਰ ਰਹੀ ਹੈ।

ਕਰਮਜੀਤ ਸਿੰਘ

(ਕਰਮਜੀਤ ਸਿੰਘ)

MESSAGE

Guru Nanak Dev University established in 1969 has become synonymous with distinction, innovation and exceptional eminence. It is heartening to note that the synergistic efforts of all the stake holders of the University viz., academicians, employees, research scholars, students etc. have contributed to the realization of the goals and expectation set forth in the Guru Nanak Dev University Act-1969. As a result of all these efforts, the UGC conferred upon this University the status of "University with potential for excellence", was recognized by NAAC (National Assessment and Accreditation Council) as A++ grade (highest level) and Category-1 University. The University was ranked among top ten "High Performing State Public Universities" across India by Ministry of Human Resource Development, Government of India. The University ranked second amongst the cleanest higher educational institutions in the Government Universities category by the Ministry of Human Resource Development, Government of India.

In order to keep pace with the contemporary times and meet the demands of industry and employment generation in the region and nation, the university is continuously upgrading its academic programmes and building a sturdy network of global partnerships with industries, institutions and communities. Our Credit Based Evaluation System and a well-developed Placement Cell assures the continuity of learning process and employment security to our students. The university has also been pioneer in adopting sustainable environmental practices and green initiatives in order to set an example for the students and community at large.

The faculty of Guru Nanak Dev University has achieved visibility at national as well as international level, which is evident from the number of awards and distinctions they have received in their respective disciplines. These awards include fellowships of all major societies of science, medicine and other disciplines, medals of national societies, lecture awards and other coveted distinctions in sports. The H-Index of University has increased significantly from 64 in 2017 to 173 in 2025. The University is providing 100 fellowships for Ph.D. Scholars from its own resources to foster the research activities.

Furthermore, winning the Maulana Abul Kalam Azad Trophy 25 times up to 2025 reflects the University's enduring commitment to excellence in sports and overall student development. A student of the University had won the Gold Medal in the women's 50 metre rifle 3 position event at the Shooting World Cup held in Buenos Aires in 2025.

I am happy to learn that the Annual Report of the University for 2024-25 is being released by the Internal Quality Assurance Cell (IQAC). I am confident that this Annual Report will be a useful treatise reflecting detailed account of activities of the teaching departments, academic set up of university as well as all institutions associated with Guru Nanak Dev University. I extend my best wishes to all the members of Internal Quality Assurance Cell.

(Prof. Harvinder Singh Saini)
Dean Academic Affairs

MESSAGE

Over the past fifty-five years, Guru Nanak Dev University has become synonymous with excellence and innovation. It is an honour and a privilege to serve as the Registrar of this esteemed institution. Our commitment to inspire and empower youth to excel in their chosen fields continues to guide us towards new heights of achievement. Despite its relatively young age, the University is rapidly progressing on both academic and non-academic fronts, propelled by relentless dedication and a clear vision for the future. GNDU has cultivated a transparent and inclusive culture that encourages teamwork and a passion for discovery, qualities that have earned it the prestigious status of a *"Category One" University*, recognition as a *"University with Potential for Excellence"* by the UGC, and an *"A++" grade* by NAAC.

Guru Nanak Dev University attracts students from across the India, drawn by our modern infrastructure, cutting-edge facilities, highly qualified faculty, proactive leadership, and best-in-class teaching and learning practices. The University is committed to creating a vibrant and nurturing environment for disseminating knowledge, informed by innovation, scientific inquiry, and social responsibility.

We have embraced technology and modern academic practices to enhance the student experience. From online admissions and centralised counselling for state-level intakes, to a credit-based evaluation system and contemporary curricula, every aspect of the GNDU academic ecosystem is designed to meet international standards. Our well-equipped laboratories, international collaborations, special academic Chairs, and frequent organisation of national and international conferences and workshops reflect our global outlook.

Postgraduate students are actively encouraged to research through short dissertations, term papers, and guided projects, cultivating a strong foundation in advanced academic inquiry. Beyond academics, students can express their talents in sports, theatre, cultural activities, and more. Well-managed hostels for boys and girls, and attentive planning and supervision contribute to a safe and conducive environment for holistic development.

With the visionary leadership of our Hon'ble Vice Chancellor and the dedicated efforts of our faculty, researchers, and staff, the University continues to strive for academic excellence and shape a promising future for our nation's youth and beyond.

Prof. (Dr.) Karamjit Singh Chahal
Registrar

PREFACE

Guru Nanak Dev University has achieved extraordinary milestones, earning widespread recognition for its commitment to academic excellence, research innovation, and holistic development. The university's faculty, staff, and students have collectively fostered a dynamic educational environment, embodying the values of Sri Guru Nanak Dev Ji—promoting inclusivity, equality, and social justice. The University remains dedicated to nurturing intellectual growth and comprehensive development among its students.

In its recent tenure, the University has marked significant progress, expanding its academic and research infrastructure, introducing new departments, courses, and updated syllabi. The university successfully hosted numerous offline and online international and national conferences, seminars, symposia, and other academic events, enriching the global academic community. Examinations across all disciplines were conducted promptly, with results declared on time. Additionally, GNDU streamlined its admission process, offering both online and offline options, and witnessed a notable increase in student enrollment compared to the previous year.

During this session 2024-25,Guru Nanak Dev University continues to mark its academic and institutional excellence in 2024–25, achieving significant milestones in national and global rankings, while strengthening its focus on quality education and research. Guru Nanak Dev University has recorded outstanding performance across several prestigious ranking platforms in 2024–25. GNDU achieved its highest-ever ranking, securing 11th place among the top State government universities in India. This remarkable rise reflects the university's unwavering pursuit of excellence in education, research, and holistic development in alignment with NEP 2020. GNDU was ranked 29th under the "India Government Multidisciplinary Universities" category, with a commendable total score of 894. In the *EduRank* global evaluation, GNDU demonstrated academic strength by ranking: #44 in India, #2106 globally and Top 50% in 113 research topics. Key highlights of the *EduRank* metrics include: 14,397 academic publications, 266,887 citations, Strong performance in areas such as Toxicology, Nutrition and Food Science, and Pharmacy, Notable Alumni Impact and Non-Academic Prominence scores.

In the THE WEEK–Hansa Research Best University Survey 2025 GNDU improved its national ranking to 12th among multidisciplinary universities (All India) and retained its position in the state and regional zones: 8th in Punjab, 7th in the North Zone, IIRF University Rankings 2025 (Published June 17, 2025). In a testament to its athletic infrastructure and legacy, GNDU secured the 20th position under the category of Sports Universities in India.

The year 2024–25 has been pivotal for Guru Nanak Dev University as it continues to break new ground in academic performance, institutional quality, and global recognition. With steady growth in rankings, strategic policy engagement, and a firm commitment to research and innovation, GNDU stands tall as a beacon of higher education in India.

During the tenure, a new era of Academic Innovation has been started under the leadership of Vice Chancellor Prof. Karamjeet Singh. The University is embracing the future with a slew of forward-thinking academic programs designed to equip students with skills for a rapidly evolving global landscape. Prof. Karamjeet Singh emphasized the university's focus on aligning its curriculum with industry demands and emerging technologies. At the forefront is the Surjit Patar Centre for Ethical AI, which is launching a B. Tech in Artificial Intelligence and Machine Learning (4 years) and an M.Tech in Artificial Intelligence and Data Science (2 years). These programs reflect GNDU's commitment to preparing students for the tech-driven world, ensuring they are at the cutting edge of innovation.

Beyond AI, the University is diversifying its offerings to cater to varied interests. The Department of Architecture has introduced a Bachelor of Design with specializations in Interior Design, Product Design, and Animation & Graphic Design (4 years), opening creative avenues for students. For those passionate about sustainability, the Department of Botanical and Environmental Sciences is launching an M.Sc. in Environmental Sciences as a Five-Year Integrated Program, fostering expertise in environmental challenges.

The University is also introducing specialized one-year programs to meet niche demands. The Department of Computer Science will offer a Post Graduate Diploma in Artificial Intelligence (PGGDAI), while the Department of Hindi is rolling out a Post Graduate Diploma in *Hindi Patrakarita*, alongside certificates in Hindi Translation and Creative Writing. For students eyeing data-driven careers, the University School of Financial Studies is launching an M.Com. in Data Analytics, available as both a one-year program and a Five-Year Integrated Program. Additionally, the Department of Mechanical Engineering is introducing a B.Tech in Robotics and Artificial Intelligence Engineering (2 years), blending automation with innovation.To enhance accessibility and flexibility, the University has introduced 53 online certificate and diploma programs, allowing students to pursue dual degrees by combining regular programs with online certifications.

Research and inclusivity are at the core of Guru Nanak Dev University's mission. This session, Prof. Karamjeet Singh highlighted the establishment of a research fund to provide 100 Ph.D. fellowships, each offering Rs. 8,000 per month, to support doctoral scholars in pursuing groundbreaking work. "This initiative is about nurturing talent and driving innovation that benefits society,". The university's research output has seen remarkable growth, with a rise in its h-index from 62 in 2017 to 157 in 2025, and an increase in Scopus-indexed publications, from 5,218 to 11,331 to date. This success is attributed to investments in state-of-the-art facilities, a robust research ecosystem, and strategic international collaborations.

To ensure equitable access to education, the University has introduced a 5% reservation in each category for students from border and rural areas, recognizing their unique challenges and potential. Vice Chancellor wants every student, regardless of their background, to have the opportunity to shine. The university is also prioritizing practical skills as every degree program now includes an entrepreneurship component, empowering students to think creatively and build sustainable careers. A mandatory 2-credit Basic First Aid and Emergency Care Course for all students, offered by the Department of Molecular Biology and Biochemistry. Celebrating Student

Achievements - Guru Nanak Dev University's students are excelling in both academics and extra curriculars. Sift Kaur brought international acclaim to the university and India by winning a bronze medal in the women's 50m rifle event at the recent Shooting Championship in Munich. In placements, five students from the Electronics Department secured prestigious positions at Bharat Electricals Limited with an annual package of Rs. 13 lakhs. These achievements reflect the quality of our programs and the incredible talent of our students. The scholarship scheme for 100 Ph.D. scholars is designed to nurture research talent and contribute to societal progress. By supporting students from border and rural areas and embedding entrepreneurship in its curriculum, Guru Nanak Dev University is fostering inclusive growth and empowering communities.

Commitment to Social Responsibility - Social responsibility is a cornerstone of the University's ethos. The university has partnered with Animal Welfare and Care Services (AWCS), a registered non-profit in India and Canada, to establish an Animal Welfare Society on campus, promoting compassion for animals.

This tenure, in the area of Global Collaborations: Expanding Horizons - Guru Nanak Dev University is making significant strides in forging international partnerships to provide students and faculty with global exposure. An MoU with Samarkand State University, Uzbekistan, will facilitate joint research and faculty-student exchange programs. In a heartwarming gesture, Samarkand University will dedicate a week to celebrating Guru Nanak Dev Ji, reflecting shared cultural values. GNDU has invited their Rector and senior officials for the upcoming academic session, with plans to send its own faculty also to Samarkand in September 2025. Apart from this, recognizing the mutual benefits to be gained through a cooperative programme, promoting research and international understanding, the University and the Olds College of Agriculture & Technology, Canada, have signed a memorandum of understanding (MoU).The Ambassador of France to India, H.E. Dr Thierry Mathou embarked on a notable visit to Guru Nanak Dev University with the purpose of reinforcing academic collaboration between India and France.

This session, taking a step towards globalizing Indian higher education, the University has approved a proposal to establish its first offshore campus in California, USA. This was decided during the university syndicate's meeting, led by Vice-Chancellor Dr Karamjeet Singh. The offshore campus proposal aligned with the principles of the National Education Policy, 2020. Prof. Karamjeet Singh's visit to the USA and Canada in May-June 2025, yielded transformative outcomes. A Chair in Sikh Studies has been established at the University, fully funded with over Rs. 3 crores by S. Jaspreet Singh, a renowned attorney and immigration lawyer based in the USA. He has also pledged scholarships worth over Rs. 20 lakh for 20 meritorious students. Discussions with leading institutions in British Columbia, including the University of British Columbia, University of Canada West, University of Fraser Valley, and Kwantlen Polytechnic University, resulted in agreements-in-principle for joint research, faculty and student exchanges, international seminars, collaborative academic projects, and twinning programs for integrated study pathways. These partnerships are opening new doors for our students to engage with global ideas and opportunities.

Transforming Campus Infrastructure-The University is undergoing a major infrastructural overhaul to create a world-class learning environment. The key projects, including a Centralized

Computer Centre with 1,000 computers to boost digital learning, and extensive renovations of toilets and labs across departments and hostels are under process. A dedicated Centre for Entrepreneurship is being established to foster innovation, while the Khalsa Heritage Centre is being expanded to preserve and celebrate GNDU's cultural legacy.

For researchers, Rs. 1.65 crore is being invested in basic and translational research in health sciences. For sports enthusiasts, an Indoor Badminton Hall is under construction. The Dashmesh Auditorium, built at a cost of Rs. 90 lakhs, along with air-conditioned Senate Hall and Guru Nanak Bhawan, will elevate the university's capacity to host academic and cultural events. The University goal is to create a modern, student-centric campus where learning and creativity thrive.

Guru Nanak Dev University recorded outstanding achievements in placements, internships, and skill development during the academic year 2024–25. Under the guidance of the Directorate of Placement & Career Enhancement, the university successfully placed 771 students, with over 100 companies participating in the recruitment drives. The highest package offered was Rs. 13.00 LPA by Bharat Electronics Ltd., followed by Josh Technology Group (Rs.10.61 LPA), TCS Prime (Rs.9.00 LPA), and Gujarat Gas (Rs.8.00 LPA). The average package stood at Rs. 6.04 LPA, reflecting the university's strong industry connect. Major recruiters included TCS, Capgemini, Amdocs, KPMG, Axis Bank, Infosys, Nestle, and Deloitte, among others. GNDU also excelled in internship placements, with stipends reaching up to Rs. 60,000 per month. Many students secured internships that transitioned into full-time roles, while others independently found opportunities through platforms like Internshala. In recognition of its internship performance, GNDU was ranked 30th All India in the Internshala Annual Rankings 2024 and was awarded a Certificate of Excellence.

The university also conducted training programs to boost employability. These included a 36-hour course for female students in partnership with Mahindra Pride Classroom and a 40-hour cosmetology workshop under L'Oréal's CSR initiative, benefiting over 50 students. GNDU hosted 45 career-focused events, including seminars, webinars, and mock interviews, and organized leadership talks such as the TCS Leadership Connect and Parichay by ADP India.

This session, Surjit Patar Memorial Ceremony 2025 was organized held at Golden Jubilee Convention Center of the University in collaboration with the Punjab Kala Parishad and the Department of Languages, Punjab. Hon'ble Chief Minister S. Bhagwant Singh Mann termed the legendary Punjabi poet Padma Shri Surjit Patar as one of the greatest poets of this century. In his memory, he announced the establishment of the 'Surjit Patar Center for Ethical AI (Artificial Intelligence)' at Guru Nanak Dev University. CM Mann emphasized the government's commitment to promoting Punjabi language and culture at global level. He announced the annual Surjit Patar Memorial Award to encourage young poets to engage with Punjabi literature. The Chief Minister, along with other dignitaries, honored Surjit Patar's wife, Mrs. Bhupinder Kaur, Brother S. Upkar Singh, Sister Balbir Kaur and his son Manraj Patar, and other family members with *Fulkaris*. A Book entitled 'Surjit Patar in Poetic Truth Journeying', authored by Amarjit Singh Grewal was also released by CM, celebrating the poet's legacy. In this function Prof. Karamjeet Singh, Vice-Chancellor of Guru Nanak Dev University, presided over the event and welcomed Chief Minister S. Bhagwant Singh Mann and other distinguished guests. Prof. Karamjeet Singh commended the Chief

Minister's efforts to preserve the legacy of Surjit Patar and promote Punjabi language and literature. Three distinguished poets, Swaranjit Savi (Chairman of Kala Parishad), Jaswant Jafar (Director of the Language Department, Punjab, Patiala), and Dr. Manmohan (renowned poet), paid heartfelt tributes to Surjit Patar.

This session, Guru Nanak Dev University showcased its cultural prowess, securing remarkable achievements at the 38th Inter University National Youth Festival 2024-25 and the Punjab State Inter University Youth Festival 2024. GNDU's cultural contingent has brought laurels to the university through outstanding performances in diverse categories. At the National Youth Festival, held at Amity University, Noida, under the Association of Indian Universities (AIU), GNDU's 38-member contingent competed among 2,500 students from 148 universities across India. The team won the 1st Runners-Up position overall, excelling in various multiple categories. GNDU shone at the Punjab State Inter University Youth Festival 2024, organized by the Directorate of Youth Services, Punjab, at Punjab Agricultural University, Ludhiana. Competing against 17 universities, GNDU's 200-member contingent, secured the Second Runners-Up Trophy. The team excelled in 22 events.

The 55th Foundation Day of the Guru Nanak Dev University was focused on practical implementations of the teachings of Sri Guru Nanak Dev Ji and the human approach to addressing global challenges. The main event featured academic lectures by three esteemed guests, Dr. Rajesh Gill, Dr. Ravinder Ravi and Dr. Amarjit Singh. The speakers highlighted Guru Nanak Dev Ji's teachings as a solution to the global problems faced by humanity. Academicians, scholars, students and eminent personalities participated in these celebrations and had Guru Ka Langar. Folklore exhibitions, Painting exhibitions and book exhibitions were organized in front of Bhai Gurdas Library and in the Gallery-History & Dreams at the University campus.

A Vision for the Future - Prof. Karamjeet Singh's vision for Guru Nanak Dev University is both ambitious and inspiring. His aim to position Guru Nanak Dev University as a global hub for education, research, and innovation while staying rooted in our cultural and ethical values. By offering innovative programs, forging international partnerships, and investing in world-class infrastructure, the University is equipping students to thrive in a dynamic world. The focus on inclusivity, entrepreneurship, and social responsibility ensures that the university will continue to make a meaningful impact locally and globally.

ABOUT SRI AMRITSAR

Sri Amritsar was founded by *Sri Guru Ramdass ji*, the fourth guru of the Sikhs in about 1574 A.D. Before the city was founded, the area was covered with thick forests and had several lakes. Sri Guru Ramdas Ji established 52 traders from different sectors. These families started the first 32 shops in the city which still stand in the street called *Batisi Hatta* (32 shops). The Guru himself shifted to live among them in the city which came to be called *Ramdaspur* and has been eulogized in the Guru Granth Sahib.

Sri Amritsar, known for rich cultural heritage of four centuries, is living symbol of historical and religious traditions of Sikhs tangibly expressed through the divinely blessed shrines. Historically speaking, the fourth Guru, Guru Ram Das Ji built the *Sarovar* and laid the foundation of Amritsar, which became a sacred place for the pilgrimage of the community. The fifth Guru, *Guru Arjan Dev Ji* built Sri *Harimandir Sahib* in the centre of the *Sarovar and* the foundation was laid by *Sai Mian Mir*. Maharaja Ranjit Singh captured the city in 1805 and his first important act was to gild the whole structure of *Sri Harimandir Sahib* with gold. The city has been the center of activities for various historical events and freedom struggle in the last four centuries.

This city in north western India is the administrative headquarters of Amritsar district in the state of Punjab. The city lies about 25 km east of the border with Pakistan and is a major commercial, cultural, and transportation centre. It is also the centre of Sikhism and the site of the Sikh's principal place of worship.

The early name of the city was *Chack Ramdaspur*. Before its establishment, the area under the city was a part of the vast area covered under Indus valley Civilization during the early period of history. A city of historic walls and impressive gateways, Amritsar gained importance under the reign of *Maharaja Ranjit Singh*, one of the most resplendent figures in Sikh history. The city lies on the Grand Trunk Road, Asia's one of the oldest and longest major roads connecting Eastern & Western parts of Indian sub-continent, built by *King Sher Shah Suri* in year 1539.

The city of Amritsar is a dazzling showcase of composite culture and secular heritage. It has a proud past, a glorious present and a promising future. This most important city of *Majha* region has rightly been called the *mukut-mani* (Jewel of the crown) of the Punjab. Amritsar is like a diamond with many facets. The essential spirit of the city is found not only in its gurudwaras & temples, mosques & churches, takias & khankahs but also in its theatres & galleries, parks & gardens, archives & libraries, art & architecture, museums & memorials, havelis & forts, fairs & festivals, vibrant folk dances & scintillating taans, narrow lanes & winding alleys, parlours & boutiques, clubs & pubs, traditional bustling markets & lip-smacking cuisine eatable like traditional *Papad -Wadian, Soya-wadian and Aampapar*. In addition, the city is famous for its woolens, carpets and blankets, kites, *juttis*, cut-glass work, traditional jewelry and embroidered stuff.

In Amritsar, *Sri Harimandir Sahib* is not only a central religious place of the Sikhs, but also a symbol of human brotherhood and equality. Everybody, irrespective of cast, creed or race can seek spiritual solace and religious fulfillment without any hindrance. It also represents the distinct identity, glory and heritage of the Sikhs. To pen-down the philosophy, ideology, the inner and outer beauty, as well as the historical legacy of *Sri Harmandir Sahib* is a momentous task. It is a matter of experience rather than a description. In *Sri Harimandir Sahib Parikarma, Akal Takht* literally means Eternal Throne. The Akal Takht is situated on the other end of the causeway connected to *Sri Harmandir Sahib*. It's foundation was laid by *Guru Hargobind Sahib*. The building of the *Akal Takht* opposite the *Sri Harmandir Sahib* has a special meaning. While the *Sri Harimandir* stands for spiritual guidance the Akal Takht symbolizes the dispensing of justice and temporal activity. The *Akal Takht* is the oldest of the Five *Takhts*. Amritsar is a center of the raag-based rendering of *Shabad* (*Bani* of *Sri Guru Granth Sahib*). The shops of musical instruments are available around Town Hall, Jallianwala Bagh and in surrounding of Sri Darbar Sahib area. The city boasts of maximum production of Musical instruments.

After partition, Amritsar has become the gateway of India by land route from Central Asia, Afghanistan, Pakistan and other countries on the western side. With its glorious heritage, Amritsar is proudly holding its status of an internationally known city not only historically but also in context of social welfare, philanthropic activity and higher learning. Guru Nanak Dev University located here along with other institutes carries a pleasant mélange of all that is worth.

Amritsar's international airport, *Sri Guru Ramdass Ji* International Airport, has more than 25 domestic and 10-12 international flights in a day with daily connections to Birmingham, London-Gatwick, Dubai, Sharjah, Kuala Lumpur, Bergamo, Milan, Malpensa, Rome-Jiumicino, Verona, Doha, Singapore etc (International), Chandigarh, Goa, Delhi, Mumbai, Pune, Bangalore, Hydrabad, Sri Hazoor Sahib, Patna Sahib, Guwahati, Kolkata, Lucknow, Pune, Sharjah, Dehradun, Dharamshala, Kullu, Shimla, Chennai, Srinagar and Jammu etc. (National). Amritsar is connected by rail to almost every major city in India. Amritsar railway station is the main terminus. The Samjhauta Express and Bus runs from Delhi through Amritsar to Lahore in Pakistan (But now terminated due to administrative reasons). Sri Darbar Sahib - *Sri Harmandir Sahib*, Ram Tirath, Jallianwala Bagh, Durgiana Temple, Wagha Border, Partition Museum, War Museum, Gobindgarh Fort, Summer places of Maharaja Ranjit Singh, Pul Mouran, Khalsa College, Heritage Street, *Chaali Khooh*, Heritage Village, Preet Nagar, Mata Mandir-Rani ka Bagh and other religious places and so many outlets for traditional and continental food make Amritsar a popular tourist destination in world.

University and Its Activities

ABOUT THE UNIVERSITY

Founded in 1969 to mark the 500th Prakash Purab of Sri Guru Nanak Dev Ji, Guru Nanak Dev University is dedicated to advancing education, fostering research, and upholding the timeless teachings and values of Guru Nanak Dev Ji. Guided by its motto, "Guru's wisdom illumines all," GNDU endeavors to inspire and empower society through knowledge, innovation, and ethical principles.

Guru Nanak Dev University stands as a beacon of academic excellence, cultural heritage, and societal progress in Punjab and beyond. Under the dynamic leadership of Vice Chancellor Prof. Karamjeet Singh, Guru Nanak Dev University is embarking on a transformative journey to redefine higher education for the 2025-26 academic session and beyond. The University has firmly established itself as a symbol of excellence and innovation across diverse domains. With outstanding rankings from national and international bodies, robust research contributions, substantial funding from the Government of India, and extensive collaborations, the University stands tall as a premier institution of higher education. Its initiatives and achievements have elevated its stature significantly. The university hosts approximately 20,000 students, including international students from other nations. The University has embraced modern technology by implementing efficient online admission and evaluation systems to ensure transparency. Its research efforts span multiple disciplines, including science, arts, languages, social sciences, management, information technology, artificial intelligence, agriculture, mass media and other academic and research areas. Committed to promoting education and preserving Punjabi heritage, University has waived tuition fees for departments like Guru Nanak Studies and the School of Punjabi Studies. For over five decades, the university has honored the teachings of Sri Guru Nanak Dev Ji while fostering academic excellence across various fields.

Research - Fostering Research and Inclusivity - Research and inclusivity are at the core of Guru Nanak Dev University's mission. Prof. Karamjeet Singh highlighted the establishment of a research fund to provide 100 Ph.D. fellowships, each offering Rs. 8,000 per month, to support doctoral scholars in pursuing groundbreaking work. "This initiative is about nurturing talent and driving innovation that benefits society,". The university's research output has seen remarkable growth, with a rise in its h-index from 62 in 2017 to 157 in 2025, and an increase in Scopus-indexed publications, from 5,218 to 11,331 to date. This success is attributed to investments in state-of-the-art facilities, a robust research ecosystem, and strategic international collaborations.

Ranking - Guru Nanak Dev University continues to mark its academic and institutional excellence in 2024–25, achieving significant milestones in national and global rankings, while strengthening its focus on quality education and research. Guru Nanak Dev University has recorded outstanding performance across several prestigious ranking platforms in 2024–25. GNDU achieved its highest-ever ranking, securing 11th place among the top general government universities in India. This remarkable rise reflects the university's unwavering pursuit of excellence in education, research, and holistic development in alignment with NEP 2020. GNDU was ranked 29th under the "India

Government Multidisciplinary Universities" category, with a commendable total score of 894. In the *EduRank* global evaluation, GNDU demonstrated academic strength by ranking: #44 in India, #2106 globally and Top 50% in 113 research topics. Key highlights of the *EduRank* metrics include: 14,397 academic publications, 266,887 citations, Strong performance in areas such as Toxicology, Nutrition and Food Science, and Pharmacy, Notable Alumni Impact and Non-Academic Prominence scores. In the THE WEEK–Hansa Research Best University Survey 2025 GNDU improved its national ranking to 12th among multidisciplinary universities (All India) and retained its position in the state and regional zones: 8th in Punjab, 7th in the North Zone, IIRF University Rankings 2025. In a testament to its athletic infrastructure and legacy, GNDU secured the 20th position under the category of Sports Universities in India. It has already achieved an impressive 3.85 NAAC score, the highest among public, private, and central universities in India. Recognized as a "Category One" university by the UGC and designated as a university with potential for excellence, GNDU's reputation is further solidified. It also ranks among the top ten "High Performing State Public Universities" in India, as per the MHRD.

MoU- MoU with Samarkand State University, Uzbekistan, which will facilitate joint research and faculty-student exchange programs. In a heartwarming gesture, Samarkand University will dedicate a week to celebrating Guru Nanak Dev Ji, reflecting shared cultural values. GNDU has invited their Rector and senior officials for the upcoming academic session, with plans to send its faculty to Samarkand in September 2025. Apart from this, recognizing the mutual benefits to be gained through a cooperative programme, promoting research and international understanding, the University and the Olds College of Agriculture & Technology, Canada, signed a memorandum of understanding (MoU) and H.E. Dr Thierry Mathou, Ambassador of France to India, embarked on a notable visit to Guru Nanak Dev University with the purpose of reinforcing academic collaboration between India and France.

Sports - Guru Nanak Dev University has showcased outstanding achievements in the field of sports at national and international levels during the 2024–2025 session. The university's athletes have participated and excelled in numerous prestigious competitions. Ms. Sift Kaur Samra, student of Guru Nanak Dev University, achieved a bronze medal in the Women's 50M Rifle 3 Positions at the ISSF World Cup held in Munich, Germany. She scored 453.1 in the final, with Norway's Jeanette Hegg Duestad winning gold (466.9) and Switzerland's Emely Jaeggi taking silver (464.8). Sift Kaur, known for holding the world record in the Women's 50M Rifle 3 Positions from the 2022 Asian Games, demonstrated her prowess in Munich. She scored 453.1 in the final, securing the bronze medal. In shooting, three GNDU shooters represented India at the World Cup Shooting Championship in Munich (May 2024), while two competed at the Olympic Games in France and two secured silver medals at the World University Championships. Additional participations included the Senior Asian Championship and several fencing events such as the FIE Foil Women's Satellite Tournament in New Delhi, Asian Fencing Championship in Kuwait, and the Cadet and Commonwealth Fencing Championships. GNDU cyclists also made their mark, winning a gold medal in the team sprint at the 2024 Asian Championship, and participating in events like the World Championships in Copenhagen and the Asian Road and Track Cycling Championships. At the World University Shooting Championship held in New Delhi, GNDU athletes won multiple medals:

Aishwarya Pratap Singh Tomar claimed three golds and one silver, Sift Kaur Samra won silver, Amit Sharma took two golds, Harmehar S. Lally and Adriyan Karmakar won golds, and Neeru secured bronze. GNDU contributed significantly to India's total tally of 24 medals (9 gold, 9 silver, 6 bronze), with GNDU athletes accounting for 7 golds, 2 silvers, and 1 bronze. In the All-India Inter-University Championships (2024–2025), GNDU teams delivered top-tier performances, winning gold in disciplines such as track cycling (men and women), judo, taekwondo, and fencing for both men and women. The university also excelled in shooting, football, canoeing & kayaking, basketball, and volleyball. At the *Khelo India* University Games, held in the Northeastern states, GNDU further demonstrated its athletic excellence by securing 12 gold, 20 silver, and 19 bronze medals. Notable performances included gold medals in fencing (men and women), weightlifting, and shooting (men), as well as silver medals in archery, football, judo, wrestling, and shooting (women). These remarkable accomplishments underscore GNDU's dedication to excellence in sports and its role as a leading institution in nurturing world-class athletes. In a unparallel history, Guru Nanak Dev University won the prestigious MAKA Trophy for overall excellence a record 25 times.

Embracing digital advancements, the University has taken significant steps towards digitization. Its automated and digitized Bhai Gurdas Library offers e-books/e-journals, digital lounges, and RFID systems for efficient management. Additionally, the installation of HOTSPOTS across campus ensures high-speed internet access. The university has also introduced an e-office system, making file movement paperless. The availability of online lectures through recording studios enhances accessibility to education. Furthermore, GNDU has taken proactive steps towards engaging with stakeholders through social media platforms while providing IT solutions to both internal users and the general public.

The Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) at Guru Nanak Dev University has emerged as a dynamic hub for nurturing innovation and startups in Punjab. From organizing impactful workshops on robotics, AI, CAD, and intellectual property to hosting high-level sessions with startup mentors and international dignitaries, GJCEI has empowered over 40 startups through hands-on support and mentorship. The Centre has focused on women-led enterprises, social entrepreneurship, and skill development among marginalized communities. Recognition of GJCEI-incubated startups at events like Future Tycoons and honors on Independence Day further underline its role in fostering a vibrant entrepreneurial ecosystem aligned with modern industry needs and societal growth.

The University has established the Directorate of Open & Distance Learning (ODL) in its Main Campus with a vision to provide quality education to all, surpassing socio-economic and time/age barriers. The Directorate has been granted permission by the Distance Education Bureau, UGC, New Delhi to offer courses under the ODL mode. Since then, the Directorate has successfully introduced various undergraduate and postgraduate courses. The University, through its Directorate of Online Studies conducts Programs & Courses leading to Bachelor's, Master's, Degree / Diploma, PG Diploma & Certificate or any other examination and certification, under different faculties of the University.

Intellectual Property Rights (IPR) Cell established at the University with the objectives to provide IPRs protection information, orientation and facilities to university researchers & scientists to guide & advise researchers on how to obtain & sustain patents, to facilitate routing of patent searchers to PIC, Punjab, to get necessary clearances, competent authorities while form filing Provisional and Complete specifications & technology transfer to organize various awareness, programmes in collaboration with PIC, Punjab in its campus and affiliated colleges.

Under Prof. Karamjeet Singh's leadership, Guru Nanak Dev University is charting a bold path toward becoming a global leader in higher education. Its innovative academic programs, robust research ecosystem, international collaborations, and state-of-the-art infrastructure are empowering students to dream big and achieve greatness. By staying true to its cultural roots and commitment to social good, GNDU is not just shaping the leaders of tomorrow but also creating a brighter, more inclusive future for all.

55th FOUNDATION DAY

The 55th Foundation Day of the Guru Nanak Dev University focused on practical implementations of the teachings of Sri Guru Nanak Dev Ji and the human approach to addressing global challenges. The main event featured academic lectures by three esteemed guests, Dr.Rajesh Gill, Dr.Ravinder Ravi and Dr.Amarjit Singh. The speakers highlighted Guru Nanak Dev Ji's teachings as a solution to the global problems faced by humanity. Academicians, scholars, students and eminent personalities participated in these celebrations and had Guru Ka Langar. Folklore exhibitions, Painting exhibitions and book exhibitions were organized in front of Bhai Gurdas Library and in the Gallery-History & Dreams at the University campus.

Dr. (Mrs.) Rajesh Gill, Professor (Retd.) Department of Sociology, Panjab University, Chandigarh; Dr. Ravi Ravinder, Professor, Department of Punjabi & Dean, Culture Council, University of Delhi, Delhi and Dr. Amarjit Singh, Director, Centre on Studies in Sri Guru Granth Sahib, Guru Nanak Dev University delivered academic lectures in the Guru Granth Sahib Auditorium of the University. While welcoming the eminent scholars, Prof. Palwinder Singh, Dean Academic Affairs presented the report about the development of the University since its inception. Prof. Shalini Behal, Professor Incharge (Examinations) presented vote of thanks. Prof. Dr. Karanjit Singh Kahlon conducted the proceedings. Prof. Palwinder Singh also honoured guest speakers with mementos on behalf of the University. On this occasion a large number of dignitaries, employees and students were present.

Dr. (Mrs.) Rajesh Gill in her academic lecture said that she feels honoured to be a part of the 55th Foundation Day Celebrations of this prestigious University, especially because we are also celebrating 555th Birth Anniversary of Guru Nanak Dev Ji, from whom the University draws its name. She said that she has been a great admirer of Guru Nanak Dev ji, who was the most modern, secular and rational thinker in history. Astonishingly, Guru Nanak was far ahead of us even in the 15th century, when he underlined the importance of equality, respect for women, meaninglessness of ritualism and superstitions. We, even in the 21st century, have not been able to get rid of casteism, gender inequality, corruption and ritualism.

Dr. Gill said that we should examine that where we stand today vis-à-vis the teachings of Baba Nanak, particularly in reference to the values of equality, rationality and secularism, which are often considered as the natural outcome of scientific temper, modernity and technological development. She said that it has become fashionable these days to circulate messages and videos on social media, celebrating high moral values, social inclusion, love for the downtrodden and poor, etc., while sitting in insulated spaces with lots of social distancing, a gift of COVID-19 to us, engrossed with self and the smart phones. Practically, however, she said that, the world today is even more unequal, with ever increasing gulf between the powerful and powerless. We, the so-called followers of Baba Nanak, completely defying his teachings, have accepted corruption as a way of life. In the modern world, giving and taking bribe has also advanced, as our young children before they are adults, learn how to give bribe and get the work done. Corruption is the 'New-Normal', that is not to be questioned, as a person's social status is measured in terms of only and only money, he/she has, she added.

While we struggle today to preserve environment and nature, she said that, Guru Nanak has stated more than 500 years ago *'Pawan guru pani pita, matadharatmahat'* Did we ever follow Baba Nanak and treat 'pawan' – 'air' as 'guru', 'water' as 'father', and 'zameen' as 'mother'? The idea of 'universal harmony' is so well reflected through the words *'Gagan main thaal ravi chand dipak bane*

taarka mandal janak moti'. However, we have exploited nature to such an extent that many parts of the world are today gasping for clean water and air.

She said that we should turn towards the society, which we claim to have evolved with modernization, urbanization, technological development into a secular, democratic and inclusive society, where only those illiterate, orthodox and uncivilized believe in inequalities among humans. Rejecting the notion of irreversible caste status, Guru Nanak has said: *'Fakkar jati fakkar naao, sabna jiya nikka chhao'* arguing that an individual could achieve a higher status by practicing righteous behavior, irrespective of caste. '*Jaat ka garab na kariyo koi, Brahmbinde so Brahman hoi'*. Let us do the social audit.

We as teachers in higher education institutions have great responsibility to help the young minds develop new meanings of 'life', 'success' and 'happiness', and help evolve a world, that is more inclusive in the real sense, where religion brings people closer rather than pulling them away from each other and where the powerful remain humble to those in destitution.

While talking about Punjabi Culture and Heritage: Past Heritage to Present Dr. Ravi said that Punjabi culture is rich due the legacy of teachings of Sri Guru Nanak Dev ji which are Love, Dialogue, Fearlessness, Liberal, Universal Brotherhood, Rejection of Caste System, Importance of Spiritual Growth, Hardwork, Honesty which are still relevant after 555 years. But the challenges faced by Punjabi culture today are numerous – Showoff, radicalization, extremism, migration, casteism and the decline of traditional values. He also discussed the various challenges and explored the ways to address them. He emphasized the importance of education, adaptation, and innovation in preserving and promoting Punjabi culture. While concluding his lecture he highlighted the significance of Punjabi culture in promoting social cohesion and national integration. He brought fore the importance of education in promoting the ideals of Guru Nanak. He also emphasized upon the need to preserve and promote this rich cultural heritage for future generations.

Dr. Amarjit Singh eloquently underscored the timeless relevance of Guru Nanak Dev Ji's sacred Bani, as enshrined in the Sri Guru Granth Sahib. Emphasizing the Guru's profound wisdom, he noted that our world is a divine creation, serving as a canvas for spiritual growth and self-realization. Guru Sahib's universal message celebrates the Oneness of the Creator, transcending artificial boundaries and inspiring us to embody the selfless principle of 'sewa' (service). By shunning discrimination in all forms, we may walk the path of love, peace, devotion, and social justice, illuminated by the Guru's eternal teachings. As Dr. Singh poignantly remarked, Guru Nanak Sahib's profound legacy offers guidance to humanity, fostering global brotherhood and a message of love that transcends time and space.

The day-long celebrations began with the Bhog Sri Akhand Path at the University Gurdwara Sahib followed by Shabad Kirtan by Bhai Gurpreet Singh Noor, Hazoori Ragi, Sri Darbar Sahib. In the evening, special Kirtan Darbar at the University Gurdwara Sahib was organized followed by Langer. Deepmala was also organized on the prominent buildings of the University.

A Folklore exhibition was organized in which many colleges participated. Painting competitions was also organized as a part of these celebrations and the winners were honored. In Painting competition, Ms. Kritika Rajput of BBKDAV College Amritsar stood first while Mr. Jaswant Singh of Sai College of Education, Jandiala secured second position and Ms. Rajpreet Kaur BBKDAV College Amritsar bagged third position. Ms. Amisha of the BBKDAV college got consolation prize.

OFFICE OF CONTROLLER OF EXAMINATIONS

The Examination Wing of Guru Nanak Dev University, Amritsar, functions under the supervision of the Controller of Examinations (COE) and is responsible for overseeing the comprehensive conduct of examinations across all academic divisions. This includes managing the entire examination process for programs offered at university campuses, constituent and affiliated colleges, Capacity Enhancement Institutes, and departments dedicated to Open Distance Learning and Online Studies. The wing ensures that examinations are carried out smoothly, transparently, and in accordance with university guidelines, while also handling post-examination procedures such as result processing, declaration, reappears, re-evaluation of answer scripts and coordination with digital platforms like the Digi locker and National Academic Depository (NAD). The Controller of Examinations also ensures that all the examination are conducted according to the schedule outlined in the academic calendar as specified by the university authorities. Additionally, guidelines issued by the UGC pertaining to the conduct of examination from time to time are also implemented and the required amendments in various ordinances are also taken care of.

Various activities undertaken by the Examination wing

- **Examination Branches:**

Examination-1	Deals with various classes under semester system including (B.A./B.Sc. Semester III, V and Undergraduate Professional classes) notifications, Handling student enquiries regarding RL cases & fees, change of subjects, change of examinations centres, DMC & Degree dispatch.
Examination- II	Deals with various classes under semester and annual system (B.A./B.Sc. Semester-I , B.Ed, M.Ed, BPED, MPED, Vocational courses, Certificate/Diploma course and all PG Degree Classes). Handling student enquiries regarding RL cases & fees, notifications, change of subjects, change of examinations centres, DMC & Degree dispatch.
Examination-III	Deals with various classes under Credit base system, Number based system, ODL Courses and Online courses. Handling student enquiries regarding RL cases & fees, notifications, change of subjects, change of examinations centre, DMC & Degree dispatch. File work of various Department.

Computer Section (Examinations)

Core Responsibilities of the Computer Centre

- Manages the online portal for colleges, University departments and private student admissions: http://collegeadmissions.gndu.ac.in/loginNew.aspx. Designs and develops software modules, applications for examination-related activities.
- Maintains and updates the student database. Handles online return systems for affiliated colleges.
- Processes and declares examination results. Uploads results, notifications, online DMCs, and gazettes to the university website.
- Prints DMCs, Degrees, and post-result notifications.
  - **Results Declared**

Session	University Campus	Colleges
Dec-2024	368	442
May-2025	278 (in process)	199 (in process)

Quality improvement strategies:

- **Digi Locker–NAD Integration**: University is live on Digi Locker; degree and DMC data are digitally accessible.
- **e-Sanad Portal Integration**: Enables online apostille and verification services for students applying abroad.
- **NEP-2020 Compliance**: DMCs and credit points for CBGES/CBES students are available on Digi Locker since 2021.
- **Consolidated DMC Issuance**: Consolidated DMC are issued after final semester.
- **Online Monitoring:** Real-time surveillance of examination centers in colleges.
- Online Applications: For Migration certificates, duplicate DMCs/Degrees, and correction of particulars.
- e-Transcript System: Digital transcript application and processing.
- Evaluation Tracking Module: Monitors evaluation progress, generates reports, and process payments.
- **Video Surveillance**: Implemented across evaluation centers for integrity and transparency.
- OMR Synchronization: Unique codification of courses and subject files for accurate result processing.
- Fast Result Declaration: Improved processing speed and minimized withheld results.
- To tackle the heavy usage band width, WEB space has been increased and server resources have been upgraded.
- E-Governance Implementation: Streamlined communication with departments, regional centers, affiliated colleges, and institutes.

DEPARTMENTAL PROFILE

AGRICULTURE

About the Department

The Department of Agriculture came into existence in the year 2019 and running B.Sc. (Hons.) Agriculture four-year Degree programme. In this programme Students are imparted theoretical and practical training in Crop production and Crop Protection. The students will be additionally trained in skill based avenues like floriculture, Apiculture and Mushroom production. The research activities of the Department focus on the thrust areas Natural Resources Management, Climate Change, Plant Tissue Culture, Plant Protection measures and Medicinal Crops. Department has ten acres land for research and teaching purposes which includes demonstration plots of various cereals, pulses, oilseed, horticulture and vegetable crop. Construction of protected structures for production and multiplication of exotic plants will soon be completed. In the department Different innovative techniques are being practiced for sustainability in agriculture. Sole motto of department is the betterment of farmer's society and to provide them with better knowledge of latest techniques of farming. Department is setting up plans to provide training to the students and farmers about unconventional agriculture for eco-friendly farming.

Bachelor of Management Studies in Agri Storage & Supply Chain (Under Logistic Skill Council of India)

The Department of Agriculture started the Bachelor of Management Studies in Agri Storage & Supply Chain (Under Logistic Skill Council of India) programme in 2022. The programme is designed to impart knowledge, skill, and attitude development to students in Agri storage and supply chain in logistics. This Apprenticeship-based UG degree program is one of its kind and is running in collaboration with the Logistics Sector Skill Council, established by the Ministry of Skill Development and Entrepreneurship (MSDE) through the National Skill Development Corporation of India (NSDC). The course aims to create an adequate skill for gainful employment in agri logistics sector.

UG Programme in Dietetics & Nutrition

The Centre for Agricultural Research & Innovation (CARI) has been established under RUSA 2.0. Under CARI, a division of Dietetics & Nutrition has been set up. The division offers four year undergraduate programme in Dietetics & Nutrition. The basic objective of these courses are to give extensive theoretical and practical knowledge of therapeutic, pediatric, geriatric, enteral, parental, community and sports nutrition. The division encourage the institutional training for better practical knowledge and employability. The division has well equipped nutrition lab, biochemistry lab and diet clinic. The course offered opportunity for students to get absorbed in hospitals, food industries, Govt. institutions, NGOs, diet clinics.

M.Sc. (Sports Nutrition)

The programme will also enable students to get right kind of skill set to be absorbed in different organizations and industries. Division of Dietetics & Nutrition has been set up in Centre for Agricultural Research and Innovation (CARI) under Central Government Sponsored Scheme RUSA 2.0.

M.Sc Sports Nutrition (2 Year Full Time/4 Semesters Master Degree Programme) has successfully been running since July 2018 and is also supported by Ministry of Youth Affairs & Sports, Government of India. Students are being given advanced conceptual knowledge of Basic Nutrition; Sports Nutrition; Therapeutic Nutrition & Dietetics in the Department along with wide practical expertise. During the programme, students are also given In-House trainings (Department; GNDU Health Centre; along with Sports Teams/Players) Internships from National level institutions like Sports Authority of India and other reputed Health Institutes.

Students after successfully completing this Master Degree Programme are getting placements in related leading Nutrition Companies such as Fitelo; Qua Nutrition; HealthifyMe; top Hospitals; Top Nutraceuticals companies; reputed Diet Clinics etc besides going for higher studies and Entrepreneurship opportunities.

P.G. Diploma Artificial Intelligence in Agriculture

The Centre for Agricultural Research and Innovation (CARI) has started one year P.G. Diploma Artificial Intelligence in Agriculture in the department of Agriculture, Guru Nanak Dev University, Amritsar from Academic Session 2022-23. This programme aims to develop a skill set among the students to tackle the issues related to food security and sustainable agriculture. Growing population, shrinking cultivable land, biotic and abiotic stress, climate change, excessive use of synthetic fertilizers, pesticides and scarcity of groundwater etc. are creating new challenges for the global agricultural research system. In this fast-changing scenario world over, there is a need for new-age technologies and practices that could increase agricultural productivity at various levels of the supply chain. In this situation, Artificial Intelligence-driven technologies could be a game-changer.

In the light of above facts, P.G. Diploma Artificial Intelligence in Agriculture will enable the students to exploit the potential of IT and data science in the field of agriculture helping towards the goals of food security using precision agriculture.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr.Amarinder Singh Riar	Assistant Professor	Ph.D	Agronomy
2.	Ms. Sunaiana	Assistant Professor	M.Sc.	Horticulture
3.	Dr. Saurabh Pandey	Assistant Professor	Ph.D	Plant Pathology (Plant Virology
4.	Dr. Satinder Kaur	Assistant Professor	Ph.D	Agrometerology
5.	Dr. Ravneet Sandhu	Assistant Professor	Ph.D	Sports Nutrition

APPAREL AND TEXTILE TECHNOLOGY

About the Department

The department of Apparel and Textile Technology was established in 1995 with the name Department of Textile Chemistry which was renamed as Department of Applied Chemical Sciences and Technology in 1997. The department of ACST got merged with Department of chemistry. In 2022, once again department got its own recognition and established with the name Apparel and Textile Technology. The main objective of the department is to promote skill-based programmes and produce technically qualified human resource in the field of fashion designing as well as in Textile Processing Technology. To make an effort in academic excellence and provide skilled opportunities for aspiring students, M.Sc. Fashion Designing programme has been designed as per New Education Policy. Under this programme, students get exhaustive practical trainings in house as well as in different industry set ups such as buying houses, garment production houses like Vardhman Apparels, Eveline International, Jawandsons etc. ; retail supply chains like Decathalon, Shopper's Stop, Kapson's Lifestyle etc. and Merchandising in Global brands like GAP, Blackberry, Reebok, Nike etc. and also in top leading export houses of India like Shahi Exports, Gokuldas, Arvind Mills, Texport etc.. The research activities of the Department embrace versatility and focus on Textile Wet Processing of Natural as well as Synthetic Fibres/Fabrics, Dyeing and Finishing of textiles using Eco friendly Materials, Microbe Resistant textiles and Functional Clothing, Interdisciplinary areas of Surface Functionalization, Pre-treatment Technology, Textile Dyeing, Textile Printing, Textile Finishing and Garment Processing. The major thrust area of the research work carried out in the department is related with Natural dyes, Sustainable fashion products and materials, green processing, Sustainable Technologies, Technical Textiles, Textile materials for electromagnetic shielding, Heat shielding fabric, antimicrobial biodegradable composite materials extracted from bast/plant fibers.

Past and Present: Department of Apparel and Textile technology, Guru Nanak Dev University, Amritsar, has once again demonstrated its commitment to academic excellence and career readiness, with a record number of students securing placements in top textile industries of India during the current academic year.

Major achievements in 2024-25 session

All the students of B.Tech. (Textile Processing Technology) passed out have been successfully recruited by industry leaders such as Abhishek Group of Industries Ltd (Trident), Arvind Mills, Ahmedabad, Welspun Ltd., Baddi, Industries from Ludhiana like Arti International pvt. Ltd., Sharman Industries, Prem Dyes and Fine Lines, Export House, Noida. The highest package offered to three students (Prince Kumar, Amritpal Singh and Khushant) is Rs. 12 lakhs per annum, while the average package stood at Rs. 6.16 lakhs.

			
Prince Kumar	Khushant	Amritpal Singh	Nishu Sharma

All the students of M.Sc. fashion Designing 1st year have got selected as Interns for one month in top export houses and garment production houses of India such as Texport Bengaluru, Shahi Exports Bengaluru, Shahi Exports Faridabad, Vardhman Apparels Ludhiana, Eveline International Ludhiana, Pem Pro Faridabad, OCM Amritsar, Jawandsons Ludhiana.

Events Held:

1. M. Sc. (FYIC) Fashion Designing (I and III semester) and M.Sc. Fashion Designing (Two years) students of the department participated in Fashion show organised by CT group Navya Kriti Inter College on 27th September 2024.

2. The Minister of State of Textiles, Govt. of India Mr. Pabitra Margherita visited the department on 12th and 13th October 2024.

3. Department of Apparel and Textile Technology organized a skill presentation event, "Vastra Mahaostav 2025" at Dashmesh Auditorium on 4/04/2025. The main objective of the event was to explore the innovative ideas of our departmental emerging Fashion Designers students and provide them a platform to show their skills. They designed and prepared the dresses on their own in the labs with novelty. Total 14 themes were prepared with very unique and creative names like Vitiligo, Elements of Earth, Gothic, Victorian era, Egyptian etc. The interesting part of the event was participation of university students and faculty children as models.

4. The department had organised Technical Textile Conference with the collaboration of CII on 28th April 2025. Prominent industrialists from Punjab and Delhi participated and together explored the latest advancement, innovations and market opportunities in the technical textiles sector.

5. Mr. Naval, Expert in Tribal Art in Textiles visited the department and explored the opportunities of indulging fashion designing students in tribal art in textiles.

Future Plans of the Department

The department is planning to organise two days workshop in tribal art in textiles sector. The objective of the workshop will be to make the students acquainted with the tribal art and how to approach the tribal society, learn their art and link their art to the market. The department is also planning to open a four-year new undergraduate degree course related with designing in textiles.

Faculty Details:

Regular Faculty:

1. Dr. Varinder Kaur, Professor
2. Dr. Parambir Singh Malhi, Assistant Professor
3. Dr. Sachin Kumar, Assistant Professor

Contractual Faculty:

1. Mrs. Niti Anand (2024-25)

Part Time Faculty:

1. Mrs. Anjana
2. Ms. Pooja Kansra
3. Mr. Veer Singh

Programmes and Students update:

S.no	Programmes	Student Updates
1.	B.Tech (Textile Processing Technology)	45
2.	M.Sc. Fashion Designing (FYIP)	100
3.	M.Sc. Fashion Designing (Two Year Programme)	20
4.	Ph.D. (Apparel & Textiles)	11

Best practices

1. Students of the department participated in Fashion show organised by CT group Navya Kriti Inter College on 27th September 2024.
2. The Minister of State of Textiles, Govt. of India Mr. Pabitra Margherita visited the department on 12th and 13th October 2024.
3. Department of Apparel and Textile Technology organized a skill presentation event, "Vastra Mahaostav 2025" at Dashmesh Auditorium on 4/04/2025.
4. The department had organised Technical Textile Conference with the collaboration of CII on 28th April 2025.
5. Mr. Navaldeep, Expert in Tribal Art in Textiles visited the department and explored the opportunities of indulging fashion designing students in tribal art in textiles.

Any Other Information

Department is running Textile Industrial Service Centre through which it is catering the needs of the Textile Industry. Centre is providing Textile Testing facility for the textile industry.

****

ARCHITECTURE:

About the Department

The Department of Architecture was established in the year 1986 and was the first institute in Punjab to start the five years integrated Bachelor of Architecture degree course. Over the years, the department has evolved into a leading institution in the region by virtue of having excellent human resources as well as technical infrastructure. With academics as its main intent, the department has also leapfrogged in the areas of research and consultancy in the last few years by securing research projects and providing architectural consultancy to State/Central Government and our own institute for various projects. The broad areas of research include inclusive development, sustainable and best management practices, architectural trends, housing etc.

The mission of the department is to develop a holistic vision of the students towards various issues of physical environment by evolving an integrated design approach incorporating the understanding of different disciplines that come together in conceptualization of creative ideas. From time to time, the syllabi and scheme of courses are exhaustively reviewed and revised in the light of national/international professional needs and trends. The department is also running Ph.D programme in Architecture. The students of the department actively participate and achieve positions in various national level competitions. The Alumni of the department are doing well in Teaching and Architectural field at National and International Level and have brought laurels to the department.

6.	Ar. Rachan Puneet Singh	30/09/2024	M.Arch. (Architectural Conservation)	Part Time
7.	Mahima Kapur	01/08/2024	M.Plan. (Urban)	Part Time
8.	Aditya George Desa	24/07/2024	M.F.A	Part Time

Best Practices & Innovations

The Department has adopted various innovative processes to enhance the learning capacity of the students. To meet the world's challenges, the curriculum is regularly updated while making the students important contributors. ICT has become an integral part of the University system for the online depositing of fees, and declaration of results to the conducting of day-to-day classes. The University has also initiated the processes to develop "Smart Classes" on campus. The regular curriculum design and its development involving various stakeholders including students, industrialists etc. has become a regular part of the University system. Practical training across disciplines is emphasized in the University and its constituent colleges. Learning is facilitated and improved through creative teaching methods in the classroom. An iterative approach that helps teachers promote learning to support student growth is adopted for classroom teaching.

1. Students are taught according to their unique needs regarding what, when, and how. Teachers adapt to the talents of each student to help them succeed rather than utilizing a single technique or plan to teach the entire class.
2. Project-Based Education- Students are required to identify real-world problems and then devise a solution as part of project-based learning assignments. Research, critical thinking, problem-solving, and cooperation are just a few of the specific, transferable abilities that project-based learning is centered on. Students build competence via the application of their knowledge rather than mere memorization in this active method of learning.
3. Instead of thinking creatively, students frequently rely too heavily on finding the one correct answer in their textbooks. They might start to think that there are only appropriate and inappropriate reactions. The majority of queries, however, lack a clear-cut answer.
4. Flipping the Classroom Around- This approach substitutes time in the classroom for research, application, and assessment to connect students and their needs. Students study material outside class through reading, watching brief recorded video lectures, or completing research assignments. As part of active learning, teachers use class time to help students go through the material in groups or individually, emphasizing reasoning and problem-solving techniques.
5. Onsite Classes of the subjects like Building Construction and hands-on learning in Workshops
6. Casting 3-D parametric models using the 3-D printer and other simulation based on analytical software.

BIOTECHNOLOGY

About the Department

The Department of Biotechnology at Guru Nanak Dev University, Amritsar in Punjab (www.biotechgndu.com) has contributed significantly in imparting high-quality teaching and training in the field of Biotechnology since its inception in the year 1991. Due to substantial support of the University and DBT, GoI, the Department has established with modern labs and has emerged as a reputed national centre of learning and research in Biotechnology. Faculty members of the Department are highly qualified, specialized in diverse areas and are recognized nationally and internationally. Moreover, faculty members are actively engaged in conducting extramural R&D projects funded by reputed national agencies like DBT, DST-ANRF, ICMR, etc. Overall, the Department is established in the campus of premier University of the Country (Accredited by NAAC WITH AN "A++" Grade and a CGPA of 3.85/4.00-the highest rating awarded. "University with Potential for Excellence" status Conferred by UGC, India; www.gndu.ac.in) takes the leverage of its highly qualified faculties, advanced teaching and research infrastructure with sound national as well as international collaborations in building technically competent manpower in the field of Biotechnology. The continuous financial support from DBT, GOI for Post Graduate programme (M.Sc. Biotechnology) enable the department to further capitalize on its strength and generate skilled human resources for catalyzing the bio-economy of the country.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr. P.K. Pati	Professor	Ph.D.	Plant Tissue Culture & Genetic manipulation
2.	Dr. P.C. Mishra	Associate Prof.	Ph.D.	Bioinformatics & Structural Biology
3.	Dr. Aditya Sunkaria	Assistant Prof.	Ph.D.	Molecular and Cognitive Neuroscience
4.	Dr. Meenu Hans	Assistant Prof.	Ph.D.	Bioenergy / Biorefinery

Details of Part-Time Teachers Academic Year 2024-25

S.No.	Name of Teacher	Date of Birth	Date of Joining	Qualification
1	Dr .Rajan Sharma	02-04-1986	12-08-2024	Ph.D.

Best Practices & Innovations

The Department of Biotechnology is actively engaged in interdisciplinary research across four core thrust areas: Medical Biotechnology**,** Plant Biotechnology**,** Microbial Biotechnology**,** and Structural

and Computational Biology**.** Each area supports the Department's mission to address critical challenges in health, agriculture, environment, and bioinformatics through innovative and application-driven research.

Achievements:.

Name and Batch of Alumnus	Achievements
Dr.Narendra Wajapeyee	Professor and Vice Chair, Department of Biochemistry and Molecular Genetics, University of Albama, USA
Dr. Shailesh Dewasthaly	VP, Global Head of Regulatory Affairs Intercell Vienna Austria
Dr. P.K. Singh (FNA)	Senior Principal Scientist, CSIR, NBRI, Lucknow
Dr.Subhadeep Chatterjee Shanti Swarup Bhatnagar Award	Group Leader, CDFD, Hyderabad
Dr. Rupinder Kaur	Group Leader, CDFD, Hyderabad
Dr. Ranjana Pathania	Professor, Department of Biosciences and Bioengineering, IIT, Roorkee
Dr. ShubhaVij	Senior Manager, Conexus (Sustainable Aquaculture Technology Centre), Singapore
Dr. Gopal Jee Jha INSA Young Scientist	Staff Scientist-V, NIPGR, New Delhi
Dr. Santosh Chauhan	Senior Principal Scientist, CCMB, Hyderabad
Ms. Ruchia Duggal	Senior Scientist, Merck, Boston, USA
Dr. Rachna Chaba	Associate Professor, IISER, Mohali
Dr. Rajender Singh	Principal Scientist, CSIR-CDRI, Luckhnow
Dr. Mrinal Srivastava	Reader, Tata Institute of Fundamental Research, Hyderabad

BOTANICAL AND ENVIRONMENTAL SCIENCES

About the Department

Department of Botanical and Environmental Sciences came into existence in the year 1990 and is recognized by Department of Science & Technology (DST), Govt. of India under DST-FIST (Level-1) and University Grants Commission (UGC), New Delhi under DRS-I programme. The Department has Botanical Garden (25 acres) formlysupportedby Ministry of Environment, Forests & Climate Change under Assistance to Botanic Gardens. The research activities of the Department focus on the thrust areas of Botany (Plant Taxonomy and Evolutionary biology, Caner chemoprevention using natural plant products, Anti-genotoxicity, Plant Tissue Culture, Plant Physiology, Biodiversity, Vermitechnology, Plant Databases) and Environmental Sciences (Water, Air & Soil Pollution Monitoring, Biological Wastewater Treatment, Computer Applications in Ecology, Sanitary Engineering and Environmental Toxicology). Several faculty members have exposure to foreign research laboratories like USA, UK and Japan under DST-BOYSCAST, DBT-CREST, DAAD Germany etc. Presently, 48 research scholars are pursuing their Ph.D. in the Department.

Pedagogical practices are designed to provide experiential learning and include summer internships, Research project work, guest lectures, interactive sessions, seminars, and hands-on training in research techniques. Students are also encouraged and supported to develop and use computer-based tools and software for research and teaching purposes. The department actively promotes community engagement through initiatives such as environmental awareness campaigns, Shramdaan camp on campus, Vanmahotsav celebrations, field visits, and industrial tours organized regularly.

Details of Permanent Faculty

S. No.	No. Name	Designation	Qualification	Specialization
1	Dr. Satwinderjeet Kaur	Professor	M.Sc., Ph.D.	Plant Sciences, Natural Plant Products, Genetic Toxicology, Cancer Chemoprevention using Medicinal Plants.
2	Dr. Adarsh Pal Vig	Professor	M.Sc., Ph.D.	Vermitechnology,Waste Management and Bioactivities of Glucosinolates
3	Dr. Manpreet Singh Bhatti	Professor	B.E. (Civil), M.E. (Environ. Engg.), Ph.D.	Environmental Engineering, Ambient Air Quality, Wastewater Treatment
4	Dr. Jatinder Kaur	Professor	M.Sc., Ph.D.	Environmental Pollution Monitoring and Remediation
5	Dr. Rajinder Kaur	Professor	M.Sc., Ph.D.	Monitoring and Analysis of Emerging Environmental Pollutants, Pond Ecology and Environmental Microbiology
6	Dr. Astha Bhatia	Assistant Professor	M.Sc., Ph.D.	Phytopharmacology, Phytochemistry, Ethnobotany

S. No.	No. Name	Designation	Qualification	Specialization
7	Dr. Nitika Kapoor	Assistant Professor	M.Sc., Ph.D.	Plant Stress Physiology and Biochemistry, Bioremediation, Biochar
8	Dr. Mayank Dhar Dwivedi	Assistant Professor	M.Sc., Ph.D.	Plant systematics, Evolution and Biogeography of flowering plants

Details of Contractual and Part Time Teacher (Academic year 2024-25).

S.No.	Name of Teacher	Qualification
1	Dr. Kirandeep Dhami	M.Sc., Ph.D.
2	Dr. Kritika Pandit	M.Sc., Ph.D.
3	Dr. Mehak Taneja	M.Sc., Ph.D.

Programmes & Students updates

Programmes by the Department (Academic year 2024-25)

1. The Degree Programmes offered under Five Years Integrated Programme (FYIP) in Botany after Senior Secondary Examination (10+2):
    - B.Sc. Botany (3 years duration)
    - B.Sc. (Honours with Research) Botany (4 years duration)
    - B.Sc. (Honours) Botany (4 years duration) • M.Sc. Botany (FYIP) (5 years duration)
2. The degree programmes offered under 2 years P.G. Programme in Botany after 3 years of Bachelor's Degree:
    - P.G. Diploma in Botany (1-year duration)
    - M.Sc. Botany (2 years duration)
3. The Degree Programmes offered under 2 years P.G. Programme in Environmental Sciences after 3 years Bachelor's Degree:
    - P.G. Diploma in Environmental Sciences (1-year duration)
    - M.Sc. Environmental Sciences (2 years duration)

Details of the programs/seminars/conferences etc. conducted from 01.07.2024 - 30.06.2025

S. No.	Title of the Programme	Date	
		From	To
1	World Nature Conservation Day	31/07/24	-
2	Pledge Against Drug Abuse	12/08/24	-
3	Anti Ragging Day	13/08/24	-
4	Academic Lecture by Dr. Yutaka Matsumi (Prof. Emeritus, Nagoya University, Japan)	23/08/24	-
5	Sardarni Kuldip Kaur and Sardar Gurmukh Singh Memorial Young Scientist Award in Environmental Sciences	29/10/24	-
6	Sardarni Darshan Kaur and Sardar Ram Singh Memorial Young Scientist Award in Plant Sciences	29/10/24	-
7	Prof. I.S. Grover Memorial Lectureship Award	13/11/24	-

4.	**General Flora of GNDU Campus**	**Punjab**	**200**

BEST PRACTICES & INNOVATIONS

Best Practices for the Department

1. Curriculum Enhancement & Industry Relevance

- Dynamic Curriculum Review: Establish an academic board with internal and external experts (academicians, researchers, industry professionals) to review and revise curriculum every 2-3 years.
- Increased Interdisciplinary Integration: Encourage integration with environment sciences, biotechnology, bioinformatics, and data science for a broader academic base.
- Skill-based Certification Programs: Offer short-term certifications alongside degrees (e.g., GIS in Ecology, Plant DNA Barcoding, Pollution Monitoring Techniques).

2. Research and Innovation Culture

- Undergraduate Research Promotion: Encourage mini-research projects starting from the second or third year of the Integrated Programme to build early research acumen.
- Annual Research Symposium: Organize departmental conferences or symposia to showcase students' fourth and fifth-year research work.

- Seed Grants for Student Research: Institutionalize intramural research funding for small research projects led by students under faculty mentorship.

3. Practical and Experiential Learning

- Field-Based Learning Modules: Include mandatory field trips to forests, biodiversity parks, wetlands, industrial sites, and research labs to enhance field competency.
- Live Industry Projects: Collaborate with agriculture, forest, biotech companies, and pollution control boards for real-life problem-solving projects.
- Virtual Labs and Simulations: Integrate digital platforms for plant physiology, molecular biology, and genetic simulations.

4. Modern Teaching-Learning Pedagogy

- Flipped Classroom & E-learning Modules: Leverage platforms like SWAYAM, Coursera, and NPTEL for additional content and hybrid learning.
- Collaborative Learning Platforms: Use learning management systems (e.g., Moodle, Google Classroom) for assignments, quizzes, and discussions.
- Workshops on Scientific Communication: Train students regularly in writing research papers, project proposals, and presenting posters or talks.

5. Internships and Industry Linkages

- MoUs with R&D Labs, Forest Departments, and Environmental Agencies: Facilitate structured internships, training, and placements.
- Compulsory Summer Internships: Department-tied internships in reputed botanical gardens, biodiversity boards, pharma/herbal companies, etc.
- Alumni Mentorship Program: Engage successful alumni as mentors to guide students toward academic and career advancement.

6. Assessment and Learning Outcome Monitoring

- Outcome-Based Education (OBE): Map all courses with clearly defined Course Outcomes (COs), Program Outcomes (POs), and Program Specific Outcomes (PSOs).
- Continuous Internal Assessment: Include regular evaluations such as presentations, project work, and field practice logs instead of relying solely on end-semester evaluation.
- Feedback Loop Systems: Regular collection and analysis of feedback from students, alumni, and industry stakeholders to improve academic quality.

Innovations for the Department

1. Establishment of a Centre for Plant and Environmental Biotechnology

- A specialized interdisciplinary research and training center focusing on:
    - Medicinal and aromatic plant research
    - Genetic conservation using in vitro techniques
    - Bioremediation and phytoremediation technologies

- Biofertilizer and organic farming innovations

2. Botanical Incubation Hub

- Encourage student and faculty startups in areas like:
  - Herbal product development
  - Micro-propagation units
  - Urban vertical gardening
  - Botanical-based eco-products (bio-plastics, green dyes)

3. AI and Bioinformatics Integration

- Projects integrating AI/ML in taxonomy, DNA sequence analysis, plant disease prediction, climate modeling in ecology through collaborative platforms and tools like PLANTPAN, KEGG, BLAST.

4. Developing a Digital Herbarium

- High-resolution imaging and metadata tagging of the departmental herbarium.
- Global access database for plant taxonomy and systematics research.
- Use of mobile apps for field data collection synced with herbarium records.

5. Eco-entrepreneurship Programs

- Develop an elective/skill course: *"Entrepreneurship in Botany"* to teach students business aspects of:
  - Sustainable agriculture
  - Organic food production
  - Conservation tourism
  - Waste management and composting technologies

6. Community Engagement and Outreach

- "Adopt a Village" botanical outreach — students assist in teaching sustainable farming practices, soil and water health.
- Conduct "Green Sundays": Monthly practical workshops for public and schools on composting, identifying medicinal plants, etc.
- Collaborate on biodiversity conservation awareness projects with Forest Departments.

7. Global Academic Partnering

- Student & Faculty Exchange Programs: With international institutions focusing on plant sciences.
- Joint Research Programs on climate-resilient crops, invasive species mapping, urban air purification via flora, etc.

8. Integration of National Goals

- Curriculum aligned with National Education Policy (NEP 2020), SDGs, and Swachh Bharat Abhiyan.
- Promote research focusing on *climate adaptation*, *pollution abatement*, and *sustainable agriculture* — in line with national missions like NMSHE and NMPSA.

****

CHEMISTRY

About Department of Chemistry

UGC's centre for advanced studies**.** The Department of Chemistry, established in 1971, has evolved into one of the premier chemistry research and education centers in India. Recognized by the UGC as a Center for Advanced Studies and twice supported by DST's prestigious FIST program, the department has built a strong reputation for academic excellence and innovative research. It offers comprehensive academic programs including a five-year integrated M.Sc., specialized two-year M.Sc. degrees in Chemistry and Applied Chemistry (Pharmaceuticals), and a rigorous Ph.D. program, all following an advanced credit-based semester system with continuous evaluation. The department's research encompasses both fundamental and applied chemistry, with particular strengths in supramolecular chemistry, synthetic organic/inorganic chemistry, materials science, medicinal chemistry, and theoretical chemistry. These research activities are significantly supported by major funding agencies including CSIR, SERB, UGC, DST, DAE, DRDO and DBT, reflecting the quality and relevance of the department's scientific contributions. Researchers have access to world-class instrumentation including 400/500 MHz NMR spectrometers, HPLC, advanced spectroscopic tools, thermal analyzers, high-resolution mass spectrometry, and surface characterization equipment like BET analyzer and SEM. The distinguished faculty includes fellows of national academies and recipients of prestigious research awards, many with international experience through postdoctoral fellowships or visiting scientist positions. Looking ahead, the department is pioneering innovative research directions such as applying artificial intelligence and machine learning to predict reaction mechanisms and transition states. Another key focus is the design of novel heterometallic catalysts combining 3d-transition metals with lanthanides to enable challenging chemical transformations like C-H activation and CO_2 reduction. These cutting-edge initiatives, combined with the department's strong foundation in traditional chemistry disciplines, position it at the forefront of chemical research and education in India, with growing international recognition.

CIVIL ENGINEERING

About the Department

Guru Nanak Dev University was established on November 24, 1969 to mark the birth Quincentenary of Sri Guru Nanak Dev Ji, the founder of Sikhism. The University upholds the teachings and values of the Guru, the apostle of universal brotherhood, truthfulness, non-violence, compassion, tolerance, harmony, humanity, who strictly observed moral and ethical values in daily life. The Department of Civil Engineering was established in 2014 at Regional Campus, Sathiala. It was shifted to the Main Campus of the University in 2019. The mission of Bachelor of Technology in Civil Engineering (B.Tech.) program at UIT, GNDU Amritsar is to prepare students for professional practice. To be prepared to practice as professionals, engineers must be able to act responsibly and ethically, understand their limits and the limits of the tools/softwares they use, communicate effectively, work well in teams amid the changing landscape of the field of civil engineering, and be able to pursue Graduate level education. Civil Engineers design and supervise large scale public work construction projects, such as roads, buildings, tunnels, dams, and bridges. They are responsible for gathering project requirements, testing and evaluating building sites and materials, and managing the overall building process from start to finish.

COMPUTATIONAL STATISTICS & DATA ANALYTICS

About the Department

The Department of Computational Statistics & Data Analytics was established in July 2020 at Guru Nanak Dev University inside the Maharaja Ranjit Singh Bhawan building. The Department is dedicated to fostering excellence in the dynamic and rapidly evolving field of Data Science. Our aim is to equip students with cutting-edge skills and knowledge, enabling them to interpret and utilize the vast streams of scientific, social, and financial data generated every second. We aim to be a vibrant research hub, promoting interdisciplinary collaboration and innovation in data analysis and utilization.

The Department currently offers two main academic tracks under the CSDA framework: the M.Sc. (Computational Statistics & Data Analytics) [Five-Year Integrated Programme] and the M.Sc. (Computational Statistics & Data Analytics) [Two-Year Programme]. These tracks are further structured into various exit and specialization points in accordance with the National Education Policy (NEP) 2020 guidelines, offering flexibility and multiple career paths to students. In addition, the curriculum emphasizes computational and analytical techniques that are essential in modern data science. Courses in statistical computing, optimization techniques, simulation, and programming with C++, R and Python ensure that students are proficient in both theory and practical implementation. Advanced topics like machine learning, data mining, and high-dimensional data analysis prepare students to work with complex data systems and algorithms. The programmes also include contemporary subjects in data science and emerging technologies such as big data analytics, deep learning, natural language processing (NLP), and Internet of Things (IoT) analytics. To support this learning students receive training in widely-used software and tools, including R, Python, MATLAB, SQL/NoSQL databases, Tableau, Power BI, Hadoop, and SPSS. These tools form the technological backbone of the program, ensuring that graduates are industry-ready and competent with current technologies.

In summary, the CSDA programs offered by the Department provide a rigorous, future-focused education designed to develop the next generation of data professionals. With a balance of theoretical depth, computational skill, and applied learning, graduates are well-equipped to succeed in dynamic roles such as Data Scientist, Machine Learning Engineer, Business Analyst, Data Engineer, and AI Researcher, among others. The flexible program design also enables students to enter or exit at various points with recognized qualifications, ensuring academic mobility and relevance in the evolving data-driven world.

Best Practices & Innovations

- Crossover Teaching is implemented in all the courses involving educators from different subjects collaborating to integrate content from multiple disciplines. This interdisciplinary approach aims to show the interconnectedness of different subjects and enhance the relevance of learning.
- Project-Based Learning centers around students completing projects that require them to apply their knowledge and skills to real-world challenges. PBL emphasizes hands-on, collaborative learning, fostering critical thinking and problem-solving skills.
- Establish partnerships with companies for internships through Placement Cell, guest lecturers to provide real-world exposure.
- Encourage students in online learning platforms like Swayam, IIT Spoken Tutorials etc. to stay updated with the latest technologies.
- Implement a mentorship program where senior students guide junior students, fostering a supportive learning environment through department CESS society.
- Integrate specialized courses and projects on AI, ML, IoT frameworks and Image Processing keeping pace with industry trends.

COMPUTER ENGINEERING AND TECHNOLOGY

About the Department

The Department of Computer Engineering and Technology was established on April 1, 2015 at Guru Nanak Dev University inside the Maharaja Ranjit Singh Bhawan building. The department is start functioning with as vision to create the most conducive environment for quality academic and research oriented undergraduate and postgraduate education in the field of Computer Engineering and to prepare the students for a globalized technological society and orient them towards serving the society. It is engaged in cutting edge research in the areas of Artificial Intelligence & Machine Learning, IoT, Wireless Sensor Networks, Cloud Computing, Data Sciences, Image Processing and Parallel Computing. Its mission is to expose the students to broad research experience and to empower the students with the required skills to solve the complex technological problems of modern society. The department is running B.Tech (CSE), B.Tech (CE), M.Tech. (CSE) and Ph.D. Programmes. Department has excellent placement records and many students of the department have been placed in the various National and International companies.

The department has well equipped research lab with latest computers and digital technologies, high end server and high-speed Internet established under RUSA 2.0, UGC 12th Plan and DST Purse. The department has dedicated research-oriented faculty as well as research scholars who have excellent publications in SCI indexed, Scopus Indexed as well as other reputed journals. The department has more than 800 publications in the International Journals and Conferences. The department has conducted workshops on AI, IOT, Cloud Computing, Big Data, Data Science using STATISTICA Tool and Research Application Programming using MATLAB, Computer Networks in collaboration with TCS, University of Jean Spain as well as Grid Analytics India Pvt. Ltd. Apart from this, department has conducted many webinars and workshops to enhance the research. Many National level Hackathon and Technical events have been organized under student chapter CESS.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr. Sandeep Sharma	Professor	PhD	Parallel Computing, IoT and WSN
2.	Dr. Amit Chhabra	Assistant Professor	PhD	Cloud Computing, Metaheuristics, Feature selection
3.	Dr. Anil Kumar	Assistant Professor	PhD	parallel computing, AI, Distributed Computing
4.	Dr. Satinder Kaur	Assistant Professor	PhD	Web Analytics, Software Engineering, Machine learning
5.	Dr. Prabhpreet Kaur	Assistant Professor	PhD	Medical Image Processing, Machine Learning, Deep Learning, AI
6.	Er. Sandeep Kaur	Assistant Professor	M.Tech (CSE)	Cloud computing, AI, machine learning, healthcare
7.	Dr. Kiranbir Kaur	Assistant Professor	PhD	Object Oriented Programming Languages and Cloud Computing
8.	Dr. Kamaljit Kaur	Assistant Professor	PhD	Machine Learning and Cloud Computing
9.	Dr. Hardeep Singh	Assistant Professor	PhD	Network Science, Graph Theory, and Complex Networks Analysis
10.	Dr. Satveer Kaur	Assistant Professor	PhD	Wireless Communications, MANETs, VANETs, WSN, Quantum Computing
11.	Dr. Amandeep Kaur	Assistant Professor	PhD	Healthcare Data Analytics, AI,Machine Learning

Best Practices & Innovations:-

- Under Project Based Learning Department has introduced Mini Project in the curriculum of B.Tech and M.Tech students
- Establish partnerships with companies for internships through Placement Cell, guest lectures to provide real-world exposure.
- Encourage students in online learning platforms like Swayam, IIT Spoken Tutorials etc. to stay updated with the latest technologies.
- Implement a mentorship program where senior students guide junior students, fostering a supportive learning environment through department CESS society.
- Integrate specialized courses and projects on AI, ML, IoT frameworks and Image Processing keeping pace with industry trends.

COMPUTER SCIENCE

About the Department

The Department of Computer Science at Guru Nanak Dev University, Amritsar is having well qualified and experienced team of faculty members including nine (6 permanent and 3 contract/part-time) faculty members with Ph.D. qualification. The Department is engaged in cutting edge research developments with SCI, SCIE, ESCI, Scopus publications as well as other reputed journals in the areas of Wireless Sensor Networks, Cloud Computing, Big Data, Data Sciences, Image Processing, Software Engineering and Parallel Computing. Currently there are 10 Ph.D. full-time research scholars and 14 Ph.D. Part-time research scholars working in respective/various research areas in the department. The department has dedicated research lab equipped with latest computers with high-speed Internet. This department is having updated industry-oriented curriculum along with massive technical exposure for MCA two year and five-year students.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr. K.S. Kahlon	Professor	Ph.D.	Networking, Distributed Computing
2.	Dr.Gurvinder Singh	Professor	Ph.D.	Parallel & Distributed Computing Data science
3.	Dr.Parminder Kaur	Associate Professor	Ph.D.	Component-Based Software Engineering, Open-Source Software Development
4.	Dr.Kuljit Kaur	Professor	Ph.D.	Open-Source software, Distributed Systems
5.	Dr.Jaswinder Singh	Assistant Professor	Ph.D.	Wireless Sensor Networks, Machine Learning
6.	Sandeep Waraich	Assistant Professor	MCA	Wireless Sensor Networks, Data Science

DEPARTMENT OF EDUCATION

About the Department

Department of Education was established in 2013 with an objective to produce quality teacher educators and researchers in the field of teacher education and is dedicated to providing exceptional leadership to 50 prestigious colleges of education. The main vision and mission of the department to develop professionally, competent, empowered, emancipated, employable and enlightened human teachers and ensuring to its youth a system of higher education that equip them with knowledge, skills and attitude in multidisciplinary environment for developing holistic personality befitted for employment. It envisions arming its youth with a purposeful education so that each one is capable of contributing productively and positively to the civic life, economic development, and social progress of the state as well as the nation.

It has successfully undertaken two significant research projects aimed at improving educational policy and practice in Punjab. The first project, titled "Study of Academic Achievement, Life Skills and Aspirations of Secondary School Students of Border and Non-Border Districts of Punjab State: Policy Perspectives for Developing Learning Outcomes," was sanctioned in 2018 with a grant of ₹ 7 lakhs, sponsored by the Indian Council of Social Science Research (ICSSR). The second project, "Impact of Pre-Schooling on Access, Equality and Equity of School Education in the State of Punjab," was sanctioned in 2023 with a grant of ₹ 6 lakhs for a six-month duration, and was sponsored by the State Council of Educational Research and Training (SCERT), Punjab. This study examined the influence of pre-school education on school readiness and equitable access to quality education, particularly among diverse socio-economic groups.

At Present, department of Education has approximately 770 students in 10 courses in various streams. And successfully guided 21 doctoral degrees in last three years and also supervised two Post-doctoral students and currently supervising 13 regular Research Scholars and 7 Part time scholars.

- **History of the Department**

The department houses the esteemed School of Education (SOE) as part of PMMMNMTT scheme initiated by the Ministry of Human Resources Development in New Delhi. The eleventh project approval board (PAB) meeting scheme PMMMNMTT approved School of Education for Guru Nanak Dev University with following centres vide letter F. no. 1-21/2018-PN. II GOI, MHRD, Department of Higher Education dated 1st August 2018.

- Centre for Pre-Service Teacher Education,
- Centre for Learning and Pedagogic Studies and
- Centre for Professional Development for Teacher Educators.

Under the three centres, we conducted a total of 33 programs from 2019 to 2021, out of which initially 12 programs and 1 Two days National Seminar on "Rethinking Education" were conducted in

offline mode and later during covid and after that we conducted it in online mode under which we conducted 20 programs. This scheme was withdrawn by MHRD, GOI on 31st March 2021, still we are continuing this scheme under sustainable mode and have conducted its under 9 programs from March 2023 till now and we are committed to conduct it further.

- **Present (Detail of the Courses)**

Department of Education is offering various courses at present. List of the following courses is as below:

Sr. No	Name of the Course	With effect from
1.	Ph.D.	2014 onwards
2.	M.Ed.	2016 onwards
3.	M.A Education	2014 onwards
4.	B.Ed. Special Education (MD)	2020 onwards
5.	B.Sc. ECCE	2021 onwards
6.	ITEP Courses (B.A. B.Ed, B.Sc. B.Ed. & B.Com. B.Ed.	2023 onwards
7.	Advanced Diploma in ECCE	2023 onwards
8.	Andragogical Practices for all Ph.D. Research Scholars	2023 onwards
9.	Human Values (Courses for all the Post Graduate students of GNDU)	2022 onwards
10.	B.A. B.Ed. in Special & inclusive Education Multiple Disability (ISITEP)	2025 onwards
11.	Multidisciplinary Courses in Education	2024 onwards

- **Future Plans:**

Guru Nanak Dev University, Amritsar (Punjab) has established the Directorate of Open & Distance Learning (ODL) in its Main Campus at Amritsar during the year 2018-19 with a vision to provide quality education to all, surpassing socio-economic and time/age barriers. This initiative aims to facilitate learners and academic aspirants in their skill development, higher education, and career advancement. By affecting to this initiative, Department of Education is planning two courses in distance mode for Special Educators, which will be implemented to next year.

a) Six Month Certificate course in Braille: It is designed to equip learners with essential skills in reading and writing Braille, enabling them to effectively support individuals with visual impairments. This course provides foundational knowledge of the Braille system, including Grade I and Grade II Braille, tactile reading techniques, and the use of Braille slates, styluses, and embossers. It is especially beneficial for special educators, caregivers, rehabilitation workers, and aspiring professionals in the field of visual impairment. By completing this course, participants become capable of promoting inclusive education, facilitating independent learning for visually impaired students, and contributing meaningfully to accessibility and empowerment in educational and community settings.

b) Six Month Certificate Course in Sign Language: It aims to develop effective communication skills for interacting with individuals who are deaf or hard of hearing. This course covers the basics of Indian Sign Language (ISL), including finger spelling, everyday vocabulary, grammar, facial expressions, and non-manual signals. It is ideal for special educators, teachers, parents, social workers, and anyone interested in promoting inclusive communication. By completing this course, participants gain the ability to bridge communication gaps, support inclusive education, and contribute to the social integration and empowerment of the hearing-impaired community.

Faculty Details: List of the Regular, Contractual and Part-Time faculty members with area of Specialization are as following:

- **Permanent/Regular Faculty:**

Sr. No.	Name	Designation	Qualification	Specialization
1	Dr. Deepa Sikand	Head and Dean Faculty	M.A. (Eng), M. A. (Psychology), M. Ed., NET (Education), Ph. D., Diploma in Early Childhood Care and Education, Certificate course in NLP	Educational Psychology, Child Education, Language Education
2	Dr. Amit Kauts	Professor	M.A. (Geog.), M. Ed., NET (Education, Ph.D.	Educational Research, Educational Technology, Social Sciences Education
3	Dr. Franky Rani	Assistant Professor	M.Sc. (Human Biology), M. Ed., NET (Education), Ph.D.	Educational Research, Science Education
4	Dr. Navdeep Kaur	Assistant Professor	M.Sc. (Chemistry), M. Ed., NET (Education), Ph. D.	Educational Technology, Science Education
5	Dr. Gagandeep Kaur	Assistant Professor	M.A. (Eng),M. Ed., NET (Education), Ph. D.	Inclusive Education, Language Education
6	Dr. Santosh Kumari	Assistant Professor	M.A. (Eng),M. Ed., NET (Education), Ph. D.	Educational Technology Guidance and Counselling Language Education
7.	Mr. Dhanush Adithiya J.	Assistant Professor	B. Ed. Special Education (Deaf Blind), M. Ed. (Special Education) (MD), M.A. (Eng), D. Ed. (Deaf Blind).	Multiple Disabilities CRR. No. A78349

- **Details of Contractual and Part-Time Teachers Academic Year 2024-25**

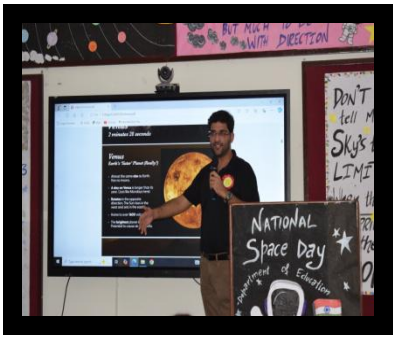

S. No.	Name of Teacher	Date of Birth	Date of Joining	Qualification
1.	Dr. Maninder Pal Singh	28.01.1985	17/7/2024	Ph.D. (2019)
2	Dr. Sakshi Chopra	08.04.1984	18/7/2024	Ph.D. (2024)
3	Dr. Jaspreet Saini	26-05-1984	18/7/2024	Ph.D. (Education)
4	Dr. Sharanjit Kaur	11/27/1986	16/7/2024	Ph.D.
5	Dr. Neha Chopra	27-05-2025	17/7/2024	Ph.D. in chemistry 2022
6	Dr. Jasvir Kaur	02-05-1989	19/7/2024	Ph.D., 2023
7	Amandeep Kaur	01-12-1994	17/7/2024	M.Ed., UGC-NET
8	Sarpreet Kaur	30-11-1998	17/7/2024	M.Sc. Mathematics (2021), B.Ed. Special Education (M.D.) (2023)
9	Varsha Arora	22-02-1991	17/7/2024	M.A(Economics), M.Ed., UGC NET (Education)
10	Sonal Mahajan	13-03-1988	19/7/2024	MSc. Zoology, M.Ed.
11	Ruchy Kaundal	07-06-1983	18/7/2024	UGC NET/ 2005
12	Jobanjeet Kaur	06-11-1987	22/7/2024	Ph.D. (2025)
13	Dr. Ramandeep Singh	18-05-1988	24/7/2024	Ph.D. (2023)
14	Dr. Varinder Singh	14-02-1991	24/7/2024	Ph.D. in Education (2024)
15	Rampal	10-12-1989	1/6/2024	M.Ed. Special Education
16	Mehak Mehra	28-5-1995	17/7/2024	M.Ed.

Details of the programs/seminars/conferences etc. conducted from 01.07.2024 - 30.06.2025

S. No.	Title of the Programme	Date	
		From	To
1	Interdisciplinary workshop on Climate change, Atmospheric pollution and environmental degradation: The Department of Education organized an interdisciplinary workshop on Climate Change, Atmospheric Pollution, and Environmental Degradation in collaboration with the Department of Geoinformatics (Z_GIS), University of Salzburg, Austria. Experts and students engaged in insightful discussions on environmental challenges and geospatial solutions. The workshop promoted global academic exchange and awareness of sustainable practices. It fostered critical thinking and interdisciplinary learning among participants.	17 February 2025	21February 2025

Best Practices and Innovations:

Various practices and innovations were performed by the department of Education in the year of 2024-25, which of the following as given below:

S. No	Name of the Activity/Programme	Date of Activity	Memories/Images
1	India's first National Space Day, themed *"Touching Lives While Touching the Moon"*, was proudly celebrated by the Department of Education which highlighting ISRO's monumental achievement with Chandrayaan-3. The event emphasized India's strides in space technology and its inspiring impact on education and youth. Activities showcased how space exploration fuels curiosity, scientific thinking, and national pride. The celebration aimed to motivate students to dream big and pursue careers in STEM fields.	2-29 August, 2024	
2	Orientation: The Department of Education conducted an orientation program for students enrolled in integrated courses, aiming to familiarize them with course structure, academic expectations, and support systems. Faculty members introduced key policies, teaching practices, and professional pathways. The session emphasized holistic development, interdisciplinary learning, and commitment to the teaching profession. Students were encouraged to actively engage in academic and co-curricular opportunities.	30th August 2024	

S. No	Name of the Activity/Programme	Date of Activity	Memories/Images
3	Teachers Day: The Department of Education celebrated Teachers' Day with great enthusiasm, honoring the invaluable role of educators in shaping society. Students organized cultural performances, speeches, and heartfelt tributes to express their gratitude. Faculty members were felicitated for their dedication and commitment. The event fostered a spirit of respect, inspiration, and academic camaraderie.	05th September 2024	
4	Diwali: Diwali was celebrated by department of Education with vibrant decorations, cultural performances, and a spirit of unity. Students and faculty came together to light diyas, share sweets, and promote the message of light over darkness. The celebration highlighted cultural values and fostered a sense of joy and togetherness. Eco-friendly practices were also encouraged during the festivities.	29th October 2024	
5	Departmental Derbay Cricket Match: The Department of Education conducted a spirited Departmental Derby Cricket Match to promote sportsmanship and team spirit. Students and faculty actively participated, showcasing enthusiasm and healthy competition. The event fostered camaraderie beyond academics and encouraged physical well-being. It concluded with cheers, trophies, and memorable moments.	5 November, 2024	
6	National Education Day: National Education Day was celebrated to honor the birth anniversary of Maulana Abul Kalam Azad, India's first Education Minister. The event highlighted his contributions to nation-building and the importance of inclusive education. Activities included speeches, essay competitions, and discussions on educational reforms. The celebration inspired students to value education as a tool for empowerment and progress.	11 November, 2024	
7	Science City (Field Visit): Students of the Department of Education visited Pushpa Gujral Science City, Kapurthala, for an enriching field trip focused on experiential learning. They explored interactive exhibits, science shows, and space galleries, enhancing their understanding of scientific concepts. The visit fostered curiosity, innovation, and hands-on engagement with STEM. It served as a valuable educational experience beyond the classroom.	14th November 2024	

S. No	Name of the Activity/Programme	Date of Activity	Memories/Images
8	Interdisciplinary workshop on Climate change, Atmospheric pollution and environmental degradation: The Department of Education organized an interdisciplinary workshop on Climate Change, Atmospheric Pollution, and Environmental Degradation in collaboration with the Department of Geoinformatics (Z_GIS), University of Salzburg, Austria. Experts and students engaged in insightful discussions on environmental challenges and geospatial solutions. The workshop promoted global academic exchange and awareness of sustainable practices. It fostered critical thinking and interdisciplinary learning among participants.	17 February 2025	
9	Launch of E-magazine "Mindful": The Department of Education launched its E-magazine *"Mindful"* in the esteemed presence of the Vice Chancellor and experts from the University of Salzburg, Austria. The magazine showcases creative and scholarly contributions from students and faculty, focusing on education, innovation, and well-being. The event highlighted the department's commitment to academic excellence and global collaboration. It inspired students to express their ideas through digital platforms.	17 February 2025	
10	A day of Fun and Fitness: *A Day of Fun and Fitness* was celebrated in department which helps to promote health, wellness, and teamwork among students. The event featured yoga sessions, sports activities, and recreational games that encouraged active participation. It emphasized the importance of physical well-being alongside academic growth. The day fostered energy, enthusiasm, and a strong sense of community.	28 March 2025	
11	Community Orientation: Department conducted a Community Orientation program for students of B.Sc. ECCE Sem-II and Advanced Diploma in ECCE Sem-II. The initiative aimed to connect theoretical knowledge with real-world early childhood settings. Students were sensitized to community needs, child development practices, and inclusive education approaches. The program emphasized experiential learning and social responsibility in early childhood care and education.	4 April 2025	

S. No	Name of the Activity/Programme	Date of Activity	Memories/Images
12	Internship (Special Schools): B.Ed. Special Education Students of the Department undertook internships in special schools to gain hands-on experience in inclusive and special needs education. The program provided exposure to diverse learning needs, teaching strategies, and individualized support. It enhanced students' empathy, professional skills, and understanding of inclusive pedagogies. The internship bridged theory with practice in real educational settings.	7th to 20th April, 2025	
13	Jashan 2025: *Jashan 2025* was celebrated with grandeur at GNDU, bringing together students from across the university in a vibrant cultural fest. The Department of Education actively participated in various events including dance, music, drama, and creative arts competitions. Students showcased their talents with enthusiasm and secured appreciation for their performances. The celebration fostered creativity, collaboration, and departmental pride within the festive spirit of GNDU. **Achievements of Students in Jashan** Fine Arts Category ● Overall trophy in Fine Arts ● On the Spot painting- 1st Prize (Shivanjali Sharma) ● Poster Making- Ist Prize (Jagheer Kaur) ● Collage Making- Second Prize (Kirandeep Kaur) ● Cartooning Making- 2nd Prize (Jashanpreet Singh) ● Rangoli Making- 2nd Prize (Balpreet Kaur) ● Flower Arrangement- 3rd prize (Pratima) Literary Category ● Poetry Recitation Symposium- 2nd Prize (Kasvi Khurana) Music Category ● Folk Song- 2nd Prize (Armaandeep Singh) ● Ghazal Singing- 3rd Prize (Armaandeep Singh)	16th to 19th April 2025	  

Innovations:

As a best practice, Department of Education offers a diverse range of four-year Integrated Teacher Education Programs (ITEPs), including B.A. B.Ed., B.Sc. B.Ed., B.Com. B.Ed., and B.A. B.Ed. in Special Education.

- B.A. B.Ed., B.Sc. B.Ed., B.Com. B.Ed. Courses: The Department of Education at GNDU, Amritsar, is a pioneer in implementing integrated teacher education programs such as B.A. B.Ed., B.Sc. B.Ed., and B.Com. B.Ed. It is the first university in India to introduce these four-year integrated courses, aligning with the recommendations of the National Education Policy (NEP) 2020. These programs aim to produce professionally trained teachers in a shorter duration, ensuring strong subject knowledge along with pedagogical skills. The integrated approach enhances the quality of teacher education by blending content and methodology from the beginning. It also promotes early career preparedness, saving both time and resources for aspiring educators.
- B.A. B.Ed. Special and Inclusive Education Programme: This course is designed to produce professionally competent and socially responsible educators from various academic backgrounds. This program aligns with NEP 2020 and regulatory frameworks of NCTE and RCI, integrating disciplinary knowledge with pedagogical training to reduce the time and cost of teacher preparation. The inclusion of Special Education equips future teachers with inclusive pedagogical skills and awareness of diverse learner needs. Experiential learning through internships, school engagement, use of assistive technologies, and inclusive practices ensures that graduates are well-prepared for mainstream and special schools. This multi-disciplinary approach has led to improved teacher readiness, increased employability, and a stronger commitment to inclusive education.

ELECTRONICS TECHNOLOGY

About the Department

The Department of Electronics Technology was started in July 1983 with a vision to impart quality knowledge in the field of core Electronics as well as different facets of communication such as Microwave, Optical, Wireless, Data Communication, Digital Signal Processing and Image Processing so as to nurture the excellence in the students and enhance their capability to meet the ever-growing challenges in the field of electronics and communication engineering. The department has established itself as nodal centre for contemporary research in the area of Optical Communication, Microwave Materials, Wireless and Data Communication, Nanomaterial applications in Electronics, VLSI and Molecular Electronics etc. The department boasts of well-developed research facilities for research in the field of optical communication. The department is contributing towards research in the field of fiber non-linearity control methods, gain flatness of optical fiber amplifiers, development of novel methods for optical switching and optical coupling. The current research is towards implementation of underwater optical communication and in visible light spectrum for applications such as secured military communication and radiation free communication in hospitals. Microwave ferrites and dielectric ceramics find applications in practical systems like radars, microwave absorbers, wireless communication systems, mobile base stations, satellite uplinks & broadcasting systems. Radar absorbing paints made from ferrites can be used to coat military aircraft for stealth operation. The department has state of the art facility to fabricate and characterize these materials especially at microwave frequencies in GHz range for such applications. The Carbon based molecular electronic components are being considered as alternative to conventional Silicon based electronic components. Atomistic modelling has been at the forefront of computational investigation of nanomaterials and has revealed a wealth of information on structure and properties of individual structural elements such as Nanowires, Nano films, Nano ribbons using Graphene, Fullerene, Carbon Nano Tube, Organic and Inorganic molecules as well as the characteristics of the interfacial regions and modification of the material properties at the nanoscale. The department feels proud to possess a dynamic and energetic faculty having a recognized research experience in their niche areas.

Details of Permanent Faculty

S. No.	Name	Designation	Qualification	Specialization
1.	Dr. Maninder Lal Singh	Professor	B.Tech. (Electronics Engineering), M.Tech. (Communication Systems), Ph.D	Fiber Optic Communications
2.	Dr. Ravinder Singh Sawhney	Professor	B.Tech. (Electronics Engineering), M.Tech. (Information Technology), MBA (Marketing Management), Ph.D	Molecular Electronics, Data Analytics
3.	Dr. Shalini Bahel	Professor	B.E. (Electronics), M.Tech. (Digital Communication), Ph.D	Microwave Materials, Dielectric Ceramics, Digital and Microwave Communication
4.	Er. Dhanjit Singh	Assistant Professor	B.Tech. (Electronics & Communication)	Electrical and Electronics Communication
5.	Dr. Ravinder Kumar	Associate Professor & Head	B.Tech. (ECE), M.Tech. (ECE), Ph.D	Nano-Scale Electronics Devices
6.	Dr. Hardeep Kaur	Assistant Professor	B.Tech. (ECE), M.Tech. (ECE), Ph.D	Wireless Communications, Machine Learning
7.	Dr. Gurpreet Singh	Assistant Professor	B.Tech. (ECE), M.Tech. (Communication Systems), Ph.D	Fiber Optics Communication
8.	Er. Rupendeep Kaur	Assistant Professor	B.Tech. (ECE), M.Tech. (Communication Systems)	Nanotechnology

ENGLISH

About the Department

The Department of English has been offering Postcolonial Literature, Diaspora Literature, Medical Humanities, Memory Studies, Non-Fictional Prose, Indian Literature in English as well as in translation, British and American Literature, Semiotics, Literary and Cultural Theory, Systemic Functional Linguistics and Comparative Literature as core areas of research. A significant number of books, and research articles in various National and International journals of repute like *Ariel, Walt Whitman Review, Mark Twain Journal, Indian Journal of American Studies, Journal of Sikh & Punjab Studies*, Taylor & Francis, Springer have been published by the faculty and research scholars. The Department brings out its own research journal *Punjab Journal of English Studies*. Besides, two other journals – *Subramaniam Bharati Journal of Comparative Literature* and *Odyssey: International Journal of Literature and Philosophy* – were initiated by the members of the faculty. Eminent writers like Mulk Raj Anand, Keki Daruwalla, Nirmal Verma, Shauna Singh Baldwin, and scholars like Christian Matthiessen, Rupen Desai, Alok Bhalla, Malashri Lal, Urvashi Butalia, and Kamla Bhasin have been among our invited speakers. The Department has also been organizing workshops and conferences in collaboration with institutions like British Council, Katha, Central Institute of Indian Languages etc. International Conferences in 2007 and 2016, and National Conferences in 1988, 1996, 1997, 2005, 2007, 2010 and 2016 have been organized by the Department for furthering the cause of research in the subject. About 52 students have completed their Ph. D and more than 341 students have obtained their M. Phil Degrees from the Department. The Post Graduate students are prepared for advanced language skills, critical understanding and analytical skills, including comprehension and interpretation of literary and cultural texts. For attaining these ends, the programme includes representative literary works, critical concepts and theories, structure of the English language and General Linguistics. The programme intends to produce free-thinking individuals sensitive to the aesthetic, political and social issues of their times so that they may contribute to their societies in meaningful ways.

FOOD SCIENCE & TECHNOLOGY

About the Department

The Department of Food Science and Technology was established in 1994 with the objective of generating highly skilled manpower to meet the requirements of food processing industry. The M.Sc. (Food Technology) program was started in 1993 and after its success was followed by B.Tech. (Food Technology) program in 1995 & M.Sc. (Food Technology) (Five Year Integrated Programme) program in 2023. The curriculum of M.Sc. (Food Technology) (Five Years Integrated Programme) is designed in such a way that the students are trained with fundamentals of different branches of Food Technology during the first three/four years, which serves as a spring board either to complete the five-year integrated programme or even to get admission in other Programmes in India or abroad. The department also offers research guidance leading to Ph.D. degree. The department is well equipped with sophisticated instruments to carry out advance research in Food Science. Faculty members are providing consultancy & analytical services to Food Industry and Government welfare programs. The department has close association with well known MNC's like Nestle India Ltd., Pepsi Foods (P) Ltd., Glaxo Smith kline Beechem Consumer Healthcare Ltd., Cadbury's India Ltd., Joyco, Heinz, etc. Several students after completing degree from the department have got admissions in M.S Degree programs and Fellowships in internationally reputed institutions.

Ms. Shivangi Sharma got Second Position in Poster Presentation in the International conference on "Emerging Technologies in Food Processing-IV (ETFP-2024)" organized by the Department of Food Engineering and Technology, Ghani Khan Choudhary Institute of Engineering and Technology, Malda, West Bengal during 18th-19th November 2024.

FOREIGN LANGUAGES

About the Department

Undoubtedly, the knowledge of foreign languages is becoming more and more important in the global world of ours, when the physical distances are becoming irrelevant and the people belonging to diverse linguistic, socio-cultural, ethnic, religious backgrounds often come in contact with each other owing to a multiplicity of reasons. Subsequently, the department has been playing a leading role in meeting the urgent demands of the society by imparting linguistic skills of Chinese, French, German & Russian ever since its inception nearly four decades ago. The department made a humble beginning with the introduction of the hugely popular Russian. Since then the department has been progressing by leaps and bounds and at present is offering Chinese, French and German besides Russian as Part-Time courses, namely, Certificate, Diploma & Advanced Diploma levels in addition to one year Diploma Course in French (Full-Time).Ever growing number of applicants for its courses in various foreign languages speak volumes about the contribution of the department to the society. Approximately 200 students pertaining to various departments of the university as well people from other walks of life like, professionals, lawyers, doctors, engineers eternal themselves every year in our department. Taking into account the requirements of the students, there months Short Term Courses are also being offered of late. The department also conducts need based capsule courses with the prior approval of the competent authorities. Facilities for research are also available in Russian. Emphasis is on imparting and strengthening the basic communication skills of the students in the chosen foreign language. French & German courses are designed such a way, so that the pass outs can successfully compete for various proficiency levels exam, conducted by Alliance Françoise & Goethe-Institute.

GURU NANAK STUDIES

About the Department

The Department of Guru Nanak Studies was established in 1971 with the provisions of the Article IV of Guru Nanak Dev University Calendar Act, 1969 as follows: To make provision for study and research on the Life and Teachings of Guru Nanak Dev Ji and their Cultural and Religious Impact in the context of Indian and World Civilizations. It is an Inter-Disciplinary Department with its main focus on Sikh Studies and Study of Religion. The Department offers two Post Graduate Courses in Religious Studies and Philosophy. Besides teaching, research guidance is provided to regular as well as part-time Scholars pursuing for their Ph.D. '*Journal of Sikh Studies*, a refereed journal of international repute has been a regular feature of the department since 1974. Another Journal *Dharam Adhyan Patrika* (Punjabi) has been started from 2012. National and International Seminars and Conferences are organized by the Department for dissemination of research activities on the Sikh Studies and allied fields in the wider perspective. Candidates admitted in M. A. Religious Studies, M. A. Philosophy are exempted of tuition fees.

The students of our post-graduate courses prepare mostly for the jobs in educational institutions in India as well as abroad. Other avenues of employment open for our post-graduate students are in Religious Institutions of Sikhism, JCO's in Armed Forces (Religious Teacher), Guides in Religious and Cultural Tourism Sector and in Journalism (Print and Electronic media).

GURU RAMDAS SCHOOL OF PLANNING

About the Department

Guru Ramdas School of Planning was established in 1972 to impart education and training at Post Graduate level in the field of City and Regional Planning. Initially, the School started two years Master's Degree in City and Regional Planning (MCRP) and continued it till 1992. Later, the School started a specialized programme titled Master of Technology (Urban Planning). The School has introduced NEP compliant viz. Five Years Integrated Programme i.e. M. Tech. in which a student can take an exit after 4 years and will be awarded B. Tech. (Urban and Regional Planning) degree. The other Post Graduate levels programmes are M. Tech. (Urban Planning), M. Tech. (Infrastructure Planning) & M. Tech. (Transport Planning), each one being of 2 years (4 semesters) duration. The School has emerged as one of the pioneer professional institutions in the country for education and training in the field of Urban, Regional, Transport and Infrastructure Planning. The School so far has trained more than 1200 town planners at Masters and Bachelor levels. The graduates of the School are serving in different capacities in various government and private town planning and allied organizations at National and State level in India and abroad. The Alumni of the School have served as Chief Town Planners of Jammu & Kashmir, Himachal Pradesh, Haryana, Punjab, Rajasthan, and Arunachal Pradesh. Many graduates are leading other reputed public and private sector institutions throughout the country.

Infrastructure of the Department

The School has well equipped labs for undertaking hands on training on different software's such as Auto-CAD and GIS. The Survey Lab is well equipped with all instruments for training purposes.

Major Equipments in the Department

Surveying instruments including chains, tapes, compasses, poles, tripods, mounts, dumpy level, Eidograph, Total Station and Global Positioning System (GPS), Sonic Meter, Water Level Sensor, Air Quality Pollution Meter Detector, Arc-GIS, Computers, Printers and LCD Projectors.

HOTEL MANAGEMENT AND TOURISM

About the Department

The Department of Hotel Management and Tourism was established in 2018 at Guru Nanak Dev University (GNDU) in Amritsar to provide professional training in hotel operations, tour management, catering, and hospitality services. Initially, the department focused on fundamental skills in food production, front-office operations, and travel planning. Over time, it expanded to offer full-fledged programs.

Department currently offers undergraduate Five Year Integrated Program (FYIP) Degrees, Diploma, Certificate Course & PhD in:

MHMCT - Masters of Hotel Management and Catering Technology (5 years)

MTTM - Masters of Tourism & Travel Management (5 years)

DFP - Diploma in Food Production (1 Year)

CCB&C - Certificate Course in Bakery and Confectionery (6 months)

Ph.D. - Hotel Management & Tourism

The curriculum integrates :

- ✓ Technology (property management systems, online booking tools)
- ✓ Global standards in hygiene, service, and hospitality law
- ✓ Internships with reputed hotels, resorts, travel firms, and airlines

Department have a solid infrastructure including labs for food production, front-office, housekeeping, as well as Wi-Fi, library support, and canteen facilities

As the tourism and hospitality industries evolve post-COVID and toward digital transformation, the department is poised to adapt Innovation, Sustainability & Global Outreach Today the department continues to nurture hospitality leaders who contribute to the experience economy, both locally and globally.

HUMAN GENETICS

About the Department

The Department of Human Genetics was established in 1990, operates with biphasic vision to nurture and mentor students for academic excellence and to conduct research on genetic diseases and disorders in order to benefit the society in terms of diagnostics, counseling, management, prognostics and therapeutics. The Department has been sponsored by DST-FIST, DST-PURSE and UGC-SAP and received about Rs.3.47 crores infrastructure grant. The Department offers M.Sc. (FYIP), M.Sc. (TYP) and Ph.D. programs The faculty has research interests in molecular genetics, cytogenetics, immunogenetics, epidemiology, population genetics, infection biology, anthropometric profiling, and molecular docking. Faculty members of the Department have received various research projects from funding agencies such as UGC, DBT, DST, ICMR, CSIR and PSCST from time-to-time. To date the faculty members have completed 60 research projects (**Rs.14.35 crore)** and 3 more (Rs.4.49 crore) are ongoing in the department**.** The Department has published more than 620 research papers along with several books/book chapters in International and National journals/books and had guided 73 Ph.Ds. The students of the Department have been absorbed in premier research institutes and diagnostic laboratories both in India and abroad.

6.	Dr. Sanjana Mehrotra	Assistant Professor (Stage III)	Ph.D	Infection Biology, Genetics of Complex Disorders

Details of Contractual and Part-Time Teachers Academic Year 2024-25

S.No.	Name of Teacher	Designation	Qualification	Specialization
1.	Dr. Kawaljit Kaur	Assistant Professor (Contractual)	Ph.D	Genetics of Complex Disorders

Details of the programs/seminars/conferences etc. conducted from 01.07.2024 - 30.06.2025

S. No.	Title of the Programme	Date	
		From	To
1.	Guest lecture "Ocular Genomics and Gene Therapy" by Dr. P. Sundaresan, ICMR Emeritus Scientist	February 20, 2025	February 20, 2025
2.	DNA Day Celebration	April 25, 2025	April 25, 2025
3.	Workshop on Artificial Intelligence in Life Sciences	June 6, 2025	June 8, 2025

Best Practices & Innovations

- The Department has the mission to facilitate, develop and foster excellence in Human Genetics Research and Education, and promote Human Genetics and the understanding of Human Diseases.
- To identify biomarkers and characterize molecular alterations for early diagnosis, treatment outcome and monitoring of various ocular diseases and life style diseases such as T2DM, CVD, Cancer and Polycystic ovarian syndrome
- Screening of new born and pregnant women for hemoglobinopathies and treatable genetic disorders
- Research is also being conducted on host-pathogen interactions, and immune modulation in Visceral Leishmaniasis (VL), and designing targeted therapeutic interventions against VL using computational methodologies
- Providing genetic counseling to the patients and their families

Achievements of faculty members:

Prof.(Dr.) Kamlesh Guleria, Elected as Executive Member of Indian Society of Human Genetics

****

LAWS

About the Department

The Department of Laws has been a center for legal scholarship since its establishment in 1972. The department has earned a reputation for producing top legal professionals, including judicial officers, deputy district attorneys, assistant district attorneys and Law officers in various government roles.

The department of laws offers academic programs that focus on critical legal and social issues, both within India and globally. Research at department tackles important contemporary topics such as human rights, women's empowerment, gender equality and environmental sustainability, showing its strong commitment to social justice and legal reforms.

Details of Permanent Faculty

S. No.	Name	Designation	Qualification	Specialization
1.	Dr. Pawan Kumar	Professor	Ph.D.	Constitutional Law & Criminal Law
2.	Dr. Meenu Verma	Associate Professor	Ph.D.	Business & Taxation Laws
3.	Dr. Bimaldeep Singh	Associate Professor	Ph.D.	Administrative Law
4.	Dr. Harkirandeep Kaur	Assistant Professor	Ph.D.	Intellectual Property Rights, Constitutional Law
5.	Dr. Anshu Jain	Assistant Professor	Ph.D.	Human Rights, Consumer Protection and Information rights
6.	Dr. Arvindeka Chaudhary	Assistant Professor	Ph.D.	Criminal Law
7.	Dr. Arneet Kaur	Assistant Professor	Ph.D.	Family Law & Corporate Law
8.	Dr. Shikha	Assistant Professor	Ph.D.	Constitutional Law, Comparative Public Law, Research Methodology
9.	Dr. Manjit Singh	Assistant Professor	Ph.D.	environmental law, Cyber Law, Research Methodology
10.	Dr. Vinod Kumar	Assistant Professor	Ph.D.	Procedural Law (Civil & Criminal)
11.	Dr. Nidhi	Assistant Professor	Ph.D.	Criminal Law

LIBRARY AND INFORMATION SCIENCE

Department of Library and Information Science has provided a robust academic foundation through B.Lib.I.Sc. & M.Lib.I.Sc degree programs. These programs are designed to equip students with the theoretical knowledge and practical skills required for leadership in modern information environments. The department is supported by dedicated facilities to ensure a comprehensive, hands-on learning experience. These include a specialized departmental library for practical training and teaching rooms equipped with high-speed internet and digital projection capabilities. Students further enhance their technical competencies in the university's common computer laboratories. A key component of our curriculum is a structured practicum conducted in collaboration with the Bhai Gurdas Central Library. This partnership provides students with invaluable real-world experience in a major operational library. The collaboration also extends to the joint delivery of instruction on industry-standard Library Management Systems (LMS). Our programs emphasize mastery of contemporary tools and technologies essential for the field. Students receive hands-on training in:

- Integrated Library Systems: Practical application of the KOHA open-source LMS.
- Cataloguing and Metadata: Advanced techniques in resource description and organization.
- Emerging Technologies: Hands-on experience with RFID tagging and other automated library systems.

This integrated approach of academic rigor and applied learning ensures our graduates are exceptionally well-prepared to meet the evolving demands of the information profession.

Faculty

Lectures Organised

Academic lecture on 'Use of E-resources for Academic Excellence' by Dr. M. K. Verma, Prof. & Head, Mizoram University at Department of Library and Information Science, GNDU on 21-04-2025. (*Lecture Coordinator: Dr. Satwinderpal Kaur Gill*)

Academic lecture on 'The transformative Potential of Innovation and Technology in Academic Libraries: Opportunities and Challenges' by Dr. Shivarama Rao K, Prof. & Head, Central University of Himachal Pradesh at Department of Library and Information Science, GNDU on 1-05-2025. (*Lecture Coordinator: Dr. Harish Chander*)

Award & Honour

Dr Harish Chander received 'DLA-DR. RAMESH CHANDRA VASHISHTH BEST PAPER AWARD-2025' by Delhi Library Association, Delhi on 10 March 2025.

Invited Lecture

Dr. Satwinderpal Kaur Gill delivered an invited Lecture on "Role of Libraries in Education" to the participants of National Webinar organized by Amardeep Singh Shergill Memorial College, Mukandpur (S.B.S. Nagar) on 12 August, 2024.

Dr. Harish Chander delivered expert lecture as a Resource Person on "Envisioning Academic Libraries: Adapting to the Changing Landscape under NEP 2020" in National Conference on Revamping Academic Libraries in the Context of National Education Policy (NEP) 2020, organized by Central Sanskrit University, Kangra, Himachal Pradesh, on 17-18 October 2024.

Paper Presentations in Seminar/Conference

Dr. Satwinderpal Kaur Gill presented a paper entitled 'Digital Literacy Skills among Academia: A study of Guru Nanak dev University, Amritsar' at National Conference on' Technological breakthrough and libraries: Present and beyond held at Chandigarh jointly organized by ASLIP and CSIR on 7-8 November, 2024.

Dr. Satwinderpal Kaur Gill presented a paper entitled "Artificial Intelligence and Libraries" at National Seminar on 'Ethical use of AI in research and role of libraries' held at Panjab University, Chandigarh on 14th February, 2025.

****

MASS COMMUNICATION

About the Department

The Department of Mass Communication, established in 2019 at GNDU's main campus, continues to provide a robust blend of theoretical and practical education in media studies for the academic year April 2024 to April 2025. The department offers M.A. in Journalism & Mass Communication (FYIP) and M.A. Journalism & Mass Communication (2 Year Programme), fostering analytical thinking and community leadership through a curriculum emphasizing hands-on learning. Through its media society, *Mediaza*, the department organizes various academic and cultural activities to nurture students' talents and encourage intellectual and social responsibility. The departmental Faculty and Students are running a Community Radio Station GNDU Raabta 89.6 FM. Daily Radio Transmissions are aired related to education, Community, Social Activities, Entertainment and University Events. The department actively engages students in co-curricular activities, industry interactions, and practical training to prepare them for dynamic careers in journalism, broadcasting, and related fields. This report highlights key activities, achievements, and contributions of the Department of Mass Communication for the academic year 2024-25.

Key Activities and Events (July 2024 – June 2025)

- Creative Photography Workshop Mr. Virender Singh from Canon conducted a workshop on 12th April 2024, focusing on advanced photography techniques, equipping students with skills in creative composition and modern photography tools.
- Recruitment and Training Drive by Collective News Room in Collaboration with BBC Mr. Iqbal Ahmad – Senior Journalist, Ms. Shruti Arora, Ms. Arshdeep Kaur and Mr. Ravinder Robin provided students with insights into newsroom operations and offered training and recruitment opportunities in collaboration with BBC on 8th August 2024.
- Anti-Ragging Sensitization was held on 23rd August 2024 to apprise the students of the department about the anti-ragging directives and laws. The students presented various posters, Skits and literature related to ragging.
- Awareness Lecture by Prof. Ranbir Singh from PTU, Jalandhr delivered a lecture on "Fair Journalism in India" on 23rd August 2024, emphasizing ethical reporting practices and the role of media in fostering a safe campus environment.
- Inter-Departmental Quiz Competition organized in August 2024, saw enthusiastic participation from students across the departments, showcasing their knowledge of media and current affairs.
- National Space Day Celebration the department organized events to commemorate National Space Day, fostering awareness about space exploration and its representation in media on 23rd August, 2024,.
- Visit to Science City On 24th August 2024, students attended a seminar on Science Journalism at Science City, gaining insights into reporting on scientific advancements and innovations. Faculty and Students also participated in DST Workshop on Science Journalism (Print to Electronic & Social Media) organized by Pushpa Gujral Science City. Ms. Tanisha Kohli participated in Competition on Radio Feature at Pushpa Gujral Science City and secured the first position.

- Visit by Ms. Vinky Singh and Team in November 2024, an international filmmaker and founder of DIMTP - Ms. Vinky Singh, visited the department with her team to discuss global trends in filmmaking and share industry insights.
- Workshop on Film and Television Production Techniques conducted by Film and Television Institute of India, Pune from 11th to 13th February 2025. Dr. Milind Damle, faculty member from FTII, provided students with hands-on training on Film Production Techniques.
- Live Interaction Session with Neerja Chaudhari - a senior political journalist from *Indian Express*, engaged with students in a live session, sharing her experiences and discussing political journalism in India on 19th February 2025.
- Educational Trip to a TV Channel students visited News 18 facilities, including the newsroom and studio, to observe live news coverage and understand the operational aspects of broadcast journalism on 27th February, 2025.
- Educational Trip to The Tribune Newspaper On 27th February 2025, a visit to the office and press of *The Tribune* in Chandigarh provided students with practical exposure to print media operations, from editorial processes to printing.
- Mr. Akashdeep a journalist from The Tribune visited on 28th February, 2025 for interacting with the students.
- Film Maker Mr. Radhey Thakur visited the department on 2nd April, 2025 for interacting with students about the Film Aesthetics.
- Photography and Videography at various important University Events are being handled by the Department Students under the guidance of the Faculty Members.
- Dr. Uttiyo Raychaudguri – Vice Provost for Internationalization at the University of Denver was interviewed by the Faculty Members and the Interview was aired on department CRS GNDU Raabta 89.6 FM.

Faculty Contributions

The department's faculty played a pivotal role in shaping students' academic and professional growth through innovative teaching and mentorship during April 2024 to April 2025. The Faculty Members have published 26 Research Papers, 2 Book Chapters and 5 Conference Proceedings in the year 2024-25.

Details of Permanent Faculty

S. No.	Name	Designation	Qualification	Specialization
1.	Dr. Deepika Saraf	Assistant Professor	Ph.D.	Communication Studies
2.	Dr. Palwinder Singh	Assistant Professor	Ph.D., UGC-NET	Audio and Video Production, Health Communication
3.	Dr. Sana Absar	Assistant Professor	Ph.D., UGC-NET	Journalism, Political Communication, Media Research

Details of Contractual Teacher academic year 2022-23 (Till June 2026).

S. No	Name of Teacher	Date of Birth	Date of Joining	Qualification
1.	Ms. Nirva Safria	17-01-1996	18-07-2024	MJMC
2.	Ms. Gurinder Kaur	26-10-1989	18-07-2024	MJMC
3.	Dr.Amanjyoti Kaur	18-12-1989	18-07-2024	MJMC, Ph.D.
4.	Ms. Dheerika Sharma	26-07-1996	18-07-2024	MJMC

Student Achievements

- Co-Curricular Excellence: Students actively participated in cultural and academic events, securing notable positions in inter-departmental competitions and youth festivals during April 2024 to April 2025. Prabhat Pheri was organized in the department on the eve of Guru Nanak Dev Gurupurab in November, 2024. Students secured First Prize for Short Film Making in Jashan March, 2025. Departmental students also participated in Stage Management and various activities during Jashan. Students attended NSS and NCC Camps organized during the year 2024-25.
- Industry Engagement: Educational trips to TV Channel News 18 and the newspaper *The Tribune* on 27th February 2025 provided hands-on experience in broadcast and print media operations, enhancing students' understanding of industry practices.

From April 2024 to April 2025, the Department of Mass Communication at GNDU remained committed to fostering a dynamic learning environment that blends academic rigor with practical exposure. Through workshops, industry interactions, and educational visits, the department empowered students to excel in journalism, broadcasting, and related fields. The achievements of students and faculty reflect the department's dedication to nurturing media professionals who are both skilled and socially responsible.

****

MATHEMATICS

About the Department

The Department of Mathematics, established in 1969, has a team of seven faculty members with expertise in diverse areas of Mathematics/ Statistics. The department is running two courses namely, M.Sc. (FYIP) Mathematics (under NEP 2020) with multiple exits & M.Sc. Mathematics (Two year Program). It also offers Ph.D. Program in Mathematics in the different areas, namely, Multiple Comparisons, procedures, Survey Sampling Theory, Wavelet Analysis and Applications to Industry and Finance, Hydrodynamics, Analysis, Topology, Algebraic Number Theory, Analytic Number Theory, Non-Commutative Ring Theory, Cryptography, Numerical Analysis, Number Theory.

Besides this, the department is also looking after the Mathematics/ Statistics components of course curriculum in the other departments of University. The department has been regularly organizing National and International Conferences, refresher courses in Mathematical Sciences and lectures by eminent researchers from different parts of the globe. The faculty members have visited various countries such as USA, Germany, Switzerland, Hungry, China, United Kingdom, South Korea etc. for academic exposure.

MECHANICAL ENGINEERING

About the Department

Department of Mechanical Engineering is presently offering two courses: B. Tech. Mechanical Engineering- 4year Duration and M.Tech. Dual Degree Programme (Mechatronics Engineering) – 5 year Duration. The Department is working actively in the research area related to Electricity generation from waste biomaterials (Egg, Garlic, Onion, Almonds), Robotics, Machine Learning Techniques, Nano coatings, Nano rods and Nanowires, Piezoelectric Materials, Electrical Discharge Machining, Thermal Spray Coatings, Techniques of life enhancement of boiler tubes of Thermal Power Plants, Waste-to-Energy Plants, Waste Incinerators. Research projects have been completed by the faculty of the Department, sponsored by UGC and Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Govt. of India.

MICROBIOLOGY

About the Department

The Department of Microbiology is a DST-FIST-sponsored and a UGC-SAP recognized department established in 1990. The department is dedicated to serving society and the environment through education and research in the field of basic and applied aspects of microbiology. The department runs M.Sc. Microbiology five-year integrated programme (FYIP), and M.Sc. Microbiology two-year programme (TYP) for education and a Ph.D. in Microbiology programme for education and research.

The research area of the department of microbiology spans from environmental microbiology to industrial microbiology and medical microbiology. The Department has received special assistance grants under DST-FIST and UGC-SAP schemes for the improvement of infrastructure. The faculty members of the department have received research grants from leading funding agencies like NAIP (World Bank), DST, DBT, UGC, CSIR, ICAR, AMAAS, etc. The department has produced 60 Ph.D. students to date who have gained excellence in teaching, research and in the private sector in India and abroad. The department holds active collaboration with International and National research institutes as well as reputed industries for the transfer of developed technologies to stakeholders.

Details of Permanent Faculty (Academic Year 2024-25)

S. No.	Name	Designation	Qualification	Specialization
1.	Dr. H.S. Saini	Professor	Ph.D.	Environmental microbiology
2.	Dr. Amarjit Kaur	Professor	Ph.D.	Bioactive metabolites from fungi
3.	Dr. Sukhraj Kaur	Professor	Ph.D.	Natural antimicrobial peptides, probiotics
4.	Dr. Vijay Kumar	Assistant Professor	Ph.D.	Microbial biotechnology

Details of Contractual Teachers (Academic Year 2024-25)

S. No.	Name of Teacher	Date of Birth	Date of Joining	Qualification
1	Dr. Jyoti Bhagat	05-02-1983	15-07-2024	Ph.D.
2	Dr. Talwinder Kaur	07-12-1983	15-07-2024	Ph.D.
3	Dr. Heena Sood	13-01-1990	15-07-2024	Ph.D.

Details of Part-Time Teachers (Academic Year 2024-25)

1	Dr. Harleen Kaur	05-04-1981	13-08-2024	Ph.D.

Details of the programs/seminars/conferences, etc., conducted from 01.07.2024to 30.06.2025

		From	To
1	National Space Day	23-08-2024	23-08-2024
2	World Heath Day	09-04-2025	09-04-2025
3	Diwali Festival (Rangoli and art competition)	28-10-2024	28-10-2024

Best Practices & Innovations

- The department's faculty members have published 22 research papers in indexed and reputed international journals during the academic year 2024-2025.
- The department's faculty members have published 6 book chapters during the academic year 2024-2025.
- Three (3) Ph.D. students completed the Ph.D. viva voce (awaiting the award of Ph.D. degree), one (1) student submitted the Ph.D. thesis, and 5.5 Ph.D. students are registered in the department.
- A research project in the DST scheme WISE-KIRAN (sanction letter no. DST/WISE-PDF/LS-136/2024) has been granted to Dr. Ambika under the mentorship of one of the faculty members from the Department of Microbiology.

Achievements of students and faculty members, etc.

- Seven (7) students of M.Sc. Microbiology TYP (batch 2023-25) secured campus placement at Panacea Biotech.
- Two students (2) got placement as microbiologists in Gavya Milk Specialities Private Ltd., Bhatinda.
- One (1) student placed in Systacare Remedies, Amritsar.
- One (1) student placed in Brawn Lab Ltd., Faridabad.
- One (1) student has qualified GATE 2025 examination and qualified CSIR-UGC NET examination held in December 2024.
- Paper presented in international conference: A paper entitled: 'Antimicrobial and antiproliferative activities of bacteriocin-like protein from *Enterococcus* L12b' was presented by the PhD. Scholar of the Department of Microbiology, GNDU University, at the 65th AMI Annual International Conference on "Perspectives of Microbes for Human Welfare" held at Guru Jameshwar University, Hisar from 14th to 17th November 2024.
- One faculty member from the Department attended a six-day training programme on the Indian Knowledge System held at MMTTC, GNDU, Amritsar, from March 3 to 8, 2025.

****

MOLECULAR BIOLOGY & BIOCHEMISTRY

About the Department

The Department of Molecular Biology and Biochemistry was established in 1990 when the School of Life Sciences, carved out of the Department of Biology in 1988, was divided into five major departments viz-a-viz Botanical Sciences, Human Biology and Human Genetics, Microbiology, Molecular Biology and Biochemistry, and Zoological Sciences. The Department of Molecular Biology and Biochemistry offers a comprehensive blend of fundamental and applied knowledge in molecular biology and biochemistry through its teaching and research programs. It admits students to the various programs leading to the awards of B.Sc., MSc and PhD degrees. The current number of seats are 40 in BSc Medical Lab Technology, 54 in MSc Molecular Biology and Biochemistry, 12 in MSc Biochemistry (Specialization in Sports Biochemistry). The number of students admitted in PhD varies from year to year. Admissions are made on the basis of an entrance test. The curriculum for BSc and MSc programs is designed to equip students with the skills required to excel in national-level entrance examinations and secure employment in both the government and private sectors. The students are continuously evaluated based on their performances under a credit-based evaluation and grading system. Our faculty members, who have been trained in renowned national/international labs, lead cutting-edge research in well-funded laboratories, supported by prestigious agencies such as DBT, ICMR, and DST. The dissertation projects conducted within the Department provide students with valuable hands-on experience, enhancing their career prospects and facilitating placements at esteemed institutions both in India and abroad.

The Department focuses on diverse and dynamic research areas, including Molecular Biology of Infectious Diseases, Reproductive Biology, Protein Biochemistry, Structural Biology, Plasmodium Biology, Cancer Biology, and Gut Microbiota in Cancer Therapeutics. Our faculty brings a wealth of expertise, enriched by extensive training and research experience in renowned international laboratories. Complemented by state-of-the-art infrastructure, the Department is well-equipped to drive impactful scientific discoveries and innovations. Dr. Harish Changotra is studying the role of autophagy pathway genes in the susceptibility of Hepatitis B Virus infection and Cancer. He is also involved the development of various detection methods of single nucleotide polymorphisms. Dr. Gagandeep Kaur Gahlay's research interests focus on unraveling the intricate genetic and molecular aspects underlying male and female infertility, ultimately resulting in improved diagnostics and effective treatment options. Dr. Rachna Hora studies structure-function relationship of proteins from Plasmodium species. She is actively involved in functional characterization of various P. falciparum proteins critical for malaria pathogenesis. Dr. Suresh Singh Yadav is dedicated to advancing cancer research, with a focus on unraveling the complexities of cancer genetics, epigenetics, and the role of gut microbiota in innovative cancer therapeutics.

Details of Permanent Faculty

Sr. No.	Name	Designation	Qualification	Specialization
1.	Dr. Harish Changotra	Professor	PhD	Molecular Biology
2.	Dr. Rachna Hora	Associate Professor	PhD	Protein Biochemistry and Malaria Biology

3.	Dr. Gagandeep Kaur Gahlay	Associate Professor	PhD	Reproductive Biology
4.	Dr. Suresh Singh Yadav	Assistant Professor	PhD	Biotechnology

Details of Contractual and Part-Time Teachers Academic Year 2024-25

Sr. No.	Name	Designation	Qualification	Specialization
1.	Dr. Robin Tuli	Part-Time	MBBS	MBBS
2.	Dr. Dilpreet Kaur	Part-Time	MBBS	MBBS

Best Practices & Innovations

The Department demonstrates its strong commitment to integrating cutting-edge research and interdisciplinary approaches into its academic and research framework. The following are some of the key innovations and best practices observed for the 2024-2025 academic year:

1. *Collaborative, Interdisciplinary Orientation*: The UG programme in Medical Lab Technology is administered collaboratively across several departments like Biotechnology, Human Genetics, Microbiology, Pharmaceutical Sciences, and Zoology, promoting interdisciplinary exposure. The structured Bachelor's and Master's programs provide rigorous hands-on training via internships, summer-training opportunities and dissertation projects. The Department puts continued emphasis on the development of state-of-the-art infrastructure for its students. Students are regularly engaged with initiatives like seminars and conferences specifically within the department.

2. *Focus on Translational and Clinical Research*: A core practice is the direct application of fundamental molecular research to address real-world health problems. This research involves direct collaboration with hospitals or major research institutes. In this regard, Dr. Harish Changotra investigates autophagy pathway genes in the context of hepatitis B virus susceptibility and cancer, including SNP detection method development. Dr. Rachna Hora studies structure–function relationships of Plasmodium falciparum proteins, key to malaria pathogenesis. Dr. Gagandeep Kaur Gahlay examines the molecular basis of infertility, targeting diagnostics and therapeutic strategies. Dr. Suresh Singh Yadav explores cancer genetics, epigenetics, and the gut microbiota's role in novel cancer therapeutics.

3. *Emphasis on High-Impact Publication and Patent Potential:* The Department consistently produces peer-reviewed publications in journals with strong impact factors, reflecting the quality and relevance of its research. This scholarly output is further validated by the competitive research grants and fellowships awarded to its faculty. Alongside academic dissemination, the department places equal emphasis on translating research findings into tangible innovations with potential for patent protection, thereby fostering both scientific advancement and societal benefit.

In summary, the Department demonstrates a strong commitment to interdisciplinary training, translational research, and innovation. Its programs integrate collaborative teaching across life science disciplines with hands-on training opportunities, while faculty-led research addresses clinically relevant problems such as infertility, cancer, and infectious diseases. The Department further advances its impact through high-quality publications, competitive grants, and a clear emphasis on patentable outcomes that bridge scientific discovery with societal application.

Achievements of students and faculty members etc.

1. Dr. Harish Changotra elected for "IVS Fellowship -2024" (Medical Virology).
2. Dr. Gagandeep Kaur Gahlay selected as International Faculty for SSR-Melinda & Bill Gates Foundation Course.
3. Ms Priksha Kuni promoted as UGC-SRF.

****

VISUAL AND PERFORMING ARTS

About the Department

The department was established in the year 1992 with the name of Music. In July 2024, name of the department was changed from Music to Visual and Performing Arts. The department is offering Master Level as well as Ph.D. Level courses. Currently the department was running M.P.A. Music (Vocal), M.P.A. Music (Instrumental) and Ph.D. Programmes. From the session 2025, the department has introduced M.A. Hindustani Music (Vocal) and M.A. Hindustani Music (Instrumental) alongwith MPA Music (Instrumental) Courses. The syllabus of the courses have been prepared as per New Education Policy and with disciplinary Elective courses. Alongwith the Department is planning to start Diplomas in Gurmat Sangeet Kirtan, Gurmat Tanti Saaj, Sound Production and Studio and Tabla of six months and one year duration respectively. The Department is working with the aim and objective to train the students in different fields of Music: Hindustani Classical Music, Light Music, Folk Music, and Devotional Music for direction, composition, performance, teaching, Research and other allied fields of modern period which is the basic need of today for job oriented opportunities. The department has produced many National and International Level artists.

Learning Outputs/Career Scope/Opportunities:

1. Interdisciplinary Research towards Music
2. Teaching
3. Academic Research
4. Accompaniment
5. Authorship
6. Music Direction

Details of the programs/seminars/conferences etc. conducted from 01.07.2024 - 30.06.2025

S. No.	Title of the Programme	Date
1	New session was started with Sukhmani Sahib Path.	02/07/2024
2	Pious day of Guru Purnima was celebrated to promote ethics values.	22/07/2024
3	Krishan Janam Ashtami (Anand Maha Utsav) was celebrated with great enthusiasm.	27/07/2024
4	Students of the department celebrated 'Teacher's Day' in the honour of the teachers.	05/09/2024
A series regarding Performance named 'Swaramrit' was started in November 2024 and following programmes were organized under this series.		
5	Renowned Tabla Maestro of India, Princess of Tabla Ms. Rimpa Shiva from Farukhabad Gharana gave her performance.	26/11/2024
6	Performance was given in the department by Dr. Alankar Singh, HOD, Punjabi University, Patiala and he delivered a Lecture/cum Demonstration on the topic "Different Uses of Basant Raga'.	07/02/2025
A series of Lectures cum Demonstrations named "Gyaanamrit" was started and following lectures cum demonstrations were organized under this series.		
7	Ist Lecture of the series was delivered by Prof. (Dr.) Anupam Mahajan, Ex-Dean & HOD, Faculty of Music & Fine Arts, Delhi Uni. Delhi, presently Dean, Faculty of Visual and Performing Arts, Guru Nanak Dev University, Amritsar on the topic "Writing Skills for Dissertation/Thesis"	21/01/2025
8	A Lecture cum Demonstration of Pt. Vijay Shankar Mishra was organized who belongs to Banaras Gharana.	14/04/2025

Achievements of students and faculty members etc.

1. Students performed Vaar Gayan and Kali Gayan at 14th Barsi of Bhai Ajit Singh Dhadi at Nawa Pind Donewal, Jalandhar on 25 August 2024.
2. Students of the Department participated in Zonal, Inter-Zonal and Inter University Youth Festival-2024 organized by GNDU, Amritsar and got 10 positions in Zonal, 06 positions in Inter –Zonal and 03 positions in Inter-University.
3. On December 01, 2024, students participated in the Inter-University Youth Festival at PAU, Ludhiana and got 2nd position in Vaar, 3rd position in Kavishree and 3rd position in Kali competitions.
4. Songs of the students of the Department named Parjit Singh, Muskanpreet Kaur, Manpreet Singh and Abhishek were recorded and released on commercial/social platforms.
5. Students of the Department named Avtar Singh, Hardeep Singh and Mehakpreet Singh recorded and released Gurbani Shabads.

6. Students of the Department named Raghav Condal at Australia, Avtar Singh at U.K. (England) and Sahilpreet Singh at Canada were invited by Foreign Agencies and they gave their performances in 2024.
7. Students performed Saraswati Vandana at the inauguration of the prestigious 120th Laxmi Narayan Raag Sabha, Durgiana Mandir, Amritsar on 14 March 2025.

Starting session of 2024-25 with Sukhmani Sahib Path on 02 July 2024

Pious day of Guru Purnima on 22 July 2024

Anand Maha Utsav (Krishan Janam Ashtmi) 27 July 2024

Teacher's Day 05 September 2024

Performance of Tabla Maestro Rimpa Siva in Swaramrit series 26 Nov 2024

Patriotic Song Performance on 26 January 2025 at University Stadium

120th Laxmi Narayan Raag Sabha, Durgiana Mandir,Amritsar

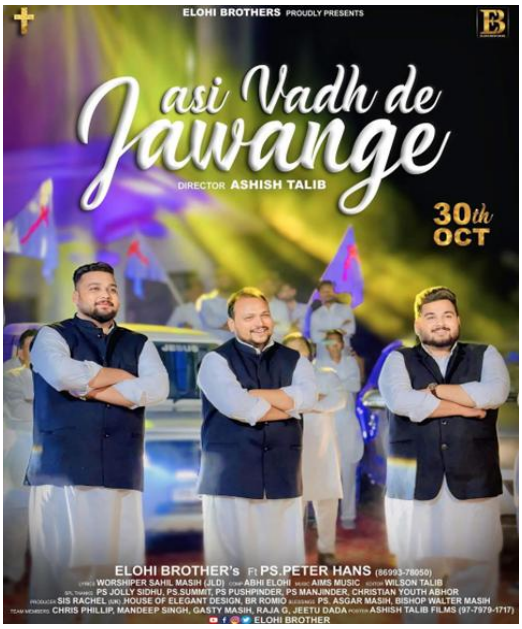

14th Barsi of Dhadi Ajit Singh at vill Donewal, Jalandhar

MYAS-GNDU DEPARTMENT OF SPORTS SCIENCES & MEDICINE

About the Department

MYAS-GNDU Department of Sports Sciences & Medicine has been established in December 2017 and is the only Department of Sports Sciences & Medicine in any state university in India. This is the only department in India, which offers Ph.D. program in Sports Medicine and Sports Physiotherapy. It has one of the most comprehensive research laboratories in the fields of neurophysiology, motion analysis, human performance, sports psychology, exercise physiotherapy, kinanthropometry, exercise physiology, isotonic and VO_2 calculation. On the teaching aspect, this department was the first to introduce Masters in Sports Physiotherapy [newly changed course name as Masters' in Physiotherapy (Sports Physiotherapy)] in South-Central Asia. This department has been established in collaboration with Ministry of Youth Affairs & Sports (MYAS), Govt. of India in order to generate human resource specialized in the field of sports sciences. The department is successfully running professional master's degree programme in Hospital Administration. The department is also running dedicated programmes in Sports Sciences including Sports Physiotherapy, Exercise and Sports Physiology, Sports Biomechanics and Sports Psychology. The students receive on field training and attachments to teams. The department is successfully running a dedicated Sports Rehabilitation Centre for the athletes of the University.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Prof. Shweta Shenoy	Professor	Ph.D.	Neurocognition, Application of physical activity in life style disorders, electromyography
2.	Dr.Amrinder Singh	Associate Professor and Head	Ph.D.	Sports Rehabilitation & Sports Biomechanics
3.	Dr.Sarika	Associate Professor	Ph.D.	Sports Physiotherapy & Exercise Physiology
4.	Dr. Sonia Kapur	Assistant Professor	Ph.D.	Clinical & Sports Psychology
5.	Dr. Anilendu Pramanik	Assistant Professor	Ph.D.	Exercise Physiology, biomechanics and ergonomics
6.	Dr. Seep Sonali	Assistant Professor	B.D.S., MHA	Hospital Administration, Hospital Management, Six sigma, Lean Healthcare, Quality Management
7.	Dr. Srinivasa Rao Pachava	Assistant Professor	Ph.D.	Sports Physiotherapy

Best Practices & Innovations

The Department is successfully running a dedicated Sports Rehabilitation Centre for the athletes of the University. The department has embraced the concept of smart class rooms in continuation to our commitment with effective and innovative teaching practices. The department is also having a dedicated departmental library with more than over 400 books of national and international publishers for the students. The department is also successfully conducting Clinical Postings and On/Off the Field Training for the postgraduate students of the department. In our ongoing commitment to advancing knowledge, the department is actively involved in research activities and proudly highlights two patents developed by our esteemed faculty members. The faculty has published over 48 research papers in journals of National and International repute since two years and attended various National and International conferences.

Achievements of students and faculty members etc.

1. Ms. Sonali Tiwari student of MHA batch (2023-25) received NABH Quality Connect Grant of 25000/- in September 2024 from Quality council of India.
2. Soumyajyoti De and Aditya Rai, students of M.Sc. Exercise and Sports Physiology, qualified UGC-NET in December 2024.
3. Ajit Khanal, student of student of M.A. Sports Psychology batch (2023-25), won Gold in Taekwondo at the AllIndia University Championship held at Guru Nanak Dev University, Amritsar (6^{th}-15^{th} November 2024), and another Gold in Pencak Silat at the All India University Games hosted by Bengaluru North University, Bengaluru (14^{th}-16^{th} April 2025).
4. Shubham Rana, student of student of M.A. Sports Psychology batch (2023-25), clinched Team Gold andIndividual Bronze at the All India University Championship 2024 and repeated the same feat (Team Gold, Individual Bronze) at the Khelo India University Games 2024. He also secured Team Silver and Individual Bronze at the All India University Games.
5. Amit Chib, student of student of M.A. Sports Psychology batch (2023-25), secured Individual Gold and TeamGold at the All India Inter University Championship2024. At the 4^{th} Khelo India Games, he won Individual Gold and Team Bronze, and later claimed Team Silver at the All India Inter University Championship 2025.
6. Kashish Malik, a student of M.A. Sports Psychology batch (2024-26) at, has won a Bronze medal for India at the 2025 Vietnam Open (World Taekwondo G1 Event) in the Female Under-57kg weight category.

****

PHARMACEUTICAL SCIENCES

About the Department

The Department of Pharmaceutical Sciences was established in 1995 at Guru Nanak Dev University, Amritsar with a clear vision to produce trained professionals to meet the ever-growing demand in Pharmaceutical Industry and Academia. The Department is recognized by Pharmacy Council of India (PCI). The Department is enriched with highly qualified faculty and is presently running Bachelor of Pharmacy and Masters of Pharmacy Programmes in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy and Ph.D Programme in all disciplines. The Department is well equipped with state-of-the-art laboratories in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology and Pharmacognosy sections. The infrastructure available makes the Department a conducive place for academic learning that provides students with quality education in a clean and comfortable environment. The faculty is engaged in key areas of research having potential clinical/industrial applications. The Department is proud to have its alumni serving as researchers/teachers in universities/research institutes/Pharmaceutical industries in India and abroad.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr.Preet Mohinder Singh Bedi	Professor	M. Pharm, PhD	Pharmaceutical Chemistry
2.	Dr.Subheet Kumar Jain	Professor	M. Pharm, PhD	Pharmaceutics
3.	Dr.Balbir Singh	Professor	M. Pharm, PhD	Pharmacognosy
4.	Dr. Rajbir Bhatti	Professor& Head	M. Pharm, PhD	Pharmacology
5.	Dr.Sarabjit Kaur	Associate Professor	M.Pharm, Ph.D	Pharmacognosy
6.	Dr.NeenaBedi	Assistant Professor	M.Pharm,PhD	Pharmaceutics
7.	Dr.Amrit Pal Singh	Assistant Professor	M.Pharm, PhD	Pharmacology
8.	Dr. Jatinder Vir Singh	Assistant Professor	M.Pharm, PhD	Pharmaceutical Chemistry

6	Virtual Workshop on computational drug discovery: Workshop for innovators	23-06-2025	23-06-2025

Best Practices & Innovations

1. Curriculum Design & Pedagogy: The curriculum adopted is strictly in accordance with that prescribed by the Pharmacy Council of India and includes student-centered, Problem-based, Integrated, Community-oriented approach and aims to vertically and horizontally align content across disciplines (e.g., blending basic sciences with clinical applications early in the program)

Active Learning Methods:

Problem-Based Learning (PBL) including case studies and real-world scenarios to foster critical thinking are a routine part of tutorials and practicals.

2. Technology & Innovation: The students are kept abreast with latest digital tools including software for computational drug discovery, pharmacokinetic studies etc. and advanced research techniques available in the Emerging Sciences block and several good research papers have been published and patents filed/granted from the data so generated.

3. Research & Industry Collaboration: The department actively associates with industries and has also been able to secure useful collaborations with a few local industries in the past.

4. Student Support & Outcomes: Personalized Learning Analytics: The department keeps abreast of student progress and has dedicated members of teaching staff for alumni networking, placement Incharge, nodal officers for Pharmacy Council of India etc. Students are sent for industrial training as a part of the curriculum and also final year students work on small projects assigned to them.

****

PHYSICAL EDUCATION

About the Department

The Department of Physical Education was established in 1980 with the sole aim to provide excellent opportunities and capabilities to the sports persons having outstanding carrier and to produce good Physical Education Teachers. In the department four courses B.P.E.S. 3 Yr. (UG), B.P.Ed. 2 Yr. (UG), M.P.Ed. 2 Yr. (PG) & PG. Diploma in Yoga are running. The students of this Department participate in various University, All India Inter-University, National and International Competitions. Our students contribute very significantly to the sports performance of the Guru Nanak Dev University Besides overall personality development of the students, they turn out to be professionally skilled workforce with capabilities to understand the individuals in different domains. After successful completion of the course/s, a student acquires the competencies in Teaching Physical Education, Sports Training & Coaching, Sports Talent Identification, Sports Management, Sports Officiating, Personal Fitness Trainer/ Gym Trainer, Sports Officers, Sports Marketing Personnel and Yoga Trainer etc

PHYSICS

About The Department

The Department of Physics was established in 1972, has evolved into a vibrant center of academic excellence, committed to high-quality teaching, cutting-edge research, and meaningful community engagement. Beginning its academic journey with the B.Sc. (Honours School) program in 1979, the department has steadily expanded to offer a comprehensive range of programs, including M.Sc. (Honours School), M.Sc. (Physics), M.Phil., and Ph.D. degrees. At present, it runs three core programs: M.Sc. (Five-Year Integrated Programme), M.Sc. (Two-Year Programme), and Ph.D., supported by a dedicated team of 3 Professors, 1 Associate Professor, and 7 Assistant Professors. The department also hosts 23 research scholars and 1 post-doctoral fellow, all contributing to its thriving and dynamic research environment. Over the years, the department has published more than 2,500 research papers in reputed journals, underscoring its strong commitment to the advancement of scientific knowledge. Its infrastructure is well-developed and continually upgraded, featuring well-equipped laboratories, a dedicated computer lab, a departmental library with an extensive collection of textbooks and reference materials, and full access to the central university library's vast physics resources. Recent enhancements to laboratory infrastructure include the installation of a 0.5 Tesla continuous-wave NMR system in the Solid-State Lab, Arduino-based experimental setups in the Electronics Lab, and practical training modules in the Mechanics Lab. In alignment with the National Education Policy (NEP) 2020, the department has proactively revised its curriculum to integrate a wide range of interdisciplinary and skill-based courses. New offerings such as Quantum Computation & Technology, Artificial Intelligence & Machine Learning, and Science Communication are in the process of being introduced to prepare students for diverse and emerging scientific careers. Additionally, short-term certification and diploma programs in Analytical Instrumentation, Materials Synthesis & Characterization, Python Programming, and Energy Conservation & Storage are being developed to enhance computational and laboratory proficiency. The department maintains active research collaborations with several national and international institutions and receives funding from prestigious agencies, including UGC, DST, CSIR, BRNS, IUAC, and UGC-DAE-CSR. It has also been a proud recipient of UGC's Special Assistance Program (SAP) and DST's FIST program.

The department's research portfolio spans both experimental and theoretical physics, with key focus areas including Radiation Physics, Environmental Radioactivity, Glass Science, Materials Physics and Nanotechnology, Plasma Physics, Nonlinear and Quantum Optics, Theoretical Nuclear Physics, Atomic Physics, Quantum Computing and Quantum Sensing. In addition to academic and research excellence, the department is deeply committed to science outreach, organizing school-level quizzes, interactive demonstrations, and hands-on workshops to inspire curiosity among young learners. A dedicated YouTube

series is also under development, which will feature live experiments, career guidance, and lectures by leading scientists, making advanced scientific concepts more accessible to the broader community. Many of the department's alumni have secured prestigious positions at renowned institutions such as IISc, IITs, IISERs, NITs, and various central and state universities, reflecting the department's enduring legacy and impactful contribution to science education and innovation.

Niche area of research and significant contributions of the department in research:

Experimental and theoretical physics research facilities leading to Ph.D. degree have been established in the thrust areas of Radiation Physics, Environmental Radioactivity, Glass Science, Materials Physics & Nanotechnology, Plasma Physics, Nonlinear Optics, Theoretical Nuclear Physics, Quantum Optics, Atomic Physics and Quantum Computation. The department is actively pursuing research on the synthesis and characterization of borate, borosilicate, tellurite, phosphate, bioactive glasses, glass-ceramics, fundamental studies on the glass forming ability of materials, structure of glasses by neutron and synchrotron X-ray diffraction, reverse Monte Carlo simulations and their applications in fluorescent devices, nuclear radiation shielding windows and fast ion conductors in solid state batteries. Research is also being carried out on device-oriented work leading to organic photovoltaics, third generation solar cells, gas sensors, thermochromic and electro-chromic coatings and multi-ferroics and multifunctional perovskite ceramics. Experimental initiatives are also advancing in *quantum computing hardware* and *quantum sensing*, including the development of platforms based on solid-state defects and photonic systems, with plans underway to procure next-generation instruments to support this ambitious quantum research agenda.

The theoretical groups in the department are involved in modelling of atomic systems for their applications in quantum optics, quantum computation, atomic clocks and space science. Research is also focused on studying the science behind various complex plasma phenomena occurring in space and astrophysical environments and the nonlinear waves and structures associated with them. Theoretical investigations of nuclear structure and reactions are done. Microscopic approaches based on semi-classical methods are used to study shell effects and the thermodynamics of magic nuclei. Simulation-driven design and validation using ***CST Microwave Studio*** is becoming a core competency for both faculty and research scholars. Plans are underway for the making procurement of state-of-the-art instrumentation and computational infrastructure to support this ambitious research agenda.

Best Practices & Innovations

Upcoming & Ongoing Initiatives

- Diploma admissions remain open for the 2024–25 cohort in analytical instrumentation.
- Innovative teaching technique introduced: In addition to the use of blackboard in class teaching aids such as online videos, powerpoint presentations, working models, Workshops which give hands on training to students, multimedia teaching.
- The department is preparing new specialized workshops and certification courses—including Quantum Computation, CST Microwave Studio simulations, and metamaterial design—aligned with NEP goals**.**

Distinguished Alumni and Their Achievements

1. Dr. Gurtej Singh Sandhu Batch: B.Sc., 1983

   Dr. Gurtej Singh Sandhu is recognized as one of the top five inventors in the world and holds the fourth global rank among scientists by patent count. He currently serves as Vice President of Micron Technology, USA.

2. Prof. Arvind Batch: B.Sc. , 1989

   Prof. Arvind is a distinguished physicist specializing in Quantum Optics and Quantum Information, currently serving as a Professor at IISER Mohali. He has also held the esteemed position of Vice-Chancellor of Punjabi University, Patiala. Prof. Arvind is well known for his contributions to quantum technologies and for mentoring a generation of students and researchers in the field.

3. Prof. Ashutosh Goel Batch: M.Sc., 2004

   Prof. Goel is currently an Associate Professor at Rutgers University, USA. He is a leading expert in glass science and has received international recognition including the Vittorio Gottardi Prize from the International Commission on Glass and the W.H. Zachariasen Award from the *Journal of Non-Crystalline Solids*.

4. Dr. Arvinder Sandhu Batch: B.Sc., 1996

   Dr. Sandhu is currently works as a Professor at the University of Arizona, USA. He has received numerous honors including the Distinguished Scholar Award, National Science Foundation Award, and Young Scientist Award.

5. Prof. R.C. Ramola Batch: Ph.D., 1989

   Prof. Ramola is a senior faculty member at HNB Garhwal University. He is a leading researcher in the field of Natural Radiation Environment, with over 200 research publications.

****

PHYSIOTHERAPY

About the Department

The Department of Physiotherapy is renamed from its earlier name "Sports Medicine & Physiotherapy" which was established in 1995. Being a student of Bachelor of Physiotherapy one can assess, evaluate and diagnose various Physiotherapy related conditions. After completion of BPT, the students can practice independently or opt higher education in India and abroad. MPT (Ortho) specialization deals with the physiotherapy services in various orthopedic conditions which is in great service for the people of all strata of the society.

3	Ms. Gargi Gupta	15.07.2024	Masters in Physiotherapy (Muskloskeletal)
4	Mrs. Vanya Popli	17.07.2024	Masters in Physiotherapy (Orthopaedics)
5	Dr. Ramneek Kaur	14.08.2024	Bachelor of Dental Surgery (BDS)
6	Dr. Harsh Mangotra	13.08.2024	MBBS
7	Dr. Dilpreet Kaur	22.08.2024	MBBS
8	Ms. Navkiran Kaur	13.08.2024	Masters in Physiotherapy (Orthopaedics)
9	Ms. Simran Kaur	13.08.2024	Masters in Sports Psychology

Details of the Programs/Seminars/Conferences etc. conducted from 01.07.2024-30.06.2025

S. No.	Title of the Programme	Date
1	Plantation Event	13 August, 2024
2	Physiotherapy Day	10 September, 2024

3	Diwali Fest	25 October, 2024
4	Parbhat Feri Visit	11 November, 2024
5	Educational Visit to Bhagat Puran Singh Pingalwara (Manawala)	21 March, 2025
6	Sukhmani Sahib Patth	March, 2025

Achievements of students and faculty members etc.

1. Our student Ms. Riya Khullar of Masters in Physiotherapy (Orthopedics) presented a paper in 2nd Women Cell Indian Association Physiotherapist & Conference at New Delhi in 2024 and won 3rd Prize.
2. Won Gold Medal in Inter Department tournament held at GNDU, Amritsar.
3. Won 3rd prize in Creative Dance competition in Jashan 2024.

****

POLITICAL SCIENCE

About the Department

The Department of Political Science was established in 1972 for dedicated research in (a) Indian Political System (b) State Politics with special reference to Punjab (c) International Politics with special emphasis upon South Asia, South West Asia and the problems of the Third World. The Department has a programme of teaching and research guidance, leading to the award of M.A. and Ph.D. degrees and students preparing for UGC and Civil services. There are fourteen (14) researchers, working under the supervision of different faculty members, for their Ph.D. theses. The Department has received grants from various national agencies such as UGC, ICSSR, and Election Commission of India. The department has published research papers along with several books/book Chapters in international and national journals/books. Moreover, the department has also produced about 52 Ph.Ds. The students of the department have been absorbed in teaching institutions, civil services and public as well as private sector both in India and abroad.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr.Satnam Singh Deol	Professor & Head	Ph.D	Punjab Politics, Human Rights
2.	Dr.Nirmal Singh	Assistant Prof.	Ph.D	Indian Polity
3.	Dr.Malkiat Singh	Assistant Prof.	Ph.D	International politics

1.	Dr. Gurdeep Singh	July 2024	Ph.D
2.	Dr. Gurdeep Singh	July 2024	Ph.D

Best Practices & Innovations

Special Lectures of the retired faculty members, faculty of other institutions and political representatives are organised repeatedly. Students are provided the opportunities and atmosphere to experience the political-sociology of the region through assignments based on field visits.

****

PSYCHOLOGY

About the Department

The teaching program of the department lays emphasis on fundamental and applied aspects of Psychology such as Experimental, Cognition, Motivation, Developmental Psychology, Industrial/Organizational Psychology, Counselling & Clinical Psychology, Statistics and Research Methods in Psychology, Physiology of Behaviour, Psychometrics, Health Psychology, Social Psychology and Positive Psychology. The department has well equipped laboratories for Experiments in Psychology. The Lab has been enriched with *Biofeedback*, *CogLab*, *Psychological Tools* and *Projective tests* as well. The department runs one diploma course Advanced Diploma in Guidance and Counselling in addition to Master of Arts in Psychology course. The department organizes many activities such as workshops on Mental Health, Research Methodology, Awareness Camps related to importance of psychology day to day life, Drug Abuse etc.

1.	Dr. Mehak Arora	July 2024	Ph.D
2.	Dr. Deepti Randhawa	July 2024	Ph.D

Programmes offered by the Department of Psychology

The Department offers two programmes: MA Psychology and an Advanced Diploma in Guidance and Counselling. The master's programme typically has 54 seats, occasionally increased to 70. The diploma admits 12 students, sometimes extended to 16 or 17.

Innovation and Best Practices: A new Start Up

The Psychological Consultancy Cell is a newly established initiative within the Department, dedicated to offering counselling services to students and staff of Guru Nanak Dev University, Amritsar.

Online Certificate Course. Six months Certificate Course entitled "School Learning Essentials" has been started by the Department.

Multidisciplinary Course: A new Multidisciplinary Course, 'Professional Skills Development', of 3 credits started by the Department.

The Best Practices of this Department include primarily drug awareness programmes and outreach initiatives. The aim is to go into the field and educate people about mental health, providing them with strategies to cope with various mental health issues. The following are the best practices that we were engaged in:

Drug Awareness Programmes/ Outreach Programmes

The Department of Psychology organized an Outreach Program on Mental Health Awareness at Government Elementary School, Gharinda on 31St August 2024.

It held an awareness camp titled "Surakh Rahaan: Jawani Bachao Muhim- Nasha Mukt Samaj layi Jaagroota Camp" at the District Institute for Education and Training (DIET) Verka, Amritsar on 28th March 2025.

Additionally, the Department conducted a "Mental Health and Nasha Mukt Samaj layi Jaagroota Camp" in Ranghadh Village, District Amritsar on 30th March 2025.

Seminars on Mental Health Awareness

An exhibition titled "Seeds of Hope and Action: Making SDGs a Reality" took place at Guru Nanak Dev University on 08/08/2024 in partnership with BSG, SGI International, and Earth Charter International, attracting 2,100 student participants.

A seminar on "Mind and Spirit: A Holistic Approach to Wellness" covering mental health, spirituality, stress management, anti-ragging, and daily psychology was held at Guru Granth Sahib Bhawan, Guru Nanak Dev University, Amritsar, on 11/09/2024.

On World Mental Health Day (10/10/2024), the Department of Psychology, in collaboration with the Department of Social Sciences, hosted an event themed "Mental Health at Workplace" featuring lectures, discussions, a quiz, and a poster competition to raise student awareness.

A one-day seminar titled "From Drug Awareness to Action: Why Youth is at Risk and How to Help" took place at Guru Nanak Bhavan, GNDU, Amritsar, on 3rd April 2025, in collaboration with the College Development Council (CDC), GNDU, Amritsar. Dr. JPS Bhatia was the guest speaker. The seminar was attended by principals from constituent and affiliated colleges of GNDU.

Invited Lectures on Mental Health: The Department of Psychology hosted an invited lecture by Dr. Nishtha Mehra (Scientist C, DRDO) on 17 February 2025, covering: a) Understanding Psychology through Multiple Lenses b) Statistics and Research Methodology in Psychology.

The Department of Psychology held an invited guest lecture featuring counselling psychologists Simran Tandon and Nidhi Arora from Bhatia Neuropsychiatric Hospital, Amritsar, on 24th February 2025. The topics discussed were "The Importance of Seeking Help: Breaking the Stigma Around Therapy" and "The Importance of Mental Health".

Community Spiritual Practice: The Department of Psychology conducted the Sukhmani Sahib Paath in observance of Parkashpurab on 14th November 2024 at the Department of Psychology, GNDU. The department is committed to fostering community harmony and encouraging spiritual practices that enhance overall well-being.

Radio Talk Show: Participated as speakers on GNDU RADIO talk on 29th May, 2025, providing expertise on the topic of mental health among students and adults.

PUNJAB SCHOOL OF ECONOMICS

About the Department

Punjab School of Economics was established in 1974 with the objective to impart value oriented education under the stewardship of Prof. K.S.Gill, a great visionary of National and International repute. The School's achievements were recognized by the UGC and SAP was granted to the School in 2004. First stage of SAP was completed successfully and after a thorough evaluation by the UGC Review Committee, the grant was extended for a second stage for the period 2009-2014 and for the third stage (DRS-III) also for the period (2015-20).

Best Practices & Innovations

The Syllabus is continuously updated in compliances with the dynamics of the world economies.

Achievements of students and faculty members etc.

The students have cleared many competitive exams including UGC-NET/JRF. The placement pattern of the students are also very motivating for new entrants in the course. The faculty has been continuously engaged in high quality research skill enhancement initiatives.

****

SANSKRIT, PALI & PRAKRIT

About the Department

The Department of Sanskrit started functioning in July, 1983. It admits students for M.A. Sanskrit and also provides facilities for research leading to Ph.D. Degree. Learning Outputs of the department are - A beneficial subject in the competitive examinations for Central and State Administrative Services, Efficiency to undertake studies in Ancient Indian History, Eligibility to appear in the NET UGC and to carry on research work for Ph.D. Degree, Proficiency in sister languages like Hindi, Panjabi etc. and Proficiency to perform rituals prevalent in the society. Sanskrit Literature related to Panjab and especially on Sikh Gurus, Relevance of Sanskrit Literature in Modern Age and Comparative Study of Languages are Niche Areas of Research of Sanskrit Department.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr. Manjinder Singh	Associate Professor & Head	Ph.D.	Linguistics, Semantics of Literature and Gurbani Studies
2.	Dr. Vishal Bhardwaj	Assistant Professor	Ph.D.	Classical Sanskrit Literature, Indian Philosophy and Indian Poetics, Sanskrit Literature related to Panjab

Details of Part Time Teacher Academic Year 2024-25.

S.No.	Name of Teacher	Date of Birth	Date of Joining	Qualification
1.	Dr. Saloni	06.6.1979	15-07-2024	Ph.D.
2.	Mr. Vikas Joshi	06.5.1983	15-07-2024	M.A.

Best Practices & Innovations –

- Research on Sanskrit Literature related to Panjab and especially on Sikh Gurus.
- Research on Relevance of Sanskrit Literature in Modern Age.
- Research on Comparative Study of Languages.

******

SCHOOL OF PUNJABI STUDIES

About the Department

School of Punjabi Studies was established to promote Punjabi studies, provide research in Punjabi language, literature, folklore, culture, immigrant Punjabi literature, Meta study and Comparative Literature: The department is moving forward in the following direction in the field of research:

- ✓ Integrated and Independent study of Punjabi Literature, Language, Folklore, Culture and Comparative Literature:-
  - ➢ Literature of Regional Language
  - ➢ Literature as Socio-Political Activity
  - ➢ Literature as Cultural database.
- ✓ Comparative Linguistics:-
  - ➢ Translation into Punjabi and Vice-versa of Literary works of various Indian Languages.
  - ➢ Comparative vocabulary database of various Indian Languages.
  - ➢ Comparative Grammar of various Indian Languages.
- ✓ Comparative Folklore and Culture:-
  - ➢ Collection and presentation of Folklore Material
  - ➢ Creation of Multi-media Folklore Museum
  - ➢ Description of Comparative and Common patterns in Folkloric thought process in regional cultures in India.

In this way, School of Punjabi Studies maintaining highly intellectual, atmosphere of Punjabi research in a multi-disciplinary context compatible to the age of Globalization. Its ambitions to create the innovative minds parallel to international standards at the field of research of Punjabi language, literature, Folklore and Culture.

SOCIOLOGY

About the Department

The Department of Sociology was established in 1976 with a small faculty of one Reader and a Lecturer. The shortage of faculty was compensated for by the visits of the well-known and senior faculty members from other universities. This helped the department establish a solid foundation for growth. The department attempted to conserve its research and intellectual base by publishing its journal, the *Guru Nanak Journal of Sociology*, until 2018. In 2006, the Department achieved distinction by getting the autonomous Centre for the Study of Social Exclusion and Inclusive policy. The department was recognized under Special Assistance Programme (SAP) from 2014-19. The thrust areas of the department are gender and weaker sections, crime, entrepreneurship, health, international policy, and community development. The Department has the distinction of organizing three Conferences (5th, 15th and 24th) of the North West Indian Sociological Association, 27th Conference of the Indian Sociological Association, Shastri Indo Canadian Institute Lecture Series, ICSSR New Delhi-sponsored two-day national seminar and a National Conference funded by the National Commission for Women, New Delhi. Faculty members of the department till date have published 52 Edited/Self-authored Books / book chapters and more than 390 research papers in Journals of National and International repute.

The faculty members of the department have been engaged in projects/ grants of an amount of Rs 15 lac (approx.) funded by National Commission for Women (New Delhi). The current faculty is also engaged as subject experts for MOOC (Sociology of Gender) under SWAYAM Programme of Govt. of India. The department offers internships and project engagement for the skill development of Master's students. Many of the Students are well placed in Teaching, research and social sector.

Best Practices & Innovation

UBS prepares students for leadership roles in the business world. The department adopts the following best practices:

1. Focus on practical learning- The programmes offered by UBS focus not just on theory but also on application. Best practices include the use of case study methods and group projects. Summer internships are a compulsory part of the MBA programmes. These internships provide hands-on experience in corporate settings.
2. Industry-relevant curriculum- UBS regularly updates its curriculum to match the changing needs of the corporate world. Courses are designed to include case studies. Courses focus on emerging trendsin areas such as finance, marketing, human resources, operations, and business analytics.
3. Workshops and guest lectures- UBS has qualified faculty members with academic and industry experience. In addition to regular teaching, guest lectures by industry experts are organized. These sessions give students insights into real-world business practices and current market trends.
4. Maintaining a strong alumni network- Alumni working in different sectors hold influential positions in companies. By maintaining a good relationship with them, the department strengthens its ties with industry. One of the major contributions of alumni is in the area of placements and internships. Their support increases the number and quality of job offers for students.
5. Research- Faculty members are encouraged to publish in national and international journals. Students are also involved in research activities. Students are encouraged to explore specific areas of interest such as consumer behaviour, sustainability, and digital marketing. This helps in developing critical thinking and problem-solving skills.
6. Placements- The department has a dedicated placement cell that works throughout the year to create opportunities for students. To prepare students for job interviews, the department conducts various training sessions.

****

UNIVERSITY SCHOOL OF FINANCIAL STUDIES

About the Department

The Department of Commerce was a constituent unit of Commerce and Business Management Department since the year 1984. But in 2014, it started working as an independent department which later got renamed as University School of Financial Studies. The school is committed for providing value-based education. The School offers M.Com (FYIP), M.Com, MBA (Finance) (FYIP), MBA Finance and Pre-Ph.D. Courses.

To meet the requirements (both research and practice) of Industry and commerce in the effervescent business environment, the faculty is committed to provide highly skilled, motivated and employable professional to the market. The mission of the school is to equip young professionals with updated knowledge and skills required to establish them as success seekers in all walks of life. The strength of the school lies in a fine blend of experienced and motivated faculty having well-built research base, excellent infrastructure coupled with latest teaching tools and regular interaction with the industry which creates awareness among the students regarding current business trends and future market potential.

ZOOLOGY

About the Department

The Department of Zoology was established in 1990. The Department has four regular faculty members who are currently pursuing research in the thrust area of Environmental monitoring and best ecological practices. Research is being carried out in the fields of Aquatic Toxicology, Insect pest control, Nematology, Plant Nematode interactions, Nematode management, Vermi-composting, Cytogenetics and Environmental toxicology.

The Department is recognized under the DST-FIST and PURSE and UGC SAP Program. Besides, the Department has received grants from UGC, MOF, DBT, CSIR and DST. The Department has active collaboration with international and national research institutes. The Department has published more than 600 research papers and book chapters in international and national journals/books. Moreover, the department has also produced 70 PhDs. The Department offers study programmes leading to the awards of degrees in MSc (FYIP) of 5 years duration, MSc Zoology of 2 years duration and Ph.D. Students achieve competence in theory and practicals related to Applied Zoology, Structure and Function of Animals, Molecular Cell Biology, Immunology, Developmental Biology, Ecology and Wild life, Biosystematics, Evolution, Animal Behaviour and Metabolic Regulation of Cell along with knowledge of Computer Application and Biostatistics. Students are also trained for presentations on topics of their interest and handling sophisticated instruments through interactive learning tools such as seminars, workshops, field trips and group discussions. Students get opportunities to pursue higher education and research in reputed institutes of India and Abroad. Every year around 10-15% students clear different national level tests. After completing their degree the students are absorbed in universities, colleges, research institutes and administrative jobs.

GURU NANAK DEV UNIVERSITY REGIONAL CAMPUS, GURDASPUR

About the Campus

Guru Nanak Dev University Regional Campus, Gurdaspur spread over an area of 28 acres, is located on Hardochanni Road in the lap of pristine nature which adds to the beauty and glory of the Institution. The campus was set up in the year 1999, to cater to the educational needs of the students of Punjab and neighboring states such as Himachal Pradesh, Haryana, Rajasthan and Jammu & Kashmir. Apart from the basic amenities, the Regional Campus, Gurdaspur has a separate hostel facility for boys and girls with the capacity of 200 and 300 students respectively. The hostels are well furnished and have facility for indoor games, Wi-Fi-Internet, common room and canteen etc. The regular placements of students from Regional Campus, Gurdaspur have been a distinguished achievement of the campus. Further keeping pace with evolving cyber age, the University envisaged dedicated internet connectivity (20 Mbps) and four high end programming cum computing labs. There being a revolution in the telecommunication world, different advanced Computer and Electronics labs have been setup. Wi-Fi Internet connectivity is provided in the boys' and girls' hostels. All departments in the campus have been provided the internet connectivity. One Internet Lab is provided in the girls' hostel for working in evening hours. The campus also has 250 KVA generators to provide 24 hrs electricity, in the departments and hostels. The Campus is having well stocked library with a collection of more than 19000 books and a subscription of various national and international e-journals. Special book bank has been set up for students belonging to SC students. The campus also has an active Technical Student Society (TSS#) that organizes various technical and cultural events and workshops/ seminars/ conferences to enhance the technical and personality development skills of the students. It organizes an annual Tech Fest LAKSHYA 2K (Technical events) and URJA 2K (Sports activities) every year. The campus organized two UGC-sponsored National seminars in 2012, 2014 and a UGC-sponsored National Conference in 2017. The NSS unit of campus is also active in organizing various social activities like tree plantation, blood donation and awareness programs on gender sensitization, drug abuse problem, traffic rules & road safety, etc.

THE DEPARTMENT OF ENGINEERING AND TECHNOLOGY

About the Department

The Department of Engineering and Technology was established in year 2002 with full-time 4-year B.Tech. (Electronics and Communication Engineering), B.Tech.(Computer Science and Engineering) and MCA (FYIC) degree programmes. In 2013, M. Tech. (Computer Science and Engineering) and M.Tech.(Electronics and Communication Engineering) courses were also started in the department. Further in 2021, two new programmesi.e. 3-year BCA and 4-year B.Tech. (Electronics and Computer Engineering) had been introduced. Presently, as per NEP 2020 guidelines the departmentat GNDU, Regional Campus is running following courses:

1. B.Tech.(Computer Science and Engineering) 4 year Degree Programme
2. B.Tech. (Electronics and Communication Engineering)4 year Degree Programme
3. B.Tech. (Electronics and Computer Engineering)4 year Degree Programme
4. M.C.A. (FYIP) Five Year Integrated Programme
5. M.C.A. (TYP) Two Year Master Degree Programme
6. M. Tech. (Computer Science and Engineering) Two Year Programme
7. M.Tech.(Electronics and Communication Engineering)Two Year Programme

The department is catering to the needs of the students hailing from various parts of the country especially the backward and border areas of Punjab. The department imparts high quality education in Engineering and Technology to produce competent technical manpower to meet the ever growing demand of the global industrial sector and nurtures young minds to grow and excel in the technical world. Students are motivated to participate in the various activities like mock tests, group discussions, technical seminars, workshops to improve their technical and soft skills. The syllabi of the various courses are regularly updated to keep pace with the latest development in the industry. The performance of the students is continuously evaluated according to Credit-Based Evaluation and Grading System as per the norms of university.

The department has highly qualified and competent faculty to impart the theoretical and practical knowledge as per the requirement of industy. The faculty regularly attends various International/National Conferences/Symposia and Workshops to keep themselves updated with the emerging technological trends. The faculty of the Department undertakes an active interest in various research areas like Software Engineering, Computer Networks, Optimization Methods and Parallel Computing, Image Processing, Nano-Technology, Optical Communication and Networks etc.

Infrastructure

The department has well stocked air conditioned library having around 9,000 books, various Newspapers, Magazines and many other e- Journals for ready reference to the students. Also, the department is well-equipped with the advanced laboratories and research softwares such as NetLogo, MATLAB, OptiSystem, LabVIEW and CST-Studio. The department provides state-of-the-art computing facilities and has about 150 Intel 5th Generation computers having i5 processor, with latest software platforms like Windows 7/10, LINUX, UNIX etc. All the computers in the various labs /offices in the Department are connected via campus wide Local Area Network /WiFi facility. The department provides Internet connectivity through 50Mbps leased line catering to the need of entire Campus. The department has 8 ICT enabled classrooms and 2 Seminar halls for lectures and other co-curricular activities. During the course, the students are given theoretical and hands-on training in Programming Techniques, Database Management System, Operating Systems and other Application Softwares. Database Lab with latest SQL Server and supporting application software like MS Access, SQL Server, Oracle 10g & 11g are used for software development. Programming Lab is used for programming with latest IDE installed front-end tools like C/C++, Java, VB.Net Developer 2015. Also, the department has well-furnished laboratories of Electronic Devices and Circuits, Communication Systems, Digital Electronics, Microcontroller, Microprocessors Microwave Engineering, Industrial Electronics etc.

The various laboratories of the department are as follows:

Programming Lab I: The Programming Lab-I is exclusively dedicated for teaching the basic programming techniques and its implementation to the students of B. Tech first year (CSE). The lab has 40 terminals with tool like C, C++, and Microsoft Office etc.

Programming Lab II: The Programming Lab II is dedicated for teaching advanced programming techniques and its implementation to the students of B. Tech (CSE) second and third year. The lab has 25 terminals with Microsoft Visual Studio, Net Beans and other web development tools.

Database Lab: The Database lab is dedicated for teaching various database management systems and its implementation to the students of B. Tech (CSE) second and third year. The lab has 25 terminals with Oracle, MySQL and other front end development tools like PHP and Microsoft Visual Studio.

Internet Lab: The Internet lab is common for all the students of the campus. It has 25 latest Computers with high speed leased line internet connectivity. All the students are free to use the facility for academic and research purposes.

Electronic Devices and Circuits Lab: This lab emphasis on practical aspect of basic electronics and its applications like various rectifier circuits, amplifiers circuits for e.g. Class A, Class B, Class C, Class AB, Push Pull, and transistor configuration such as common base, common emitter and also FET based circuits.

Communication System Lab: It imparts knowledge to the students on the concept of Analog and Digital communications through trainer Kit like AM, FM, PM pulse, ASK, FSK, PSK Modulator and Demodulator.

Digital Electronic Lab: This lab equips students with basic knowledge of digital electronics circuit such as various Digital Gates, Flip Flops, Registers, Counters, Multiplexers and De-Multiplexers, Timers, Encoder and Decode.

Analog Integrated Circuits Lab: In this lab students design the operational amplifiers and IC 555, 565, 566 based circuit for analyzing theirs the characteristics like gain, input impedance, output impudence, frequency, locking range, capture range measurements etc.

Microprocessor, Micro controller & Digital Signal Processing Lab: In this lab students learn about the programming concept of 8085, 8086 &Microcontroller from basic to various interfacing cards because these systems are building blocks for all the intelligent systems. Digital Signal processing lab helps the students to understand the concepts of various operations on different types of data, voice and video signals i.e., manipulation, processing and visualization.

Microwave Lab: This lab encourages the students to work towards the design and analysis of microwave circuits, and components such as antennas, phase shifters, attenuators, VSWR meter, directional coupler, klystron tube, filters etc. for RF, microwave, millimeter wave applications.

Electronic Measuring Instrument Lab: This Lab helps students to study various instruments like Shearing Bridge, Wheat-Stone Bridge, Anderson Bridge, Wein Bridge, Kelvin Double Bridge, CRO, Function Generator, L.V Power Supply for Kelvin Bridge etc.

Detail of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr. Anu Sheetal	Professor and Head	Ph.D.	Optical Communication Systems, & Networks, Passive Optical Networks, Radio over Fiber Communication
2.	Dr. Shashi Bhushan Rana	Associate Professor	Ph.D.	Semiconductor Nanomaterials, Antenna
3.	Dr.Harjot Kaur	Assistant Professor	Ph.D.	Distributed Artificial Intelligence & Machine Learning
4.	Dr.Amit Pal Singh	Assistant Professor	Ph.D.	Open Source Software
5.	Dr. Mini Singh Ahuja	Assistant Professor	Ph.D.	Complex Networks & Machine Learning
6.	Dr.Taqdir	Assistant Professor	Ph.D.	Digital Image Processing & Machine Learning
7.	Dr. Satbir Singh	Assistant Professor	Ph.D.	Advanced Nanomaterials, Optical Fiber
8.	Er. Harjit Singh	Assistant Professor	M.Tech.	Optical &Wireless Communication
9.	Er.Sharanjeet Singh	Assistant Professor	M.Tech.	Python, Cyber Security & Data Structures

Details of Part-Time Teachers Academic Year 2024-25

Best Practices & Innovations

The implementation of NEP 2020 Guidelines since 2023 at GNDU has streamlined the credit transfer mechanism via Academic Bank of Credits (ABC) for students which facilitates the transfer of their academic credits globally in various universities.

NEP 2020 promotes skill-based, multidisciplinary education and flexible learning options such as electives, internships, and project-based coursework. By using national and international platforms such as SWAYAM, NPTEL, Spoken Tutorials (IIT Bombay), and Coursera (free modules), the students have the flexibility to opt for any MOOC/ Multidisciplinary course as per their interest.

The department organizes workshops / expert lectures/ Technical seminars on the emerging trends in technology such as cybersecurity, cloud computing, Data analytics, artificial intelligence and robotics. Annual Tech Fest LAQSHYA-2024 had been organized by the Technical Student Society (TSS#) on 8-9 Nov, 2024 to enhance programming and coding skills by conducting mini hackathons, coding competitions, and project exhibitions within the department to promote their innovations.

Besides technical activities, the students are encouraged to participate in various other events in the Campus such as Annual Cultural Fest (AGAAZ-2024), Annual Inter-departmental Sports Activity (URJA-2024). NSS wing celebrated World Environmental Day by organizing Tree plantation drive on 6.6.2025

Also, NSS organized Traffic awareness and drug De-addiction seminar in collaboration with Punjab Police.

DEPARTMENT OF BUSINESS MANAGEMENT AND COMMERCE

About the Department

The Department of Business Management was established in the year 1999. The department was first in the region to offer MBA, a professional course and it has been successfully catering the needs of the students hailing from various parts of the country and from Punjab itself. The department is offering MBA in Human Resource Management, Marketing Management and Financial Management. In 2012, two additional professional courses i.e. M.Com and B.Com, were also started by the department. As per implementation of the NEP 2020 at GNDU from year 2023, instead of B.Com (3 years); M.Com (FYIP) programme has been introduced. The Department provides excellent environment which is best suited for academic growth. The department comprises of experienced, highly qualified and hardworking faculty. The faculty regularly attends various International/ National Conferences/ Symposia and Workshops to keep themselves updated. Other than this, the department has well-equipped and maintained Library and Computer Lab hence providing good exposure to the students. The teaching pedagogy includes integrated learning process with emphasis on Presentations, Seminars, Case Study Approach, and Industrial Training. Students are imparted with counseling from time to time for their personality development and preparing them to face interviews. The syllabi of offered courses are regularly updated to keep pace with the latest developments.

5	Ms. Ankita Sethi (Part-Time)	08/08/2024	MBA, UGC-NET (Qualified)
6	Dr. Kandy Bhardwaj (Part-Time)	30/07/2024	MA (English), Ph.D

Best Practices and Innovations

At the Department of Business Management & Commerce, we believe in providing the best education focused on the overall development of the students. We have been constantly inspiring our students to have a transformative impact on the society through outstanding achievements in learning, creativity, continual innovations and research; to effectively contribute to the holistic development of our university campus. In the previous academic year, the department has:

- Organized Industrial Visit of the students at Sonalika International Tractors limited, Hoshiarpur **(**World's No. 1 Tractor Manufacturing Plant). Two students were hired for Industrial training at the same organization for this session. Furthermore, the department has helped the students to undergo Summer Training programs at ITC, ASOS ltd. etc.
- Invited eminent speakers from the Indian Army and Academia world, to provide strong learning experience to the students.
- Organized remedial/extra classes for enhancing the academic performance of our students.
- Focused on the Seminars, Presentations, Sports and Extra-curricular activities of our students and provided them a platform to showcase their skills.

DEPARTMENT OF LAWS

About the Department

Department of Laws was the very first department established at Guru Nanak Dev University Regional Campus Gurdaspur since its inception in the Year 1999. As the main aim of establishing this campus is to cater the needs of the students of Backward Area, Law Department also serves this cause. At Present the Department offers B.A.LL.B. (FYIC) Course. The Admission Process is based on Punjab State Level Counselling on Merit Basis. The students from nearby areas of Gurdaspur e.g. Batala, Dhariwal, Dinanagar, Pathankot, Mukerian, alongwith all over Punjab and other adjoining states like Jammu and Kashmir, Himachal Pradesh has taken admission here. The Pass Out students of this department are doing very well in their life. Approximately every year 2-3 students' clear PCS Judicial Exams and working as Judges, other settled as lawyers, ADA's Legal Officers, good number of Student opt for Master Degrees and choose their carrier as Law teachers. Currently, 20 Students who had done their B.A.LL.B. (FYIC) from this department are serving as Judicial Officers. The Department possess competent, hardworking and dedicated faculty who are always ready to help the students in achieving their esteemed goals. The faculty members regularly attend various National and international Conferences, Seminars, Refresher Courses to sharpen their skills.

INFRASTRUCTURE

Moot Court Hall

The Department has well-furnished Moot Court Hall for imparting practical training to the students. As per the curriculum of Law the final year students has to be practically trained for the profession.

Legal Aid Clinic

The Department offers free legal aid to the indigent people of the adjoining area and organized various legal aid camps to sanities the general masses regarding their rights. The students of the Department along with the para legal volunteers actively participated in these camps.

Library

The Department and the Library has internet facility. The Library equipped with online legal search engines to find out the latest case laws and other relevant material as per the curriculum apart from online facility of Journals. Library has rich collection of books, legal journal and other legal material classified with classification scheme. The Library provides the open access of books to readers.

9.	Adv. Manoj Loomba	28-10-2024	LL.B.
10.	Adv. Gurlal Singh Pannu	28-10-2024	LL.M.

Best Practices & Innovations

Every year are participating in various national Moot Court completions.

Any other information like achievements of students and Faculty Members etc.

1. Round 24 Students have cleared PCS (Judicial) exam and are serving as judicial officers.
2. NSS unit is functioning at GNDU. Regional Campus Gurdaspur and camps (7days/1day) are organized at regular intervals.
3. Guest lecturers of renowned persons from legal background are being conducted at Department of Laws, GNDU, Regional Campus Gurdaspur occasionally.

GURU NANAK DEV UNIVERSITY REGIONAL CAMPUS-JALANDHAR

Department of Engineering and Technology

The Department of Engineering and Technology was established in 2002. Since its inception, it has been engaged in promoting technical education in the fields of Information and Communication Technology. The department provides a well-designed course curriculum that offers unique blend of theory and practical to help students assimilate the subject thoroughly. The curriculum stresses on developing analytical skills, communication, problem-solving and team work abilities. The department is supported with state-of-the-art laboratories with high end tools and instruments for hands-on experience to support theoretical knowledge. The computer labs are well equipped with PCs supported with secured internet connectivity of 20Mbps through leased line supported with firewall (Sophos). The department has distinguished and highly qualified faculty. The department also facilitates Research and Development activities in the following spheres:

- Artificial Intelligence, Internet of Things (IoT) & Machine Learning.
- Biomedical Signal Processing, Biomedical Instrumentation.
- Cloud Computing, Big Data.
- Nano-Electronics & Electronic Devices
- Programming/Network Security; Cryptography.
- Wireless/Optical Communication and Networks.

Research software's including Octave, NetSim, Optisystem,that serve as platform to add another dimension of skill in the students. For the practical understanding and exposure of the technology, students are encouraged to take up projects in diverse areas related to Engineering and Technology. The departmental library houses over 30,000 books journals etc. Students have free online access to a vast pool of e-journals/e-books related to engineering & science. The students are also motivated to participate in various co-scholastic activities like mock campus interviews, Group discussions, and seminars to hone Soft-Skills and enrich their personalities. The N.S.S. unit actively organizes camps of blood donation, tree plantation and aids awareness etc. career guidance, personality development seminars, mock tests, group discussions, workshops and guest lectures are also conducted for the students. Excellent campus placements have been achieved by the collaborative efforts of centralized placement cell, faculty and students in the prestigious multinational companies.

1.	Dr. Deep Kamal Kaur Randhawa Professor & Head	Elected as Member of National Executive Council of Indian Society for Technical Education, New Delhi
2.	Ms Kanika Dhiman Student (CSE 8th Sem)	Selected as Intern for Training at IIT Bombay and have been appointed as Research Analyst at Grey B , Mohali with package of 7 LPA
3.	Ms. Supreet Kaur Student (CSE 8th Sem)	First University Position Holder (Gold Medalist) in the Department of Computer Science & Engineering with a CGPA of 9.65

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

About the Department

The Department was conceived under Guru Nanak Dev University College at Basti Nau, Jalandhar, in 1989. It became a full-fledged department in 1995. At present, it is running a Master's Degree and Ph.D in Journalism and Mass Communication. The department's focus is on overall development of the personality of students for achieving success in their choose field within media. The mission of the department is to foster and promote an ethical and profession approach to media profession. This is it does through visits, guest lectures and projects etc. The Department believes in practical orientation because of the professional nature of this course. For this purpose, quizzes, seminars, assignments, projects etc. are undertaken by the students, besides participating in media related competitions in the region.

The motto of department is "Where Sky is Not the Limit". The department emphasizes on building good rapport between the Department and the Industry. Its research interests are comprehensive, ranging from inter personal communication to event management and digital media The placement rate of the department is high, with students placed in various reputed media organizations in India and abroad.

Details of Permanent Faculty

S.No.	Name	Designation	Qualification	Specialization
1.	Dr. Namarta Joshi	Associate Professor and Head	Ph.D	Film Studies
2.	Dr. Charan Kamal Walia	Assistant Professor	Ph.D	Mass Communication Research

Details of Contractual and Part-Time Teachers Academic Year 2024-25

S.No.	Name of Teacher	Date of Joining	Qualification
1	Dr. Savita	20.08.2016	Ph.D
2	Mr. Himanshu	08.08.2024	M.A. JMC

Best Practices & Innovations

The Department of Journalism and Mass Communication imparts competencies in all areas of Journalism and Mass Communication like Print Media, Electronic Media, Film Studies, Advertising, Public Relations, Corporate Communication, Development Communication, International Communication, Intercultural Communication, Documentary Film Making etc. The Department also gives exposure to students by training them on different software for print and electronic media, camera handling, video and sound editing, graphics and designs etc.

These are highly professional and practical courses, backed by latest technology, including computers, micro-cassette recorders, sophisticated still cameras, digital video cameras, a well-equipped audio video studio and a well-stocked library. These courses open avenues for students to spheres like radio, television, print media besides advertising, public relations and the world of corporate communication; in private and public sector as well as entrepreneurship which is more than any other subject. The motto of the Department is, Sky is not the Limit. Our Alumni have made us proud in reputed media organisations in India and abroad. The placement rate is high and the Department encourages the concept all around development of the personality of the students. Visits, Guest Lectures, Projects are an integral part of the curriculum. Our mission is not only to make good journalists but good citizens and human beings also. The Department prides itself in maintaining accessibility and family like environment.

Any other information like achievements of students and faculty members etc.

The Alumni of the Department are highly placed in various media organisations in India and Abroad. All alumni Jatinder Toor has won the prestigious 'Chameli Devi Award' recently for excellence in the field of Journalism. Another alumni, Harmandeep Singh got selected as Staff Correspondent with BBC News. Our alumni are serving as Director Public relations in three top universities of the state, namely Punjabi University, Patiala, Guru Nanak Dev University, Amritsar and IKG PTU, Kapurthala.

****

DEPARTMENT OF LAWS, REGIONAL CAMPUS, JALANDHAR.

The Department of laws was Established in 1979. It was founded to achieve pinnacle in the field of legal education, intellectual growth and research development with leadership skill**s.** The Department has Well-equipped library with a vast collection of law books, journals, and online resources. A simulated courtroom for practical training and experienced professors with expertise in various law subjects

Mission

To Provide Motivation, Legal skills, Intellectual Competency and Empowered manpower catering for the development legal acumen. To Provide Congenial Educational Environment. Optimum Utilization of Resources.

Moot Court Examination: As a part of syllabus. Students are participating in Moot Court competitions at Regional and National levels. Inter and Intra Departmental Debates and discussions have been initiated by

the students on various social, legal, political and economic issues. Our students won the following awards in 2024-25 session.

- Dilpreet Singh – Best Researcher (PU Ludhiana, 2025)

Court Training Programs: As a part of curriculum for both BA. LLB and LLB final semesters. Students taking initiative in court training in Civil & Criminal Courts.

Para Legal Training: As a part of curriculum for both BA. LLB and LLB final semesters.

1. Lok Adalat's
2. Mega Lok Adalat's
3. Visit to Villages

Extension Lecture Series:department initiative for better understanding of law. In 2024-2025 on regular basis various lectures were held on constitution day, teacher day, women's and national book day by various Academicians, Advocates and Experts.

Any other information likeachievements of students and faculty members etc.

Our main motto is to enhance the confidence level of students, which will allow our students to perform better. Keeping in mind our institute organize various activities in order to develop the personality for students and assist the students for good career.

DETAILS OF UNIVERSITY AND CONSTITUENT COLLEGES

GURU NANAK DEV UNIVERSITY COLLEGE, JALANDHAR

Introduction of the College:

➢ **PAST**

Guru Nanak Dev University College, Jalandhar which was established as Panjab University College in 1962, came under the prerogative of Guru Nanak Dev University, Amritsar in 1973. It is in the center of the city, situated at just 1 km from the railway station and 2 kms from the bus stand. With conventional and novel educational programs, and requisite infrastructure, the college is housed in a majestic building and has a peaceful, natural, and conducive environment for studies. Its seeds were sown as an Arts College but gradually shifted its focus from traditional to professional courses. With the paramount objective to provide quality education and career opportunities to the students of the region and to make them market ready, keeping in view the shifting dynamics of market, MCA (FYIC) was introduced in 2002, MBA (FYIC) in 2004, MBA (Two years) in 2010, MCA (Three years) in 2011, and M.A (Punjabi) in 2021. Apart from these endeavors, in the commencement of academic year 2013-14, B.COM, B.COM (Hons.) and M.COM courses were also started. Additionally, BCA was also started from academic year 2014-15. BBA was also started from academic year 2014-15 which was merged with MBA (FYIP) in 2023. B.Com (Financial Services) which is a professional course for students aspiring to study finance as a specialization was also started in 2019-20. Subsequently, vocational courses based on skill development, B.VOC (E-Commerce and Digital Marketing), and B.VOC (Photography and Journalism) were introduced in academic session 2020-2021. These professional courses and skill-based courses are expected to create young leaders, winners, and achievers in a global corporate world.

- **PRESENT**

Our extensive range of academic programs, which cover areas like management, commerce, journalism and information technology are carefully crafted to provide students the information, abilities, and self-assurance they need to prosper in a world that is changing quickly. Presently, four of our professional programmes at par with the university main campus i.e. MBA (TYP), MBA (FYIP), MCA (TYP), and MA Punjabi (TYP) are offered in the college for the benefit of the students of this area. Other programmes that are offered in the college are B.Com, B.Com (Financial Services), M.Com, BCA, B.Voc (E-Commerce and Digital Marketing), and B.Voc (Journalism and Mass Communication).

The college claims excellent infrastructure in terms of airy and spacious Class Rooms, modern Computer Labs, and well-equipped Seminar Halls which are aesthetically designed to ensure high degree efficiency in the teaching learning process. Wi-Fi facility, 2 Mbps leased line; modern teaching aids like multi-media projectors are available to complement the teaching-learning process. The College library has a valuable collection of text books, reference books, variety of newspapers, national and international magazines, and professional journals.

An Entrepreneurship Development Centre is also established for the development of entrepreneurs and giving new shapes to the business ideas of each individual. Management and IT experts are regularly invited to interact with the students. The college also has an Institution's Innovation Council established by Ministry of Human Resource Development, Govt. of India to promote innovation in the institution.

An NSS unit has also been established in the college to promote the motto of NSS which is "*Not Me, but You*". Moreover, NSS helps the students to develop a sense of selfless service and appreciation of the other person's point of view and to show consideration for fellow human beings.

- **FUTURE PLANS**

The college has planned several future developments to improve its infrastructure and promote sustainability. Computer labs are planned to be partitioned to create separate sections for practical classes, research work, and project development, ensuring better utilization of resources. The college runs evaluation centre at the time of examinations. The centre shall be upgraded with modern equipment, and improved seating arrangements to make the answer sheets evaluation process more efficient. To promote green energy, solar lights shall be installed across the campus, especially in corridors, pathways, and parking areas, ensuring round-the-clock illumination with minimal electricity cost. Additionally, solar panels will be set up on rooftops to generate renewable energy, reducing dependency on conventional power supply. This will not only cut electricity expenses but also encourage students to adopt eco-friendly practices. These initiatives aim to modernize the campus, enhance learning facilities, and make the institution more energy-efficient and sustainable.

Name of ~~Principal~~ / OSD: Dr. Kamlesh Singh Duggal, Ph.D. (Professor).

1) Details of Regular Faculty

S. No.	Name	Designation	Qualification	Specialization
1	Dr. Ashish Arora	Assistant Professor	Ph.D.	Finance and Entrepreneurship
2	Dr. Sanjeev Arora	Assistant Professor	Ph.D.	Accounting and Finance
3	Dr. Sonia Kundra	Assistant Professor	Ph.D.	Accounting and Finance
4	Dr. Lakhveer Singh	Assistant Professor	Ph.D.	Gurmat Kaav
5	Dr. Mandeep Kaur	Assistant Professor	Ph.D.	Micro economics, Health economics and Social economics
6	Dr. Neha Monga	Assistant Professor	Ph.D.	Accounting and Finance
7	Dr. Parwinder Kaur Dhillon	Assistant Professor	Ph.D.	Network Security, Cryptography

2) Details of Part Time Teachers (Academic Year 2024-25)

S. No.	Name of Teacher	Date of Joining	Qualification
1	Ms. Jagjit Kaur	14-07-2011	M.Com, UGC NET
2	Ms. Niharika Sarna	02-01-2013	MBA
3	Ms. Radhika	15-07-2013	MBA, UGC NET
4	Ms. Hiteshi Singh	17-07-2013	MCA, UGC NET
5	Ms. Tejinder Kaur	01-08-2013	MBA, UGC NET
6	Dr. Diksha Marwaha	07-07-2014	Ph.D. (Management)
7	Ms. Sheetal Sharma	09-07-2015	M.Com, UGC NET

- Kaur, B., and Kaur, N.: (2025) 'Impact of AI on student Engagement and motivation comparative studies between traditional learning methods and AI supported Learning in Artifical Intelligence and the English language Landscape in Punjab, Aastha Prakashan Grih, Jalandhar PP 58-60 ISBN No. 978-81-974396-1-2.
- Sharma, N., and Sharma, C.: (2025), 'AI-Driven Tools for. English Language Learning: Overview of AI applications such as language learning apps, chatbots, and virtual tutors' in Artificial Intelligence & The English Language Learning Landscape in Punjab, Aastha Prakashan Girh, Jalandhar, pp 58-60 ISBN No: 978-81-974396-1-2.

- Kaur, G.: Edited a book "Artificial Intelligence across Disciplines: A Multidisciplinary Inquiry. ISBN 978-81-986495-0-8.

Other Academic Information:

9) Paper Presented in Conferences/ Seminar/ Symposia (International/ National/ Regional)

- Singh, D.: Presented paper titled "Bibliometric Analysis and Systematic Literature Review for Mapping, Trends and Innovations" in International Conference on Global Studies and Multidisciplinary Research & Technological Innovations organized by Mehta College and Institute of Tech. Harmara, Jaipur & Inspira Research Association, Jaipur, 27-28th June, 2025.
- Kundra, S., and Singh, D.: Presented paper titled "Gen Z and Green Spending understanding student readiness to pay for sustainable future" in ICSSR NW Sponsored National Seminar organised by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Singh, D." Presented paper titled "Investment Decisions: A Comprehensive Bibliometric Study" in ANVESHA, Doctoral National Conference organised by National Institute of Technology, Hamirpur (H.P.)', 12th November, 2024.
- Kundra, S., and Singh, D.: Presented paper titled "The Fintech and digital transformation trends in the Banking Industry: A Bibliometric Analysis" in ICSSR Sponsored International Conference organised by Himachal Pradesh University, Shimla (H.P.), 30th November, 2024.
- Kundra, S.: Presented paper titled "Use of Artificial Intelligence in Insurance Sector: A Bibliometric Analysis and Systematic Literature Review for Mapping, Trends and Innovations" in International Conference on Global Studies and Multidisciplinary Research & Technological Innovations organized by Mehta College and Institute of Technology Harmara, Jaipur & Inspira Research Association, Jaipur, 27-28th June, 2025.
- Kundra, S.: Presented paper titled "Trends in Sentiment Analysis and Stock market prediction: A comprehensive bibliometric Review" in UDBHAVAH, Emerging Trends in Research organized by Himachal Pradesh University, Shimla, 30th November, 2024.
- Kundra, S.: Presented paper titled "The Role of Artificial Intelligence and Machine Learning in Shaping Investment Decisions: A Comprehensive Bibliometric Study" in ANVESHA, Doctoral National Conference organized by 'National Institute of Technology, Hamirpur (H.P.)', 12th November, 2024.
- Kundra, S.: Presented paper titled "A nexus of Green Finance and clean energy Development: A Bibliometric Analysis" in ANVESHA, Doctoral National Conference organized by 'National Institute of Technology, Hamirpur (H.P.)', 12th November, 2024.
- Kundra, S., and Sarangal, N.: Presented paper titled "Use of Artificial Intelligence in Insurance Sector: A bibliometric analysis and SLR" in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Kaur, M.: Presented paper titled "Is rural household willing to pay for community-based health insurance? An analysis of border district of Punjab" conducted by Indian Public Health Association at Belagavi, Karnataka, 21-23rd March, 2025.
- Kaur, M.: Presented paper titled "Barriers to Diabetes Treatment: A Three Delay Model analysis among rural female population of border district of Amritsar" conducted by Indian Public Health Association at Belagavi, Karnataka 21-23rd March, 2025.

- Kaur, M.: Presented paper titled "Why there is choice exist between Institutional delivery and Hospital birth: A Qualitative study on Rural Women's perception towards the place of delivery in Punjab" in International conference on "UDBHAVAH 2024": Emerging Trends in Research, conducted by HPU Shimla, 30th November, 2024.
- Sahota, I.S., and Kaur, S.: Presented paper titled "Digital Banking: A Path to Sustainable Development" in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Badhan, R.: Presented paper titled "Green Banking and Sustainability: A Bibliometric review of Global Trends and Future Pathways" presented in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Kaur, B.: Presented paper titled "Peer 2 Peer Lending: Regulatory Framework and Growth ' in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 8th March, 2025.
- Malhotra, M.: Presented paper titled "Causal Recommendation Systems: Challenges, Applications and Future Directions" presented in 2nd International Conference on Frontiers in Education, Management and Information Technology, Kapurthala, 5th April, 2025
- Malhotra, M.: Presented paper titled "Harnessing AI for Sustainable Ecosystems: Innovations and Future Prospects" presented in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Malhotra, M.: Presented paper titled "A Review of Social Networking Models for the Internet of Things" presented in 3nd National Conference on Emerging Trends in Law and Technology at GNDU RC Jalandhar, 13th November, 2024.
- Kaur, B., and Kaur, N.: Presented paper titled "Impact of AI on student Engagement and motivation: Comparative studies between traditional learning Methods and AI supported Learning" presented in one day ICSSR sponsored National seminar on Artificial Intelligence and The English language learning in Punjab organised by Prem Chand Markanda S.D college for Women, Jalandhar, 22nd March, 2025.
- Duggal, H.: Presented paper titled 'Eco-Friendly Products and Services: Opportunities and Challenges in North-West India' in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Kaur, M.: Presented paper titled "Role of Electric Vehicles in Sustainable Development- a bibliometric Analysis" in ICSSR NW Sponsored National Seminar organized by Guru Nanak Dev University College, Jalandhar, 08th March, 2025.
- Sharma, N.: Presented paper titled "AI-Driven Tools for. English Language Learning: Overview of AI applications such as language learning apps, chatbots, and virtual tutors" presented in One Day ICSSR-Sponsored National Seminar on the theme "Artificial Intelligence & The English Language Learning Landscape in Punjab" organized by the Department of English of PCM S.D. College for Women, Jalandhar, 22nd March, 2025.

10) Workshops/Orientation Course/Refresher Course/Training Programme attended by the faculty.

- Singh, D.: Attended the All-India Council for Technical Education's (ATAL) 6-day (offline) 'Faculty Development Program' on "Exploring Digital Finance: Innovations, Opportunities, and Challenges"

organised by 'Jagannath International Management School, Vasant Kunj, New Delhi' from 14 October - 19 October 2024.

- Singh, D.: Attended the All-India Council for Technical Education's (ATAL) 6-day (online) 'Faculty Development Program' on "The Revolution of Large Language Models (LLMs) in Artificial Intelligence," organised by 'Vidya Jyothi Institute of Technology, Vasant Kunj, New Delhi' from 18 - 23 November 2024.
- Singh, D.: Attended the All-India Council for Technical Education's (ATAL) 6-day (online) 'Faculty Development Program' on "AI-Driven Pedagogy: Enhancing Teaching and Learning Experiences," organised by 'Chanderprahu Jain College of Higher Studies & School of Law New Delhi' from 02 December - 07 December 2024.
- Singh, D.: Attended the All-India Council for Technical Education's (ATAL) 6-day (online) 'Faculty Development Program' on "Cutting-Edge Approaches to Natural Language Processing and Large Language Models," organised by 'Dr. J.J. Magdum College of Engineering' from 16 December - 21 December 2024.
- Singh, D.: Attended the National Financial Awareness 3-day (online) 'Faculty Development Program' organised by 'Guru Nanak Dev University College, Ladowali Road, Jalandhar' from 03 February - 05 February 2025.
- Twinkle, Attended One Week Online STC on 'Advanced Real Time IoT Applications with Machine Learning and Deep Learning' organized by Department of Information Technology at Dr. B R Ambedkar National Institute Technology, Jalandhar from 10 April - 14 April, 2025.
- Kundra, S.: Attended Two Weeks UGC-Sponsored Online Refresher Course in Commerce, Economics and Management Studies conducted by Malviya Mission Teacher Training Centre from 10 February 2025 to 22 February 2025 with A+ Grade.
- Kaur, M.: Attended UGC sponsored Faculty Induction Program organized by UGCMMTTC, Guru Nanak Dev University, Amritsar from 27 December 2024 - 24 January 2025
- Kaur, M.: Attended Workshop on Geospatial Analysis organized by Indian Public Health Association on 15 February 2025.
- Malhotra, M.: Attended workshop on Workshop on Advanced Bibliometric Analysis and Scientific Paper Writing: Techniques and Best Practices, organized by Cornwell, from 23 – 27 April 2025.
- Malhotra, M.: Attended 07 Days FDP on "Generative AI and Advanced Tools for Academic Research" organized by Cornwell, 23 - 29 September 2024.
- Kaur, M.: Attended National Financial Awareness FDP / Webinar at Guru Nanak Dev University College, Jalandhar from 3 February 2025 – 5 February 2025.
- Sharma, N.: Attended 4 credit Swayam Course- Literary Criticism, December 2024

11) Details of Invited Lectures/ Extension Lectures/Talks/ Chairing a Session/ Discussant/ Panelist etc.

- Sharma, H.: delivered lecture titled "Employees Empowerment" at Premier Web tech., 16th November, 2024.
- Kaur, S.: Acted as panelist in "ਤੂੰ ਤੇ ਮੈਂ (ਅਜੋਕੀ ਪੰਜਾਬੀ ਕਵਿਤਾ ਵਿੱਚ ਨਾਰੀ ਪੁਰਖ ਸੰਵਾਦ)' at HMV College, Jalandhar, 19th February, 2025.

****

SHAHEED RAM SINGH PATHANIA MEMORIAL GND UNIVERSITY COLLEGE, NIARI

About the Department

Way back in the early nineties, the awakened citizens of Dhar Block, under the patronage of Rajput Sabha joined their heads, hearts and hands together. The noble aim was to provide higher education to the daughters/ sons of the soil i.e the remote and backward areas of Dhar subdivision. It was an uphill task but worth the cause. Drawing inspiration from the great legendary hero of the ilaqa, Shaheed Ram Singh Pathania, they started this educational Institute in the scenic lap of nature at village Niari. Initial hiccups inspired them to hand-over the college to Guru Nanak Dev University Amritsar, courtesy care and concern of the then education minister Master Mohan Lal ji. The Gram Panchyat of the Naloh/Niari was very kind to offer 27 acres of land for this purpose. Under the stewardship of the worthy Vice-Chancellor Dr. H.S Sooch, the Guru Nanak Dev University Amritsar took reins of this College on June 10, 2001. Vide Syndicate decision dated 29-12-2000, the college was taken over by Guru Nanak Dev University, Amritsar, from a private trust and University started imparting instructions in Bachelor of Arts classes. The said decision of the Syndicate was duly approved by the senate of the University vide decision/ resolution dated 25-01-2003. Since then the College is a University College standing as a light house for the Dhar subdivision. Respective Vice –Chancellor have been verified in terms of infrastructure and recourses for this institution during their tenures. Located in the lush green edenic surroundings, our College is about 35 kilometers from District Head Quarters on Pathankot-Dalhousie road.

The college imparts instructions the following Courses/ Degrees:

I. B.A. with effect from 2000-2001 (with subjects General English, General Punjabi, Hind, Elective Punjabi, History, Political Science, Computer Science, Sociology, Physical Education, Math)
II. PGDCA with effect from 2008-2009
III. BCA with effect from 2010-2011
IV. B. Com with effect from 2015-16
V. Diploma in Computer Application with effect from 2012-13
VI. From 2017-2018, the college introduced foundation and short-term certificate course in Human Rights Education under the aegis of University Grants Commission, New Delhi.
VII. From 2018-2019 the college started 1 year Diploma Course in Refrigeration and Air Conditioning in Automobiles to promote vocational education.
VIII. From 2019-20 B.Sc.I(Non-Med.), B.Sc.I(Comp. Sc.) and Physical Education in BA.
IX. Started NCC Unit in college since 2023-2024.

X. Though much has been achieved but greater inputs are required for providing basic infrastructure like Transport, Sports, Technical and Science education.

BEBE NANAKI UNIVERSITY COLLEGE, MITHRA, KAPURTHALA

About College:

Established in the year 2010, Bebe Nanaki University College, Mithra, Kapurthala is one of the constituent colleges established by Guru Nanak Dev University in the collaboration of UGC, New Delhi and Punjab Government. Spread in the huge and splendid campus of 17 acres the college has the required infrastructure for the physical and mental growth of the students. It has been embellished with the lush green lawns. A dedicated team of highly qualified faculty appointed by Guru Nanak Dev University Amritsar and efficient administration imbued with wonderful deal and progressive vision is working hard day and night to attain the goal of all round drawing out the best in student's body mind and spirit. Keeping this aspect in mind NCC and NSS units have been contributing efficiently. Various seminars, conferences, workshops and group discussions are conducted at regular intervals to promote the academic growth and development of literary tastes of the students. Under the superlative command of Hon'ble Vice Chancellor Prof. (Dr.) Karamjit Singh and fervent hardship of Incharge, Dr. Jagsir Singh, this college has achieved remarkable success in university examinations in the previous session 2023-24. Our students are setting new milestones every day. This college has been considered as the best academic institution for the students of the district specially the backward students belonging to the rural belt of Kapurthala.

In this highly advanced scenario, we can't limit ourselves to the academic field only. So far as the all-round development of the students is concerned, our students participate in various cultural and extra-curricular activities. Our students excel not just in their academic endeavours but also in sports and other extra -curricular activities. Refined computer science laboratories and fashion designing laboratories and a Hi-Tech English language lab has also been installed to promote the proficiency of the students in all the skills of English language. A big and modish library has been provided to sustain the literary and academic growth of the students. Double stills, Spectrometer, GM Counter, Poisson Ratio for rubber, Sextant, Fume Hood, Cathode ray oscilloscope, Ph meter, LCR Resonance, conduct meter, Refract meter etc. In earlier period, campaign for promoting higher education was started to provide quality education to the rural area students. They got benefits of easy approach as compared to other government college in Kapurthala district. This institution proved itself as remarkable in character building of students who are later serving the nation in different fields.

At present with introducing job-oriented courses and installation of technology with infrastructure students showed their inclination towards this institution. In recent days, numbers of extracurricular

activities are planned for holistic development of students. Sports and educational tours are assisting to keep the students in touch with society in which they will have to survive for their whole life.

Further, this institution is following the directions which meet the global demands as distance education program are started in UG and PG Courses in which will result in increasing enrolment of learners.

Details of Permanent Faculty

Best Practices & Innovations

Organizing industrial visits, guest lectures, and internships to provide practical, hands-on experience. Encouraging students to work on projects that address real-world societal or environmental problems. Enhancing campus security through improved lighting, surveillance systems, and emergency response protocols.

Creating spaces where students and faculty can interact, collaborate, and learn from each other. Providing counselling, mentoring, and career guidance to support students' holistic development. Implementing initiatives to promote students' physical and mental well-being. Investing in training and development programs for faculty to enhance their teaching skills and stay updated with the latest pedagogical approaches.

Providing Workshops to improve students' communication and interpersonal skills. Collaborating with industries to provide students with relevant skills and knowledge. Implementing feedback systems for students, faculty, and staff to identify areas for improvement.

Encouraging students to participate in clubs and extracurricular activities to foster their interests and skills. By adopting these best practices and embracing innovation, colleges can create a dynamic and enriching learning environment that prepares students for success in their chosen fields and contributes to their overall development.

Achievements of students and faculty members etc.

Dr. Jagsir Singh, Assistant Professor in Sociology

- Brar, J. S., (2024). A Sociological study of social and Mental health of people living in border area of Punjab, Radha Kamal Mukherji: Chintan Parmpara Concept; Volume 26 No. 1; 190-195.
- Participated in two days' workshop organized by Bhartiya Bhasha Samvaradhan Samiti (Punjabi) for writing Text books of B.A./B.Sc./B. Com in Punjabi on September 21-22, 2024 at ICSSR, Panjab University, Chandigarh.

GURU NANAK DEV UNIVERESITY COLLEGE VERKA

About College:

With the support of UGC and Punjab Government, GNDU College Verka was established with the mission to provide quality and affordable education to rural and educationally backward students. The early session witnessed around 900 students which was a significant milestone for rural upliftment through education. With steady growth in academics, extracurricular activities and community engagement, the college nurtures holistic student development while focusing on cultural values. The College has well equipped Science labs, Psychology Lab, Geography lab , Computer labs and library . Besides the college has NCC unit, NSS units, Eco club, Buddy Programme, Placement cell, Posh committee, anti-ragging cell , Mendeleev Society and Bhagat Puran Singh literary Society to protect and enrich students. The NEP 2020 has been incorporated and the college adheres to systems like credit-based evaluation, online admissions and counselling, all aligned with GNDU's tech forward platform. The future plans involve introduction of new post graduate and professional courses to cater to evolving market demands. Emphasis will also be on strengthening industry linkages, MOUs with corporate bodies and placement support system to improve career outcomes.

Details of Programmes/ Activities organised:

S No.	Details of the Event
1	Seven days NSS Camp was held teeming with various expert lectures & activities. The nearby Village named Jahangir was adopted for cleanliness and campaigns against social evils
2	NCC Activities are conducted throughout the year and cadets attended camps too
3	Red Ribbon club organised Blood Donation Camp, reel making competition on AIDS Awareness and expert lecture on TB
4	Psychology Department celebrated Mental Health Day , organised students' visit to The Hermitage, Rehabilitation Centre and held special lecture on 'Gandhian Values" by Padam Shree Awardee Augus Indra Udayana Ji
5	Eco Club established vermi composting unit in college and held plantation drive
6	Awareness campaign against anti ragging for students and placement drives were conducted for students by concerned Teacher Incharge
7	Jashan e Commerce by Commerce department

Best Practices and Innovations

1. Peer led Initiatives and Mental Health Counselling
2. ICT enabled learning and virtual events
3. MOUs and visiting Experts
4. Community Outreach Programs
5. Environmental and Social responsibility
6. Research Projects and field Work

Publications and Achievements:

The faculty is ever engaged in intellectual and research pursuits with research publications in reputed peer reviewed journals indexed in various databases like scopus, google scholar and web of Science. The teachers have presented their research work in National and International Conferences. They have also attended FDPs, Wokshops , seminars and webinars in their respective fields.

- **Dr. Nisha Chhabra** has published one research paper and presented another research paper in an International Conference on Neuropsychology held in Amsterdam (Online Mode).She was invited as Resource person in DAV University Jalandhar, Baba Bhag Singh University, Psychology Deptt, GNDU , NLI Bhilowal, The Millennium School and Satya Bharti School. She is supervising 4 candidates for award of PhD and is pursuing MOU done with Rekhi Foundation of Happiness, USA.
- **Dr. Sonika Thakur** has published two research papers in International Journals of repute((Elsevier). She presented paper in a national conference on 'Current Advances in Physical Sciences" held at Khalsa College.
- **Dr. Rupinderpreet Kaur** has 6 research papers and book chapters published to her credit. She has presented 2 papers; one in national and other in international conference. She is supervising one candidate for award of PhD.
- **Dr. Manjit Kaur** is actively pursuing ICSSR sponsored project on Stubble burning along with **Dr. Rupinderpreet Kaur** and has recorded 2 mooc programs on Swayam Prabha.She is guiding 4 fellows for award of PhD. She was invited as Resource person at Khalsa College of Education.
- **Dr. Jatinder Kaur** presented one research paper in a National seminar and another in an International Conference.
- **Dr. Jasminderpal Singh** is supervising 3 candidates for award of Ph.D.

Achievements of Students:

- In ESBS NCC camp, the college students won 2nd position in debate, 1st in Tug of war and 'Best Company Senior"
- In CATC NCC Camp, our student won overall Best Senior and Best Piloting award
- One NCC cadet from college got selected for Mountaineering training camp held at Manali.
- One NCC cadet was selected for Pre TSC 1 camp at Ropar, the only cadet from 24 Battalion, Punjab.
- The students of college were selected for Water sports camp organised by Youth services, Punjab.
- They participated in Youth Outreach program at Parul University, Gujarat.
- The college team won 2nd position in Photography, 3rd in skit, mime and percussion in Zonal Youth festival.

GURU NANAK DEV UNIVERSITY COLLEGE, CHUNGH

About the College

Keeping in view the academic needs of the residents of rural, semi-urban and border areas of Tarn Taran district to impart affordable quality education to spread knowledge, the Higher Education department of the Government of Punjab established this College as Government College, Chungh (Tarn Taran). The foundation stone of the College was laid on 18th of February, 2010 by the Hon'ble Chief Minister of Punjab, S. Parkash Singh Badal in the presence of the education, Civil Aviation, Vigilance and Law Minister Dr. Upinderjit Kaur; Member of Parliament, S. Ratan Singh Ajnala; M.LA. Valtoha constituency, S. VirsaSingh Valtoha; Principal Secretary, Higher Education, S. K.B.S Sidhu, IAS and Deputy Commissioner Tarn Taran, Shri Khushi Ram. Later on, the Punjab Government handed over the College to the administration of the University as a Constituent College and the College was renamed as Guru Nanak Dev University College, Chungh (Tarn Taran). Subsequently, the formal inauguration of the college was held on October 21, 2011 by Hon'ble Chief Minister of Punjab, S. Parkash Singh Badal. From its beginning since academic session 2011-12, under the visionary guidance of Worthy Vice-Chancellor, Guru Nanak Dev University, Dean Academic Affairs, Dean College Development Council and under the dynamic leadership of current OSD Mrs. Kinderjit Kaur,the College is consistently endeavouring to achieve the set goals. Deserted and terrified owing to repeated Indo- Pak wars, devoid of basic infrastructure of education, even after decades of independence, this area was waiting for such a milestone to happen. Dream of development of the people was realized by the Government of Punjab in the form of this very college in the natural and beautiful setting. The college is spread over a vast campus measuring 12 acres on the Bhikhiwind - Khemkaran main road. With spacious, magnificent, sunlit and airy rooms of the four blocks- Administration Block, Science Block, ICT Block and Arts Block - the college represents a unique model of modern architecture in its own. The college housed with state-of-the-art computer, science and other laboratories; a fully computerized library stacked with large number of quality volumes; highly qualified faculty appointed by the University, is currently imparting education in as many as 10 academic courses. The college is indeed a boon for the people of this area, especially for poor section of the society.

GURU NANAK DEV UNIVERSITY COLLEGE, NAROT JAIMAL SINGH, PATHANKOT

About the College:

It is a matter of immense pride that the college has completed 14 years of its inception and has imparted outstanding service to humanity during this time period. The college has rendered exemplary work in the fields of education, sports, cultural and social services and has risen to emerge as one of the leading colleges of the area. Recognized by University Grants Commission under section 2(f) and 12 (B) of the UGC Act, 1956 vide F.No. 8407/2012 (CPP-I/C) dated July 2012, Guru Nanak Dev University College, Narot Jaimal Singh, Pathankot came into existence in the year 2011. Patronized by Prof. (Dr.) Karamjeet Singh (Vice Chancellor), Prof. (Dr.) Palwinder Singh (Dean, Academic Affairs), Prof. (Dr.) Saroj Arora (Dean, CDC) and Prof. Karamjit Singh Chahal (Registrar), the college has taken big leads in academics, cultural activities and social commitments. Our college houses 16 departments and offers 4 post graduate and 7 under graduate programmes, 3 undergraduate and 1 Post Graduate diploma. The college periodical conducts Workshops, Regional and National Seminars, Departmental Activities, Lectures and Industrial visits/field trips for students. The Unique pedagogical practices of college are largely responsible for its overall growth. In future college intends to introduce new undergraduate & postgraduate programs (e.g., in AI, Data Science) and start skill-based diploma or certificate courses. We also plan to conduct guest lectures, seminars and promote research, culture among faculty. Future plan is to make volleyball court and computerize the library and also make campus greener and cleaner. We plan to organize industrial visits, field trips & internship for students. We will focus on improving communication skills and grooming personality of students. We plan to organize awareness campaigns on digital literacy, plastic free environment, health and hygiene. We will also organize medical camp in our college.

- On September 25, 2024 our college girls team participated in the kho-kho tournament held at GNDU College, Lamini, Pathankot as part of the Punjab government's "Kheda Watan Punjab Diyan" event and got third position.

Innovative Teaching Methods

1. Group Discussion in Subjects like Communication skill, Business Studies.
2. Project based methods in computers and science.
3. ICT enabled teaching learning.

4. Daily Assignments given by teacher to students.
5. Remedial class for slow learners and advanced learners classes for bright students.
6. Use of power point.
7. Tutorials and online study materials.
8. Projector and Transparencies.
9. Quiz related to subjects.

Best Practices

1. To add values to human life.
2. All round Development of students.
3. Value/skill-based courses
4. Feedback collection
5. Talent identification among students
6. Theory taught with experimentation in Lab
7. Continuous evaluation of students in form of class test, monthly test, mid semester test, assignment and seminars.

SHRI GURU TEG BAHADUR COLLEGE, SATHIALA

Introduction of the College

Shri Guru Teg Bahadur College, Sathiala, is located on the Jalandhar-Batala road, near the historically significant town of Baba Bakala. This esteemed institution stands on the sacred land associated with the Ninth Sikh Guru, Shri Guru Teg Bahadur Ji. Far from the noise and distractions of urban life, the college boasts an iconic arch-shaped building, an expansive open campus, lush green surroundings, and a serene natural environment—hallmarks of its tranquil and inspiring setting. The credit for the establishment of this prestigious institution goes to the visionary efforts of Baba Budh Singh Ji, whose selfless dedication and extraordinary contributions of mind, body, and wealth led to the founding of National College Sathiala in 1955. Baba Ji's spirit of service, shaped by his experiences in Malaysia and his association with the freedom struggle under Subhash Chandra Bose, inspired him to invest in the cause of education. Through his relentless efforts, 88 acres of land were secured for the college, with the village of Sathiala alone donating 55 acres. The college has since served as a beacon of knowledge and opportunity, empowering countless students to achieve distinguished positions in administrative services, politics, and other fields. It has also been a vibrant hub for cultural and political activities, shaping well-rounded individuals with a sense of social responsibility. In April 1967, recognizing the evolving needs of the institution, its management was entrusted to the Sikh Education Society, Jalandhar. Subsequently, on 16th December 1974, with the initiative of the renowned politician Sohan Singh Jalalusma and the diligent efforts of college teacher Karta Ram Ji, the institution transitioned from private management to government administration. It was then renamed Shri Guru Teg Bahadur Government College, Sathiala. A significant milestone in the college's journey came in July 2011 when, in recognition of its exemplary academic performance, the Punjab Government handed over its administration to Guru Nanak Dev University, Amritsar. As a constituent college of the university, it was renamed Shri Guru Teg Bahadur College, Sathiala. Under the management of Guru Nanak Dev University, the college has seen a paradigm shift, with the introduction of diverse courses tailored to contemporary needs. Alongside traditional programs, new skill development courses have been initiated to equip students with practical expertise for the modern world.

Mission

The college's mission remains rooted in empowering the younger generation, fostering their holistic development, and enabling them to secure a rightful place in society. With its rich legacy, robust academic programs, and commitment to excellence, Shri Guru Teg Bahadur College, Sathiala, continues to shape future leaders and uphold its mission of service to the community.

Vision

- To promote and propagate the life and philosophy of Sri Guru Teg Bahadur Ji while fostering the values of human rights, freedom, self-respect, and the creation of a fearless society.
- To provide students with high-quality education that is relevant to the demands of the modern era and fulfills contemporary societal needs.
- To instill a sense of patriotism among the youth and assist them in becoming responsible and aware citizens.
- To equip students with vocational education that is practical and beneficial in their professional lives.
- To establish an advanced education system that integrates modern technology, meets contemporary requirements, and serves as a guiding force for the future.
- To emphasize the qualitative aspects of education and nurture dedicated, enthusiastic, and determined individuals who contribute to both personal and institutional progress.
- To build a progressive society by developing scientifically inclined forward-thinking individuals with a far-sighted vision.

Best Practices & Innovations

Interactive Lessons: Interactive lessons involve innovation methods in teaching that actively engage students in the learning process. Instead of passively receiving information, students participate in activities, discussions, and exercises that require their input and involvement.

Blended Learning: Blended learning is an educational approach that combines traditional face-to-face instruction with online learning components. It seeks to leverage the strengths of both in-person and digital learning to create more flexible and personalized learning strategies and experience.

Project-Based Learning (PBL): Project-Based Learning is an instructional methodology that centers around students completing projects that require them to apply their knowledge and skills to real-world challenges. PBL emphasizes hands-on, collaborative learning, fostering critical thinking and problem-solving skills.

Peer Teaching: Peer teaching involves students taking on the role of the teacher to explain concepts or assist their classmates in understanding specific topics. This approach reinforces understanding through teaching and encourages collaboration.

Crossover Teaching: Crossover teaching involves educators from different subjects collaborating to integrate content from multiple disciplines. This interdisciplinary approach aims to show the interconnectedness of different subjects and enhance the relevance of learning.

Problem-Based Learning: Problem-Based Learning (PBL) is an instructional method where students learn through solving real-world problems. It promotes critical thinking, collaboration, and the application of knowledge to practical situations.

Collaborative Learning : Collaborative learning involves students working together in groups to achieve shared learning goals. It promotes communication, teamwork, and the exchange of innovative ideas in education. Incorporation of elements of Artificial Intelligence, Machine Learning in the Projects of Computer Science Students

GURU NANAK DEV UNIVERSITY COLLEGE, PATTI (TARN TARAN)

Introduction of the College

Guru Nanak Dev University College, Patti was initially established as Government College in 1969. Government College Patti benefited the Patti belt tremendously in terms of education but it failed to fulfil the needs of changing scenario due to lack of new professional and vocational courses and deficiency of staff. Later on college came under the management of university from the session 2012-13 and renamed as Guru Nanak Dev University College, Patti.

Salient Features of the College

- Constituent College of Guru Nanak Dev University.
- College recognized under 2(f) and 12 (B) of UGC act 1956.
- Affordable quality education: Very less fee in comparison to private colleges.
- Centre of Co-education.
- Highly qualified and experienced faculty appointed by Guru Nanak Dev University.
- Excellent Academic result and healthy academic environment.
- Magnificent, airy and spacious building.
- Well equipped Chemistry, Physics, Computer, Botany, Zoology and Vocational laboratories with ICT facilities.
- Skill development courses for employability enhancements.
- Library stacked with large number of books and journals.
- Vast campus spread over 12.5 acres situated on the main road.
- Excellent play ground, badminton and volleyball and Basketball courts.
- Emphasis on Cultural, social and sports activities.
- Organization of workshops, seminars, extension lectures for the overall development of the students.
- Campus with aqua guards, water coolers and internet facilities.
- Efficient NSS wing to inculcate social values among the students.
- Efficient NCC wing to provide military training as well to inculcate values like discipline, selflessness, honesty, hard work, confidence and leadership qualities in the students.

Achievements and Activities

- After the downfall as Govt. College, Guru Nanak Dev University College, Patti achieved the strength of 1184 with 683 girls and 501 boys in year 2024.
- College students performed well in university exams.
- College students bagged various positions at university level in extracurricular activities.
- College students won various position in Zonal Youth Festival held at GNDU, Amritsar.
- Students actively participated in various sports, NSS and NCC activities.
- New Course B.Sc (Medical) was started in session 2024-25.

Name of Principal/O.S.D.:- Mrs. Kinderjit Kaur

GURU NANAK DEV UNIVERSITY COLLEGE, PATHANKOT

Introduction of the College

College was opened in July, 2016 by RUSA handed over to Punjab Govt. then to Guru Nanak Dev University, Amritsar. It is a model college (RUSA) recognised by UGC under 2F and 12B scheme with strength of 1196 students.

Name of Principal: Dr. Arpana

Detail of Regular Faculty:

S.No	Name	Designation	Subject
1	Dr. Jaspreet Kaur	Assistant Professor	Punjabi
2	Dr.Mohit Angurala	Assistant Professor	Computer Science

Detail of Part Time Faculty:

S.No	Name	Subject
1.	Ms. Kavita	Punjabi
2.	Ms. Harkamal Kaur	Punjabi
3.	Ms. Sumiti Mahajan	English
4.	Mr. Prince	English
5.	Ms. Ankita	English
6.	Dr. Aarti Mahajan	English
7.	Ms. Shweta Kalra	English
8.	Ms. Kanika	English
9.	Ms. Neha Dutt	Commerce
10.	Mr. Anshul Mahajan	Commerce
11.	Ms. Roopjyot	Commerce
12.	Ms. Vinta Devi	Commerce
13.	Ms. Vandana	Commerce
14.	Mr. Dinesh Bharadwaj	Computer Science
15.	Ms. Mandeep Sandhu	Computer Science
16.	Mr. Vivek	Computer Science
17.	Mr. Ravinder Kumar	Maths
18.	Ms. Babita Saini	Maths
19.	Mr. Abhinav Jajwal	Maths
20.	Ms. Geetanjali	Physics
21.	Dr. Geeta Sharma	Economics
22.	Mr. Bhushan Lal	Pol. Science
23.	Ms. Shifali	History
24.	Dr. Ashok Pankaj	Hindi
25.	Dr. Shailza Saili	Hindi
26.	Mr. Rakesh	Physical Education
27.	Dr. Kulwinder Kaur	Botany
28.	Mr. Subham Sharma	Zoology
29.	Ms. Tamanna	Chemistry
30.	Ms. Nidhi Andotra	Fine-Arts
31.	Ms. Pooja Gupta	Fashion Design
32.	Ms. Nidhi Dogra	Fashion Design
33.	Ms. Anjali	Fashion Design
34.	Mr. Kavi Raj	Music
35.	Ms. Madhupant	Home Science

Achievements: Within eight years of its inception, the College started catering to the Higher Education needs of more than 1100 students in the year 2024-25, beginning with 899 in 2016 and 1420 in 2017 and 1815 in 2018, 1969 in 2019, 1714 in 2020, 2028 in 2021, 1776 in 2022 and 1650 in 2023. It was started as a Multi-faculty Graduate College with Arts/ Science/Commerce streams and as on today, it has as many 29 classes including BA, BSc in Economics, Non-Medical, Computer Science and Medical, B.Com, BCA, BSc(IT), BSc(FD), MSc(FD &M), MA(English), M.Com, MA(Hindi), MSc(Mathematics), MA(Punjabi) and MSc(Comp.Sc.).

Infrastructure: There are 20 class rooms with comfortable benches for students, a spacious library, well equipped LABs/ Lease line, Wi-Fi Campus, Big Play Grounds, Eco-friendly Campus, Water Coolers, ROs in all blocks, Big Conference Hall with multimedia facilities, Meeting Room, Canteen. Drinking water facilities have been provided in all blocks. Separate parking for boys, girls and staff members has been created.

Academics: Our College imparts instructions in as many as 28 classes which are covered under the broad domain of Humanities, Science, Commerce, Arts, Fashion Designing, Computer Science. The total number of subjects turns out to be more than fifty. Right from the year of its inception i.e. 2016, our students have been placed in first ten positions in the University result gazettes.

Sports: Our College is committed to give a big boost to the Sports activities among students as also among citizens of Pathankot and its surroundings. While at present, our students participate in various Sports such as Cricket, Wrestling, Best Physique, Long Jump, Volleyball (Men and Women), Kabaddi (Men and Women), Swimming, Karate and Athletics. We intend to introduce more sports in our college.

Details of the programs/seminars/conferences etc. conducted from 01.07.2024 - 30.06.2025

GURU NANAK DEV UNIVERSITY COLLEGE, SUJANPUR

Introduction of the College

Guru Nanak Dev University College, Sujanpur was established as Govt. College, Sujanpur but was handed over to Guru Nanak Dev University, Amritsar as a Constituent College as passed in the University Syndicate Meeting on 16.06.2016. The College is situated near Baag Wali Mata Mandir over a land of 7 acres. The huge building is being constructed by the Govt. and the furniture and science equipments have also been supplied by the DPI Colleges, Punjab. In the session 2024-25, 534 students were enrolled in the College in B.A, B.Sc (Med,N.M,C.Sci & Eco.), B.Com , M.A Punjabi , P.G.D.C.A,. The Girls-boys ratio in the College is almost 2:5 in year 2024-25. 85% students especially girls belong to economically backward Categories and to rural and backward areas of Sujanpur. For the Session (2024-25), the results are still awaited and we hope to improve our performance. One of our students Mr. Harsh Kumar qualified UGC NET-JRF (national level exam). In M. A. Punjabi our result is 100%. B Com Sem 6th results are also 100% as well, with Jhalak scoring 79%, Diksha 77%, and Prerna scoring 76% marks.

Name of Principal: Dr. Rakesh Mohan Sharma (O.S.D)

Academic achievements of staff in session 2024-25:

Dr. Rakesh Mohan Sharma (OSD)

- Chaired a panel session on 21 June 2025 during World Criminology Congress organized by International Criminology Society and Jindal Global University Sonipat in the JGU University Campus Sonipat.

Mrs. Sukhjinder Kaur

Paper Publication in Peer-Reviewed Journal (UGC Care list)

- Sukhjinder Kaur and Dr. Lakhwinder Singh Kang (2025), Business expertise of women directors and firm performance: The moderating role of women directors, JIM QUEST Journal of management and technology 2025, Vol. 21, No.1 Special issue on international conference on RISE 2025 pp 97-108 ISSN 0975-6280

Paper presented in International conferences

- Presented a paper at the 5th International Changing Business Paradigms (ICCBP-2025) from 9th-11th January 2025, conducted online on the topic, 'Unraveling Board Gender Dynamics and Firm Performance: Insights from the Indian IT Sector," organised by Management Development Institute Murshidabad, West Bengal, India
- Presented a paper at the International Conference on RISE 2025; Responsible Innovation for a Sustainable Economy, on the topic Business expertise of women directors and firm performance: The moderating role of women directors, organised by Jaipuria Institute of Management, Indirapuram, Ghaziabad, on 5th July 2025.

Workshops

- Attended "1-day e-workshop AI tools for Research" organised by the Central for Research, Innovation and Training (CRIT) IIS (deemed to be a university), Jaipur on 25 October, 2024

Ms. Megha Sharma

- Participated as a Resource Person in a workshop at Pandit Mohan Lal SD College for Women, Gurdaspur on the topic "Effective Sales and Marketing Strategies for Young Entrepreneurs" on 8 February 2025.
- Presented a paper at Pandit Mohan Lal SD College for Women, Gurdaspur on the topic "Exploring Green Start-up Opportunities in India-Advancing Sustainable Entrepreneurship" at a Regional Seminar sponsored by GGDSD College Society Chandigarh on 15 March 2025.
- Participated in and successfully completed the online NEP 2020 Orientation and Sensitization Programm under Malaviya Mission Teacher Training Programme (MM-TTP) of GNDU organized by MMTC GNDU Amritsar from 16 August 2024 to 24 August 2024.

Mr. Jashanjot Singh Johal

- Translated a book from English to Punjabi originally written by Yuvraj Malik, Director of National Book Trust of India entitled "Bharat Bhagya Vidhata" (Titled: **ਭਾਰਤ ਭਾਗਯ ਵਿਧਾਤਾ** ISBN 978-93 6719-489-8) published by National Book Trust of India, New Delhi (2025).

Dr. Vishal Kumar

- ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਅੰਮ੍ਰਿਤਸਰ ਦੇ ਮਾਲਵੀਆ ਮਿਸ਼ਨ ਟਰੇਨਿੰਗ ਸੈਂਟਰ ਵੱਲੋਂ ਭਾਸ਼ਾਵਾਂ, ਤੁਲਨਾਤਮਕ ਸਾਹਿਤ ਅਤੇ ਸਭਿਆਚਾਰ ਸਿੱਖਿਆ ਦਾ ਰਿਫਰੈਸ਼ਰ ਕੋਰਸ ਲਗਾਇਆ 25-06-24 ਤੋਂ 08-07-24।
- ਸੰਗਤ ਭਵਨ, ਨਵੀਂ ਦਿੱਲੀ ਵੱਲੋਂ ਪ੍ਰਕਾਸ਼ਿਤ ਪੱਤ੍ਰਿਕਾ ਸੰਗਤ ਉਦਘੋਸ਼ ਦੇ ਪਹਿਲੇ ਅੰਕ ਦਾ ਸੰਪਾਦਨ (ਨਵੰਬਰ 2024)।
- ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ, ਅੰਮ੍ਰਿਤਸਰ ਦੀ ਭਾਸ਼ਾ ਫੈਕਲਟੀ ਦੇ ਮੈਂਬਰ ਵਜੋਂ ਨਾਮਜਦ (01-07-2024 ਤੋਂ 30-06-2026)
- ਮਾਲਾ ਕਿਉਂ ਤਲਵਾਰ ਬਣੀ : ਰਾਸ਼ਟਰੀ ਨਾਇਕ ਦਾ ਸੰਕਲਪ, ਸ਼ਬਦ ਬ੍ਰੂੰਦ ਦੀਪਕ ਜੈਤੋਈ ਵਿਸ਼ੇਸ ਅੰਕ, ਜੁਲਾਈ ਸਤੰਬਰ 2024।

ਅਖਬਾਰ ਵਿੱਚ ਪ੍ਰਕਾਸ਼ਿਤ

- ਅਜੋਕੀ ਪੰਜਾਬੀ ਗਾਇਕੀ ਵਿੱਚ ਅਨੋਰਤ ਦਾ ਅਕਸ, ਪੰਜਾਬੀ ਜਾਗਰਣ 5-10-2024. ਬੇ-ਆਬ ਹੋ ਰਿਹਾ ਪੰਜਾਬ, ਪੰਜਾਬ ਟਾਈਮਜ਼, ਅਮਰੀਕਾ, 12-10-2024।

ਪੇਪਰ ਪੇਸ਼ਕਾਰੀ

- ਖਾਲਸਾ ਕਾਲਜ, ਅੰਮ੍ਰਿਤਸਰ ਵੱਲੋਂ ਪੰਜਾਬ ਦੀ ਵੰਡ: ਪੁਨਰ ਚਿੰਤਨ ਵਿਸ਼ੇ ਤੇ ਕਰਵਾਏ ਦੋ ਰੋਜ਼ਾ ਰਾਸ਼ਟਰੀ ਸੈਮੀਨਾਰ ਵਿੱਚ ਖੋਜ-ਪੱਤਰ ਪੇਸ਼ ਕੀਤਾ।
- ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ, ਅੰਮ੍ਰਿਤਸਰ ਦੇ ਮਦਨ ਮੋਹਨ ਮਾਲਵੀਆ ਟੀਚਰ ਟ੍ਰੈਨਿੰਗ ਸੈਂਟਰ ਵਿੱਚ ਯੂ.ਜੀ.ਸੀ. ਵੱਲੋ ਲਗਾਏ ਭਾਰਤੀ ਗਿਆਨ ਪਰੰਪਰਾ ਬਾਰੇ ਪ੍ਰੋਗਰਾਮ ਮਿਤੀ 03-03-2025 ਤੋਂ 08-03-2025 ਤੱਕ ਲਗਾਇਆ।

Mrs. Geetanjali

Book Published:

- ਵਿਸ਼ਾ ਪੇਸ਼: ਅਟੁੱਟ ਮਾਨਵਦ ਦਾ ਸਿਧਾਂਤ
- ਯੁੱਧ ਨਾਦ: ਗੀਤਾਂਜਲੀ ਦੁਆਰਾ ਸੰਦਰਭ ਤੇ ਸਮੀਕਸ਼ਾ, ਪ੍ਰਕਾਸ਼ਿਤ: ਸੁੰਦਰ ਬੁੱਕ ਡਿਪੋ, ISBN-978-81-984055-5-5

BABA NAMDEV UNIVERSITY COLLEGE, KISHANKOT

Introduction:

Baba Namdev University College, Kishankot was established as a constituent college of GNDU, Amritsar in 2016. It is a post-graduate, multi-faculty,co-educational college recognized under 2F & 12B of UGC Act. This establishment is a result of united efforts of MHRD, Govt. of Punjab and GNDU, Amritsar. This college is under the new scheme with special purpose to raise the standard of higher education especially for the population of remote, rural and backward area. It is historic step taken by Punjab Government which will always be remembered by people of this area.

In this college all those courses which have some special relevance in present times and are in demand are being offered. At present, courses being run in the college are:- B.A., B.Sc.(Medical, Non-Medical, Computer Science, Fashion Designing), BCA, B.Com, MA (Punjabi), DCA, Diploma in Cosmetology. The new courses :- MA in History, M.Sc. computer Science, PGDCA, Diploma in web Designing, Diploma in stitching & Tailoring, Diploma in Library Science) sanctioned by GNDU Amritsar are starting from the next session. The aim of these courses is to prepare the students for the challenges in modern times. The fee structure of this constituent college is less than other private colleges. Students enrolled in the session 2024-25 were more than 610. The college has well equipped labs of Science, Computer, Fashion Designing and Cosmetology Departments. The college has facility of Library and playground for the students. The college is also under the surveillance of CCTV cameras. Since constituent colleges are under the management of Guru Nanak Dev University, Amritsar. Therefore University appoints or recruits the staff of the college. The competence and efficiency of teaching as well as non-teaching faculty of college has been well exhibited in the performance of students in all the spheres of student's development. It takes pride in inculcating the spirit of self-confidence, perseverance and analytical thinking in the students besides fulfilling the aim of providing excellent facilities for learning and achieving scholastic heights.

GURU NANAK DEV UNIVERSITY COLLEGE, PHILLAUR

Introduction of the College

This college has been established in 2016 under the Guru Nanak Dev University, Amritsar. It is an institution with a sprawling campus. This college is situated in the green surroundings of the countryside far from madding crowd and pollution of the city. Wings of this College have Arts and Commerce faculties. This establishment is a result of united effort of UGC, Government of Punjab and Guru Nanak Dev University, Amritsar. This college is under the new scheme with special purposes of raising the standard of higher education specially in rural area.

This constituent college is under GNDU Management. It is the responsibility of the University to appoint or recruit the staff of the college. But it will get financial support from Punjab Government and UGC. For that reason, the fee structure has been according to the government colleges. Private college are out of the reach of the needy students. This constituent college has been established to provide qualitative and affordable education. The credit also goes to Vice-Chancellor of University, who has put in great efforts to establish this college.

GURU NANAK DEV UNIVERSITY COLLEGE, NAKODAR

Introduction of the College:

Guru Nanak Dev University College, Nakodar was established in 2016 under the aegis of Guru Nanak Dev University, Amritsar. It is an institution with a sprawling campus. This college is situated in the green surroundings of the countryside far from madding crowd and pollution of the city. This establishment is a result of united effort of UGC, Government of Punjab and Guru Nanak Dev University, Amritsar. This college is under the new scheme with special purpose of raising the standard of higher education especially in rural areas. It is located on Nakodar-Mehatpur road at the distance of just few hundred meters from railway station and two kilometres from the bus stand. The college offers various undergraduate and postgraduate courses in Arts, Commerce and Science stream. Keeping in view the demands of the students new courses are being added year by year. The college is offering post graduate programmes namely M.A (Punjabi), M.A.(Political Science) & M.Com. At undergraduate level various programmes that are being offered are B.A., B.Com, B.C.A., B.Sc.(Economics) and B.Sc.(Non-Medical).The students are also deriving the benefits of one year diploma programmes being offered by the college. These are Certificate Course in Computer Application, Certificate Course in Professional Accountancy and Certificate Course in Cosmetology. These courses aim at providing employment opportunities to the youth of the region.

The infrastructural facilities of the college are par excellence. The class rooms, science labs, computer Labs, seminar halls are designed in such a manner so that teaching learning process can be efficiently carried on. To facilitate the teaching process Wi-Fi facility and multimedia projectors are made available to the students. Apart from the academic inputs the college lays emphasis on all- round development of the students. During the academic year 2024-25, various departments of the College conducted activities for inculcating extra-curricular skills in the students.

The college continuously makes whole-hearted efforts to ensure the overall personality development of the students. Besides ensuring academic growth of the students, the activities conducted by various departments aim at inculcating the essential life-skills. To commemorate, the Punjabi department celebrated International Mother Tongue day to promote the importance of native languages and cultural heritage. Students and teachers participated in the poetry recitations, speeches, and cultural performances. The event inspired everyone to respect and preserve their mother tongue in future generations. The college organised International Women's Day with great zeal. The event featured inspiring speeches and poetry, recitation by students and teachers on the role of women in society and gender equality. The college organised a heartfelt event to commemorate the martyrdom of Shaheed-e-azam Sardar Bhagat Singh. The program paid tribute to the great revolutionary, whose sacrifice continues to inspire generations. The computer Science department proudly hosted "Tech-Fest 2025" – a dynamic event to promote digital excellence among the students. The students participated in various competitions such as multimedia presentation, short films, poster making, website making and ad-mad show.

The N.S.S. unit observed World Health Day to raise awareness about the importance of good health and well-being. The event motivated everyone to adopt a healthier lifestyle. The Political Science department celebrated Dr. B.R. Ambedkar Jyanti and Vaisakhi festival with great enthusiasm. The students participated in cultural activities, speeches and discussions that highlighted the importance of equality, unity and cultural heritage.

The N.S.S. unit conducted an anti-drug awareness event to educate students about the harmful effects of drug abuse. Students took a pledge to stay away from drugs and lead a healthy responsible life. International Yoga Day was celebrated to promote the importance of physical and mental well-being. The students also performed different yoga asanas. The event highlighted the benefits of yoga for a healthy and balanced lifestyle. The N.S.S. unit of our college organised an educational and spiritual trip to the Gurudwaras of Sultanpur Lodhi, Khadoor Sahib and Gobindwal Sahib. Students visited these historical Gurudawaras to learn about the history of Sikhism and its values. The Department of Commerce and Computer Science organised an educational and recreational trip to Mini Goa, Mukteshwar Dham and Kathgarh Temple. The visit offered the students a chance to explore the natural beauty and learn about the historical and religious significance of these places.

The Eco-Club incharge of our college Mr. Jaideep Singh, Assistant Professor in English organised an educational trip to Hari-ke-Pattan to raise awareness about wetland conservation. The students observed the rich biodiversity of the Harike Wetland and learned about the importance of protecting migratory birds and natural habitats. The college continuously makes whole-hearted efforts to ensure the overall personality development of the students. Besides ensuring academic growth of the students, the activities conducted by various departments aim at inculcating several other skills.

- Ms. Kamalpreet Kaur has attended FDP on "National Financial Awareness" at G.N.D.U. college, Jalandhar from 03/02/2025 to 05/02/2025.

Seminar/Conference/Workshops/Invited Lectures/Courses/Symposia organised by the College:

The Department of Commerce organized an insightful guest seminar under the guidance of Ms. Pooja Sukheja, Assistant professor in Commerce and college Incharge. The seminar feautered CS Nagesh Kumar from Institute of Company Secretaries of India, New Delhi as esteemed guest speaker, who delivered an engaging lecture on "Introduction to capital market & carreer options on it" under the aegis of NSE Ltd. During the session, CS Nagesh Kumar provided valuable insights into the fundamentals of

capital market, highlighting its significance in the financial ecosystem. It provided knowledge to the students about stock exchanges, investment strategies and market trends.

The Department of Punjabi organized an interactive session with acclaimed Punjabi novelist Mittar Sain Meet under the guidance of College Incharge Ms. Pooja Sukheja and Punjabi Department faculty Ms. Dolly and Ms. Ramandeep Kaur. Mr. Meet inspired students to preserve and promote Punjabi language, shared insights from his literary journey, and gifted books to students and faculty. The event also featured guests Mr. Davinder Singh Sekha, Mr. Nirmal Singh Ottawa, and Mr. Sukhinder Pal Singh Sandhu. Prof. Jaideep Singh expressed gratitude, and Ms. Sukheja highlighted the importance of staying rooted in one's mother tongue while embracing global perspectives.

The Commerce Department, in collaboration with Plutus Education, organized an online seminar titled "How to Land a High-Paying Job in Big 4s & MNCs." The session was conducted by Ms. Khushi Gera, ACCA Affiliate, CFA, and Ex-Audit Professional, with support from college Incharge Prof. Pooja Sukheja and coordinators Prof. Bhupesh and Prof. Kamalpreet Kaur. Ms. Gera shared practical tips on skills, interview preparation, and industry expectations. The session was informative and engaging, and students participated actively.

Innovation and Best Practices:

The students of the college come from villages adjoining Nakodar. Being from the rural background they require guidance on various aspects. Several innovative methods & practices are adopted by the institution to provide them much-needed guidance. The faculty members motivate them in many ways.

The college has a Placement Cell run by Mr. Jaideep Singh, Assistant Professor in English. As Placement Cell Incharge he guides and holds counselling sessions for the students and imparts knowledge regarding the new courses, selection of the courses and information of various government and private jobs to the students from time to time. The Placement Cell also maintains communication regarding its activities with the Placement Cell of Guru Nanak Dev University Amritsar and District Administration Employment Exchange, Jalandhar.

BEBE NANAKI UNIVERSITY COLLEGE (GIRLS), FATTU DHINGA

A Constituent College of Guru Nanak Dev University, Amritsar established in 2019, Bebe Nanaki University College (Girls), Fattu Dhinga, is a beacon of higher education for rural and educationally underrepresented female students of the Kapurthala district. The college was founded through the collaborative efforts of the Punjab Government and Guru Nanak Dev University, Amritsar, with a clear vision of fostering holistic development and nation-building in the global era.

Vision & Mission

The college envisions empowering young women to become informed, responsible, and confident citizens who can actively contribute to society. By combining academic excellence with moral integrity, the institution is committed to nurturing future leaders equipped to face the challenges of a rapidly transforming world.

Campus and Infrastructure

Spread across 25 acres of lush green land, the college boasts a modern, student-friendly campus with:

- Well-furnished, smart classrooms with digital teaching aids
- State-of-the-art Hi-Tech Computer Labs
- A spacious, fully-equipped library with access to academic and literary resources
- Facilities that support extracurricular and co-curricular development

Faculty and Academic Environment

The college has a team of qualified and dedicated faculty members, carefully appointed by Guru Nanak Dev University. This dynamic academic environment encourages critical thinking, innovative learning, and academic rigor, ensuring that each student receives personalized guidance and mentorship.

Future and Strategic Initiatives

In line with its long-term vision, the college has laid out a few strategic development plans, including:

- Expansion of Academic Programs like Introduction of postgraduate and courses and Skill-based certificate programs in emerging fields via ODL.
- Student Support & Development : Launch of career guidance and placement cells, More opportunities for internships, industrial visits, and soft skill training, Psychological and emotional wellness support through regular counselling sessions
- Women Empowerment Initiatives : Special focus on entrepreneurship development among rural girls, Strengthening NSS, NCC, and Eco Clubs for holistic personality growth

Students and staff actively participated, making the initiative a success.	30 June 2025	30 June 2025

Innovation and Best Practices

For the overall growth and development of students, the college regularly organizes various competitions such as quizzes, essay writing, poster making, and slogan writing. To identify and nurture talent in cultural fields, an annual cultural event is held, providing a platform for students to showcase their creativity and artistic skills. Additionally, to promote physical fitness and sportsmanship, the college celebrates Sports Day every year with great enthusiasm. These activities aim to enhance students' knowledge, boost their confidence, and encourage holistic development beyond academics.

Academic Achievements

- The college students have shown remarkable academic results in various streams:
  - B. Com 1st Year: Komalpreet received a scholarship from the university based on merit.
  - B. Com3rd Year: Loveleen Kaur secured seventh position in the university merit list.

GURU GOBIND SINGH UNIVERSITY COLLEGE, JANDIALA (JALANDHAR)

About the College

Guru Gobind Singh University College, Jandiala Manjki, has a rich legacy that dates back to 1967 when it was first established as Guru Gobind Singh Republic College. The college was founded through the dedicated efforts of influential figures such as the late Major Swaran Singh Johal, Major Karnail Singh Johal, Head Master Ajit Singh Johal, and Comrade Piara Singh. Their vision was to create an institution that would offer higher education to the youth of the region, helping them achieve personal growth and academic success. Initially a privately managed and affiliated government-aided institution, the college became a significant center of learning for the local community. In 1983, under the leadership of S. Darbara Singh, the college was taken over by the Government of Punjab, marking a new chapter in its journey. However, in the following decades, the college faced several challenges, and due to changing educational policies, it was temporarily closed in 2019.

In 2021, the college underwent a major transformation, becoming a constituent college of Guru Nanak Dev University, Amritsar. This move breathed new life into the institution, with Dr. Jaspal Singh Randhawa appointed as the first principal (OSD) under the new governance structure. The college began offering a variety of new courses designed to meet the academic and professional needs of its students. Among the programs introduced were Bachelor of Computer Applications (BCA), Bachelor of Arts (Humanities), Diploma in Computer Applications, and Diploma in Cosmetology (Beauty Culture). Recognizing the importance of sports and physical education in shaping well-rounded individuals, the college also introduced the Bachelor of Physical Education and Sports (B.P.E.S.) course. In the academic session of 2022-2023, the college further expanded its academic offerings by introducing B.Com., B.Sc. (Economics), and Diploma in Professional Accountancy. These additions reflect the institution's commitment to providing a diverse and dynamic learning environment for its students.

The college is located in Jandiala (Manjki), a central village in the Doaba region of Punjab, which offers easy accessibility to students from various parts of the region. The college is well-connected through the Chandigarh-Phagwara-Nakodar-Ferozpur highway, and it is just 11 kilometers away from National Highway (NH-1). Jandiala is a historically significant area, known for producing many freedom fighters and progressive thinkers, and it is also a hub for Non-Resident Indians (NRIs) who have achieved success in various fields abroad. This rich heritage and cultural diversity contribute to the dynamic environment of the college, fostering a spirit of intellectual growth and innovation.The college has made significant strides in improving its infrastructure, with the support of NRIs, former students through local organizations such as Lok Bhalai Manch, Jandiala (an NGO) and the Gram Panchayat. These efforts have led to extensive renovations that have enhanced the learning environment for students. A key initiative has been the sponsorship of 50 needy students from the general category by a group of NRIs and former students, ensuring that financial limitations do not hinder talented students from pursuing higher education. Additionally, students from SC/ST/OBC categories continue to benefit from the Post Matric Scholarship Scheme offered by the government, promoting inclusivity and equal opportunity for all.

The college offers a range of modern facilities to support students' academic and personal growth. These include well-equipped classrooms, computer labs, Wi-Fi facilities, and a seminar hall for workshops and events. The campus is also equipped with CCTV surveillance, ensuring a secure and conducive learning environment. The college library boasts a rich collection of textbooks, reference books, professional journals, and magazines, many of which date back to the college's founding in 1967. This extensive collection provides students with the resources they need to deepen their knowledge and pursue academic excellence. Over the years, the leadership of the college has played a crucial role in its development. Dr. Sukhwinder Singh Randhawa took charge as the principal in 2022, followed by Dr. Jagsir Singh Brar, who assumed additional responsibilities in 2025. Each of these leaders, along with the dedicated faculty and staff, has worked tirelessly to ensure the college continues to evolve, meeting the changing needs of students while maintaining a high standard of education. At Guru Gobind Singh ji University College, the mission is clear: to provide students with an ethical and professional education that equips them with the wisdom, knowledge, and discipline necessary for success in life. The college is committed to nurturing not only the mind but also the soul of every individual, shaping them into well-rounded individuals who are not only academically proficient but also socially responsible. As the college continues to move forward, it remains steadfast in its commitment to producing individuals who will make meaningful contributions to society.

Details of Contractual and Part-Time Teachers Academic Year 2024-25

S.No.	Name of Teacher	Qualification
1	Dipika Dhawan	PG Diploma in Cosmetology, M.A. (Sociology)
2	Pardeep Kaur	M.Tech. (Computer Science & Engineering)
3	Manjot Kaur	M.Sc. (Computer Science)
4	Suraj Bhagat	M.Ed., M.A. (History), UGC NET Qualified
5	Anjali Yadav	M.A. (English), UGC NET Qualified
6	Ankit Sondhi	M.A. (English)
7	Gaurav Sharma	M.P.Ed.
8	Rajwinder Kaur	M.P.Ed.
9	Rajwinder Kaur	M.A. (Political Science)
10	Taranpreet Kaur	M.A. (Punjabi), M.Phil, Ph.D.
11	Manjeet Kaur	M.A. (Punjabi), UGC NET Qualified
12	Davinder Singh	M.A. (Punjabi)
13	Manpreet	M.Com., UGC NET Qualified
14	Harpreet Singh	M.Sc. (Networking & Protocol Design)
15	Gurneesh Jakhu	M.Tech. (Computer Science & Engineering)
16	Kajal	M.C.A.
17	Sonia Devi	M.P.Ed.
18	Lalit Kumar	M.P.Ed.
19	Sarbjit Kaur	M.A. (History)
20	Ankita	M.A. (Economics), UGC NET Qualified
21	Prabhjot Kaur	M.Com., UGC NET Qualified
22	Swati Rathore	M. Sc. (Zoology)

Achievements

Students of Guru Gobind Singh University College, Jandiala Manjki Bring Laurels Owing to Sporting Excellence. The institution continues to foster a culture of excellence—both in academics and

sports. This encouraging environment has enabled our students to perform exceptionally well and achieve remarkable success at prestigious national and inter-university sporting events.

Inter College Weightlifting Championship – 2024

In the 2024 Inter College Weightlifting Championship, our students showcased remarkable strength, technique, and discipline:

- Sagar – Silver Medal
- Karan Kumar – Bronze Medal

These achievements reflect the dedication and rigorous training of our weightlifting team.

Inter College Wrestling Achievements – 2024–25

A standout in the wrestling arena, Suraj has made the college proud with a series of victories at multiple levels:

- Gold Medal – 70 kg weight category, 2024 Wrestling Championship
- Represented the University (Guru Nanak Dev University, Amritsar – All India Inter-University Wrestling Championship 2025

Suraj's consistent performances highlight not only his personal dedication but also the college's commitment to nurturing sporting excellence.These outstanding accomplishments are a testament to the relentless efforts of our student-athletes, the expert coaching they receive, and the unwavering support of the college administration.

Principal, Dr. Jagsir Singh Brar, along with the faculty members, extends heartfelt congratulations to all the medal winners. The college takes immense pride in their achievements and wishes them continued success in all future endeavors. May they continue to inspire their peers and uphold the institution's legacy of excellence.

Academic Achievements and Activities

AWARDS AND ACHIEVEMENTS OF FACULTY

Name of the Department	Faculty Name	Award Name	Selection Type	Awarded By	Award Year	Award Type
Architecture	Dr. Meenakshi Singhal	FFF Award for Creative Excellence	Honorary	First Friday Forum	2024	National
Botanical & Environmental Sciences	Dr. Manpreet Singh Bhatti	Scientific Reports	Editorial Board Member	Springer Nature	2024	International
Botanical & Environmental Sciences	Dr. Nitika Kapoor	Young Scientist Award 2024 (Environment)	Elected	Society for Plant Research (SPS) (Vegetos)	2024	National
Botanical & Environmental Sciences	Dr. Satwinderjeet Kaur	Selected for Botanical Garden Development and Management Training Course	elected	International Association of Botanical Garden/ Shanghai Chenshan Botanical Garden,China	2024	International
Botanical & Environmental Sciences	Dr. Jatinder Kaur	Women Scientist Leadership Award	Elected	Society of Plant Research	2025	National
Chemistry	Dr. Vandana Bhalla	A.V.Rama Rao Prize for Women	Elected	CRSI	2025	National
Chemistry	Dr. Vandana Bhalla	Fellow of Indian Academy of Sciences	Received	Indian Academy of Sciences, Bengaluru	2025	National
Punjab School of Economics	Dr. Amanpreet Kaur	Best Paper Award	Elected	INNOVATIVE HORIZONS -Uniting Management, Accounting, Sustainability, and Technology at St. Josephs University, Bengaluru	2025	International
Electronics Technology	Dr. Pawandeep Kaur	Best Paper Award	Elected	DST-SERB sponsored International Conference IBRTEA-2024, KCET, Amritsar	2024	National
Hindi	Dr.Sapna Sharma	Acharya Chanakya sanman	Vilakshana Sarthak pehal Samiti	Vilakshana Sarthak pehal Samiti	2024	National
Hindi	Dr.Sapna Sharma	Sahitya Rattan Sanman	Navprgya kavya Foundation	Navprgya kavya Foundation	2024	National
Hindi	Dr.Sapna Sharma	Mahatma Buddh Award	PIU Trust India	PIU Trust India	2024	National

Name of the Department	Faculty Name	Award Name	Selection Type	Awarded By	Award Year	Award Type
Human Genetics	Dr. Anupam Kaur	Chief Guest	National Science Day	Lyallpur Khalsa College,	2024	National
Human Genetics	Dr. Anupam Kaur	Rangoli making competition	Judge	Mission Life – Lifestylefor Environment Education Program	2024	National
Library & Information Science	Dr Harish Chander	Dr. Ramesh Chandra Vashishth Best Paper Award		Delhi Library Association, Delhi	2025	National
Mathematics	Dr. Jitender Singh	NASI Membership	Elected	National Academy of Sciences	2024	National
Molecular Biology & Biochemistry	Dr. Harish Changotra	Fellow, Indian Virological Society	Elected	Indian Virological Society	2024	National
Molecular Biology & Biochemistry	Dr. Suresh Singh Yadav	Invited speaker	Honorary	Department of Zoology, Central University of Jammu	2024	National
Molecular Biology & Biochemistry	Dr. Suresh Singh Yadav	First prize of oral presentation in faculty group	Elected	National Environmental Science Academy (NESA)	2024	National
Molecular Biology & Biochemistry	Dr. Suresh Singh Yadav	Chaired session	Honorary	Department of Zoology, Central University of Jammu	2024	National
Music	Dr. Rajesh Sharma	Educated Pinnacle Award	Elected	Aradhya Ek Ehsas Foundation	2025	National
Pharmaceutical Sciences	Dr. Preet Mohinder Singh Bedi	Jyoti (Research fellow of Prof. P.M.S Bedi)		Best poster award 4th International Conference of Pharmacy (ICP-2024) byIndian Pharmacy Graduates Association	2024	National
Pharmaceutical Sciences	Dr. Preet Mohinder Singh Bedi	Karanvir Singh (Research fellow of Prof. P.M.S Bedi)		Poster Presentation, Secured 2nd Position, at National Conference on "Integrated Approaches in Drug Development: From Molecular Discovery to Therapeutic Formulation" Karanvir Singh: held on 27th September 2025 at Government College of Pharmacy Rohru, District Shimla, Himachal Pradesh, India.	2025	National
Pharmaceutical Sciences	Dr. Balbir Singh	Best Innovative Teacher Award	Elected	Pharma Lok, National Pharma Summit 2024, Ghaziabad	2024	National
Pharmaceutical	Prof. Subheet		Elected	One of the Ph.D. research student Manjot	2024	National

Name of the Department	Faculty Name	Award Name	Selection Type	Awarded By	Award Year	Award Type
Sciences	Kumar Jain			Kaur Received Best Poster Award (2nd position) at National conference on "Artificial intelligence driven paradigms in Drug Discovery and Pharmaceutical research held by the University Institute of Pharmaceutical Sciences and Research, BFUHS, Faridkot. May 15th, 2024		
Pharmaceutical Sciences	Prof. Subheet Kumar Jain		Elected	One of the PhD research Scholar Arprita Received Best Poster Award (2nd position) at National conference on "Artificial intelligence driven paradigms in Drug Discovery and Pharmaceutical research held by the University Institute of Pharmaceutical Sciences and Research, BFUHS, Faridkot. May 15th, 2024	2024	National
Pharmaceutical Sciences	Prof. Subheet Kumar Jain		Elected	One of the PhD research Scholar Arprita 1st position in Oral presentation at 5th National Convention of APTI Punjab State Branch "Challenges and Opportunities for Pharmacy Education supporting Indian Healthcare System'' organized by Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy	2024	National
Pharmaceutical Sciences	Prof. Subheet Kumar Jain		Elected	One of the PhD research Scholar Riya Received Best Poster Award (3rd position) at National conference on "Artificial intelligence driven paradigms in Drug Discovery and Pharmaceutical research held by the University Institute of Pharmaceutical Sciences and Research, BFUHS, Faridkot.	2024	National
Pharmaceutical Sciences	Prof. Subheet Kumar Jain		Elected	One of the PhD research Scholar Riya awarded 2nd position in Oral presentation at 5th National Convention of APTI Punjab State Branch "Challenges and Opportunities for Pharmacy Education supporting Indian Healthcare System''	2024	National

Name of the Department	Faculty Name	Award Name	Selection Type	Awarded By	Award Year	Award Type
				organized by Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy		
Pharmaceutical Sciences	Prof. Subheet Kumar Jain		Elected	One of the PhD research Scholar Riya received Best Presentation Award at Internation Conference on "Harmonizing Informatics Tools with Pharmaceutical Research for Accelerated Translation in Healthcare: Academia and Industrial Perspectives" organized by APTI (Punjab State Branch) and Bioinformatics Society of Sichuan Province China (BISSC)	2025	National
Physics	Dr. Aman Mahajan	ITODYS Lab, Université Paris Cité	Visiting Professor	Université Paris Cité, France	2024	International
School of Punjabi Studies	Kanwaljit Kaur	District Administration Amritsar	Honorary	Deputy Commissioner, Amritsar	2025	National
School of Social Sciences	Maninder Kaur	The Best Paper Award 2024	Interdisciplinary Institute of Human Security and Governance, New Delhi, India	Interdisciplinary Institute of Human Security and Governance, New Delhi, India	2024	International
Sociology	Dr.Rachana Sharma	Seminar Grant	Elected	ICSSR, New Delhi	2024	National
Sociology	Dr.Rachana Sharma	National Conference Grant	Elected	ICSSR, New Delhi	2025	National
Department of Education	Dr. Deepa Sikand Kauts	Research Fellow at Shinawatra University	Shinawatra University	Shinawatra University	2024	International
Department of Apparel and Textile Technology	Dr. Varinder Kaur		Best Oral Presentation	DST-SERB sponsored International Conference on 'IoT Based Recent Trends in Engineering and its Applications (IBRTEA- 2024)' organised on 4th and 5th of April, 2024, at Khalsa College of Engineering and Technology, Amritsar, Punjab (India)	2024	National

RESEARCH PROJECTS OF THE FACULTY

F.Y. 2024-25

Sr.No.	Name of the Faculty	Department	Funding Agency	Amount Received
1.	Dr. Kuldip Kaur	Dr. B.R. Ambedkar Chair	GVK Thermal Plant Goindwal Sahib	95,040
2.	Dr. Manjit Kaur	GNDU College, Verka	ICSSR, New Delhi	7,00,000
3.	Dr. Jasmine Sokhi	Human Genetics	DST	15,48,720
4.	Dr. Amanpreet Kaur	Maths	DS T	13,32,886
5.	Dr. Aanchal Khanna	Pharmaceutical Science	ANRF	5,15,040
6.	Dr. Vasudha Sambyal, Dr. Anupam Kaur & Dr. Kamlesh Guleria	Human Genetics	DBT New Delhi	1,83,16,560
7.	Dr. Harpreet Singh	Physics	IUAC New Delhi	25,000
8.	Dr. Gopal Kumar Johri	Guru Ramdas School of Planning	MOHUA New Delhi	1,25,00,000
9.	Dr. Saroj Arora	Botanical & Env. Sci.	PSCS&T Chandigarh	13,50,000
10.	Coordinator	GJCEI	PSCST, Chandigarh	5,00,000
11.	Dr. Rajesh Kumar	Sociology	Department of Water Resources, Punjab	6,87,500
12.	Dr. Rajesh Kumar	Sociology	Niti Ayog, Govt. of India, New Delhi	80,111
13.	Dr. Rajesh Kumar	Sociology	Department of Water Resources, Punjab	6,35,000
14.	Dr. G.S. Bajwa	School of Social Sciences	Discretionary Grant from Governor of Punjab	15,00,000
15.	Dr. Rajesh Kumar	Sociology	Department of Water Resources, Punjab	3,19,000

Strategic Insertion of Heavy Atom to Tailor TADF OLED Material for the Development of Type I Photosensitizing Catalytic Red Emissive Assemblies . Chemistryâ€”An Asian Journal , **3** , 19 . 8 . e202400033- -	International
121	Chemistry	Dr. Vandana Bhalla	Gurdeep Singh, Kulwinder Kaur, Vandana Bhalla, Ajeet Singh, Shashank K Singh, Sugam Kumar, Vinod K Aswal, Neena Bedi . 2024 . Pluronic L121-Chrysin conjugated polymeric micelles of exemestane: Improved synergistic effect, in vitro and in vivo anticancer activity . Colloids and Surfaces A: Physicochemical and Engineering Aspects , **8** , 698 . - . 134458- -	International
122	Chemistry	Dr. Vandana Bhalla	Aditya Singh, Manoj Kumar, Vandana Bhalla . 2024 . Regulating the Twisted Intramolecular Charge Transfer and Anti-heavy Atom Effect at Supramolecular Level for Favorable Photosensitizing Activity in Water . ACS Applied Materials & Interfaces , **3** , 16 . 45 . 62064- 62081	International
123	Chemistry	Dr. Vandana Bhalla	Gaurav Kumar, Manoj Kumar, Vandana Bhalla . 2024 . Dynamic Dance of Chirality and Morphology: Interplay of Solvent-Sensitive Self-Assembly in Topological Evolution and Chirality Amplification . ACS Applied Materials & Interfaces , **3** , 16 . 45 . 62988- 62998	International
124	Chemistry	Dr. Vandana Bhalla	Sourav Kumar, Manoj Kumar, Himanshi Bhambri, Sanjay K Mandal, Vandana Bhalla . 2024 . Understanding the Structural Modulations in Twisted Donorâ€”Acceptorâ€”Donor (DAD) Systems for Boosting Type I Photosensitizing Photocatalytic Activity . ACS Applied Materials & Interfaces , **5** , 16 . 49 . 67683- 67696	International
125	Chemistry	Dr. Vipan Kumar	Shekhar, MatthÃ©o Alcaraz, Amit Anand, Rajni Kant Sharma, Laurent Kremer, Vipan Kumar . 2024 . Cu-promoted synthesis of triclosan-Mannich and Glaser adducts: anti-mycobacterial evaluation with in silico validations . Future Medicinal Chemistry , **6** , 16 . 10 . 949- 961	International
126	Chemistry	Dr. Vipan Kumar	Swati, Asif Raza, Shefali Chowdhary, Amit Anand, Shaveta, Arun K. Sharma, Kewal Kumar, Vipan Kumar . 2024 . Rational Design and Synthesis of Isatin-Chalcone Hybrids Integrated with 1H-1,2,3-Triazole: Anti-Proliferative Profiling and Molecular Docking Insights . ChemMedChem , **8** , 19 . 14 . e202400015- e202400015	International

S. No.	Deptt. Name	Teacher Name	AuthorName (Year of Publication) Tiltle of Paper Name of Journal, No. of Authors, Volume (Issue), Start Page No. - End Page No.	Level
127	Chemistry	Dr. Vipan Kumar	Shefali Chowdhary, Shagun Arora, Isabelle Fonta, Joel Mosnier, Amit Anand, Bruno Pradines, and Vipan Kumar . 2024 . Design, synthesis and mechanistic exploration of anti-plasmodial Indolo [2, 3-b] quinoxaline-7-chloroquinoline hybrids . Future Medicinal Chemistry , **7** , 16 . 23 . 2507- 2521	International
128	Chemistry	Dr. Vipan Kumar	, Shefali Chowdhary, Asif Raza, Preeti, Sukhmeet Kaur, Amit Anand, Arun K. Sharma, Vipan Kumar . 2024 . Isatin-indoloquinoxaline click adducts with a potential to overcome platinum-based drug-resistance in ovarian cancer, . Bioorganic Chemistry , **7** , 142 . 0 . 0106953-0106953	International
129	Chemistry	Dr. Vipan Kumar	, Lisa ZeuÃŸel, Shefali Chowdhary, Haocheng Wu, Vipan Kumar, Sukhdeep Singh . 2024 . 7. Sustainable Harnessing of Waste Polycarbonate for Synthesizing Activated Furans to Generate Stenhouse Adducts on Polymer Surface . Chemistry - An Asian Journal , **5** , 19 . 13 . e202400369- e202400369	International
130	Chemistry	Dr. Vipan Kumar	Jasneet Kaur, Sukhmeet Kaur, Muskan, Navneet Kaur, Vipan Kumar, and Amit Anand . 2024 . Unveiling the Therapeutic Potential of Quinazolinone Derivatives in Cancer Treatment: A Comprehensive Exploration. . ChemistrySelect , **6** , 9 . 32 . e202401366- e202401366	International
131	Chemistry	Dr. Vipan Kumar	Shefali Chowdhary, Preeti, Shekhar, Nikita Gupta, Rajesh Kumar, and Vipan Kumar . 2024 . Advances in chalcone-based anticancer therapy: mechanisms, preclinical advances, and future perspectives . Expert Opinion on Drug Discovery , **6** , 19 . 12 . 1417- 1437	International
132	Chemistry	Dr. Vipan Kumar	Shekhar, Francoise Roquet-BanÃ¨res, Amit Anand, Laurent Kremer, and Vipan Kumar . 2024 . Rational design and microwave-promoted synthesis of triclosan-based dimers: targeting InhA for anti-mycobacterial profiling . Royal Society Open Science , **5** , 11 . 10 . 240676- 240676	International
133	Chemistry	Dr. Vipan Kumar	Nikita Gupta, Shefali Chowdhary, Francoise Roquet-Baneres, Laurent Kremer, and Vipan Kumar . 2024 . Design, Synthesis, and Anti-Mycobacterial Evaluation of Triclosan-Isoniazid Hybrids. . Chemistry & Biodiversity , **5** , 0 . 0 . e202401967- e202401967	International
134	Chemistry	Dr. Vipan Kumar	Preeti, Asif Raza, Rajni Kant Sharma, Arun K. Sharma and Vipan Kumar . 2024 . Design, Synthesis, Anti-Proliferative, and Apoptotic Assessment of Spirocyclopropyl Oxindole-Isatin Hybrids on Triple-Negative Breast Cancer . Chemistry & Biodiversity , **5** , 0 . 0 . e202402910-e202402910	International

201	Food Science & Technology	Dr. Amritpal Kaur	Shyam Sundar, Balwinder Singh, Amritpal Kaur* . 2024 . Microwave roasting effects on phenolic, tocopherol, fatty acid and phytosterol profiles, physiochemical, oxidative and antioxidant properties of hemp seed oil. . Food Chemistry Advances , **4** , 4 . - . 100596- -	International

S. No.	Deptt. Name	Teacher Name	AuthorName (Year of Publication) Tiltle of Paper Name of Journal, No. of Authors, Volume (Issue), Start Page No. - End Page No.	Level
202	Food Science & Technology	Dr. Amritpal Kaur	Balwinder Singh, Somna Oberoi Amritpal Kaur* . 2024 . Phenolic compounds in sea buckthorn (Hippophae rhamnoides L.) and their health-promoting activities: a review . International Journal of Food Science and Technology , **3** , In press . - . -- -	International
203	Food Science & Technology	Dr. Amritpal Kaur	Shyam Sundar, Balwinder Singh, Amritpal Kaur* . 2024 . Optimizing niger seed (Guizotia abyssinica) oil quality: A comprehensive analysis of infrared-heat induced changes in bioactive profile, physiochemical attributes, and oxidative stability. . Journal of Food Science , **3** , 89 . - . 3523- 3539	International
204	Food Science & Technology	Dr. Amritpal Kaur	Shyam Sundar, Balwinder Singh, Amritpal Kaur* . 2024 . Dry-air pretreatments effects on physiochemical properties, stability, antioxidants, phytosterol and tocopherol profiles of hemp oil . Food and Humanity , **3** , 2 . - . 100289- -	International
205	Food Science & Technology	Dr. Amritpal Kaur	Manpreet Kaur, Balwinder Singh, Amritpal Kaur* . 2024 . Dry-air roasting impact on physicochemical, functional, antioxidant properties, phenolic profile and Maillard reaction products of flaxseed flour and cake flour . Food Chemistry , **3** , 442 . - . 138571- -	International
206	Food Science & Technology	Dr. Amritpal Kaur	Manpreet Kaur, Balwinder Singh, Amritpal Kaur* . 2024 . Microwave processing effects on physico-chemical, functional properties, phenolic profile, and Maillard products of flaxseed flour and flaxseed press cake flour . Industrial Crops and Products , **3** , 218 . - . 118900- -	International
207	Food Science & Technology	Dr. Amritpal Kaur	Shyam Sundar, Balwinder Singh, Amritpal Kaur* . 2024 . Microwave pre-treatment of niger (Guizotia abyssinica) seeds: Impact on stability, physicochemical characteristics, bioactive and fatty acid profiles of extracted oil . Journal of Food Composition and Analysis , **3** , 135 . - . 106678- 106678	International
208	Food Science & Technology	Dr. Amritpal Kaur	Balwinder Singh, Somna Oberoi, and Amritpal Kaur* . 2024 . Phenolic composition, antioxidant activity and health benefits of Tartary (Fagopyrum tataricum Gaerth) and common (F. esculentum Moench) buckwheat grains: A review . Food Chemistry Advances , **3** , 5 . - . 100820- 100820	International
209	Food Science & Technology	Dr. Amritpal Kaur	Manpreet Kaur, Balwinder Singh, Amritpal Kaur* . 2024 . Infrared pre-treatment effects on phenolic components, Maillard reaction products, antioxidant, functional and physicochemical properties of linseed flour and linseed cake flour" . Journal of Food Measurement and Characterization , **3** , in press . - . -- -	International
210	Food Science & Technology	Dr. Amritpal Kaur	Shyam Sundar, Balwinder Singh, Amritpal Kaur* . 2024 . Evaluating the synergistic effects of sesame cake powder and soy protein isolate on rheological, textural, nutritional and phenolic profiles of high-moisture extrusion processed meat analogues" . Journal of Science , **3** , In press . - . -- -	International
211	Food Science & Technology	Dr. Amritpal Kaur	Shyam Sundar, Balwinder Singh, Amritpal Kaur* . 2024 . Optimizing dry-air preheating conditions for enhancing bioactive constituents, stability, and physiochemical attributes of niger [Guizotia abyssinica (Lf) Cass.] seed oil. . Food and Humanity , **3** , 3 . - . 100350- 100350	International

212	Food Science & Technology	Dr. Amritpal Kaur	Khetan Shevkani, Paras Sharma, Balwinder Singh, Amritpal Kaur, Narpinder Singh . 2024 . Structural, techno-functional and nutraceutical properties of lentil proteinsâ€"a concise review. . International Journal of Food Science and Technology , **5** , 59 . 10 . 6875- 6884	International
213	Food Science & Technology	Dr. Dalbir Singh Sogi	Jaiswal, S., Dhillon, B., Sodhi, N.S. Sogi DS, Manoharlal R . 2024 . Application of electromyography (EMG) for comprehensive texture evaluation of muffins formulated with incorporation of beetroot and sprouted soy flour. . J Food Measure Charact , **5** , 18 . 1 . 5043- 5059	International
214	Food Science & Technology	Dr. Dalbir Singh Sogi	Pasrija D, Siddiqi RA, Singh TP, Sogi DS . 2024 . Pasrija D, Siddiqi RA, Singh TP, Sogi DS . Applied Food Research , **4** , 4 . 2 . 100514- 100514	International
215	Food Science & Technology	Dr. Bhavnita Dhillon	Sodhi, N.S., B. Dhillon, P.S. Sandhu, D. Bhagat, P. Gupta, A. Kaur, S. Sharma, and Z.S. Khan . 2024 . Formulation of functional liquid diets under IDDSI levels 0 to 2 for dysphagia patients: Physico-chemical, sensory, antioxidant and electromyographic oral processing analyses . Dysphagia , **8** , -	International
216	Food Science & Technology	Dr. Bhavnita Dhillon	Sodhi, N.S., B. Dhillon, V.K. Pandey, S. Rustagi, K.K. Dash, S. Sharma, K. Arora, R.S. Sandhu, A. Singh . 2024 . Applicability of electromyography (EMG) as a prospective technique for textural evaluation of different types of biscuits . Journal of Agriculture and Food Research , **6** , - . - . -- -	International
217	Food Science & Technology	Dr. Bhavnita Dhillon	Jaiswal, S., B. Dhillon, N.S. Sodhi, D.S. Sogi, R. Manoharlal, G.V.S. Saiprasad, S. Sharma . 2024 . Application of electromyography (EMG) for comprehensive texture evaluation of muffins formulated with incorporation of beetroot and sprouted soy flour . Journal of Food Measurement and Characterization , **7** , - . - . -- accepted	International
218	Food Science & Technology	Dr. Bhavnita Dhillon	Dhillon, B., N.S. Sodhi, V. Pandey, S. Sharma, P. Singh, S. Rustagi, S. Singh, A. Kaur . 2024 . Physico-chemical & textural evaluation of mango breads developed with the incorporation of whole wheat and brown rice flours. . Applied Food Research , **8** , - . - . 100432- -	International
219	Food Science & Technology	Dr. Raj Sukhwinder Singh Kaler	Deepti chauhan, HS Gujral, RSS Kaler . 2024 . Modification of the bioactivity, digestibility and rheological behaviour of different millets by lactic acid fermentation . International journal of food science and technology , **3** , 59 . 6 . 4336- 4347	International
220	Food Science & Technology	Dr. Raj Sukhwinder Singh Kaler	R Barthwal, D Kathuria, S Joshi, RSS Kaler, N Singh . 2024 . New trends in the development and application of artificial intelligence in food processing . Innovative Food Science & Emerging Technologies , **5** , 92 . march 2024 . 103600- -	International
221	Food Science & Technology	Dr. Navdeep Singh Sodhi	Kaur, T., Sodhi, N.S., Dhillon, B., and Sodhi, K.S. . 2024 . Application of electromyography (EMG), an in vivo oral processing analysis technique, for comprehensive texture evaluation of formulated rice products . Journal of Food Measurement and Characterization , **4** , - . - . -- -	International
222	Food Science & Technology	Dr. Navdeep Singh Sodhi	Sodhi, N.S., Dhillon, B., Sandhu, P.S., Bhagat, D., Gupta, P., Kaur, A., Sharma, S., and Khan, Z.S. . 2024 . Conference Paper Year : 2024

S. No.	Deptt. Name	Teacher Name	AuthorName (Year of Publication) Tiltle of Paper Name of Journal, No. of Authors, Volume (Issue), Start Page No. - End Page No.
1	Architecture	Dr. Sandeep Dua	Singh, Harpreet & Sandeep Dua . 2024 . Enhancing Livability in Informal Settlements: Addressing Adaptive Issues in Maqboolpura, Amritsar . URGENT International Conference on Future is Urban-Urban Planning & Resilience, Nature Based Solutions and Capacity Building-2022 , **2** , - . - . 233- 249
2	Architecture	Dr. Sandeep Dua	Rahman, Mostafizur & Sandeep Dua . 2024 . Capacity Building of Stakeholders for Maintenance and Upgradation of Built Environment in Small and Micro Enterprises Clusters: A Case of Hosiery Cluster in Ludhiana . URGENT International Conference on Future is Urban-Urban Planning & Resilience, Nature Based Solutions and Capacity Building-2022 , **2** , - . - . 481- 491
3	Biotechnology	Dr. Aditya Sunkaria	Singh R, Sunkaria A . 2024 . A Study on the Expression Profile of Genes Coding for Secretory Proteins Using in vitro Model of Alzheimers Disease. https://alz.confex.com/alz/2024/meetingapp.cgi/Paper/92209 . Alzheimers Association International Conference , **2** , - . - . -- -
4	English	Dr. Ujjal Jeet	Ujjal Jeet . 2024 . The Challenges of Multilingualism and Mother Tongue Instruction in India in the Context of NEP2020 . 49th International Systemic Functional Congress, UNSW, Sydney, Australia , **1** , - . - . -- -
5	English	Dr. Ujjal Jeet	Ujjal Jeet . 2024 . The Case of Linguistic Marginalisation and Social Disadvantage in the Context of National Education Policy 2020 . Caste, Tribe and Gender in India s Policy Landscape , **1** , - . - . -- -
6	Guru Nanak Studies	Dr. Sandeep Kaur Brar	Dr. Sandeep Kaur . 2024 . Manukhi chinta ate tanah da samadhan: Sikh Ardaas de vishesh parsang vich . Mental Health and Human Well-Being, Psycho-Social and Philosophical Perspective , **1** , - . - . -- -
7	Guru Nanak Studies	Dr. Sandeep Kaur Brar	Dr. Sandeep Kaur . 2024 . Sikh saroota vich Anadpur Sahib di Dharat . Samalita da vichar: Sri Anandpur Sahib di Paavan, Ramneek, Alokik Dharat , **1** , - . - . -- -
8	History	Dr. Harneet Kaur	Harneet Kaur, Sukhdeep Kaur . 2024 . â€˜Budha Dal and Saheed Nagar GurudwaraÂ BabaÂ Budha Johar . Proceedings of the Rajasthan History Congress , **2** , xxxvii . Feb 2024 . 258- 267
9	Laws	Dr. Manjit Singh	First . 2024 . Role of Environment Courts in Administration of Environmental Justice in India: A Comparative Study . 5th International Conference on Comapartive Law , **2** , 2024 . 2023 . 158- 158
10	Library & Information Science	Dr. Satwinderpal Kaur	Navneet Kaur, Dr. Satwinderpal Kaur . 2024 . Digital Literacy skills among Academia . Technological breakthrough and libraries , **2** , 1 . 0 . 177- 202

S. No.	Deptt. Name	Teacher Name	AuthorName (Year of Publication) Tiltle of Paper Name of Journal, No. of Authors, Volume (Issue), Start Page No. - End Page No.
11	Library & Information Science	Dr Harish Chander	K.P Singh and Harish Chander . 2024 . Scientometric Analysis of Research Trends in Library and Information Science: A Study of University of Delhi . Innovations in Webometrics, Informetrics, and Scientometrics: AI Driven Approaches and Insights , **2** , 1 . - . 102- 112
12	Mathematics	Dr. Jitender Singh	J. Singh and R. Bajaj . 2024 . Binomial and de Moivre revisited through differential equations . Proceedings of the 2nd ICRTMPCS International Conference--2023 (de Gruyter) , **2** , 2024 . -- . 125- 130
13	Mathematics	Dr Amit Paul	Deep Singh, Vitsoto Luho, Harsh Mishra and Amit Paul . 2024 . On Generalized Functions from Z_q^n to Z_2q . International Conference on Recent Advancement in Engineering, Management & Technology , **4** , N.A . N.A . 103- 109
14	Physics	Dr. Harjeet Kaur	Sukhnandan Kaur, Shubham Bharmoria, Harjeet Kaur . 2024 . a-radioactivity in odd-A superheavy nuclei SHN for Z= 118-120 . DAE Symposium on Nuclear Physics , **3** , 68 . - . 259- 260

3	Guru Ramdas School of Planning	Dr. Ashwani Luthra	Luthra Ashwani . 2025 . Big Data Based Digital Applications in the Transport Sector . Intelligent, Digital Planning and Governance , **1** , 0 . 0 . 54- 60
4	Guru Ramdas School of Planning	Dr. Ashwani Luthra	Sharma Umesh and Ashwani Luthra . 2025 . Blue-Green Infrastructure Planning to Mitigate Urban Heat Islands Effects in the Neighborhoods of Noida City . Intelligent, Digital Planning and Governance , **2** , 0 . 0 . 451- 467
5	Guru Ramdas School of Planning	Dr. Ashwani Luthra	Mahendru Shirish and Ashwani Luthra . 2025 . Policy Pathways to Sustainable Transportation in Indian Cities - Case Study Kochi . Intelligent, Digital Planning and Governance , **2** , 0 . 0 . 652- 663
6	Guru Ramdas School of Planning	Dr. Kuldip Singh	Resha Patil, Kuldip Singh . 2025 . A Study of the Changes in Social and Environmental Well-Being Due to Delhi Metro in its Precinct . EGRWSE-2023 , **2** , 509 . Lecture Notes in Civil Engineering . 251- 259
7	Guru Ramdas School of Planning	Dr. Kuldip Singh	Vinod Patil, Kuldip Singh . 2025 . Role of Transit Oriented Development (TOD) in Making Healthy Cities-Case Delhi . EGRWSE-2023 , **2** , 509 . Lecture Notes in Civil Engineering . 261- 270
8	Computer Science	Dr. (Mrs.) Parminder Kaur	Rajni, Parminder Kaur, Harmandar Kaur, . 2025 . Cyber Security and its Vulnerabilities - A Review . Ninth International Conference on Smart Trends in Computing and Communications , **3** , 9 . 0 . 1- 10
9	Computer Science	Dr. (Mrs.) Parminder Kaur	Rajni, Daljit Kaur, Inderdeep Kaur, Parminder Kaur, Harmandar Kaur, . 2025 . Exploring Machine Learning Techniques for the Detection of DDoS Attacks: A Comprehensive Review . International Conference on Sustainable Developments in Computational Optimization and Intelligent Systems (ICSDCOIS-2025) , **5** , 1 . 0 . 1- 12
10	Computer Science	Dr. (Mrs.) Parminder Kaur	Neha Bagga, Sheetal Kalra, Parminder Kaur . 2025 . Attacks on Flex-Ray Protocol by Altering the Timestamp Configuration of the Network . 2025 International Conference on Networks and Cryptology (NETCRYPT) , **3** , 1 . 0 . 1235- 1237
11	Computer Engineering & Technology	Dr. Sandeep Sharma	G. Singh, S. Sharma . 2025 . Optimizing Tomato Disease Classification using Deep Learning Ensemble Approach with Color Opponency Space . 5th International Conference on Computer Vision and Robotics, Technically Sponsored by Soft Computing Research Society , **2** , 1 . 1 . 1- 10
12	Computer Engineering & Technology	Dr. Kiranbir Kaur	Puneet Kaur; Kiranbir Kaur; Deepak Kumar Verma; Kuldeep Singh; Keshav Kaushik; Vineeta Singh . 2025 . Routing Protocols in Wireless Sensor Networks: A Comprehensive Review and Future Perspectives . 2024 7th International Conference on Contemporary Computing and Informatics (IC3I) , **6** , 0 . 0 . 263- 270

S. No.	Deptt. Name	Teacher Name	AuthorName (Year of Publication) Tiltle of Paper Name of Journal, No. of Authors, Volume (Issue), Start Page No. - End Page No.
13	MYAS-GNDU Department of Sports Sciences and Medicine	Dr. Anilendu Pramanik	Ridham Thakral, Anilendu Pramanik, Harish Kumar . 2025 . InÂ International Conference of the Indian Society of Ergonomics . Comparison of Selected Biomechanical and Physiological Variables Among Novice and Experienced University Basketball Athletes. , **3** , 1 . 1 . 123- 132
14	MYAS-GNDU Department of Sports Sciences and Medicine	Dr. Sonia Kapur	Dr. Sonia Kapur, Shirin Godara . 2025 . A Study to Measure the Effect of Eye-movement on Reaction Time Through Eye-tracker and VTS among Esports Players . 28th Punjab Science Congress , **2** , - . - . 281- 281
15	Department of Mass Communication	Dr. Palwinder Singh	Ms. Kavita Devi and Dr. Palwinder Singh Bhatia . 2025 . Utilizing Youtube For Health Education: Analyzing Popular Content And Viewer Engagement to support sustainable Development Goal 3 (SDG3) . Sustainable Development through Innovation and Entrepreneurship , **2** , 1 . 1 . 62- 71

CONFERENCES/SEMINARS/SYMPOSIUMS ATTENDED BY FACULTY DURING SESSION 2024-2025

1 Prof. Vandana Bhalla has been invited to deliver Prof. A.V. Rama Rao prize lecture in 35th CRSI National Symposium in Chemistry & CRSI-ACS Lectures being organized at IIT Gandhi Nagar from July 03-05, 2025.

2 Dr. Nirmala Devi, Assistant Professor, Department of Sociology, Guru Nanak Dev University Amritsar is going to attend two week refresher course titled "Online RC on Social Inclusion and Inclusive Policies (ID)" (Online) is being organized by HRDC, Jamia Millia Islamia, New Delhi from 14 to 26 July, 2025.

3 Dr. Ritu Bala, Associate Professor, Department of Chemistry is going to attend NEP Orientation & Sensitization Programme (online) organized by Guru Nanak Dev University, Amritsar from 17-25 June,2025.

4 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar is going to deliver an invited talk on topic 'Rajbhasha Hindi Ka Karyalaya-Karya Mein Paryog' at BSF 115 Bn on 16.06.2025.

5 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar is going to deliver an invited talk on topic 'Life Skills and Value Education' at Navodaya Vidyalaya Samiti (An Autonomous Organization under Ministry of Education, Department of School Education & Literacy) Govt. of India, Navodaya Leadership Institute, Bhillowal, Amritsar on 12.06.2025.

6 Dr. Sunil, Head, Department of Hindi, GNDU, Amritsar has delivered an Invited Talk in Faculty Induction Programme (Online)-13 (May 21, 2025 to June 17, 2025) being conducted by the Malaviya Mission Teacher Training Centre (MMTTC), Guru Nanak Dev University, Amritsar on June 10, 2025.

7 Er. Sandeep Kaur, Assistant Professor, Department of Computer Engineering & Technology, GNDU Amritsar is going to attend an online course on NEP Orientation & Sensitization Programme conducted by UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar from 17-25, June 2025.

8 Er. Sandeep Kaur, Assistant Professor, Department of Computer Engineering & Technology, GNDU Amritsar is going to attend an online course on NEP Orientation & Sensitization Programme conducted by UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar from 17-25, June 2025.

9 Dr. Satinder Kaur, Assistant Professor, Department of Computer Engineering & Technology, GNDU Amritsar is going to attend an online course on NEP Orientation & Sensitization Programme conducted by UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar from 17-25, June 2025.

10 Dr. Amandeep Kaur, Assistant Professor, Department of Computer Engineering & Technology, GNDU Amritsar is going to attend an online course on NEP Orientation & Sensitization Programme conducted by UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar from 17-25, June 2025.

11 Dr Satveer Kour, Assistant Professor, Department of Computer Engineering & Technology, GNDU Amritsar is going to attend an online course on NEP Orientation & Sensitization Programme conducted by UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar from 17-25, June 2025.

12 Baljeet Kaur, Assistant Professor in the School of Punjabi Studies is going to attend "Refresher course in Languages, Comparative Literature & Cultural Studies" being organized by UGC-HRD Center, GNDU from 25th June to 8th July.

13 Rajwinder Kaur, Assistant Professor in the School of Punjabi Studies is going to attend "Refresher course in Languages, Comparative Literature & Cultural Studies" being organized by UGC-HRD Center, GNDU from 25th June to 8th July.

14 Shefali Chowdhary Research Scholar in the Department of Chemistry, GNDU, is going to participate in International Conference "Tetrahedron Symposium 2025" from 1st to 4th July in Bruges, Belgium.

15 Amrita Singh Research Scholar in the Department of Chemistry, GNDU is going to participate in International Conference "Tetrahedron Symposium 2025" from 1st to 4th July in Bruges, Belgium.

16 Dr. Nirmala Devi, Assistant Professor, Department of Sociology, Guru Nanak Dev University Amritsar is going to attend two week refresher course titled Refresher Course on "Human Transformation and Laws (Laws and Social science)" (Online) is being organized by HRDC, University of Kurukshetra, Kurukshetra from 13-26 June,2025.

17 Dr. Gagandeep Kaur, Assistant Professor, Department of Education is going to attend Course on NEP Orientation & Sensitization Programme to be organised by NIEPA, New Delhi from 17-25 June, 2025.

18 Dr. Manu Sharma ,Associate Professor and Head, Department of History, GNDU, Amritsar is going to attend Course on NEP Orientation & Sensitization Programme to be held at UGC-Malaviya Mission Teacher Training Centre, GNDU, Amritsar from 20-28 May, 2025.

19 Dr. Sunaina, Assistant Professor, Department of Foreign Languages, Guru Nanak Dev University, Amritsar is going to attend Refresher Course in Languages, Comparative Literature and Cultural Studies (Online) to be organised by MMTTC, Guru Nanak Dev University , Amritsar from 25.06.2025 to 08.07.2025.

20 Dr. Rachana Sharma, Department of Sociology, Guru Nanak Dev University Amritsar will be attending the short term course/FDP on E-Content Development, online pedagogy and open educational resources to be conducted in hybrid mode by University of Kurukshetra from 4-10 june 2025.

21 Dr. Nirmala Devi, Assistant Professor, Department of Sociology is going to attend Two week Refresher course titled Refresher Course (Interdisciplinary) for all subjects (Online) is being organized by HRDC, University of Jammu from 09 to 21 June, 2025.

22 Dr. Neha Monga, Assistant Professor, Department of Magagement, GNDU College Jalandhar is going to attend Faculty Induction Program to be organised at Jadavput University from 01.07.2025 to 28.07.2025.

23 Dr Parwinder Kaur Dhillon, Assistant Professor, Department of Computer Science, GNDU College Jalandhar is going to attend Faculty Induction Program to be organised at Jadavput University from 01.07.2025 to 28.07.2025.

24 Dr. Rajandeep Singh, Assistant Professor, Deptt. of Electronics & Technology is going to attend five days online short term national level FDP course on "Computer Vision Applications using OpenCV" from 26/05/2025 to 30/05/2025 being organized by NITTTR Chandigarh.

25 Dr. Ravi Inder Singh, Assistant Professor, Department of Guru Ram Das School of Planning, GNDU Campus Amritsar is going to attend Short Term Course (Online) in "Research Methodology in Social Science" to be organised by Kumaun University, Nanital, Uttarakhand from 03-10 June, 2025.

26 Dr. Sandeep Kumar, Assistant Professor , Department of Guru Ram Das School of Planning, GNDU Campus Amritsar is going to attend Short Term Course (Online) in "Research Methodology in Social Science" to be organised by Kumaun University, Nanital, Uttarakhand from 03-10 June, 2025.

27 Dr. Sakshi Sahni, Assistant Professor, Department of Guru Ram Das School of Planning, GNDU Campus Amritsar is going to attend Short Term Course (Online) in "Research Methodology in Social Science" to be organised by Kumaun University, Nanital, Uttarakhand from 03-10 June, 2025.

28 Dr. Maman Paul, Assistant Professor, Department of Physiotherapy, is going to attend Course on NEP Orientation & Sensitization Programme to be held at UGC-Malaviya Mission Teacher Training Centre, GNDU, Amritsar from 20-28 May, 2025.

29 Dr. Gursharan Kaur, Assistant Professor, Department of Guru Ram Das School of Planning, GNDU Campus Amritsar is going to attend Short Term Programme (Online) in Research Methodology in Social Sciences organised by Kumaun University, Nanital, Uttarakhand from 03-10 June, 2025.

30 Dr. Santosh Kumari, Assistant Professor, Department of Education, Guru Nanak Dev University, Amritsar is going to participate in an Online Multidisciplinary Refresher Course organized by UGC-MMTTC, Iswar Saran P.G. College from 24 June to 09 July, 2025.

31 Ms. Damanpreet Kaur, Assistant Professor, Department of Hotel Management & Tourism, GNDU, Amritsar is going to attend Refresher Course being organized by Kurukshetra University, Kurukshetra from 19 June to 02 July, 2025.

32 Ms. Jasmeet Kaur, Assistant Professor, University School of Financial Studies, , GNDU, Amritsar is going to attend Faculty Induction Programme being organized by M.M.T.T.C., GNDU, Amritsar from 21 May to 17 June, 2025.

33 Dr. Rajdeep Singh Sohal, Assistant Professor, Electronics & Technology, GNDU Amritsar is going to attend BootCamp to be organised at Shree Guru Gobind Singh Tricentenary University, GuruGram from 19-23 May, 2025.

34 Sh. Lakhvir Singh, Kho-Kho / Kabaddi Coach, Department of Physical Education (Allied Teaching), GNDU, Amritsar is going to attend Refresher Course in Kabaddi Game to be organised by Amateur Kabaddi Federation of India, New Delhi from 01-03 May, 2025 at Jaipur.

35 Dr. Harneet Kaur, Assistant Professor, Department of History, GNDU, Amritsar is going to present paper entitled "Popular Religion : Beliefs and Practices of Sikhs in the 19 century Punjab" at the Punjab History Conference (55 Session) from 25-27 April, 2025.

36 Dr. Harneet Kaur, Assistant Professor, Department of History, GNDU, Amritsar is going to present paper entitled "Missing Girls of Punjab : Analyzing Government Efforts Against Female Foeticide (1966-2011)" the ICSSR sponsored two days National Seminar on Marginality and Inequality in North-

West India at Guru Nanak Dev University, Amritsar from 28-29 April, 2025.

37 Dr. Alisha Chauhan, Assistant Professor, University Business School, Guru Nanak Dev University is going to attend Faculty Induction Programme being organized by M.M.T.T.C., GNDU, Amritsar from 21 May to 17 June, 2025.

38 Dr. Pankaj Deep Kaur, Associate Professor, E & T, GNDU RC Jalandhar has been invited to deliver an Expert talk on the topic "Harnessing Generative AI and Machine Learning: Transforming the landscape of Scientific Research" (Online) to be held at PCM S.D . College for Women, Jalandhar on 25 April, 2025.

39 Dr. Amrinder Singh, Head, MYAS - GNDU Department of Sports Science and Medicine, Guru Nanak Dev University Amritsar, India has been invited as Speaker & Co Chairperson in AFC Medical Conference, Kuala Lumpur, Malaysia from 23-25 July, 2025.

40 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Language has been invited to deliver an inaugural speech in International conference on 'Bharatiya Sahitya Aur Gyan Parampara Mein Manvadhikar' at Hindu College, Amritsar on April 12, 2025.

41 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar is going to deliver an extension Lecture at H.M.V., Jalandhar on April 10, 2025.

42 Dr. Amanpreet Kaur, is going to attend the two week refresher training programme in Public Finance at NIPFP, New Delhi to be held from 02-13 June, 2025.

43 Dr. Vishal Bhardwaj , Assistant Professor , Department of Sanskrit, GNDU Campus Amritsar is going to attend Online Workshop on "Indian Knowledge System" to be organized by Department of Sanskrit, Deshabandhu Mahavidyalaya, Chittaranjan, West Bengal from 16-22 April, 2025.

44 Dr. Pankaj Deep Kaur, Associate Professor, E & T, GNDU RC Jalandhar has been been invited to act as a Session Chair in the International Conference on Frontiers in Education, Management and Information Technology (FEMIT-2025) (Saturday) organized by Lyallpur Khalsa College, Kapurthala on 5th April 2025.

45 Dr. Pankaj Deep Kaur, Associate Professor, E & T, GNDU RC Jalandhar is going to attend one one-week online Short Term course on "Advancing Real-Time IoT Applications with Machine Learning and Deep Learning" organized by NIT, Jalandhar from 10-14 April, 2025.

46 Dr. Jitender Singh, Head Department of Mathematics is going to deliver an invited Talk at Guru Nanak Dev University College, Narot Jaimal Singh on March 28, 2025.

47 Dr. Suresh Singh Yadav, Assistant Professor, Department of Molecular Biology & Biochemistry, GNDU, Amritsar is going to attend a conference INTERONC 2025 to be organised by South Asian University, New Delhi on 28 March, 2025.

48 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, Guru Nanak Dev University Amritsar is going to Chair a Technical session in an International Conference being organised by BBK DAV College for women, Amritsar on commomerote the 201 Birth Anniversary of Maharishi Dayanand Saraswati Ji from March 28-29, 2025.

49 Prof. Sunil, Head, Department of Hindi, GNDU, Amritsar is going to deliver a online lecture in 5 day National Hindi Workshop on Aesthetics of Short Story Translation : Hindi to Malayalam and Vice-

Versa which is being organised by department of Hindi, University of Kerala on 27th March, 2025.

50 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar has been invited to Chair a Technical Session in Two days National Seminar organized by Department of Hindi, Punjab University, Chandigarh and ICSSR, New Delhi on March 22, 2025.

51 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar has been invited to deliver a Lecture in Hindi Workshop organised by BSF Camp, Kharka, Punjab on 21 March, 2025.

52 Ms. Guneet Kaur Bhatia, Project Associate 1, Department of Chemistry, Guru Nanak Dev University Amritsar is going to present a Poster at 9th National Symposium on Advances in Chemical Science, Deptt. of Chemistry, GNDU, Amritsar held on 06-07 March, 2025.

53 Dr. Mohit Angrula, Assistant Professor, GNDU College, Pathankot is going to attend 5 days training of trainers Programme & workshop from 17-03-2025 to 21-03-2025.

54 Dr. Amanpreet Kaur, Assistant Professor, Department of Chemistry, Guru Nanak Dev University Amritsar is going to deliver an invited talk at ADSL, School of Mechanical and Materials Engineering, IIT Mandi on 03-04-2025.

55 Dr. Gagandeep Kaur Gahlay, Associate Professor, Department of Molecular Biology & Biochemistry has been invited as a Poster Judge for the Genomic Analysis & Technology Conference (GATC) 2025 to be held at IISER Pune from 04-06 April, 2025.

56 Prof. Vandana Bhalla has been invited to deliver an invited lecture at an SPS March Meeting on Chemistry of Molecular Materials being organized by School of Physical Sciences at Jawaharlal Nehru University during 21-22 March, 2025 at the School of Physical Sciences, JNU, New Delhi.

57 Dr. Jitender Singh, Head Department of Mathematics is going to deliver an invited talk on "Mathematical proofs inspired by Physics" at the University College Pathankot on March 22, 2025.

58 Dr. Harkirandeep Kaur, Assistant Professor, Department of Laws, GNDU Amritsar is going to attend 5 Days Training Programme and Workshop to be organised by NSS for Child Centric Disaster Risk Reduction at Chandigarh from 17-21 March, 2025.

59 Dr. Harneet Kaur, Assistant Professor, Department of History, GNDU, Amritsar is going to deliver a Special Lecture as Resource Person on the topic Russo Japanese War at CDOE, Panjab University, Chandigarh on 15 March, 2025 through Online mode.

60 Mr. Omish Sethi, Ph.D Scholar under supervision of Dr Ashwani Kumar Sood, Department of Chemistry, GNDU, Amritsar is going to prsesent Oral Presentation in the International Conference "ISYDES 2025 - 1st International Symposium on Deep Eutectic Solvents" at Camera di Commercio di Bari, Corso Cavour n.2, 70121 - Bari, Italy from 03-06 June, 2025.

61 Mr. Hitesh Kumar (SRF) under the supervision of Dr. Supreet Sandhu, from University Business School, G.N.D.U is going to attend One-Week workshop on Mastering Research Methodlogy with Smart-PLS at NIT Kurukshetra from 8th to 12th March 2025

62 Dr. Jagdeep Singh, Volleyball Coach, Guru Nanak Dev University, Amritsar is going to attend Refresher Course (Online) on "Mental Health & Wellbeing in Higher Education Institutions : A Step Towards Viksit Bharat" to be organised by UGC-MMTTP, Ramanujan College in collaboration with

Department of Psychology, University of Delhi from 10-24 March, 2025.

63 Pardeep Kumar, Football Coach, Guru Nanak Dev University, Amritsar is going to attend Refresher Course (Online) on "Mental Health & Wellbeing in Higher Education Institutions : A Step Towards Viksit Bharat" to be organised by UGC-MMTTP, Ramanujan College in collaboration with Department of Psychology, University of Delhi from 10-24 March, 2025.

64 Prof. Vandana Bhalla, Department of Chemistry, Guru Nanak Dev University, Amritsar has been invited to deliver an "Plenary Lecture at National Conference on Materials Chemistry & Catalysis" being organized by Department of Chemical Sciences, Tejpur University, Tejpur during March 7-8, 2025.

65 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, Guru Nanak Dev University, Amritsar has been invited to deliver two lectures in Hindi workshop at Airports Authority of India, Sri Guru Ram Dass Jee International Airport, Amritsar on Feb. 14, 2025.

66 Dr. Jaskiran Sobti, Assistant Professor, Deptt. of Civil Engineering is going to attend GIAN Course "Economics of Innovation and Sustainable Development" to be organised by Central University of Punjab from 04-08 March, 2025.

67 Dr. Anilendu Pramanik, Assistant Professor, MYAS-GNDU Department of Sports Sciences and Medicine, Guru Nanak Dev University, Amritsar is going to attend "One Week NEP Orientation and Sensitization Programme (online) (MMC-073-2025 FEB-A-03052) at UGC-MMTTP, GNDU, Amritsar from 14.02.2025 to 22.02.2025.

68 Dr. Gurcharanjit Singh, Assistant Professor, GNDU College, Chungh is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conducted by UGC-MMTC, Guru Nanak Dev University, Amritsar from 03 to 08 March, 2025.

69 Dr. Manjinder Kaur, Assistant Professor, GNDU College, Chungh is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conducted by UGC-MMTC, Guru Nanak Dev University, Amritsar from 03 to 08 March, 2025.

70 Dr. Ruchi Kohli, Assistant Professor, Chemistry, GNDU College, Narot Jaimal Singh is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conducted by UGC-MMTC, Guru Nanak Dev University, Amritsar from 03 to 08 March, 2025.

71 Mr. Anilendu Pramanik, Assistant Professor, MYAS-GNDU Department of Sports Sciences and Medicine, Guru Nanak Dev University, Amritsar is going to attend "19 International Conference on ADPD in Vienna, Austria from 1 to 5 April, 2025.

72 Dr. Ramanpreet Kaur Aulakh, Assistant Professor , Department of Physics, GNDU College, Patti is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conducted by UGC-MMTC, Guru Nanak Dev University, Amritsar from 03 to 08 March, 2025.

73 Mr. Manjit Singh, Assistant Professor, Department of Physics, ASSM College, Mukandpur is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conducted by UGC-MMTC, Guru Nanak Dev University, Amritsar from 03 to 08 March, 2025.

74 Dr. Harsimran Kaur, Assistant Professor (Punjabi), Shri Guru Tegh Bahadur College, Sathiala is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conducted by

UGC-MMTC, Guru Nanak Dev University, Amritsar from 03 to 08 March, 2025.

75 Dr. Jaspreet Kaur, Assistant Professor, GNDU College, Pathankot is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conduted by UGC-MMTTC, Guru Nanak Dev University, Amritsar from from 03 to 08 March, 2025.

76 Dr. Paramjeet Kaur, Assistant Professor in Commerce, Babe Nanaki University College, Mithra (Kapurthala) is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conduted by UGC-MMTTC, Guru Nanak Dev University, Amritsar from from 03 to 08 March, 2025.

77 Dr. Manu Sharma ,Associate Professor and Head, Department of History, GNDU, Amritsar is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conduted by UGC-MMTTC, Guru Nanak Dev University, Amritsar from from 03 to 08 March, 2025.

78 Dr. Amrinder Singh, Head, MYAS-GNDU Department of Sports Sciences and Medicine has been invited as speaker for scientific session in 2025 World Congress on Kinesiology and Sport Science (2025 WCKSS) to be held at International Convention Center Jeju, Jeju, Korea being organized by Asian Society of Kinesiology from 25-27 October, 2025.

79 Dr. Ravi Inder Singh , Assistant Professor , Department of Guru Ram Das School of Planning, GNDU Campus Amritsar is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conduted by UGC-MMTTC, Guru Nanak Dev University, Amritsar from from 03 to 08 March, 2025.

80 Dr. Vishal Kumar, Assistant Professor, Depatrment of Punjabi, GNDU College Sujanpur is going to attend Capacity Building Programme on Indian Knowledge System (Residential) to be conduted by UGC-MMTTC, Guru Nanak Dev University, Amritsar from from 03 to 08 March, 2025.

81 Dr. Amrinder Singh Head, MYAS-GNDU Department of Sports Sciences and Medicine, Guru Nanak Dev University is going to present paper in 45 Annual Conference of Indian Association of Sports Medicine to be held at DY Patil University of Medical Sciences, Navi Mumbai on 1-2 March, 2025.

82 Dr. Meenu Hans, Assistant Professor, Department of Biotechnology, Guru Nanak Dev University, Amritsar Undersigned is going to attend the online Faculty Induction Programme to be conducted by UGC MMTTC, Shri Mata Vaishno Devi University, Katra from 17 Feb., to 19 March, 2025.

83 Prof. Vandana Bhalla has been invited to deliver an invited lecture at an International Conference on Advanced Materials for Health, Environment, and Energy (ICAMHEE-2025), being organized by the Department of Chemistry to be held at the Islamic University of Science and Technology (IUST), Kashmir from 27-28 February, 2025.

84 Prof. Vandana Bhalla of Department of Chemistry, has been invited to deliver an invited Lecture at 24 National Symposium on Catalysis for Sustainable Chemicals, Materials & Energy (NSCSCME-2025) being organized by Catalysis Society of India to be held at Thapar Institute of Engineering and Technology (TIET), Patiala from 24 26 February, 2025.

85 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages has been Invited to deliver a talk in Online STC in Fundamental Duties & Human Rights (Multidisciplinary) on Feb 07, 2025 which is being conducted by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 6-12 Feb., 2025.

86 Dr. Sachin Kumar, Assistant Professor, Deptt. of Apparel and Textile Technology is going at attend (Online) Executive Development Program on "Protective Textiles" form 24-28 Feb., 2025 at Indian Technical Textile Association.

87 Dr. Varinder Kaur, Head, Deptt. of Apparel and Textile Technology is going at attend (Online) Executive Development Program on "Protective Textiles" form 24-28 Feb., 2025 at Indian Technical Textile Association.

88 Dr. Gaurav Dureja, Assistant Professor, Department of Physical Education, Guru Nanak Dev University, Amritsar is going to deliver an Online Oral Presentation in "International Conference on Inclusive Sports for All: Transforming Infrastructure for Accessibility" organized by Maulana Azad National Institute of Technology, Bhopal from 4-5 February, 2025.

89 Dr. Harjeet Kaur Assistant Professor, Department of Physics, G.N.D.U Campus Amritsar is going to attend Short term course 'Fundamental Duties and Human Rights' being organized by UGC-Malaviya Mission Teacher Training Center, G.N.D.U, from 06-12 Feb., 2025.

90 Dr. Harmandar Kaur, Assistant Professor, Department of Engg. & Tech., G.N.D.U Regional Campus Jalandhar is going to attend FDP/ STC on "NEP Orientation and Sensitization Programme" (Online Mode) being organized by UGC-Malaviya Mission Teacher Training Center, G.N.D.U, from 03-11 Feb., 2025.

91 Dr. Jitender Singh, Associate Professor and Head, Department of Mathematics, Guru Nanak Dev University Amritsar is going to deliver an invited talk in celebration of National Mathematics Day at DAV College Amritsar on Feb 13, 2025.

92 Mr. Anilendu Pramanik, Assistant Professor,MYAS-GNDU Department of Sports Sciences and Medicine, Guru Nanak Dev University, Amritsar is going to attend One Week NEP Orientation and Sensitization Programme (online) (MMC-073-2025 FEB-A-03052) at UGC-MMTTP, GNDU, Amritsar from 03-11 Feb. 2025.

93 Dr. Rekha Handa, Assistant Professor, University Business School, Guru Nanak Dev University is going to attend Refresher Course (residential) in Commerce, Exconomics & Management Studies being organized by U.G.C.-MMTTC, GNDU, Amritsar from 10-22 Feb., 2025.

94 Dr. Harjeet Kaur, Assistant Professor, Deptt. of Physics is going to attend NEP Orientation & Sensitization Programme (Online) organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 03-11 Feb., 2025.

95 Dr. Amanpreet Singh, Asst. Professor, Department of Architecture is going to attend Online Two-Week Refresher Course (Commerce, Economics & Managemnt Studies) from Feb. 10-22, 2025 to be organised by UGC Malaviya Teacher Training CEntre, GNDU, Amritsar

96 Prof. Vandana Bhalla has been invited to deliver an invited lecture in 2nd International Conference on Emerging Areas of Chemistry (ICEAC 2025) being organized by Prof. Swapan Majumdar from 12 14 February, 2025.

97 Dr. Bimaldeep Singh, Associate Professor, Department of Law, G.N.D.U is going to deliver an Expert Lecture through Online Mode on "India's democracy: A Beacon of Hope" at Panjab University Regional Centre, Sri Muktsar Sahib on 24.01.2025.

98 Dr Nischay Arora, University School of Financial Studies, GNDU, Amritsar is going to attend Refresher Course (Commerce, Economics & Managemnt Studies) from Feb. 10-22, 2025 to be organised by UGC Malaviya Teacher Training CEntre, GNDU, Amritsar

99 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar has been invited to deliver a lecture in Online Refresher Course in MIL (Modern Hindi Languages) on 23 January, 2025 which is organised by MMTTC, University of Jammu from January 16-28, 2025.

100 Prof. Sunil, Head, Department of Hindi, Guru Nanak Dev University, Amritsar is invited to deliver a lecture/ Invited Talk/s in Two Weeks Refresher Course (Residential) Multidisciplinary 21.01.2025 to 03.02.2025 being conducted by the Malaviya Mission Teacher Training Centre (MMTTC), Guru Nanak Dev University, Amritsar on January 22, 2025.

101 Dr. Sonia Kundra, Assistant Professor, Guru Nanak Dev Univerisity College Jalandhar is to attend Online Refresher Course (12 days) in Commerce, Economics and Management Studies to be organised by UGC-MMTTC, GNDU, Amritsar from 10-22 Feb., 2025.

102 Minakshi Devi, UGC-SRF, Department of Chemistry, Guru Nanak Dev University is going to attend and give oral presentation on "Emerging Areas of Chemistry (ICEAC-2025)" to be held at Tripura Univbersity, Suryamaninagar, Tripura from 12-14 Feb., 2025.

103 Ritu Raj Kaur, Assistant Professor, Guru Ram Das School of Planning, is going to attend short term course on Fundamental Duties & Human Rights (Multidisciplinary) (Online mode) from 6th Feb. 2025 to 12th Feb. 2025.

104 Dr. Amanpreet Kaur, Assistant Professor, Department of Chemistry, Guru Nanak Dev University Amritsar is going to deliver an invited talk on the International Conference on Viksit Bharat 2047: Reaching the Unreached Through Chemical and Biological Sciences (VBCB-2025), to be held on 18-20 February 2025.

105 Dr. Pankaj Deep Kaur, Associate Professor, E & T, GNDU RC Jalandhar has been invited as Resource Person in one week short term course to be organised by UGC Malaviya Teacher Training Centre, Central University of Punjab on 18 Jan., 2025.

106 Dr. Sunaina, Assistant Professor, Department of Foreign Languages, Guru Nanak Dev University, Amritsar is going to attend Refresher Course in Research Methodlogy (Science & Arts Subjects) (Online) to be organised by Punjabi University , Patiala from 13.02.2025 to 28.02.2025.

107 Prof. Sunil, Head, Department of Hindi, Guru Nanak Dev University, Amritsar has delivered a lecture in Book Release event on "AJAT SHARMA KRIT KHELE SAGAL JAGAT" organized by Akhil Bharatiya Sahitya Parishad, Punjab on 14th January, 2025.

108 Dr. Atul Khanna, Professor, Department of Physics, Guru Nanak Dev University, Amritsar is going to deliver an invited talk in the 27th International Congress on Glass(ICG-2025) being organised by Central Glass and Ceramics Research Institute, Kolkata during 20-24, January, 2025.

109 Dr. Sonia Kundra, Assistant Professor, Guru Nanak Dev Univerisity College Jalandhar is to attend Refresher Course from 17.01.2025 to 31.01.2025 to be organised by MMTTC of Behrampur University, Odisha.

110 Dr. Tejwant Singh, Associate Professor, Department of Chemistry, has been invited to deliver a talk at "Recent Adnaces in Chemistry Research and Translation (ReACT-2025)" organized by Department of Chemsitry, IISER, Kolkata from 31 Jan. to 01 Feb., 2025.

111 Dr. Baljinder Singh Bal, Associate Professor, Department of Physical Education (T) is going to attend Online Two Week Duration Course on "Congitive Fitness" at Harvard Medical School, Boston, Massachusetts, U.S.A. from 20.01.2025 to 02.02.2025.

112 Dr. Harjeet Kaur, Assistant Professor, Deptt. of Physics is going to attend NEP Orientation & Sensitization Programme (Online) organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 14-22 Jan., 2025.

113 Dr. Balbinder Singh, Assistant Professor, Department of Psychology, G.N.D.U is going to attend NEP Orientation & Sensitization Programme (Online) organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 14-22 Jan., 2025.

114 Dr. Jatinder Singh, Assistant Librarian, Bhai Gurdas Library is going to atted Two-week Refresher Course (Multidisciplinary) being organised by UGC-MMTTC, GNDU, Amritsar from 21/01/2025 to 03/02/2025.

115 Dr. Nidhi, Assistant Professor, Department of Laws, GNDU, Amritsar is going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

116 Dr. Arun Sharma, Assistant Professor, Department of Chemistry, Guru Nanak Dev Univerisity, Amritsar is going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

117 Dr. Mandeep Kaur, Assistant Professor, Department of Chemistry, Guru Nanak Dev Univerisity, Amritsar is going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

118 Dr Tejwant Singh, Professor, Department of Chemistry, has been invited to deliver a talk in CMS International Symposium on Future Chemistry being organized by Centre for Molecular Systems, Department of Applied Chemsitry, Kyushu University, Japan on March 14, 2025.

119 Prof. Vandana Bhalla of Department of Chemistry, has been invited to deliver a Lecture at a Conference entitled "Recent Advances in Chemistry Research and Translation (ReACT-2025)" being organized at IISER Kolkata during January 31-February 01, 2025.

120 Dr. Lakhveer Singh, Assistant Professor, Department of Punjabi, G.N.D.U College, Jallandhar is going to attend 'Refresher Course in Languages (online)' to be organised by U.G.C Malvia Mission Teacher Training Center, Punjabi University, Patiala from 8th Jan. 2025 to 23rd Jan. 2025

121 Dr. Sunil, Professor, Department of Hindi, GNDU, Amritsar had delivered a lecture in Faculty Induction Programme (Residential)-12 at MMTTC, Guru Nanak Dev University, Amritsar on 01/01/2025.

122 Dr. Mayank Dhar Dwivedi, Assistant Professor, Department of Botanical and Environmental Sciences, GNDU, Amritsar is going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

123 Dr. Suruchi Kohli, Assistant Professor, Department of Laws, GNDU Regional Campus, Jalandhar is going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

124 Dr. Ashima Passi, Assistant Professor in Chemistry, ASSM College, Mukandpur is going to attend the Faculty Developmengt Program to be organised by ICFAI Foundation for Higher Education from 20 to 25 Jan., 2025.

125 Dr. Poonamdeep Kaur, Assistant Professor, Department of Laws, GNDU Regional Campus, Jalandharis going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

126 Dr. Sunanda Sharma, Assistant Professor , Department of Guru Ram Das School of Planning, GNDU Campus Amritsar is going to attend Faculty Induction Programme -12 Residential to be organized at UGC-MMTTC, GNDU, Amritsar from Dec. 30 2024 to Jan.25, 2025.

127 Dr. Jatinder Vir Singh, Assistant Professor, Department of Pharmaceutical Sciences , Guru Nanak Dev University, Amritsar is going to attend Faculty Induction Programme -12 Residential to be organized at UGC-MMTTC, GNDU, Amritsar from Dec. 30 2024 to Jan.25, 2025.

128 Dr. Mandeep Kaur, Asstt. Prof., GNDU College, Jalandhar is going to attend the Faculty Induction Programme-12 to be organised by UGC-MMTTC ,GNDU, Amritsar from 30 Dec., 2024 to 25 Jan., 2025.

129 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar has been invited to deliver a lecture in Hindi Workshop at 117 bn hq BSF, Ajnala on 23/12/2024.

130 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar is invited to deliver a lecture in Hindi Workshop at Headquarter of Deputy Inspector General, BSF, Gurdaspur on 28/12/2024.

131 Dr. Vinod Kumar, Assistant Professor, Department of Laws, Guru Nanak Dev University, Amritsar is going to attend Faculty Induction Programme (Residential)-12 at UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar, from 30.12.2024 to 25.01.2025.

132 Dr. Gaurav Dureja, Assistant Professor, Department of Physical Education, Guru Nanak Dev University, Amritsar is going to attend Faculty Induction Programme (Residential)-12 at UGC-Malaviya Mission Teacher Training Centre, Guru Nanak Dev University, Amritsar, from 30.12.2024 to 25.01.2025.

133 Mr. Parteek Bhagat, Assistant Professor, Department od Architecture, Guru Nanak Dev University, Amritsar is going to attend Faculty Induction Programme (Residential)-12 at UGC-MMTTC, G.N.D.U., from 30.12.2024 to 25.01.2025.

134 Mr. Srinivasa Rao Pachava, Assistant Professor, MYAS-GNDU Department of Sports Sciences and Medicine, Guru Nanak Dev University, Amritsar is going to attend Faculty Induction Programme (Residential)-12 at UGC-MMTTC, G.N.D.U., from 30.12.2024 to 25.01.2025.

135 Dr. Divya Mahajan, Assistant Professor, University Business School, Guru Nanak Dev University, Amritsar is going to attend two week multidiscplinary refresher course (residential) to be organized by UGC-MMTTC, GNDU Amritsar from 21 Jan. to 03 Feb., 2025.

136 Manik Sareen, JRF (UGC), Department of Mathematics, Guru Nanak Dev University, Amritsar is going to attend Workshop titled 'Certificate Course on Incompressible Fluid Dynamics (Hybrid Mode)' to be organised at Ramakrishna Mission Vidyapith Chennai-04 at Ramakrishna Mission Vivekananda College, Chennai started from December 10,2024.

137 Kajal Chawla, JRF (UGC), Department of Mathematics, Guru Nanak Dev University, Amritsar is going to attend Workshop titled 'Dynamical System and Chaos Theory: IoT and Cryptography Application' to be organised at NIT, Jalandhar from Jan 06-11, 2025.

138 Dr. Rupan Dhillon, Associate Professor and Head, Department of Psychology, Guru Nanak Dev University, Amritsar is going to conduct an awareness Session/ Lecture entitled "Gender Based Violence (GBV)" at MUNICIPAL CORPORATION, Ranjeet Avenue, Amritsar on 23/12/2024.

139 Dr. Dilpreet Kaur, Assistant Professor, University Business School , GNDU, Amritsar is going to attend the Faculty Induction Programme - 12 Residential to be organised by UGC MMTTC, GNDU, Amritsar from 30-12-2024 to 25-01-2025.

140 Dr. Harpreet Singh, Assistant Professor, Department of Physics, Guru Nanak Dev University, Amritsar is going to attendtwo week FAculty Induction Programme (Residential) to be organized by UGC-MMTTC, GNDU Amritsar from 30 Dec. , 2024 to 25 Jan., 2025.

141 Dr. Palwinder Singh Bhatia, Assistant Professor, Department of Mass Communication, Guru Nanak Dev University, Amritsar is going to attendtwo week multidiscplinary refresher course (residential) to be organized by UGC-MMTTC, GNDU Amritsar from 21 Jan. to 03 Feb., 2025.

142 Manpreet Bir Kaur, Assistant Professor, Department of Physiotherapy, Guru Nanak Dev University, Amritsar is going to attend Refresher Course (Residential) Multidisciplinary to be organized by UGC-MMTTC, GNDU Amritsar from 21 Jan. to 03 Feb., 2025.

143 Dr. Jaspreet Kaur, Assistant Professor, GNDU College, Pathankot is going to attend Refresher Course on Languages (Online) to be organised by UGC-MMTTC, Punjabi University, Patiala 08-23 Jan., 2025.

144 Dr. Kuldeep Singh, Assistant Professor , Department of Electronics Technology, GNDU Amritsar is going to attend One Week Short Term Programme on "Artificial Intelligence in Research : Tools, Techniques and Trends" to be organised by UGC-MMTTC, Central University of Punjab, Bathinda from 13-18 Jan.,2025.

145 Dr. Anilendu Pramanik, Assistant Professor, MYAS-GNDU Department of Sprots Science and Medicine, G.N.D.U, Amritsar is going to attend NEP Orientation & Sensitization Programme (Online) organized by UGC-MMTTC, Guru Nanak Dev University, Amritsar from 16-24 Dec.,2024.

146 Dr. Ravneet Sandhu, Assistant Professor , Dietetics and Nutrition Division, Deptt. of Agriculture is going to attend Refresher Course (Residential) - Multidisciplinary at UGC-MMTTC, GNDU Amritsar from 21 Jan. to 03 Feb, 2025.

147 Dr. Satinder Kaur, Assistant Professor, Department of Agriculture, GNDU, Amritsar is going to attend Refresher Course (Residential)-Multidisciplinary at UGC-MMTTC, GNDU Amritsar from 21 Jan. to 03 Feb, 2025.

148 Dr. Ritu Bala, Associate Professor, Department of Chemistry is going to attend NEP Orientation & Sensitization Programme (online) organized by Guru Nanak Dev University, Amritsar from 16-24 Dec.,2024.

149 Ms. Akshidha,Research Scholar under supervision of Dr Aman Mahajan, Department of Physics, GNDU, Amritsar is going to attend DAE- Solid State Physics Syposiuum (DAE -SSPS 2024) at BARC, Mumbai, from 18-22 Dec., 2024.

150 Ms. Kriti,Research Scholar under supervision of Dr Atul Khanna, Department of Physics, GNDU, Amritsar is going to attend DAE- Solid State Physics Syposiuum (DAE -SSPS 2024) at BARC, Mumbai, from 18-22 Dec., 2024.

151 Dr. Hansdeep Kaur, Assistant Professor, University Business School , GNDU, Amritsar is going to attend Refresher Course (Residential) - Multidisciplinary at UGC-MMTTC, GNDU Amritsar from 21 Jan. to 03 Feb, 2025.

152 Ms. Sunaina, Assistant Professor, Department of Foreign Languages, GNDU, Amritsar is going to attend One-Week Short Term Programme (Online) "Artificial Intelligence in Research : Tools, Techniques and Trends" to be organised by Malaviya Mission Teacher Training Centre, Central University of Punjab, Bathinda from 13-18 Jan., 2025.

153 Dr. Manu Sharma,Associate Professor and Head, Department of History, GNDU, Amritsar is going to attend one week short term programme (Online) from 13-18 Jan. 2025.

154 Dr. Manu Sharma,Associate Professor and Head, Department of History, GNDU, Amritsar is going to attend NEP Orientation and Sensitization Programme from 16-25 Dec. 2024.

155 Prof. Sunil, Head, Department of Hindi & Dean, Faculty of Languages, GNDU, Amritsar has been invited to deliver a Lecture in Hindi Workshop at 103Bn BSF, Bnhq, Amarkot on December 10, 2024. (uploaded on 09/12/2024)

OFFICE OF DIRECTORATE OF RESEARCH

Name of the Department: Directorate of Research

Director of Research : Dr. Maninder Lal Singh

Brief Introduction:

Being housed in the Emerging Life Sciences Block of the University, the Directorate of Research deals with matters relating to research activities in the University. It Includes, postgraduate research leading to M.Sc., M.Phil and Ph.D. degrees; submission of new research projects for extramural funding and development of national and international research collaborations. The Directorate deals with developing Memorandum of Understanding with other institutions, award of scholarship and memorial lectures etc. The office also looks after the rate contract with various firms for the purchase of equipments, chemicals, glassware etc. and assists the departments for the purchase of various scientific equipments. Directorate monitors the progress of the research activities under various programs like DST-PURSE scheme of Department of Science and Technology, New Delhi; "University with Potential for Excellence (UPE)" scheme of University Grants Commission. PhD Eligibility test is conducted by the Directorate for admission to Pre-PhD Course every year.

Following activities had been undertaken in the session 2024-2025:

1. **Research & Development Cell :**

   Various day to-day activities of Director Research office are a part of R&D Cell.

2. **Supervision of activities under DST-PURSE Scheme :**

   Various projects and other activities relating to various Scheme/Grants (e.g. RUSA 2.0, DST-PURSE etc) are supervised regularly.

3. **Annual Rate Contract for Purchase of Various Items :**

   The committee approved by the competent authority to finalized the Rate Contract for the period 2024-25 for all the departments of campus, Regional Campuses and University colleges for Chemicals, Glasswares and Plasticware upto on amount of Rs. 2 Lakh and got it approved and circulated to the concerned departments

4. **E-tenders :**

   Tenders are uploaded on Punjab Govt. website eproc after the approved by the authority for purchase of various scientific equipments and other items by various departments for more than Rs. 5 Lakh

5. **Ph.D. Eligibility Test:**

   An Eligibility Test for admission to Pre-Ph. D programme was conducted in August, 2024 and January, 2025. Approximately 279 & 219 student applied for Ph.D. Eligibility Test and NET/GATE respectively and total number of 154 students were admitted to various courses.

6. Study In India Activities :

Applications of SII candidates are forwarded to departments for verification of documents and subsequently following admission process by concerned departments.

7. Research Projects submitted to various National/International Agencies :

During 2024-25 a total number of 99 research projects were submitted to various National/International Agencies.

8. Plagiarism Check:

A standard plagiarism check is mandatorily implemented for submission of Ph.D. Thesis and the requisite 'Drillbit Extreme Plagiarism Detection' software is used in this regard with the assistance of Library.

9. Post Doctoral Fellowships :

The office forwards the applications of candidates of Post Doctoral Fellowships under various schemes on regular basis.

10. Recruitment/Upgradation of Research Fellows under various schemes :

Recruitment/Upgradation of Research Fellows under various schemes is also monitored on regular basis.

11. DSIR : Half yearly report on goods purchased by the University is submitted to DSIR.

12. Direct Recruitments & promotions under CAS :

Verification of Scores under Category Research and Publications and Academic Contributions of candidates who applied for various posts under direct recruitments and promotions under CAS were verified under Research & Publication & Academic Contributions of their Application Proformae.

DIRECTORATE OF OPEN & DISTANCE LEARNING AND ONLINE STUDIES

The Open & Distance Learning (ODL) and Online Studies departments of Guru Nanak Dev University, Amritsar (Punjab) were established in the year 2018-19 and 2021-22 with a vision to provide 'quality education to all' and beyond the socio-economic and time/age barriers. These departments reflect both the fact that all or most of the teaching is conducted by someone removed in time and space from the learner and that the mission to include greater dimensions of openness and flexibility, whether in terms of access, curriculum or other elements of structure. Contributing to social and economic development, Open and Distance Learning along with Online studies, is fast becoming an accepted and indispensable part of the mainstream educational systems.

The students are provided with quality study material in Self-Learning Format commonly referred to as Self-Learning Materials (SLMs) available to them in e-format (free of cost) at the Directorate's website and in printed format. The Directorate has a dedicated web platform that facilitates all the processes including application, admission, payment of a fees, e-content availability, submission of internal assignments, issuance of roll numbers, declaration of results, and applications for re-evaluation and issuance of transcripts online.

In addition, to providing SLMs, the Directorate also conducts Personal Contact Programme (referred to as PCP) Classes (on Weekends only) at GNDU main campus by well qualified and dedicated faculty.

The Syllabi of all the courses are designed under Credit Based Semester System (CBSS) pattern as per the latest guidelines of UGC for ODL courses. Further, the Directorate has made provisions of 30% marks as Internal Assessments. Exams are conducted transparently, strictly following the stringent quality control of the University and standards set by it.

All the courses under Category-I autonomy provisions are approved by UGC vide letter no. F. No. 74-2/2018 (DEB-I) dated 18/10/2018, F.No. 1-26/ 2024/(DEB-I) dated September 2024. Presently, Under this provision the Directorate is offering 10 courses B.Com., B.C.A., B.Lib., B.B.A., B.A., M.Com., M.A. (English), M.A. (Punjabi), MBA and MCA in areas of Arts, Humanities, Business Management, Commerce and Computer Science for Academic session 2024-25,

Some Highlights/Milestones achieved by the Directorate during the Session 2024-25

1. Successfully conducted induction programmes for new ODL and Online students.
2. Personal Contact Programme (PCP) classes were conducted effectively in both offline and online modes.
3. Established the Centre for Internal Quality Assurance (CIQA) dedicated to ODL and Online programmes, and submitted the CIQA report for 2024-25 to the Distance Education Bureau, UGC, New Delhi.
4. Introduced 42 new skill-based certificate and diploma courses in collaboration with GNDU teaching departments from session 2025-26.

3. **Current Program Portfolio**

- 10 ODL degree programs: BA, BBA, B.Lib, BCA, B.Com, MBA, MCA, MA (Punjabi), MA (English), M.Com.
- 11 Online programs: BA, B.Com, BCA, MBA, MBA (Finance), MBA (HRM), MBA (Marketing Management), MCA, MA (English), MA (Punjabi).
- All programs approved by UGC-DEB under Category-I status.

5. Established over 40 Learner Support Centres (LSCs) to facilitate students from different cities in accessing ODL programmes.
6. Students can now pursue two programs simultaneously, one in regular mode and another in ODL/Online mode, allowing them to enhance their qualifications in the same academic year.
7. Organized seminars and workshops at LSCs to guide coordinators and staff on promoting ODL admissions effectively.
8. Directorate personnel conducted visits to LSC colleges to personally support the promotion of ODL courses and engage with prospective students.
9. The first two batches of online courses (started July 2021 and Jan 2022) completed their programmes with 99% pass results, reflecting timely and effective course delivery. Additionally, the Master's course batch of 2023 successfully completed their degree programmes.
10. Received strong international participation, with students from Canada, the UK, Australia, UAE, and the USA enrolled in online courses.
11. The University operates a world-class Learning Management System, GNDU ONLINE, supporting both ODL and online programmes.
12. Examinations are conducted in AI-proctored mode with the dedicated "Safe Exam Browser" to ensure integrity and security.
13. Currently, approximately 1,800+ learners are enrolled in various ODL and online programmes.

The Directorate remains committed to enhancing accessibility, expanding course offerings, improving learner support, and ensuring high-quality education. It continues to implement innovative strategies to promote ODL programmes, engage with students and stakeholders, and strengthen GNDU's position as a leading institution in open and distance learning.

UGC-MALAVIYA MISSION TEACHER TRAINING CENTRE
GURU NANAK DEV UNIVERSITY, AMRITSAR
(01.07.2024 - 30.06.2025)

Malaviya Mission Teacher Training Centre, previously known as 'Human Resource Development Centre', was established Academic Staff College" (ASC) in 1988, following introduction of scheme by University Grants Commission in 1987. Since its inception, it has been attracting teachers from all over India, rather than from a specific region and has become a platform where the Guru Nanak Dev University's academic community shares its knowledge, inside and ideas with larger academic community of the country on a reciprocal basis. On 1St February, 2015, Academic Staff College was transformed to 'Human Resource Development Centre (HRDC)', which achieved high standards of excellence in its working, based on team work of a small but committed, dedicated and competent group of teaching and non-teaching staff. The efforts made by the Staff College are academically and socially relevant. In this globalizing era, teachers are imparted higher learning and are equipped with excellent academic standards and pedagogical tools.

On 5th September, 2023, the Ministry of Education (MoE) seek to strengthen synergy of HRDCs by aligning it with NEP 2020 objectives. The scheme transformed Human Resource Development Centre to "Malaviya Mission Teacher Training Centre" (MMTTC). This scheme aims to implement NEP recommendations, focusing on quality teaching, equity, online education, technology use, Indian language promotion, vocational education, and multidisciplinary education.

The MMTTC has its own six storeyed building with Sate-of-the-Art Seminar Rooms, Conference Room, Computer Lab, Library, Kitchen & Dining Hall, Guest House, Dormitories, VIP Rooms and Sufficient Parking Place. It has three Air-Conditioned Seminar Rooms equipped with Projector, Interactive Panel and blended mode facilities with 24*7 wifi availability and have total sitting capacity of 50 participants. It has a well-equipped air-conditioned Conference Room with Interactive Panel and with sitting capacity of 20 persons at a time. High speed internet and high definition video conferencing facility is also available in the room to achieve world-wide connectivity. MMTTC's Library has 5871 multilingual, multidisciplinary

books and has stacking capacity of seven thousand books. The participants of different courses can have access to the e-resources of the university.

Computer Lab

The Centre is also having a well-equipped Computer Lab with 24*7 internet availability which aims to provide technological excellence to participants during offline courses. The lab has 14 high speed computers powered by Intel processors and GPUs which aid in utilization of resources according to the requirements of the participants of the offline courses. MMTTC, GNDU has two Air-Conditioned Guest Houses with 70 Rooms, 2 Dormitories and 4 VIP Rooms, which aims to provide accommodation to about 130 participants and a proper parking space for their vehicles.

Number of Courses Undertaken by MMTTC

S. No	Type of Programmes/Courses (01-07-2024 to 30-06-2025)	No. of Programmes	No. of Participants
1	NEP 2020 Orientation & Sensitization programme	9	837
2	Faculty Induction Programme	2	115
3	Short Term Courses	5	190
4	Refresher Courses	4	257
	Total	**20**	**1399**

The Centre has conducted 20 courses from 01.07.2024 to 30.06.2025 in which 1399 candidates participated from different states of India. The maximum participation of 837 candidates, about 59% the total participation, was in NEP Orientation and Sensitization Programmes.

The Centre has successfully conducted Faculty Induction Programmes, Short Term Courses and Refresher Courses during the session in question, in which 562 candidates participated. The participants actively took part in deliberations on the lectures/talks delivered by the expert speakers. To make them more attentive in the sessions, MCQ test on the lectures delivered is introduced as per UGC guidelines. Apart from MCQs, projects, seminars/ presentations, overall responses are also included to evaluate the participants towards the end of each course. The entire process of evaluation of the participants is carried out by the examiners appointed by the Worthy Vice-Chancellor of the University. The participants are empowered to evaluate the Resource Persons of each course as well through a specially designed google form. The evaluation of the Resource Person is kept strictly confidential and only the Director of the Centre is privy to it. The projects/seminars presented by the participants are properly documented and housed in the library of the MMTTC. An ambience conducive to the free and frank interactions of the participants with the Resource Persons during the formal academic sessions as well as during informal talks is highly appreciated by our participants. Apart from the inaugural and valedictory sessions of each course, an informal interactive session is conducted with the Director/ Deputy Director, in which candid, free, frank and critical comments of the participants regarding the overall conduct of a course are solicited. The feedback from the participants is given due weightage and corrective measures are taken, wherever needed. To sum up, it can be said that MMTTC has been persistently working hard to meet the aspirations of the participants to uplift and augment the standard of higher education.

Detail of the Programs Conducted from 01.07.2024 - 30.06.2025

S. No.	Title of the Programme	Number of Participants	Date		Duration
			From	To	
FACULTY INDUCTION PROGRAMMES					
1	Faculty Induction Programme-12 (Residential)	27	30.12.2024	25.01.2025	One Month
2	Faculty Induction Programme-13 (Online)	88	21.05.2025	17.06.2025	One Month
REFRESHER COURSES					
1	Two Week Refresher Course In Basic & Applied Sciences [Agriculture, Anthropology, Biological Sciences, Biotechnology, Chemistry, Dietetics and Nutrition, Geological Sciences, Health Sciences, Information Sciences, Life Sciences, Mathematics, Pharmaceutical Sciences, Physics, Physical Sciences & Nano Sciences, Sports Sciences & Medicine, Textile Technology etc.] **(Online)**	41	04.10.2024	17.10.2024	12 days
2	Two Week Refresher Course in Humanities, Liberal Arts and Teacher Educators [Agriculture, Anthropology, Economics, Education, Fine Arts, Geography, History, Home Science, Library & Information Sciences, Laws, Mass Communication, Mathematics, Philosophy, Political Science, Public Administration, Physical Education, Psychology, Religious Studies, Social Sciences, Sociology, Visual & Performing Arts etc.] **(Online)**	116	05.11.2024	18.11.2024	12 days

ALL INDIA SERVICES CENTRE FOR COMPETITIVE EXAMINATIONS

The Centre was established in 1982 for imparting pre-examination training to All India Services aspirants. In its long journey of more then three and half decades it successfully trained candidates for All India Services, State Level Civil Services and other allied categories. The centre has a very illustrious track record of making career of the students of the region, which can be gathered from the following list of alumni of the Centre, who made it to IAS and other allied categories after getting pre-examination training from the Centre, The successful candidates among others, are: Karnail Singh (82-83), Asha Bhagat (84-85), Ravi Sarangal (86-87), Roshan Lal Shankaria (87-88) , Jaspal Singh (91-92), Suman Bala (91-92), Bhupinder Kaur (93-94), Bhupinder Kaur (96-97), Rahul Bhandari and Sanjeev Hans (96-97), Akashdeep Singh Sandhu (97-98), Mary Bhatia (97-98), Rajinder Kaur Dhillon (2001-02), Gagandeep Gambhir (2003-04) and Rohit Mehra (2003-04), The Centre has eqully impressive track record of Success for Indian Police Services, Swaraj Bir Singh and R.S.Gill (28-83) Desh Pal Singh (84-85), Iqhalpreet Sing Sahota (86-87), Dilbagh Singh (87-88), Rajinder Singh (88-89), Harjinder Singh (89-90), Tajinder Singh (92-91) are the proud alumni of the Centre.

The Centre has also been imparting pre-examination training for the candidates opting for Punjab Civil Services Ramesh Kumar (91-92), Harjit Singh, Harjinder Singh (92-93), Jaswant Singh Dhillon and Dyan Singh (97-98), Surinder Kumar, Gurdev Singh ,Ramesh Kumar, Balwinder Singh, Amarjit Kumar, Inderjit Singh, Randeep Singh, Parmjeet Singh and Simran Arora (98-99), Jagvinderjit Singh Garewal, Ravinder Singh, Sanjeev Sharma, Rakesh Kumar Popli, Gurparkash Singh, Parmjeet Singh, Rishi Pal Singh, Parwanjit Singh, Gurjit Singh and Subash Chander (2002-03), Sushil Badh and Baljinder Kaur (2010-11), Rakesh Kumar Popli, Navjit Sharma, Harbhajan Singh, Madhur Bhatia, Gurpreet Singh, Lakhbir Singh and Jaskaran Singh (2012-13).

AISCCE has made collaboration with Nishan-E-Sikhi for session 2019-20 and 202-21 in order to promote the student from rural background to prepare for Civil Services and UGC. Nishan-E-Sikhi provided infrastructure whereas GNDU will provide for the faculty and space as agreed in MOU. The collaboration is committed towards fruitful results as students of rural area are having exposure to the books and material as well as guidance for preparations.

AISCCE admits students for imparting them pre-examination teaching for preliminary as well as main examination for UPSC for full Academic session, to run for about 10 months and Punjab Civil Services Examination and UGC (NET) twice a year that is in the month of July-August and December – January , each to run for about six months. During 2024-25 session Centre enrolled for UPSC/PCS, 45 Student.

DEPARTMENT OF LIFELONG LEARNING

The Department was established in 1985 with an objective of providing quality vocational education to the youth. The main focus of providing vocational education is to make the youth self-reliant especially the women coming from weaker sections of society. Over a period of time, the Department has been making efforts to upgrade the different syllabi to keep pace with changing times. These skill based courses have brought very encouraging results as many students have been able to start their own ventures and have got placements in various government and private organizations. It has always been an endeavor of the Department to provide latest training and conducive environment to the students, so as to develop their talent in the best possible ways. In order to encourage the student to become entrepreneurs, the department organizes an exhibition every year to showcase the artifacts prepared by them.

Director (Addl. Charge): Prof. (Dr.) Anupam, Department of Human Genetics, Guru Nanak Dev University, Amritsar(01-04-2024 to 31-03-2025)

- **Orientation/Induction Programmes:** On the commencement of the session all enrolled students are motivated and guided to ensure compulsory participation in various activities & competition to show their hidden talent as well as designing anything out of waste & surplus. They are encouraged and trained to create the best designs and innovations in shape of many creative items.
- **Talent channelization Programmes:** Personality development through short term training programmes in order to develop all round abilities & talent of the students.
- **Exposure through industrial visit: W**are Houses, Fashion Houses, Salon, Textile Mills etc. are organized.

STRUCTURE OF DEAN, COLLEGE DEVELOPMENT COUNCIL

ACTIVITIES OF DEAN, COLLEGE DEVELOPMENT COUNCIL

Dean: Prof. Saroj Arora

The College Development Council consists of two offices – Office of Dean, College Development Council and College Branch.

A few Highlights of the activities done during last year (2024-25)

1. New college opened in 2024 (Sant Baba Hajara Singh Girls College Nikke Ghuman, Gurdaspur)
2. NEP was implemented in affiliated colleges, Constituent colleges and University colleges. (2024-25)
3. College Development Council GNDU has been recognized as nodal centre (funded by Punjab State Council for Science & Technology as the state nodal agency and Ministry of Environment and climate change Govt of India as the supporting agency) to establish Eco clubs in Affiliated/Constituent/University Colleges under which two projects have been sanctioned:

   1st project of Rs. 12,10,000/-

   2nd project of Rs. 13,50,000/-
4. Eco clubs in 100 colleges were established with financial assistance of grants from Punjab State Council for Science and Technology in the guidance of Dean College Development Council.
5. Organised orientation workshop for Eco-clubs Coordinators from Colleges affiliated to Guru Nanak Dev University under Environment Education Programme-2024 on 24 September, 2024.
6. Organised one day Seminar on "From Drug Awareness to Action: Why Youth is at Risk & how to help" for the principals in collaboration of College Development Council and Department of Psychology GNDU, Asr.
7. The process has been started to establish new research centers in affiliated colleges.

Both the offices collectively perform the following activities:-

1. To function as a policy making body in regard to proper planning and integrated development of Colleges.
2. To conduct survey of all affiliated colleges for reviewing the existing facilities and indentifying the needs for development of colleges.
3. To prepare a perspective plan for the development and opening of new colleges and to introduce new courses in colleges.
4. To ensure the implementation of the University decisions by the affiliated colleges.
5. To keep close contact with the colleges with a view to help them in various matters.
6. To aware the colleges regarding various schemes of Grants of UGC.
7. To review the inspection reports of the colleges and suggest remedies for the defects and irregularities.

8. To send proposals of the colleges to the UGC for award of college with Potential for Excellence.
9. To forward proposals of colleges to the UGC for grant under various plans of UGC.
10. To forward the lists of teachers appointed by the colleges through duly constituted committee to NCTE.
11. To arrange CDC meetings twice in a year to discuss the problem of colleges.
12. To arrange meetings of principals every year.
13. To handle the RTI's and courts case of the college staff and managements.
14. To arrange Seminar/Workshop for Principals with the collaboration of Director, UGC-Madan Mohan Malavia Teacher Training Center.
15. To collect college development fees and continuation fees from the colleges
16. To grant approval of the appointment to the teaching staff appointed by the colleges through duly constituted selection committee.
17. To facilitate the teaching staff of the colleges regarding the matters relating to their promotions and their loan cases.
18. To scrutinize the applications of the candidates received for the post of Principals/ Professors/Associate Professors/Assistant Professors in affiliated colleges of the University.

CENTRE FOR CAPACITY ENHANCEMENT PROGRAMME

Director: Prof. Navdeep Singh Sodhi

Under Capacity Enhancement Programme during the Session 2024-25, the number of Associate Institutes was 40 with student enrolment of 4568. The quality, in delivery of educational instructions, is ensured by way of regular inspections and supervisions of Associate Institutes. In this session only old institutions were given continuation and no new institute was setup.

Purpose of CEP:

To impart technical, professional, arts, commerce education to the remote, rural and border areas of Punjab, which run parallel to courses offered in the regular mode of education.

Merits of CEP:

1. The ordinances, syllabi, examinations, evaluation, etc. of this programme are the same as of regular programme.
2. Unrestricted mobility of students between this programme and conventional modes of education is the merit of this programme.
3. Same eligibility criteria for admission in these Programmes as for regular students.
4. Course of study, duration, medium of instructions & examination are same as for students in affiliated colleges.
5. Candidates admitted in these programmes are required to attend regular classes.

ASSOCIATE INSTITUTES IN SESSION 2024-25

1. Sri Guru Teg Bahadur College for Women, Dharamshalla Sardar Mahna Singh, Near Mahna Singh Road, Amritsar.

CENTRE ON STUDIES IN SRI GURU GRANTH SAHIB

(Information from 1st July 2024 to 30 June 2025 (calendar year)

Introduction of the Department :

Sri Guru Granth Sahib occupies a unique place among the world scriptures. On the occasion of the 400th anniversary of its Instalation on September 1, 2004, the then Honourable Prime Minister, Dr. Manmohan Singh had announced the establishment of Centre on Studies in Sri Guru Granth Sahib. This Centre was inaugurated in Guru Nanak Dev University, Amritsar on April 1, 2011. The building of Sri Guru Granth Sahib Bhawan has been built in Sikh Architecture over 82,000 square feet.

This Centre undertakes research work on the following aspects of Sri Guru Granth Sahib:

I. Interfaith Understanding Studies
II. Philosophical and Theological Studies
III. Musicological Studies
IV. Hermeneutic and Linguistic Studies
V. Social and Cultural Studies
VI. Scriptural Translations

To conduct research in these fields, provision is made for Six Professor, Six Visiting Professors and 18 research fellows. Our focus is on the development of research tools which may be useful for doing studies on Sri Guru Granth Sahib. Besides supplementing the sources of Sikh religion, history and literature we are working on those areas which are very crucial for the Sikh Studies but have remained ignored so far.

Dr. Amar Singh, Professor, Centre on Studies in Sri Guru Granth Sahib, GNDU, Amritsar

Departmental Project

According to the project preparing the 'Descriptive List of Calligraphic copies of Sri Guru Granth Sahib' has been assigned to me by the centre. For this purpose, it has been considered that hard or soft copies of these valuable manuscripts should be available with the centre for preservation and further research. Therefore, I am, at the moment working on digitalization of manuscripts of Sri Guru Granth Sahib, Dasam Granth and various other relevant Pothies available at various places:

The Following Granth/Volumes/Manuscripts have been digitalized:

1.	Sri Guru Granth Sahib	:	32
2.	Sri Dasam Granth	:	8

3. Pothies, etc. : 15

Seminars, Special Lectures and Papers Presented

1. A Power Point Presentation *Gurmukhi Lipi & Chitarkari Tardition in Hand Written Manuscripts of Sri Guru Granth Sahib* is presented in 3 days World Punjabi Conference Organized by *Kalm Foundation of North America, Singh Travel Canada & Ajit Weelky,* Brampton, Ontario, Canada on 5 July 2024.
2. A Power Point Presentation *Gurbani de Hath Likhat Khararian di Likhan Prampra Te Samagri* presented in 7 days workshop *Gurbani de Hath Likhat Khararay : Prampra, Ithas ate Adhyan* Organized by *Centre on Studies in Sri Guru Granth Sahib,* Guru Nanak Dev University, Amritsar on 16th July 2024.
3. A Power Point Presentation *Gurbani Hath Likhatan vich Chitrakaari* presented in 7 days workshop *Gurbani de Hath Likhat Khararay : Prampra, Ithas ate Adhyan* Organized by *Centre on Studies in Sri Guru Granth Sahib*, Guru Nanak Dev University, Amritsar on 18th July 2024.
4. A Power Point Presentation *Sri Guru Granth Sahib dian Hath Likhatan Dian Sakhavan* presented in 7 days workshop *Gurbani de Hath Likhat Khararay : Prampra, Ithas ate Adhyan* Organized by *Centre on Studies in Sri Guru Granth Sahib*, Guru Nanak Dev University, Amritsar on 20th July 2024.
5. A Power Point Presentation *Sri Guru Granth Sahib di Sampadana Jugat* presented in 7 days workshop *Gurbani de Hath Likhat Khararay : Prampra, Ithas ate Adhyan* Organized by *Centre on Studies in Sri Guru Granth Sahib*, Guru Nanak Dev University, Amritsar on 20th July 2024.
6. A Power Point Presentation *Scribal Tradition of Manuscripts Sri Guru Granth Sahib : Hand Written Manuscripts* is presented at *Sri Guru Granth Sahib World University, Fatehgarh Sahib* on 24 July 2024.
7. A Power Point Presentation *Importance of Hand Written Manuscripts of Sri Guru Granth Sahib* is presented in a 7 days workshop Organized by SHAHEED SIKH MISSIONARY COLLEGE, Amritsar on 23 December 2024.
8. A Power Point Presentation *Sri Guru Nanak Dev Ji : Virsa Te Virasat* is presented in One day International Seminar Organized by Akal University, Talwandi Sabo, Bathinda on 25 April 2025.

Workshop

Gurbaani De Hath Likhit Kharare:Parampara, Itihaas ate Adhyan Sep.2024

TV Interviews

1. TV interview on *Work & Importance of Gurdwara Institution* for *PTC SIMRAN* on 20 August 2024.
2. TV interview on *Life biography & Works* in program Gurs*ikhi Di Mehak,* for You Tube Channel on 28th December 2024.

Books

Published

4. *Sri Guru Granth Sahib Dian Hath-Likhat Beeran De Darshan (Descriptive list),* Volume-3, 2024.
5. Sant Attar Singh ji di Dharmik Ate Smajik Kheter vich Den, IInd Edition September 2024.

Under Progress

6. *Sri Guru Granth Sahib Dian Hath-Likhat Beeran De Darshan (Descriptive list),* Volume-4 (work in progress, collecting the digitalized copies of Manuscripts).

7. Reference book *The Relative Index of Sri Gur Panth Parkash (by Giani Gian Singh)* (under progress).
8. *Sri Dasam Granth Sahib Dian Hath-Likhat Beeran De Darshan (Descriptive list)*, Volume-1 (work in progress, collecting the digitalized copies of Manuscripts).

Lakhvir Kaur (Senior Research Fellow)

Presented Paper

- Presented paper on the topic of Kabir Baani Vich Mann Daa Sankalap at Centre on Studies in Sri Guru Granth Sahib (GNDU) under the Manthan programme.
- Presented paper on the topic of 'Musical Vocabulary in Sri Guru Granth Sahib ' at Centre on Studies in Sri Guru Granth Sahib (GNDU) under the Manthan programme June 2025.

Project in Progress

Sri Guru Granth Sahib Vich ayi Sangeetak Shabdavali.

Dr. Rupinder Kaur (Project Fellow)

Presented Research Paper

- Presented paper on the topic of ' Khalsa Mero Roop Hai Khaas' in Gurmat Samagam at Gurdwara Singh Sabha, Vill. Nathu Chahal, Kapurthala.
- Baani Bhagat Ravidass: Adhyatmak Falsafa under Manthan Programme

Published Work

Assa Ki Vaar: Vismaadi Anubhav Nanak Parkash Patrika 2024.

Under Publication

Research paper on the topic of 'Guru Tegh Bahadur Bani: Parmatma da Suhaj Saroop' at Sri Guru Granth Sahib World University, Fatehgarh Sahib.

Project in Progress

CENTRE FOR AGRICULTURAL RESEARCH AND INNOVATION (CARI)

The Centre for Agricultural Research and Innovation (CARI) has been established in the university with a vision to integrate research and outreach education in agriculture, food systems and the environment to establish ecologically and economically sustainable models of agriculture. The centre also aims to build a world-class ecosystem for promoting research and finding innovative and meaningful solutions in the field of agriculture for the benefit of society.

Recently, the centre is actively involved for development of *in vitro* propagation system of highly valued non-traditional crops, such as low-chilled apples, banana, saffron, black turmeric, and elite varieties of sweet potato enriched with beta carotene and anthocyanin at the experimental farm and their successful *in vitro* propagation protocols in the lab. The centre is also making sincere efforts to establish a synergistic relationship with various stakeholders like farmers, researchers, entrepreneurs and investors to create an ecosystem of entrepreneurship and innovation.

1. Black turmeric

- Black turmeric rhizome is rich in curcumin content and essential oil.
- The root has been used medicinally for centuries to treat arthritis, asthma and bronchitis, and epilepsy, migraine, sprains and bruises. cold, fever, dysentery, worm infection, etc.
- Black Turmeric are claimed to have a property of acting against leukoderma, cancer and HIV/ AIDS.
- The center is engaged to develop in vitro propagation of black turmeric to produce large number of plants.

Micropropagation of Black turermic in CARI Tissue Culture Lab

2. Sweet potato

- Sweet Potatoes are a nutritious food rich in carbohydrates, very low fat content, and antioxidants. The Food and Agriculture Organization (FAO) has reported that sweet potato leaves and shoots are good sources of vitamins A, B, and C, as well as lutein.
- This plant possesses several therapeutic activities, such as antimicrobial, antioxidant, anticancer, anticoagulant, anti-inflammatory, and antiulcer.
- Its tuber is used as raw materials in the preparation of curry, mixture, chips, bread, buns, cakes, biscuits, fish pasties, chapatti, jam, ketchup, juices, and other value added products such as β-carotene rich.
- Conventional propagation methods are not able to supply sufficient disease-free planting materials to farmers to sustain steady tuber production.

- Our center is working on the production of good quality disease free nutritional rich sweet potato through tissue culture techniques and developing agro-technology for its cultivation.

Orange colour Sweet potato

- Bhu Sona is orange- fleshed sweet potato, which contains high content of β-carotene (14.0 mg/100g) which is a precursor of Vitamin A.

Purple colour Sweet potato

- Bhu Krishna is purple-fleshed sweet potato. The anthocyanin-rich sweet potato variety Bhu Krishna has anthocyanin content (85-90 mg/100g) with the ability to grow in medium stress and salinity stress condition.
- These anthocyanins are naturally soluble pigments having a variety of medicinal and pharmaceutical properties

Orange colour and purple colour Sweet potato tuber

Different variety of Sweet potato growing in the field of GNDU

Micropropagation of purple colour sweet potato var. Bhu Krishna through nodal explant:

3. Saffron

- Saffron is one of the costliest spices, traditionally grown in the Kashmir valley and part of Himachal Pradesh.
- The lack of good quality, disease-free, flowering size saffron corm and their propagation techniques are the major bottleneck in saffron cultivation.
- To enhance the production of saffron and its cultivation in non-traditional areas is a huge challenge. Through innovation-driven research, the centre is engaged in the propagation and cultivation of saffron.

Micropropagation of Saffron

4. Low chilled apple

Micropropagation of Low-chilled apple rootstock

- In order to broaden the crop diversity of the state, the centre is involved in the introduction of apple varieties suitable for the region
- The centre is developing *in vitro* propagation protocols for mass multiplication of desired rootstocks of apple and agro-technologies for the cultivation of low-chilled apple varieties.

5. Banana

- Banana is an important cash crop and plays a vital role in global food security.
- The major constraint in the cultivation of banana is attributed to the lack of suitable planting material (sucker), its susceptibility to diseases and environmental conditions.
- The centre aims at *in vitro* propagation of commercial banana and their establishment under field conditions

Micropropagation of G9 Banana in CARI Plant Tissue Culture Lab

6. Pineapple

- Queen variety of pineapple has golden yellow flesh, crisp texture and delicate mild flavour.
- The flesh and juice of pineapples are used in the cuisines around the world. Crushed pineapple is used in yoghurt, jam, sweets and ice cream. The juice of pineapple is served as a beverage and is also the main ingredient in cocktails.
- It contains plenty of nutrients and beneficial compounds such as vitamin C , manganese and enzymes to help aid digestion.

Piniapple var. Queen cultivated in the field of GNDU

5. Cassava

- Cassava is a root vegetable. It is rich in carbohydrates and has negligible amount of proteins and fats. Cassava is used for tiredness, dehydration in people with diarrhea, sepsis and to induce labour.
- It is used for producing Starch, bioethanol and other bio-based products e.g. feed, cosmetics, biolpoymers.
- It brings down creatinine level in the serum and reduce the toxicity in kidney nephrons.
- The center also working on development of Agro-technology for the cultivation of Cassava in Punjab.

Cassava plant cultivated in the field

The Centre for Agricultural Research and Innovation (CARI) has been established in the university with a vision to integrate research and outreach education in agriculture, food systems and the environment to establish ecologically and economically sustainable models of agriculture. With this vision CARI aims to build a world-class ecosystem for promoting research, and finding innovative and meaningful solutions in the field of agriculture for the benefit of the society.

With above mentioned mandate the centre has established the department of Agriculture to promote education, training and outreach activities in the various fields of agriculture like horticulture, agronomy, plant protection, agri-informatics and agri-biotechnology etc. Department of Agriculture is running B.Sc. (Hons.) Agriculture course since 2019-20. Further, to extend the limits of the research and innovation the centre has established the Division of Dietetics and Nutrition under which two courses viz; B.Sc. (Hons.) Dietetics and Nutrition and M.Sc. (Sports Nutrition) has been started from the academic session 2022-23.With an objective of Imparting quality education and training in the field of agriculture and allied disciplines, the centre has also started Bachelor in business Management (Agri Storage and Supply Chain) in collaboration with Logistics Sector Skill Council (Govt. of India) course. BBA (Agri Storage and Supply Chain) course will help the students to acquire a skill set in the field of Agri storage & Supply chain. Furthermore, to nurture innovative ideas, support research and impart hands on training to the students, the centre has renovated **8 labs** at the department of Agriculture. The centre and the department of agriculture are emphasizing on exploiting under-exploited and under-utilized plant resources and developing innovative practices for the propagation of high valued plants. So, a state of the art Tissue Culture Lab facility has been developed by the centre to facilitate the research in the field of tissue culture. Last but not the least, an Agri Innovation and Extension Centre has also been set up by the centre which is equipped with various research equipment related to the apiary-culture etc.

There is no scepticism that the centre is striving hard to establish a synergistic relation with all stake holders to develop an ecosystem of Agripreneurship and Innovation.. In this context, Centre has signed various MoUs with different Institutions/Companies/Govt. departments whose detail has been given below:

S. No.	Name of the Organisation/ Institution/ Industry with whom MoU is signed	Year of signing MoU
1	India-Canada Centre for Innovative Multidisciplinary Partnerships to Accelerate Community Transformation and Sustainability (IC-IMPACTS Centers of Excellence), Canada	2022
2	Logistics Sector Skill Council, Ministry of Skill Development and Entrepreneurship, Govt. of India	2022
3	College of Agriculture and Natural Resources, National Chung Hsing University, Taiwan	2020
4	Indigram Labs Foundation (ILF), New Delhi	2020
5	Punjab Agriculture University, Ludhiana, Punjab	2020
6	College of Agriculture, Cornell University, USA	2019

In line with the above mentioned mandates the centre has organized many events and many eminent personalities have visited the centre. Few of them are named as:

EMINENT PERSONALITIESWHO VISITED CARI:

1. S. Kuldeep Singh Dhaliwal, Cabinet Minister Agriculture & Farmers Welfare. Govt. of Punjab
2. Mr. Gurmeet Singh Meet Hayer, Cabinet Minister Higher Education, Govt. of Punjab
3. Mr. Alexander Ellis, British High Commissioner to India
4. Mr. Patrick Hebert, Consulate General of Canada
5. Mr. Barj Dahan, Board Chair, IC-IMPACTS, Canada
6. Mr. Arvind Choudhary, DG Fertilizer Association of India

OUTREACH ACTIVITIES CONDUCTED BY THE CENTRE:

- Crop Residue Management Lecture.
- Parthenium Awareness Workshop.
- Kisan Mela Visit.
- Self help group from Nurpur (Himachal Pradesh).
- Fertilizer Orientation Course.
- Poshan Maah.
- International Lecture Series On Nutraceuticals And Human Health .
- Seminar On Micro Algae- A Potential Alternative For Nutrition.
- Stroke Awareness Talk By Dr. Manik Mahajan From Fortis Hospital.

EVENTS ORGANIZED BY CARI :

- One day workshop on “Nutrition Management and Wellness” on 9 August 2024.

- Two day workshop on "Educational Seminar on Personality Development and Communication" on 2nd September 2024 and 5th September 2024.

Food processing unit

The Department with the Support of Golden Jubilee Centre Entrepreneurship and Innovation Has Established food processing lab. This lab was inaugurated by the honorable vice chancellor Prof. Karamjit Singh. It has established to support entrepreneurs, startups, faculty and students who wish to make on line extruder for developing various Food products. The department has conducted training of faculty, non-teaching staff and students for the utility of the machines. Various protocols /sops are being worked out using these machines for innovative products which can go to market or the technology can be transferred to entrepreneurs. The effective usage of the machine is also being worked out.

Formal inauguration

The unit was formally inaugurated by the Honourable Vice Chancellor Prof. Karamjit Singh on 11th February 2025, marking a significant milestone in the department's journey toward advancing food technology infrastructure.

Support for Startups and Entrepreneurship

This facility is also designed to boost startup programs and support entrepreneurial initiatives. Aspiring entrepreneurs and small-scale food producers will be able to use the extruder to develop and manufacture their own products under supervision.

Standard Operating Procedures (SOPs) and Future Plans

The Standard Operating Procedures (SOPs) for external and internal use of the extruder are currently under development. Once finalized, these guidelines will ensure the safe, efficient, and equitable use of the facility by students, researchers, and external stakeholders. The unit is expected to become fully operational shortly, with structured access protocols and support mechanisms in place. The Line Extruder unit is a significant advancement in the department's infrastructure, enhancing both academic training and entrepreneurial opportunities. The Department of Agriculture (Dietetics & Nutrition Division) with the Support of Golden Jubilee Centre Entrepreneurship and Innovation has successfully installed a new pilot-scale Line Extruder in its Food Processing Unit. The extruder was delivered and set up on October 17, 2023. This installation marks a significant upgrade to the laboratory, enabling the conversion of raw

agricultural materials (such as cereals, legumes, and tubers) into value-added, nutritionally enhanced food products. The continuous extrusion technology combines cooking, mixing, and shaping in a single process, which is ideal for developing snacks, breakfast cereals, and other fortified foods. Initial commissioning tests confirmed that the unit is fully operational. By integrating this extruder into the Food Processing Unit, the department aims to strengthen its infrastructure for applied food science education and research.

Demonstration and Training

A comprehensive application demonstration was conducted immediately after installation to ensure that all faculty, technical staff and students became familiar with the new equipment.

Educational Impact

The new Line Extruder will greatly enhance the practical training of students by bringing advanced food processing technology directly into the learning environment.

Key educational benefits include:

- Line Extruder is expected to boost capacity-building, skill development, and innovation within the Dietetics & Nutrition Division and the wider food science community.
- This strategic addition aims to strengthen the department's capacity in food processing, product development, and applied nutrition. The extruder will serve as a key asset for both academic training and entrepreneurial innovation.

Students' Activities and Support Departments

DEAN STUDENTS' WELFARE

The office of Dean Students' Welfare is located on the ground floor of Sahibjada Ajit Singh Student Bhawan, and looks after the welfare of students and their overall well-being in the University campus. The matters related to discipline in the University campus & hostel premises are also coordinated by the Dean Students' Welfare office.

The office coordinates and monitors various student activities like campus sports, cultural activities, Inter Departmental Cultural Program Jashan and Youth festivals. The operation of mess & canteen services and hostel admissions are also monitored by the office.

Various students' activity clubs viz., Literary Club, Music Club, Science Club, Dance Club, Fine Arts Club, Fitness Club, Drama Club, Go Green club and Photography Club are also working under the guidance of the Dean Students' Welfare. The Election Literacy Clubs are also working under the guidance of Dean Students' Welfare. The Dean Students' Welfare is Nodal Officer for Post Matric Scholarship to SC/OBC students. The office of Dean Students' Welfare coordinating the above cited activities all year long.

The office of Dean Students' Welfare organized a bicycle rally at the University Campus, Amritsar on World Bicycle Day and Fit India Movement on 01-06-2025 and International Yoga Day was celebrated on 21st June, 2025 as per the guidelines issued by the Ministry of AYUSH, Government of India.

INTERNAL QUALITY ASSURANCE CELL

Director	:	Prof. Jatinder Kaur
Assistant Directors	:	Dr. Gagandeep Kaur Gahlay, Dr. Prabhsimran Singh, Dr. Aditya Sunkaria, Dr. Nirmala Devi
Assistant System Analysts:		Mr. Bhupinder Singh Thakur, Mr. Harpreet Singh
CCJDEO	:	Mr. Sandeep Chhabra

In pursuance of the National Assessment and Accreditation Council's (NAAC) Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education an Internal Quality Assurance Cell (IQAC) is established as a post-accreditation quality sustenance measure. As per NAAC's "Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions", the Office of IQAC is to work with specified objectives and strategies to perform expected functions as per the following.

❖ **Objectives: -**

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through Internalization of quality culture and institutionalization of best practices.

❖ **IQAC shall evolve mechanisms and procedures for: -**

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

❖ **Some of the functions of the IQAC are: -**

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters of higher education;

- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Development of Quality Culture in the institution and Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

❖ **Rankings/Ratings of the University in 2024-25:**

1. **The Center for World University Rankings (CWUR)** the only academic ranking of global universities that assesses the quality of education, employability, quality of faculty, and research etc. in which GNDU Ranks in the top 9.3 percent (at 1975 out of 20966 universities) worldwide according to the 2024 edition of the outcome-based Global Top 2000 universities of world.
2. **Study Abroad Aide** (South Korea) university database, service provider with the most comprehensive database of universities globally. In its ranking of 2024, GNDU among 8032 institutes worldwide stands as 27% in Best University Ranking 2024 and 23% in Best Value University Ranking **2024.**
3. **Education World Magazine** Bengaluru- INNOVUS EDUSERVICES Private Limited **March 2025** issue, ranked Guru Nanak Dev University at 29th place under category India Government Multidisciplinary Universities. The details for which are as follows:

University Name	City	State	Total Score	Rank
Guru Nanak Dev University	Amritsar	Punjab	894	29

4. **EduRank.org** is an independent metric-based Ranking Agency: On **March 02, 2025 Magazine Issue,** The Guru Nanak Dev University ranked 44th in India, 2106th in the global 2025 rating, and scored in the TOP 50% across 113 research topics. Guru Nanak Dev University ranking is based on 3 factors: Research Output (*EduRank's* index has 14,397 academic publications and 2,66,887 citations attributed to the university), Non-Academic Reputation and the impact of 13 Notable Alumni.

#2106 of 14,131	In the World
#644 of 5,830	In Asia
#44 of 876	In India
#5 of 34	In Punjab
#1 of 3	In Amritsar
#313 of 1,663	For Toxicology
#335 of 3,895	For Nutrition and Food Science
#382 of 2,335	For Pharmacy
#2061 of 7,918	For Alumni Impact
#4056 of 14,131	For Non-academic Prominence
Top50%	For 110 other topics

April-June 2025:

5. THE WEEK-HANSA RESEARCH- BEST UNIVERSITY SURVEY-2025'. In the magazine issue dated as **25th May 2025**, our university has obtained the Rank as follows:

Category	Rank in 2025	Rank in 2024
Multi-Disciplinary Universities-All India	12	15
Multi-Disciplinary Universities-State	8	8
Multi-Disciplinary Universities-North Zone	7	7

6. **The Indian Institutional Ranking Framework (IIRF)** University Rankings 2025, as published by Education Post News, were released on **June 17, 2025**. Guru Nanak Dev University Ranked at 20th position under sports university all India rank. The IIRF rankings, including universities, B-schools and schools, educators and policymakers.

7. **India Today - MDRA ranking**, under the category of top general (government) universities in India 2025, GNDU got 12th rank. Result was declared on 11th August, 2025 in issue of India Today magazine.

SPORTS

1. 10, January 2024, Guru Nanak Dev University (GNDU), Amritsar, was a prominent feature in Indian sports news for winning the Maulana Abul Kalam Azad (MAKA) Trophy for a record 25th time for its performance in sports for the year 2022-2023.

2. Guru Nanak Dev University (GNDU) was the **second runner-up for the prestigious Maulana Abul Kalam Azad (MAKA) Trophy** at the National Sports Awards. The university also held its own Annual Sports Prize Distribution function for the 2023-24 January 17, 2025.

3. Paris Olympics 2024: GNDU shooters Ashvarya Partap Singh Tomar and Sifat Kaur Samra represented India at the Paris Olympics.

4. **Aishwary Pratap Singh Tomar**

   - Arjuna Award for Guru Nanak Dev University shooter Aishwarya Pratap Singh Tomar 10.01.2024.
   - He won gold medal in the men's 10m air rifle at the Khelo India University Games 2024 in Guwahati on 20.02.2024.

5. **Sift Kaur Samra:**

   - In August 2025, she won both the individual and team gold medals in the women's 50m rifle 3 positions event.
   - In April 2025, she won her first individual World Cup gold medal in the 50m rifle 3 positions event after a remarkable comeback in the standing position.
   - ISSF World Cup (Munich, Germany): In June 2025, she secured a bronze medal in the same event.

CULTURE

1. 38th Inter-University National Youth Festival (March 2025 at Amity University, Noida): GNDU secured the First Runners-Up overall trophy out of 148 participating universities**.**

2. Punjab State Inter-University Youth Festival (2024-25 at PAU, Ludhiana): GNDU won the Second Runners-Up Trophy.

❖ **Participation in Webinars/Conclave**

1. IQAC Attended the Chetna **online lecture series**, topic: The Intersection of teaching & research: Preparing the next generation, Speaker: Dr. Anil Kakodkar, Former- Chairman, Atomic Energy Commission, India & amp; Former Director, BARC, organised by UGC on 05th September, 2024. (Online mode)
2. IQAC Attended the Chetna online lecture series, topic: Clean Campuses and Cities: Educating for a Greener Tomorrow, Speaker: Shri P. Narahari, IAS, Secretary, Public Health Engg. Dept., Govt of Madhya Pradesh, organised by UGC on 11th September, 2024. (Online mode)
3. IQAC Attended the Chetna online lecture series, program of the launch of the "Handbook on Basics of Cyber Hygiene for Higher Education Institutions" on the occasion of Cyber *Jaagrookta Diwas*, aligns with the UGC's cyber security guidelines by providing essential knowledge and best practices to enhance the cyber resilience of institutions and promote a culture of safety in the digital environment for students, faculty, and staff. The lecture titled "Busting Digital Arrest," presented by Shri Sanjay Sahay, retired IPS, Founder Director of TechConPro, and a distinguished cyber security expert on November 6, 2024. (Online mode).
4. IQAC Attended the Chetna online lecture series, on Engaged learning in higher education using interactive games, by Shri Kartic Vaidyanathan**,** Guest Faculty, IIT Madras, on November 26, 2024. (Online mode).
5. Shri Sandeep Chhabra, CCJDEO Participated in State-Level AISHE Workshop on 19th December 2024 at SMHS Government College Mohali, Phase-6, Ajitgarh, Chandigarh Rd, Sahibzada Ajit Singh Nagar, Punjab.
6. Director IQAC attended a virtual meeting with the NEP Coordinators to discuss the issues for effective Implementation of NEP 2020. Presentation is made on NEP-SAARTHI, UTSAH and ABC portals by UGC held on 24th January, 2025.
7. Director IQAC attended Online mode, meeting concerning 'National Workshop on Pradhan Mantri Uchchatar Shiksha Abhiyan 30th April - 1st May, 2025' which was further attended by worthy Vice Chancellor organised by Department of Higher Education, Ministry of Education on 3rd April, 2025.
8. Director IQAC attended Online mode, participated in one day national Workshop on Understanding Patents organised by Golden Jubilee Centre for Entrepreneurship and Innovation, Amritsar held on 7th June, 2025.
9. Director IQAC attended One day workshop on "Writing Research Proposal for Government Funding Grants" organized by Director of Research, Guru Nanak Dev University, Amritsar on 25th June, 2025.
10. Director IQAC attended 2nd All India IQAC Workshop 2025, organized by IQAC, Uttaranchal University, in hybrid mode from June 27-28, 2025.

BHAI GURDAS LIBRARY

University Librarian	:	Dr. Manpreet Singh Bhatti, Professor Incharge (*Additional Charge*)
System Administrator	:	Mr. Sarbjit Singh
Assistant Librarian	:	Dr**.** Surinder Singh Ghuman, Mr. Satish Kumar, Dr. Jatinder Singh, Mrs. Nishi Handa
Assistant Registrar	:	Mr. Tajinder Singh Manocha
Assistant Programmer	:	Mr. Bhupesh Kumar

Bhai Gurdas Library (Central Library) is housed in a five-storey inverted pyramid-shaped structure with a covered area of more than square meters. The building is centrally located with teaching departments all around. This magnificent building is visible from the main gate of the university and an iconic figure. The university library has been named after the great Sikh scholar Bhai Gurdas. Bhai Gurdas Ji had the rare privilege of taking dictation from the fifth Sikh Guru, Guru Arjan Dev Ji for the compilation of the holy scripture of the Sikhs, the Adi Granth. With the exception of January 26 and August 15, the library is open every day of the year.

Library Timings

Monday – Friday	9 AM – 9 PM
Saturdays, Sundays and other holidays	9 AM – 5 PM
Air-conditioned Reading Hall	24 hours open

Library Membership

The circulation section is responsible for maintaining the data of the library members. Members are students, teachers, research scholars and employees of the university. The breakup of university membership is as below:

Undergraduate Students	7377
Postgraduate Students	7931
Research Scholars	288
Faculty & Employees	526
Total (*as on 26-08-2025*)	**16122**

Book Collection

Collection (***as on July 2025***)	**Total no. of Documents**	**Data Source**

Research Journals and Periodicals

The periodical section provides services related to journals, periodicals, and newspapers to the students of the university. The details are given below:

Type	*No. of Journals / Magazine / Newspapers subscribed*
Foreign Journals	52
Indian Journals	89
Popular Magazines	45
Newspapers	24

Rare Books Section

This section is a treasure house of old manuscripts, rare books, photographs, historical letters, coins and paintings. This section is regularly visited by students from schools, universities and institutions of national importance. This section also housed two dedicated sections, viz. Professor Pritam Singh and Nanak Singh Ji, and Dr. Gurnam Singh Teer section. The details are given below:

Rare Books & Manuscripts	Collection
Rare Book Collection of Prof. Pritam Singh	9804
Manuscripts collection of Prof. Pritam Singh	1067
Collection of Shri Nanak Singh	104
Collection of Dr. Gurnam Singh Teer	49
Coins	30
Paintings	65
Artifacts found from Domeli Village	99

Anti-Plagiarism Software

The computer section of Bhai Gurdas Library provides anti-plagiarism services to the PhD research scholars using DrillBit Extreme software provided by INFLIBNET, Ahmedabad. During academic session 2024-2025, 5930 documents have been checked from the Drillbit Extreme software for the benefit of the researchers and subsequently uploaded on the Shodhganga platform as part of the national repository. It is pertinent to mention here that 5650 documents have been issued by the Inflibnet during last year for checking of plagiarism.

Repository of Digital Theses on Shodhganga

After successful completion of PhD thesis, the soft copy of the complete thesis is uploaded on the Shodhganga platform along with the anti-plagiarism report to maintain the quality of research work. The total number of theses on the Shodhganga portal is 2382 (as on 02-09-2025) including 272 theses uploaded during the 2024-2025 academic year.

Library Automation

- Online Public Access Catalogue (OPAC): Dewey Decimal Classification (DDC) system is used for classification to arrange the books in proper order on the shelf so that books can be easily located by the users. Integrated library management software KOHA is used for cataloguing, and further, this data is uploaded on OPAC. About 10000 books were issued in the academic year 2024-2025. Link to access the OPAC book search is http://library.gndu.ac.in
- OPAC Kiosks: OPAC kiosks are available for searching the books on every floor through LMS-Koha and users can search the exact location of the books.
- Entry and Exit Gates: A fully integrated LMS (KOHA) has been implemented in the library with complete RFID integration, which automates data collection and vastly reduces human effort and error. This facilitates automated access to faculty, research scholars and students. In this system, once students/faculty members enter the library, their entry is automatically recorded by tapping.
- RFID Security Gates: RFID-based security gates are provided at the entry point of the library so as to avoid any unauthorised removal of books.

Students Facilities

- **Digital Lounge:** A dedicated computer lab consisting of 100 state-of-the-art machines with internet access is being used by students for accessing electronic resources (eBooks, eJournals, MOOC courses, etc.).
- **Seminar cum Orientation Hall:** A seminar cum orientation hall has also been established with multimedia facilities and a smart digital podium to organise orientation programme for a batch of students and faculty.

- **24-Hour Air-Conditioned Reading Hall:** A dedicated space is created for self-study of students near the entry gate of the Bhai Gurdas Library with a sitting capacity of about 250. The reading hall is fitted with full air conditioning, and security staff is available round the clock for students' safety.

Departmental Libraries

Circulation Section-II is responsible for maintaining the libraries and library staff for the benefit of the students. About 22 departmental libraries in different buildings of the university cater to the needs of the students. In academic session 2024-2025, 2639 books were transferred to different libraries. The brief details of libraries is given below:

(i) AIS Centre, (ii) Asia House Library, (iii) Biotechnology, (iv) Centre on Studies in Shri Guru Granth Sahib, (v) Chemistry, (vi) Economics, (vii) Education, (viii) Electronics Technology, (ix) English, (x) Food Science & Technology, (xi) Guru Nanak Bhawan Library, (xii) History, (xiii) Human Genetics, (xiv) Law, (xv) Library & Information Science, (xvi) MRS Bhawan Library, (xvii) MYAS Sports Medicine & Physiotherapy, (xviii) Physics, (xix) Psychology, (xx) Sociology, (xxi) University Business School, (xxii) University School of Financial Studies

Online Access of Journals and Databases

One Nation One Subscription (ONOS) https://onos.gov.in/	Online access to 13,000+ e-journals
Web of Science www.webofscience.com/wos/	Research Database –Accessed through ONOS platform
Shodhganga https://shodhganga.inflibnet.ac.in/ handle/ 10603/2806/	Shodhganga@INFLIBNET Centre provides a platform for research students to deposit their Ph.D. theses and make it available to the entire scholarly community in open access
ShodhShuddhi https://shodhshuddhi.inflibnet.ac.in/	Shodh Shuddhi is a UGC initiative to provide access to web-based plagiarism detection software (Drillbit Extreme) to check the PhD thesis and research article.
Infistat https://infistat.inflibnet.ac.in/	Usage Statistics Portal for Institutional e-resources provided by ONOS
IRNIS GNDU https://gndu.irins.org/	IRINS is a web-based Research Information Management (RIM) service developed by the INFLIBNET Centre. The portal facilitates the academic and R&D organisations and faculty members and scientists to collect, curate and showcase the scholarly communication activities and provide an opportunity to create the scholarly network.
Vidhwan Portal https://vidwan.inflibnet.ac.in/	VIDWAN is the premier database of profiles of scientists / researchers and other faculty members working at leading academic institutions and other R & D organizations involved in teaching and research in India. It provides important information about an expert's background, contact address, experience, scholarly publications, skills and accomplishments, researcher identity, etc.
DELNET (Institutional Member) (Developing Library Network, New Delhi) **(Membership No.: IM-1221)** https://delnet.in/	It helps the faculty members and researchers to procure those books, articles and documents from other educational institutions which are not available in our library.

Participation in Refresher Course

Dr Jatinder Singh Gill attended a two-week refresher course (multidisciplinary) at UGC-MMTTC, Guru Nanak Dev University, Amritsar from *21-01-2025 to 03-02-2025*.

Regular activities of Bhai Gurdas Library

- Library orientation to every newly admitted student.
- Printing of Smart card (RFID) for newly admitted students.
- Plagiarism check of PhD thesis and research projects of research scholars and faculty of the university.
- Uploading of PhD theses on Shodhganga portal for dissemination of knowledge.
- Purchase of recommended books (hard bound copies) on the recommendation of the department by the Acquisition section.
- Purchase of journals, periodical and magazines, newspapers by the Periodical section as per department recommendations.
- Maintenance of the separate library website.

Vision for Bhai Gurdas Library for academic session 2025-2026

- Update the books database on LMS-Koha software.
- Creation of backup server for future upgradation.
- Remote access of Library books using OPAC system by creating dynamic web access.
- Subscription to digital newspaper/magazine in the periodical section.
- Procurement of eBooks from top publishers for the benefits of students and researchers.
- Creating secure students' environment by smart digital entry to Digital Lounge and 24- hour Reading Hall.

CENTRE FOR IT SOLUTIONS

Introduction and Functions of the Office

The "Centre for IT Solutions" established with the vision for uplifting the computerization of various processes by providing IT related services like Software Development, Consultancy Services and Website Designing & Management etc. to enhance the efficiency and transparency in the University. The Centre is providing IT related services to different departments of University as well as outside of university. The Centre has three computer laboratories equipped with desirable configuration of hardware and software. The staff of Centre is primarily involved in Software Development and Maintenance to cater the IT related requirements of the University. In addition to Software Development, centre has also started two job-oriented courses PGDCA and DCA from the session 2019-20 to spread professional education in the border area belt of region. A new job-oriented course "Post Graduate Course in Artificial Intelligence (PGDAI)" is being started by Centre for IT Solutions from current session (2025-26) to equip the students for matching the latest technology standards in IT industry. The students are also given practical exposure of software development and maintenance with related examples and case studies.

The technical expertise of centre is utilized during online centralized Counselling for admissions to various Law (Five Year Integrated and Three year) courses in different Universities/Institutes/Colleges throughout the Punjab state. The centre also provided IT consultancy for recruitment of staff in the different departments of Government of Punjab. The database of Multi-Disciplinary (MD) Courses for various departments of the University campus is being prepared and managed by the centre in every semester which facilitates the students to fill their choices online for MD-courses using online software application. The centre imparts computer training to the employees of the University as per requirements of university. The laboratories of centre are also used for computer proficiency test for recruitment as well as promotion of employees. The staff of centre has played an important role in revamping university websites. The centre also maintains the official websites of university on regular basis.

The infrastructure support available in the centre is provided for conducting practical classes and practical examinations of students from different departments. The online tests are also conducted in the laboratories of centre for placement of students. The internet facility is available in computer laboratories, rooms of officers and office of the centre. A help desk facility is established in the computer laboratory for helping the students to fill their admission/examination forms through online process. The results of entrance tests during admission process in the university campus and its regional campuses are also compiled in the centre. The staff of centre is also involved in providing technical services for conducting different counsellings of Joint Courses specially in the University. The centre is also providing Hardware/Internet maintenance services to the departments/offices in the university.

Staff Details

Mr. Tirath Singh, System Administrator & Incharge

Mr. Vishal Malhotra, System Administrator

Mr. Sandeep Sood, System Manager

Activities in the Current Session

- Software Development and Maintenance.
- Running PGDCA and DCA full time courses with enhanced strength.
- Starting New course "Post Graduate Course in Artificial Intelligence (PGDAI)"

- Conducted Centralized Online Counselling of 3-Year and 5-Year Law courses for admission to different institutes situated throughout the Punjab state for session 2024-25.
- Conducted "Computer Proficiency Test" for recruitment and promotion of employees as per requirement of university.
- Maintenance of University website www.gndu.ac.in and www.gnduadmissions.org
- "Help Desk facility" for handling Online Admission, Centralized Online Counselling and Recruitment related queries to facilitate the candidates.
- Provided computing facilities to the Students, Research Scholars and Faculty for work involving statistical analysis of data and scientific calculations.
- Result Preparation of Entrance Tests during admission to various courses in the University campuses.
- Data management and processing for online MD-Courses registration.
- Provided technical expertise and consultancy for development of Software Solutions for Punjab Government projects.
- Providing technical services for conducting counsellings of Joint Courses in the University.
- Providing services for Hardware/Internet maintenance and online meetings/activities.

Achievements in the Current Session

- Developed web-based portal "Online Leave Management System (OLMS)" for submission/Approval of any type of leave by teachers to bring more efficient, transparent and paperless functioning in the University system.
- Developed web-based portal "Complaint management System (CMS)" for submission/Approval/Disposal of any type of complaint related to Electrical, maintenance, Water Supply, Constriction etc employees as well as students to make the University system more efficient, transparent and paperless.
- Revamped University Admission portal with new features to facilitate the students and staff of university for generation of different types of reports and management of data through interactive methods.
- Revamped Employee portal by incorporating new features to facilitate the employees of university by including more features, generation of different types of reports and management of data through interactive methods.
- Integrated different modules working independently to enhance efficiency, transparency and reliability in the system.
- As per orders of Punjab Government, conducted "Centralized Online Counselling" completely through "Admission Portal" with end-to-end online feature developed by IT team of university for admission to 3-Year and 5-Year Law courses in different institutes situated throughout the state for session 2024-25.
- Enhanced features of web-based portal for Sports department to receive online entries of participants from different colleges for participation of their players in the sports related activities by incorporating more features, generation of different types of reports and management of data through interactive methods.
- Enhanced the features of "Open Distance Learning (ODL)" Portal for registration, approval, fee management through Bill Desk integration and study learning material (SLM) for students under ODL mode.

- Revamped "Outsource Workers Payment Portal" portal for generation of payment bills for workers on outsourcing & speedy processing of their bills.
- Revamped "Lecture Basis (Part Time) Teacher's Payment Portal" to facilitate the part time teachers for online submission & speedy processing of their salary bills.
- Revamped "Recruitment Portal" to facilitate the candidates for online submission of application form by incorporating more features.

Innovations and Best Practices

- To keep the surroundings clean and green.
- To maintain the discipline in the centre.
- To motivate and support staff to work in a team and synchronization.
- To add, upgrade and maintain the infrastructure in the computer laboratories of centre.
- To support poor, needy and deserving students for their education.

Plans of Department for Next Session Year

- To develop "Online Attendance System" to bring more transparency in the teaching practices.
- To develop "Learning Management System (LMS)" to enhance interaction of students with their teachers for uplifting the learning and teaching practices.
- To develop an independent portal for online booking with payment through online/offline mode in the "Teacher Holiday Home" of university situated at Dalhousie.
- To enhance the features of "Admission Portal" by incorporating feature of online counselling for various courses in the University to eliminate physical presence and stress of candidates. This initiative will definitely reduce the use manpower used in the counselling process and expenditure used to conduct the counselling for joint courses specially.
- To enhance the features of **"**Guest House Portal" by integrating online/offline payment facility for online booking of rooms in the University Guest House.
- To enhance the features of "Employee Portal" by incorporating more features to facilitate the employees of university.
- To enhance the features of "Student Portal" by incorporating more features to facilitate the students of university.
- To enhance the hardware configuration of Dedicated Server for effective working of university websites and online software applications developed recently.
- To revamp static & dynamic features of the University website www.gndu.ac.in

DIRECTORATE OF PLACEMENT & CAREER ENHANCEMENT

The Placement Department in Guru Nanak Dev University was established in March 1998 to cater the needs of university students for their placements in various institutions/ organizations - both Govt. and Private having National/International reputation. In year 2022, the department was renamed as "Directorate of Placement & Career Enhancement". The Department acts as a bridge between Industry and the Academia. The Department is a centralized facility to assist the placement of the students in the main campus and all the regional campuses of GNDU. It looks after academic and career counselling of students and organizes seminars, webinars and workshops related to job openings in various sectors. The Directorate has also initialized various initiatives for skill development and entrepreneurship of students in various sectors. Directorate of Placement & Career Enhancement establishes communication with prospective employers and arranging their visit to the campus for placements of university students of various courses from following faculties:

Agriculture & Forestry, Arts & Social Sciences, Economics & Business, Education, Engineering & Technology, Humanities & Religious Studies, Languages, Laws, Life Sciences, Physical Education, Physical Planning & Architecture, Sciences, Sports Medicine & Physiotherapy, Visual Arts & Performing Arts

Roles & Responsibilities

- To facilitate the placement of the students by organizing various campus placement drives
- To bridge the gap between industry and Academia.
- Organizing seminar, webinars, workshops to provide practical exposure to the students.
- Providing opportunities and information regarding various Hackathons and industry sponsored competitions.
- Arranging guest lecture of Top Leadership of various industries.
- To provide information regarding the various internship opportunities.

HIGHLIGHTS:

Highest Packages

GNDU students have been placed at high packages in multinational companies. Few of the highest salary package of Rs. 13.00 Lakhs per annum (LPA) has been offered by Bharat Electronics Ltd. company, Josh Technology Group – 10.61 LPA, TCS Prime - Rs. 9.00 LPA, Gujarat Gas – Rs. 8.00 LPA, TCS Digital – 7.30 LPA and Aakash Institute - Rs. 7.25 LPA (detailed profile attached).

Average Package

The average package for Batch 2024-25 is Rs. 6.04 Lakh per annum for various courses.

Student Activities :

1. Skill Training Programs:

i. Directorate of Placement & Career Enhancement in coordination with Mahindra Pride Classroom conducted a free course on Employability Skills (Soft Skills, Life Skills, Communication Skills, Presentation Skills and Interview Skills) for female students to enhance their employability. Naandi Foundation has sponsored this program as part of CSR from the Mahindra & Mahindra Group. The course is of the duration of 36 hours. Female students of various faculties like Sciences, Life Sciences, Engineering, Business & Economics are getting benefitted from this course in enhancing their employability skills.

ii. Directorate of Placement & Career Enhancement in coordination Life Long Learning Department organised a workshop on the topic of "Beauty for Better Life" under the CSR of Loreal implemented by Naandi Foundation - Mahindra Pride classroom. Workshop offered 40

hours of free training for Cosmetology and Beauty culture to the students of Life Long Learning Department. The students were trained on the said domain and life skills. More than 50 students have undergone the skill training from an Industry expert. Under this program Loreal students Kits were distributed under CSR activity of Loreal and implemented by NAANDI Foundation to the students of Life Long Learning Department after the successful completion of the program. These kits will help students to start their career in the professional world.

2. Mock Interviews:

The Directorate of Placement & Career Enhancement, Guru Nanak Dev University, Amritsar, in collaboration with the Department of Psychology successfully organized a mock interview drive for students from various courses. This initiative aimed to enhance students' preparedness for campus placements by providing them with real-time interview experience and personalized feedback. A large number of students participated in the mock interviews and benefited from expert guidance, helping them boost their confidence and improve their communication, technical, and interpersonal skills.

3. Campus Placements:

TCS, Capgemini, Amdocs, KPMG, Nagarro, Axtria, SBI Mutual Fund, SRF, Axis Bank, Bandhan Bank, Aakash Institute, Josh Technology Group, HDFC Life, ICICI Securities, ICICI Bank, ICICI Prudential, IOL Chemicals, Gujarat Gas, Copperpod IP, ITC Food, Nestle, Fidelity International, Deloitte, National Highways Authority of India, RITES Ltd., Panacea Biotec, Haldiram's, Infosys, Kotak Life Insurance, Tata AIG, D-Mart, Kochartech and many more companies hired Graduates / Post Graduate students from different faculties of university main campus and regional campuses. Following is the list of companies that visited from 01.07.2024 to 30.06.2025 for the campus placements of students of passing out batch 2024 and 2025 and **selected 129 + 642 = 771 students** :

4. **Internships:**

Students of Guru Nanak Dev University have secured internships with various reputed national and multinational companies, with the highest stipend offered reaching an impressive ₹ 60,000 per month. These opportunities have been facilitated through the proactive efforts of the Directorate of Placement & Career Enhancement and the concerned departments. A significant number of students received internship offers from the same companies where they were successfully placed during campus placement drives, ensuring seamless integration into the corporate environment. In addition, many students independently secured internships through platforms such as Internshala and other professional channels.

Reflecting its commitment to experiential learning and career development, GNDU earned an **All India Rank of 30 out of over 740** participating institutions in the **Internshala Annual Rankings 2024.** In recognition of this remarkable achievement, the university has been awarded a Certificate of Excellence by Internshala (certificate attached).

5. Our Recruiters:

Engineering & Technology

Accenture, TCS, Amdocs, Capgemini, Infosys, Nagarro, Axtria, Josh Technologies, PwC, Software AG, KPMG, Ernst & Young, Copperpod IP, 75Way Technologies, Fidelity International, Deloitte, Stylumia, Nucleus Software, Zversal, Hexaware Technologies, Guidewire Software, Bharat Electronics Limited, Wipro, Tech Mahindra, Zscaler, Bureau of Indian Standards, Virtusa

Economics & Business

ICICI Bank, Bandhan Bank, Federal Bank, HDFC Bank, Axis Bank, Decathlon, Gujarat Gas, HDFC Life, ICICI Prudential, ICICI Securities, TCS, WNS Global, SRVA Education, SBI Mutual Funds, Khanna Paper Mills, Kochar Tech, Bajaj Allianz, Ralson, Zomato, Indiamart, Crompton Greaves, Radisson Blu, Indothai Pvt. Ltd., DNR Pride, Holiday Inn, Fern Residency, S&S Overseas, Hyatt Regency

Sciences

Jubilant Biosys, SRF, IOL Chemicals, Panacea Biotec, IDS Infotech, Synthimed (Indswift), Nestle, Haldirams, NuTaste, Ravenbhel, Unati, Pioneer Industries, Stellarix, Vardhman, Trident, Aarti International, Varun Beverages, TCS Ignite

Life Sciences

Aakash Institute, Allen, IDS Infotech, Nestle, Haldirams, NuTaste, Ravenbhel, Unati, Panacea Biotec, ITC Food,Gastrolab, UpGrad, Glenmark Pharmaceuticals, Alembic Pharmaceuticals, Byju's,TCS Ignite, Systacare Remedies, Pioneer Industries, Kwality Pharmaceuticals

Physical Planning & Architecture

LEA Associates South Asia, Institute of Road Traffic Education, Yashi Consulting Services, Tata Consulting Engineers, The Elements, CP Kukreja Architects

Arts & Social Sciences

Planet Spark, Learning Routes, Teachnook, Jaro Education, AzimPremji Foundation, Gandhi Fellowship by Piramal Foundation, Daily Post India, Byju's, Upgrad, Teaching opportunities of various schools and colleges, TCS BPS

Languages

Recruitment of French, German professionals by IT companies like Accenture, Capgemini, UpGrad, Opportunities of various schools and colleges

Education

Akal Academy, ScienceGenic, Teaching opportunities of various schools and colleges

Sports Medicine & Physiotherapy

Peak Performance, IDS Infotech, Synapse Physio, Amandeep Hospital, Dr. Om Parkash Eye Hospital, Ivy Hospital (Livasa Hospital), MohandaiOswal Hospital

Laws

Teachnook, Gandhi Fellowship by Piramal Foundation, UpGrad, Decathlon

Agriculture

Paradeep Phosphates Ltd., Aastha Organics, Gramik, HDFC Bank, Suppletek, Nature Proteins Pvt. Ltd.

Physical Education

Planet Spark, Opportunities of various schools and colleges

6. Seminars / Webinars / Workshops / Pre-Placement Talks :

Directorate conducts regular seminars and webinars by the industry experts for the students of this university. These sessions are focused on skill development and career guidance of the students. The students also come to know latest trends of the industry. 45 such Seminar/Webinar/Workshop/FDP programs/meetings were conducted from 01.07.2024 to 30.06.2025 for various courses of University.

S.No	Year	Program	Topic	Date	Organization
1	2024	Workshop	6 Days Free course on Soft Skills, Life Skills, Communication Skills, Presentation Skills and Interview Skills for Female students	08-07-2024 to 13-07-2024	Mahindra Pride Classroom (Naandi Foundation)
2	2024	Seminar	Pre-Placement Talk	08-07-2024	Gujarat Gas
3	2024	Meeting	Virtual TPO Meet	12-07-2024	Accenture

7. Internship Portal:

An internship portal https://gndu.ac.in/internship/ has been developed to keep track of the internships being undertaken by the GNDU students in various national and multinational organizations across India. Directorate of Placement & Career Enhancement is assisting the departments to keep an online record of the internships undertaken by students.

Leadership Talks:

1. TCS Leadership Connect program

Directorate of Placement & Career Enhancement organized "TCS Leadership Connect" program at GNDU, Amritsar. Mr. Varun Kapur, Vice President & Head – Energy, Resource & Utilities UK & Europe, TCS conducted the interactive session on 4th February, 2025. More than 800 students of Computer Science, Computer Engineering, Electronics Technology, Mechanical Engineering and Civil Engineering departments of main campus and Regional campuses participated in the program. Mr. Vikas Gupta – Regional Head – Talent Acquisition, North India, TCS and Mr. Rajit Sikka, Regional Head – Academic Alliances, North India, TCS accompanied Mr. Varun Kapur.

Before starting the session, a significant meeting was held between Dr. Karamjeet Singh, Vice Chancellor of GNDU and Mr. Varun Kapur to discuss key areas of collaboration aimed at enhancing student opportunities like internships and skill development. Dean Academic Affairs, Registrar, Dean Students Welfare, and Director Research were also present during this productive discussion.

2. Parichay 2025 – ADP India Campus Meet

Directorate of Placement & Career Enhancement organized Parichay by ADP India on 21st March, 2025, which was the endeavor to strengthen industry-academia collaboration through the exchange of invaluable ideas and open the doors for career-defining opportunities to several ambitious graduates of GNDU. Ms. Deepa Wadhwani, Director – Talent Acquisition at ADP India and Philippines was the key speaker on the occasion.

Best Practices :

- Campus to Corporate workshops for students to understand the requirements from Campus to Corporate transition.
- Registration of all the final year students of the university on portal National Career Service portal www.ncs.gov.in. It is a one-stop solution that provides a wide array of employment and career related services to the citizens of India. It brings together Job Seekers, Employers, Skill Providers, Career Counsellors, Career Centers, Placement Organizations, Households and Government Departments on a common platform through the efficient use of information technology.
- E-Groups since 2004 to communicate with students directly
- Registration of all the final year students of the university on Linkedin portal
- Alumni interactions with students to provide them an insight of latest trends in the industry
- Student volunteers involved in placement process
- Student technical bodies involved in placement process
- Inclusion of industry experts in Board of Studies

- Preparing students through mock interviews free of cost.
- Student's Testimonials and their success stories are shared with other students.
- Feedback of all the employer organizations visiting GNDU for campus placements, so as to improve the student's performance.

Future Modus Operandi :

1. Enhanced Alumni Engagement: To strengthen coordination with alumni to leverage their networks for placements, mentorship, and career guidance opportunities for current students.

2. Collaboration with Faculty and Industry: To foster collaborative programs between faculty and industry partners to bridge the gap between academic learning and industry requirements.

3. Skill Development Initiatives: To focus more on internships and skill development programs in alignment with the National Education Policy (NEP) 2020, ensuring students are industry-ready.

4. Industry-Sponsored Workshops and FDPs: To organize industry-sponsored workshops, Faculty Development Programs (FDPs), and training sessions to enhance employability and professional competence.

5. Improved Pay Package Opportunities: To work towards increasing the average pay packages offered during campus placements by establishing connections with reputed companies and industries.

6. Outreach Activities: To expand outreach activities in schools and colleges to build awareness and prepare potential students for future educational and professional opportunities.

7. Support for Economically Disadvantaged Candidates: To conduct more seminars and skill development programs specifically for Below Poverty Line (BPL) candidates in collaboration with government departments and the Life-Long Learning Department, GNDU.

Other relevant information for the Annual Report:

Regular Meetings with District Bureau of Employment and Enterprises (DBEE), Govt. of Punjab

Directorate of Placement & Career Enhancement keeps on participating in the meetings with senior officials from District Bureau of Employment and Enterprises, Govt. of Punjab, Amritsar.

Establishment of Model Career Centre

A Model Career Centre has been established at GNDU, Amritsar with the help of a grant of Rs. 32,44,500/- approved for this centre from Ministry of Labour & Employment, Govt. of India. An amount of Rs. 21,59,926/- has been received till now from the above grant. Every year, the students of GNDU are registered on National Career Service portal www.ncs.gov.in by the Model Career Centre established at Directorate of Placement & Career Enhancement.

ALUMNI ASSOCIATION

Alumni Association Guru Nanak Dev University (AAGNDU) endeavours to bring together the old students who have passed from university campuses & its constituent and affiliated colleges to promote the GNDU-perception, provide them a common platform and strengthen bonds between Guru Nanak Dev University and its alumni. The students and alumni of the university continue to excel in diverse fields of sciences, engineering, software development, sports, arts, management and public administration and defense forces. GNDU today ranks among the top universities of the country. The AAGNDU supports activities of different alumni groups in India and abroad and provides a meeting ground to our alumni community spread throughout the world

The office of AAGNDU is situated at the Arts Block (ground-floor) in GNDU Main Campus and remains open on all working days from 09:00 am to 05:00 pm. The alumni can become member of AAGNDU by registering on the website ***http://alumni.gndu.ac.in*** and can update their information on the AAGNDU website. As of now, about 31,632 alumni have registered themselves on the website.

The Executive Council of AAGNDU was established in the year 2015 for the smooth working of the Association and new Executive Members of the council are elected for a period of 3 years by nominations. Prof. Karamjeet Singh the Vice-Chancellor of the university is the president of AAGNDU, Prof. Karamjit Singh Chahal, Registrar GNDU is the financial secretary, Prof. Atul Khanna, Department of Physics, is the Dean Alumni, Dr. Kunwar Vijay Pratap Singh is the first Vice-President (alumnus living in India) and Dr. Vijay Kumar Babbar is the Second Vice-President (alumnus living abroad). At present the Executive council has full strength of 21 members.

The Association has created several GNDU Alumni Chapters abroad in US, UK, Europe, Canada and Australia to promote its activities in foreign countries.

The main objectives of AAGNDU are:

1. To connect alumni, current students, faculty associated with GNDU.
2. To encourage and support a spirit of community amongst members and to promote opportunities for the members to retain association with each other and the university.
3. To maintain, develop and foster loyalty towards the university amongst the members and potential members.
4. To strengthen and support the effectiveness, membership and activities of the recognized alumni groups and promote activities amongst them and to offer advice and assistance in appropriate circumstances to the members and the University.
5. To make our alumni community vibrant & socially responsible and to assist GNDU to be visible at world map.

As a graduate of GNDU, the alumni are entitled to an amazing selection of benefits being provided by the University. These include campus-based facilities of state-of-the-art Gym, Swimming Pool, Health Centre/diagnostics tests and Guest House at discounted rates. To be able to take advantage of all the above benefits and services, the AAGNDU members can become a proud owner of an Alumni Life Membership Card, with a one-time life membership fee of Rs. 5,000/- from the members living in India and Rs. 15,000 from the members living abroad. The alumni can submit the Alumni Card Form to the Office of the Dean, Alumni Association, GNDU, Amritsar. Presently, the one-time membership fee can be deposited with the University Cashier or in the bank account Number 02881000052760, Punjab & Sind Bank, GNDU, Amritsar with the intimation to the office of Dean Alumni Association, GNDU, Amritsar. So far 114 alumni have enrolled in the Life Member Card Scheme. AAGNDU has been organizing seminars in which the alumnus are invited to give presentations on their work and several notable alumni have given talks in the online and physical mode during last one year and the association welcomes interaction meetings with its alumni.

Alumni Association GNDU is continuously working on its outreach programs to establish strong bonds between the alumni and university. The following events were organized during 2024-2025 in collaboration with departments of the university:

1. Alumni Association GNDU & Physics Students' Society celebrated National Space Day on 24 August, 2024,
2. Alumni Association GNDU & Physics Students' Society organized a lecture of Prof. M.S. Jogad, Glass Scientist, Executive member IAPT & Ex-Cooordinator, Dept. of Physics, Karnatka State Women's University on 14 October 2024.
3. Alumni Association GNDU organized a lecture on Memory Enhancement Techniques on 21 October 2024 by Dr. Kunwer Rajeev, Head Department of Physics, Vice Principal, D.A.V. College, Jalandhar.
4. Alumni Association GNDU & Physics Students' Society organized a lecture of Dr. Manish Chopra, SO(G) BARC, Mumbai and Dr. Rimpi Dawar SO(F) BARC, Mumbai for BARC Training School Outreach Program for Science and Engineering Graduates students on 17 January, 2025.
5. Alumni Association GNDU & Physics Students' Society organized Alumni Interaction Meet with Prof. Sanjit Dhami, Prof. of Economics, University of Leicester, UK on 10 January, 2025.
6. Alumni Association GNDU & Physics Students' Society organized a seminar on Interaction Meet For Ph.D. Physics Openings In USA by Prof. Ashutosh Goel, Material Sciences & Engineering, Rutgers University, USA and Prof. John S McCloy, Mechanical & Materials Engineering at Washington State University, USA on 16 January 2025.
7. Alumni Association GNDU & Physics Students' Society organized a webinar on "Materials Nano Engineering: A Pathway For Sustainable World" by Dr. Gurpreet Singh Solepal, Assistant Professor, Department of Engineering, Dalhousie University, Canada and Dr. Vijay Kumar Babbar, Vice President-Overseas, AAGNDU on 15 February 2025.
8. Alumni Association GNDU & Physics Students' Society organized two day Special Lecture Series on Revisiting The Scientific Mechod (The Need To Make Science More Inclusive In Scope) with Dr. Vinod Wadhawan, Former Raja Ramanna Fellow(BARC) and Head (retd.) Laser Materials Division, Dept. of Atomic Energy, Raja Ramanna Centre for Advanced Technology, Indore on 20-21 February 2025.
9. Alumni Association GNDU & Physics Students' Society celebrated National Science Day on 27 February, 2025.
10. Alumni Association GNDU & Physics Students' Society organized a Special Lecture on Early Developments in Science by Prof. Joginder Singh Galsin, Pioneer Professor & Head, Department of Mathematics Statistics & Physics, Punjab Agriculture University, Ludhiana on 07 April, 2025.

The annual alumni meet was organized at Sri Guru Granth Sahib Bhawan of the University on 2nd February, 2024. The annual meet was a grand success and attended by a approximately 400 alumni of the university from wide range of spheres such as judiciary, civil services, defense forces, industrialists, banking and academic institutes and senior managers from various private organizations. The Chief Guest, Dr. Harinder Pal Singh, Director of Fortis Escort Hospital & Research Centre, Amritsar, and GNDU alumnus chaired the meeting and Vice- Chancellor and President of the association, Prof. Jaspal Singh Sandhu presided over the meeting. In his address, Prof. Sandhu mentioned that the GNDU is one of the top ranked universities in India and amongst top 10 universities according to MHRDC ranking. He further mentioned that GNDU is drug-free and has the second-cleanest campus in India. Furthermore discussed by Dr. Singh were the intellectual and athletic accomplishments of universities. He emphasized that the NAAC score of GNDU is 3.85 out of 4 the H-index stands at 148. Additionally, he emphasized that GNDU has won the MAAKA trophy for a record 25 times, shedding attention on the commitment and dependability of athletes. Furthermore, out of 108 medals, GNDU is the only campus to win 13 medals at the last Asian Games.

Prof. Sandhu said that the alumni of the university have risen to great heights in diverse fields. The alumni were holding key positions in the academics, judiciary, IFS, IAS, PCS, PCS juducial , Indian Police Services, Federal Services, Corporate Sector, Political Parties, Public/Pharma Sector and Punjab Civil Services etc. He provided details about the achievements of the University in academics, student enrollment, research, patents, sports, and honest financial policies of the university during recent years which has put the university in good health.

The purpose of the alumni meet 2024 was to recognize the outstanding accomplishments of its alumni in their separate disciplines, therefore it was truly unique. The association honored three alumni at the University's Sri Guru Granth Sahib Bhawan with "Outstanding Alumnus Awards" in the fields of sports, sciences and laws. Brig. Harcharan Singh (VSM, Retd.), a hockey Olympian, 1975 World Cup Hockey champion, and recipient of the Arjuna Award, was the first recipient of the award. He is among the university's oldest and most senior alumni. Dr. Vinay Kumar, an Outstanding Scientist and Head (Retd.), Radiation Biology and Health Sciences Division, Bhabha Atomic Research Centre, Mumbai, was the second recipient of the award for his exceptional contributions in sciences. Sh. Vikram Chaudhri, a highly distinguished lawyer in the Supreme Court and High Courts of India was the third recipient of the Outstanding Alumnus Award in the field of laws.

The other distinguished alumni who were felicitated by the association were Dr. Suman Sharma, Former International Basketball player and First Vice Chairman of the Indian Basketball Players Association and Arjuna Awardee and Retd. Professor of Physical Education, Dr. Navpreet Kaur, Co-Founder/Vice-President, The Laxmi Foundation, Chandigarh, Mr. Sandep Mehra, Director, Chand Engineering Company, Amritsar, Mr. Anil Khanna, Assistant Customs Officer, Preventative Commissionerate, Amritsar, Mr. Jasneet Singh, Director, National Rubber Corporation, Amritsar, Dr. Premjot Singh Girgla, Consultant Dermatologist, Dr. Girgla's Skin & STD Clinic, Amritsar, Dr. Harpreet Singh Grewal, Director, Grewal Hospital & Trauma Centre, Amritsar., Mr. Davinder Pal Singh, Founder &Managing Director, IK Rubber Industries Pvt. Ltd., Amritsar and owner of Bakes & Beans, Amritsar, Dr. Raman Chatrath, Anesthesologist, Mr. Sandeep Bajwa, Additional Session Judge, Ludhiana, Mr. Daljit Singh, Music Director, and Mr. Parminder Sandhu, Director, Fine Plastics, Amritsar, Mr. Rajesh Seth, Director, Seth Industries, Amritsar and Dr. Rakesh Chauhan, Senior Radiologist, Dhillon Scanning Centre, Amritsar.

The G.N.D.U. Alumni Society recently got itself registered under section 12A and donors to the society can avail of tax benefits under section 80G of the income tax act. An online portal has been created to accept donations from persons/organisations based in India. The approval under Foreign Contribution Regulation Act for receiving donations from abroad is under process. For donations to G.N.D.U. Alumni Society, kindly visit here: ***http://eservices.gndu.ac.in/donations/***

The alumni association wishes to establish strong bonds with its alumni and continuously work for their well being.

YOUTH WELFARE DEPARTMENT

Dr. Amandeep Singh
Incharge, Youth Welfare

Structure

The Department organizes youth activities for students studying in different colleges (affiliated with Guru Nanak Dev University, Amritsar), constituent colleges and the University Campuses at Amritsar, Jalandhar and Gurdaspur. The youth activities undertaken by the Department are as follows:

1. University Zonal Youth Festivals are organized for the students of affiliated colleges/campuses of Amritsar, Gurdaspur, Pathankot, Tarn-Taran, Jalandhar, Kapurthala, NawanShahr districts and the Associate Institutes.

DIRECTORATE OF SPORTS

INTRODUCTION

Guru Nanak Dev University was established at Amritsar on November 24, 1969 to mark the 500th birth anniversary of Sri Guru Nanak Dev Ji. The Department of Physical Education (Allied Teaching) was set up in 1970. The Department started organizing Inter-College tournaments from 1970 itself and sent teams for the Inter-Varsity tournaments for the first time in 1971. From the very beginning, Sports Committees for men and women were formed to guide and coordinate the sports activities and to organize games and sports in the affiliated colleges to raise the university teams for Inter-University and other tournaments.

Each year, Department of Physical Education (Allied Teaching) organizes more than 90 Guru Nanak Dev University Inter-College (Men and Women) Championships and sends more than 70 Universities teams (Men and Women) for participation in All India Inter-University Championships. Sports Authority of India has set up Khelo India Centres in Sports disciplines Hockey and Handball and Khelo India Academies in Sports disciplines Fencing and Archery in the University Campus. We are proud of our gems in the following games who have been bestowed upon with India's highest award in sports which is awarded by the President of India at Ashoka Hall, Rashtrapati Bhawan, New Delhi :-

GNDU CAMPUS SPORTS

(Dean Students' Welfare)

Teacher In-charge Campus Sports: Dr.Amandeep Singh

Dean Students' Welfare Prof. Harvinvder Singh Saini

"A Sound Mind Lives in a Sound Body"

Campus Sports Department situated in student centre, is working under Dean Student's Welfare, Guru Nanak Dev University, Amritsar. In order to develop the physical, mental and overall fitness as well as to develop the interest of campus students in sports, Campus Sports Department provides facilities for various outdoor and indoor games. An ultra modern Gym "The Golden Jubilee Fitness Centre" equipped with the modern machines has also been established for faculty and students.. Sports equipments and other necessary items are provided to the students throughout the year. Four Badminton courts are available near the student centre which remains open day and night. Other playfields like Basketball, Volleyball, Handball, Tennis, Football and International Standard Swimming Pool, Indoor Multipurpose Gymnasium, International Standard Shooting Range, International Standard Hockey Turf and International Standard Velodrome are available to the campus students throughout the year.

Each year, Campus Sports Department organizes Inter-department competitions in different games viz. Table Tennis, Chess, Carom, Basketball, Volleyball , Handball, Tennis, Football, Kabaddi, Cricket, Swimming, Arm Wrestling, Best Physique, Tug of War and Hockey etc. Annual Sports Meet has also been organized every year and sports persons are honored with incentives and mementos. The students both boys and girls from different departments participate in these competitions. The position holder team's upto third positions are awarded with Mementoes, Overall Trophies and Merit Certificates. The campus students also take part in GNDU Inter-college sports competitions/North Zone/All India Inter-University/ World University games/National and Inter-National Championships. The campus sports persons who secure first positions in All India Inter-university or National Championships are entitled to 100% fee & funds refund, financial Assistant and honored with Blazer and University Color. Similarly, Second or Third position holders in All India Inter-university or National Championships are awarded with refund of 100% fees & funds, financial Assistance and Track Suits. The players who participate in All India Inter-university championships are awarded with refund of 50% of tuition fee & funds with financial Assistance to campus students. Few students of GNDU actually participated in the under mentioned competitions and also got the respective positions:

UNIVERSITY STUDENT'S HOSTELS

SAHIBJADA JUJHAR SINGH BOYS HOSTEL NO. 01

The Boys' Hostel No.1 has provided accommodation to about 690 students of 40 Departments (approximately). The mess-halls are furnished with quality furniture. The Kitchen areas are spacious, airy and there is power backup of inverters in the mess area. Water cooling machines, deep freezers and chest coolers are part of the kitchen area. The two canteens are being run in the hostel by two contractors and the services are available to the residents from 7.30 a.m. to 11.00 p.m. to provide quality food products. Bathrooms and toilets of each block in the hostel are recently renovated as per the quality standards. Further, geysers are installed in block of bathrooms. Two air conditioned common rooms of the hostel are well-equipped with 42" LED screens and 42" LED screens. There are provisions for indoor games like table tennis and carom-board. Arrangements are there for out-door games like badminton and volley ball as well. The hostel has a fully air-conditioned reading room having seating capacity of 100 students and remains open round the clock. The hostel also have fully air-conditioned computer lab equipped with 15 computers. This hostel also provide open gym facility to its residents keeping in mind their physical fitness and exercise related activitics. The hostel premises are internet ready through Wi-Fi technology. Special care is taken for maintaining sanitary and hygiene conditions in and around the buildings within the hostel premises. The hostel is given an aesthetics look through proper landscaping.

SAHIBZADA ZORAWAR SINGH BOY'S HOSTEL NO. 02

STAFF:

Dr. Parminder Singh	:	Warden
Sh. Rakesh Kumar	:	Senior Assistant
Sh. Sajjan Singh	:	Common Room Attendant

Sahibzada Zorawar Singh Boys Hostel was started in October 2000 with a capacity to accommodate 198 students in 65 rooms. To meet the requirement of additional accommodation, a new block of 68 rooms was constructed in 2003. A new block has been constructed in Sahibzada Zorawar Singh Boys Hostel in the year 2010. This block consists of 128 rooms to be allotted to research scholars.

MESS: There are two messes in the hostel run by separate contractors and are managed by mess committees of the students under the supervision of the Hostel Warden. The mess halls are furnished with furniture, and are equipped with desert coolers, water cooler along with water filters. Ban marry hot case are provided in the messes to serve hot food to the residents. Chimneys are installed in the mess kitchens to exhaust out the smoke and maintain the temperature of the kitchen to workable conditions.

CANTEEN: The canteen is being run in the hostel by a contractor. Canteen offers snacks, tea, coffee, juice, milk products etc at fixed prices are served in the canteens and remains open from 8:00 am to 10:00 pm.

COMMON ROOM FACILITIES: Hostel has two well-equipped common rooms with LCD television and Dish T.V facility. Common Room facilities are available to the students from 07:00

a.m. to 11:00 p.m. Eleven leading newspapers in English, Hindi & Punjabi and eight magazines and periodicals are subscribed the benefit of the students.

Reading Room: Hostel has one Reading Hall with adequate furniture for the hostel residents. Reading Room facilities are available to the residents from 07:00 a.m. to 11:00 p.m.

Wi-Fi Facility: The residents have access to the internet through Wi-Fi in all the rooms at each floor in all three blocks.

INDOOR AND OUT DOOR GAMES: The hostel has provision for outdoor and indoor games like Volleyball, Badminton, Chess, Table Te nnis and Carom-board.

LAWNS: There are beautiful lawns around the three blocks of the hostel. Ten lawn benches have been placed at various places in the lawns.

OUTDOOR GYM: The outdoor gym is available for students in the hostel

SOLAR GYSERS: There are 3 working Solar Geysers in the hostel.

REPAIR AND MAINTENANCE SERVICES: The hostel has instant repair and maintenance services for electricity, furniture and water supply.

SAHIBZADA FATEH SINGH BOY'S HOSTEL-03

The Boy's Hostel-3, started in 2016 with provision of accommodation for 132 students in 44 rooms, and is spread over four storey high interconnected blocks. A new block (No. 2) started functioning in session 2019-20 having a capacity of 96 students in 32 rooms. The rooms are offered on sharing basis. Each room is well lit and ventilated and has an attached balcony/verandah to it. The hostel has provision of geysers in all the bathrooms and water coolers along with water purifiers on each floor. The hostel is well equipped with the modern facility of Wi-Fi system. CCTV cameras have also been installed at the hostel entry gate as well as at the entrance of each floor in both of its blocks. The hostel premise is beautified by spacious green lawn interspersed with seasonal flower beds and trees. Lawns and squares inside the hostel are properly landscaped by trees, shrubs and colourful seasonal flowers to add to the aesthetics of the hostel.

The hostel has a spacious mess run by contractor who is made to ensure quality food and better services to the students. This mess is managed by Mess Committee of the students under the supervision of the Hostel Warden. The concerned staff from University's health centre regularly visits the hostel canteen and mess to keep a vigil on hygiene and quality of food being served in these facilities. The dining hall is equipped with desert coolers, water cooler along with water filters and fly/insect killer for health, sanitary & hygiene prospectus. The kitchen and dining area is spacious, airy and there is power backup from inverter. Bain-marie and electric chimney has been installed in hostel mess. The hostel has other student committees such as sports committee, cleanliness and hygiene committee, and discipline committee, which are run by the hostel residents under the supervision of the hostel warden. The hostel has an air-conditioned computer lab. This lab is equipped all-in-one desktop computers with internet connectivity.

The hostel has the facility of common room as well as reading room, where air-conditioners have been installed. The hostel common room provides necessary facilities such as L.E.D. (42") with dish facility, newspapers, magazines and indoor games like Carom board and Chess etc. The hostel residents participate in various sports activities organized by the hostel sports committee and inter-hostel sports competitions. A guest room is kept ready for the stay of parents/relatives of the student. Another guest room is furnished with sofa set and centre table for the visitors who come to meet their wards in the hostel.

INTERNATIOANAL BOY'S HOSTEL

Warden: Dr. Prabhpreet Singh

The International Boy's Hostel, started in 2019 on temporary basis in the building of faculty house and baba budha college bhawan with provision of accommodation for 60 students in 32 Rooms. The rooms are offered on single & sharing basis. Each room is well lit and ventilated and has an attached bathroom/balcony/verandah to it. The hostel has provision of geysers in all the bathrooms and water coolers along with water purifiers on first floor. The hostel is well equipped with the modern facility of Wi-Fi system. CCTV cameras have also been installed at the hostel entry gate Only.

MATA NANAKI GIRLS HOSTEL NO. 01

Warden : Dr. Satinder Kaur, Assistant Professor, Department of Agriculture

Structure:

Mata Nanaki Girls Hostel-1 established in 1973 provides accommodation to students studying in different departments at the university campus. There are 174 rooms having intake capacity of 460 girls. The accommodation offered includes two bedded, four bedded and five bedded rooms. The hostel is well-equipped with facilities like internet with wi-fi, common room with T.V., well equipped medical room, Photostat-cum-utility shop, stationary store, well equipped fully Air Conditioner reading hall, mess, canteen, open air gymnasium with latest machine etc. The hostel has lush green lawns with benches for sitting.

To ensure the safety and security of the residents, the hostel entrance and boundaries are under 24 hrs CCTV surveillance. In addition to this, the hostel is manned by female attendants and night guards. Every effort is made to make the stay of residents safe, secure, comfortable, enjoyable and fruitful.

Activities in Hostel

Festivals of Lohri, Janamashtmi, Guru Nanak Devji's birthday's Prabhat pheri were celebrated in the hostel and attended by the residents and staff with great enthusiasm in normal circumstances.

Innovations and Best Practices:-

1. Reading room is well furnished with new furniture, i.e. study tables and chairs. Along with AC facility.
2. Common Room is furnished with new Chairs, Sofa sets and Air Conditioners.
3. Medical Room well furnished with AC Facility and Chrome plated steel chairs.
4. Blocks have Stainless Steel Chrome Chairs.
5. Mess is fully furnished with new chairs & Dining Tables.

Mess

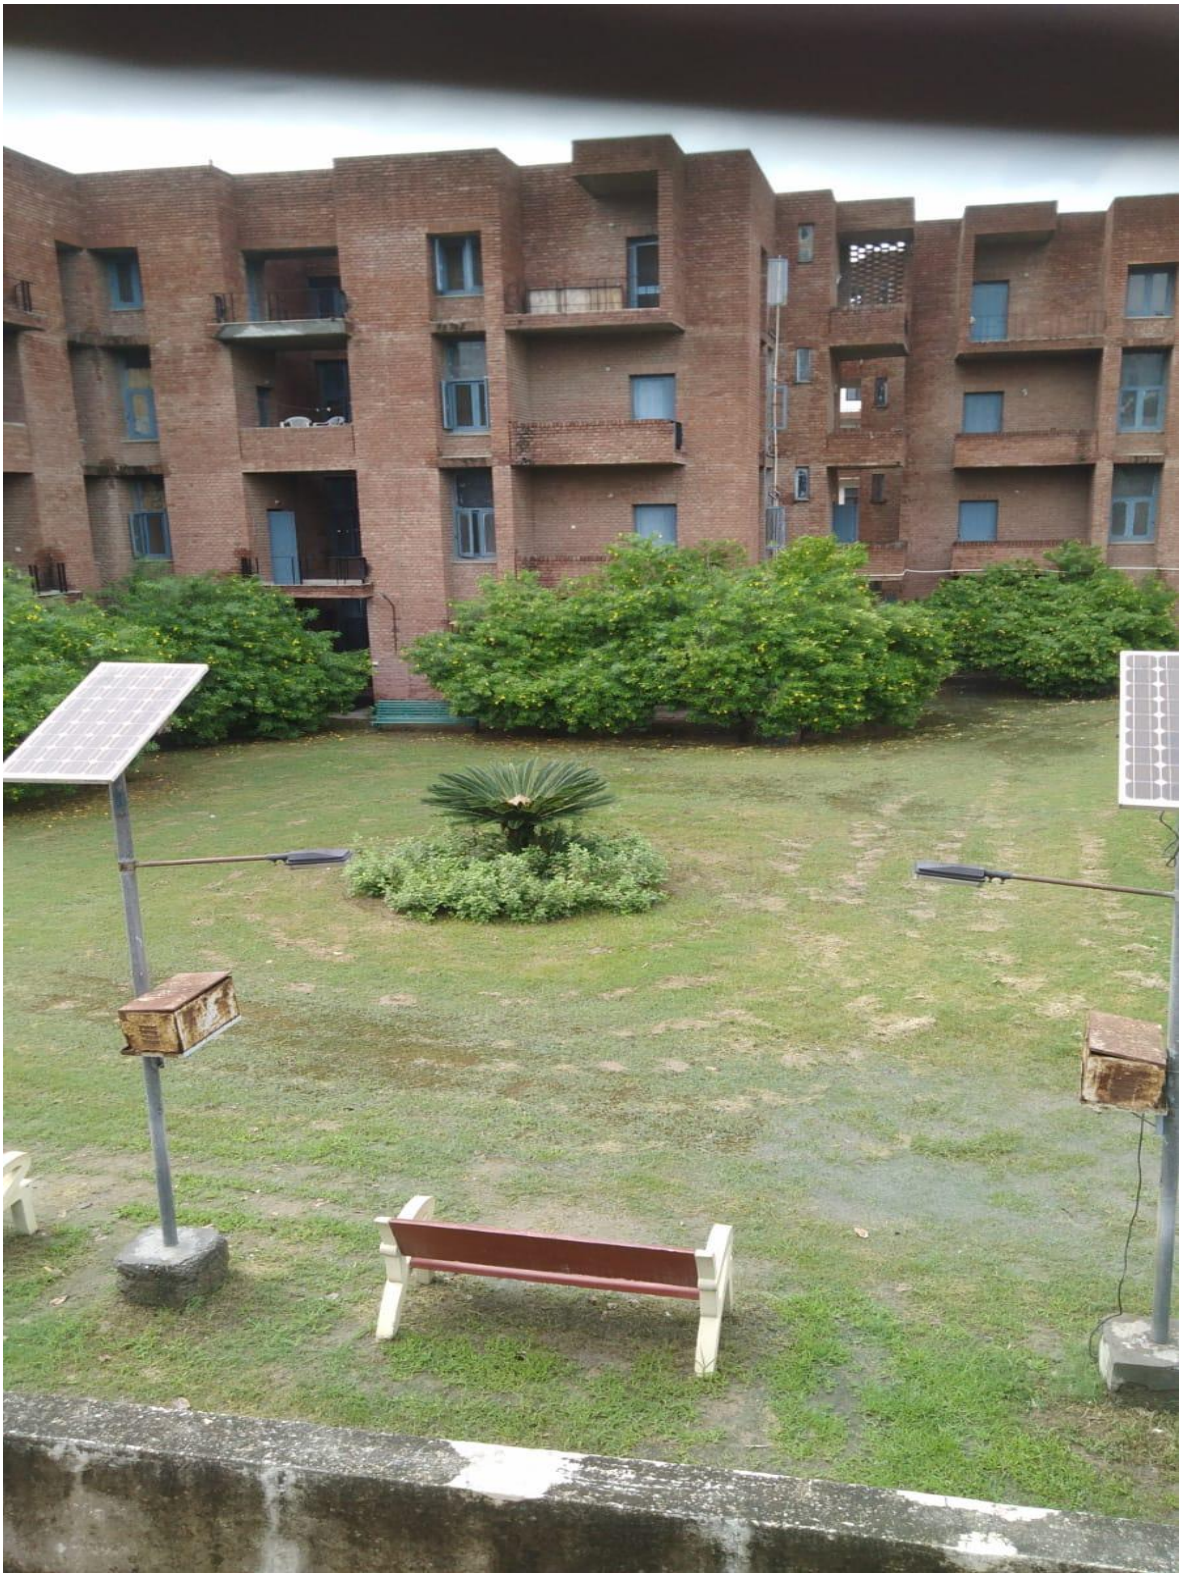

Common Room

MATA NANAKI GIRLS HOSTEL-NO. 02

Warden: Dr. Sana Absar,
Assistant Professor,
Dept.of Mass Communication

Mata Nanaki Girls Hostel 2 provides accommodation to 622 students in 225 rooms spread over 6 separate blocks. The accommodation offered includes two-seated, three- seated, four seated and five-seated rooms. The residential blocks of its hostel have geysers and solar water heaters in the bathroom and water coolers with filter systems. The block residents are also provided with Wi-Fi facility. For security purposes, the boundaries and entrance to the hostel are under CCTV surveillance in addition to being manned by female attendants, a male security guard at the entrance and women night guards. The residents are provided with mess facility which is run on contract basis and provides clean and nutritious food to students according to a pre-decided menu. In addition, there is a separate canteen which offers a variety of snacks, beverages, fast food, etc. 'Bain-marie' has been also provided to students in mess. The hostel common room is fully AC and provides residents with entertainment options like television, newspapers, magazines and some indoor games. A separate reading room is also available to the residents for studying. The hostel has a well furnished guest room for its visitors. A Medical room with Para- medical service is available in the hostel with a well qualified female nurse on duty during night. For its administrative work, the hostel has an office staff including an Assistant Warden and Warden who are available 24 hrs if need arises. Efforts are made to provide a conducive environment for academic pursuits of its residents. Living in the hostel entails moral responsibility on the part of its residents to maintain decorum and to observe the hostel rules. All the rights of admission to the hostel are reserved by the Dean Student's Welfare. Applications for admission are to be filled online on the University's website. Local students from within the radius of 25 km, evening students / employees and part- time students are not eligible for admission to the hostel. Admission will be sought afresh in every academic session.

MATANANAKI GIRLS HOSTEL No-03

Warden Dr. Harkirandeep Kaur
Mob:- 8427097790 Office : 3148
Asst. Warden Mrs. Tejinder Kaur
Mob: 9464272144 Residence : 3150

Mata Nanaki Girls Hostel III started in January 2014 with provision of accommodation for 761 Students in 255 well lit and ventilated rooms spread over six storey high interconnected blocks. Each block has separate lift with back up facility of generator. This hostel is allotted only to the students who are in the second or higher year of their respective courses on sharing basis. The hostel has provision of geysers in all the bathrooms and water coolers along with water purifiers in each block. The mess of the hostel is being run on contract basis and provides clean nutritious food to the students according to a pre decided menu. The dining hall of the mess is equipped with water coolers along with water purifiers and fly/ insect killers. The hostel has the facility of fully air conditioned common room as well as reading room. The hostel common room provides necessary facilities such as L.E.D. with Dish TV, newspapers, magazines and many indoor games. The hostel premises have spacious green lawns with seasonal flower beds and trees surrounding the main building. The facility of common open gym is also available for hostel residents.

A common medical room is available in the hostel with a nurse, attendant and security Guards on duty at night. To ensure the safety and security of the residents, the hostel boundaries and entrance are under 24 hours CCTV surveillance. The hostel is equipped with wifi connectivity. The hostel has common computer lab, provisional store and shops providing stationary and other utility items and photocopying facility, tailoring facility within the premises. To promote hygiene among the residents, facility of Sanitary napkin vending machine with Incinerator has been provided in the hostel. There are different Student's Committees (Mess, Canteen & Block) for discussing various hostel issues so

that their problems can be resolved in time. Like previous years, this year also the hostel residents actively participated in various activities & festivals such as Lohri and various Gurupurab Celebrations. All the efforts are being made to give a homely feeling to the residents.

MATA NANAKI GIRLS HOSTEL NO. -04

Introduction and functions

Mata Nanaki Girls Hostel No. - IV has currently six blocks named 1, 2, 3, 4 , 5 and 6. Blocks 1, 2 and 3 have 288 single seated rooms while 4 , 5 and 6 Blocks have 179 rooms on sharing basis providing accommodation for 741 students in total. Mostly all the residents of PhD, Graduates and PG Graduates courses are being provided accommodation in this hostel.

The hostel is well-equipped with all basic facilities such as Wi-Fi, medical facility, Open Gym facility etc. The mess of the hostel provides clean nutritious food to students according to pre-decided menu and are also equipped with water coolers along with water purifiers, fire extinguishers and fly/insect killers. There are two ban maries in mess of the hostel and food is served in ban maries to ensure timely and efficient serving to the residents. Also, other facilities such as Common room, Reading room and Guest room for residents of hostlers which are fully air conditioned. The hostel common-room provides all the necessary facilities such as television, newspapers, magazines and some indoor & outdoor games. CCTV cameras have also been installed all around the hostel boundary keeping in view the security of the girl students. A scooter stand is also available outside the hostel. Sanitary Napkin Vending Machine along with incinerator machine is installed in the hostel for the usage of the residents.

Staff Details

Warden **:** Ms. Sunaiana (Assistant Professor)
Assistant Warden **:** Mrs. Minakshi Bains
The other staff members are as follows:-

Designation	No. of Employees
Senior Assistant	1
Attendants	7
Night Lady Security Guard	1
sweepers	6
Carpenter	1
Helper to Electrician	1

Activities in the calendar year 2024-25: In the current academic session (2024-25), 734 students were accommodated in Girls Hostel No. IV. Various festivals were celebrated by the students from time to time such as Lohri, Janamashtmi, Gurpurab, etc. In November 2024, students welcomed Prabhat Pheri to the hostel with great fervour.

Achievements in the calendar year 2024-25: As committed for the welfare of the students, the hostel provides homely atmosphere to its residents. The hostel has lush green gardens providing good atmosphere of learning to hostel residents. White Wash in some residential blocks is done, also Mess repair & renovation is partly done for betterment of students and mess workers.

Innovations and best practices: In session 2024-25 student council was formed with 47 student residents of the hostel that looked after various issues concerning the hostel residents. These students used to have regular meetings with hostel residents and the hostel staff for maintaining smooth and lively staying experience in the hostel. Beside it, there are visits of medical officers of the Guru Nanak Dev University on weekly basis for checking the food quality and cleanliness in hostel mess and canteen during this session.

Plans for next year: The Hostel is committed towards providing best hostel facilities to its residents and in this direction the hostel aimed to provide neat & clean environment, hygienic food, security arrangements and homely environment to the students.

UNIVERSITY HEALTH CENTRE

The University Health Centre was established in 1973 as a primary health care facility. The mission of the Health Centre is to enhance the health and wellness of University students, faculty and staff by providing access to quality health services and ensuring their well being. Health Centre provides clinical (supporting health and well being through care for acute and ongoing diseases and injuries) as well as ancillary services like laboratory, radiology and pharmacy services to the University community apart from supporting educational and research activities as well.

The University Health Centre provides services for Medical, Dental as well as Ayurvedic O.P.D. There is also a specialized sports dentistry clinic which provides custom made mouth guards to all the university/college sports persons for prevention of dental injuries. Attached to the Health Centre is a well equipped Physiotherapy Centre having trained physiotherapist. These facilities remain open Monday to Saturday and even on gazzetted/declared holidays. Emergency services including ambulance services are available 24x7. The doctors at Health Centre provide primary health care to students, staff, pensioners & their dependants. For services not covered at Health Centre, referral services to Government and Multispecialty hospitals for specialized treatment/hospitalization are available. 42 hospitals are on empanelment with the University at CGHS rates.

Other in house facilities available at Health Centre are:

- Fully computerized digital Electrocardiograph (ECG)
- Digital X-ray
- Bone mineral density scan (DEXA Scan)
- Mammography
- Dental X-ray (RVG)
- Orthopantomogram
- Vacuum thermoforming machine (for making mouth guards)

A Medical Board has been constituted at the Health Centre (with two outside experts) for issuing chronic complicated disease certificates to eligible University patients. In addition a Medical Committee is also constituted to assess the working of Health Centre and recommend programs for the benefit of University patients.

In order to manage any casualty among girl students, Health Centre has set up a medical room in the Girls' Hostel and a staff nurse is available at the hostel from 8:00 pm to 8:00 am daily including on Sundays & holidays. The medical officers of Health Centre regularly inspect the messes and Canteens in Boys & Girls Hostels. The mess & canteens workers are periodically examined and screened for any communicable diseases.

The University Health Centre has set up a sample collection unit in collaboration with NABL accredited laboratory for providing quality lab facilities at special subsidised rates. Ultrasonography facility has been provided to the university patients at discounted/CGHS rates in collaboration with leading diagnostic centres of the city.

An isolation room has been set up at Health Centre to separate and restrict movement of persons who have been exposed to communicable diseases for the purpose of preventing the transmission of the diseases.

Activities undertaken at University Health Centre:

- Daily outpatient consultation for University students, staff and faculty in General Medicine, Dentistry, Ayurveda and Physiotherapy.
- Issuance of medical fitness certificates and medical leave recommendation.

- Minor procedures, First Aid and Basic emergency care and stabilization before referral to secondary/tertiary facilities.
- Health promotion services/sessions focusing on stress management, personal and menstrual hygiene.
- Regular inspection of hostel messes and canteens.
- Provision of prescribed essential drugs free of cost
- Distribution of prophylactic supplements such as Iron/Calcium and Vit-D to identified groups
- Provision of Lab Tests at subsidised rate
- Organization of immunization sessions in coordination with district health authorities.
- Provision of on-site medical aid during university events, sports meets, convocations etc.
- 24x7 Ambulance services.
- Liasion with district hospitals/empaneled hospitals for advanced diagnostics & tertiary care.
- Issuing referral letters and supporting documents for medical re-imbursements.
- Implementation of biomedical waste disposal protocols in line with PPCB/State Pollution Control Board guidelines.
- Assistance in medical board evaluations for students requiring academic concessions and for issuing complicated chronic disease certificate to eligible patients.

ENGINEERING DEPARTMENT

Guru Nanak Dev University came into existence in the year 1969 and deptt. of Engineering was set up in the year 1972 with following objectives:-

1. Upkeep of Buildings, Hostels and Residences
2. To regulate services of Water Supply
3. To regulate services of Electricity
4. To regulate services of Sewerage & STP
5. Construction, Repair & maintenance of Buildings/Roads at its Main Campus Amritsar,

Regional Campuses & Colleges at Jalandhar, Gurdaspur, Sathiala, Fatudhinga, Verka, Niari, Kalanaur, Pathankot, Mukandpur, Philaur, Patti, Chung, Narot Jaimal Singh and Holiday home Dalhoussie.

The Master Plan of the University Campus was prepared by the renowned architect firm M/s Sachdev Eggleston, New Delhi.

Presently Department of Engineering is headed by Dr. Karamjeet Singh Chahal, Head, Engineering Department with the following staff:

1. Sh. Balbir Singh, Assistant Engineer (Designated)
2. S. Simerjit Singh, Junior Engineer
3. Sh. Rohin Kaushik, Junior Engineer
4. Sh. Anmol Rampal, Junior Engineer

Correspondence Branch

S. Hardip Singh, Supdtt.

Drawing Branch

S. Simerjit Singh, Junior Engineer (Additional Charge of HDM) from 08-06-2022)

Electrical wing

1. Sh. Balbir Singh, Assistant Engineer (Civil) (Designated), Additional charge of Electrical Wing
2. S. Jasbir Singh, Junior Engineer (Elect.)
3. S. Harcharan Singh, Junior Engineer (Elect.)

Accounts Branch

S. Harpreet Singh, Senior Assistant

The Department looks after the repair and maintenance of buildings and attends day to day complaints of residences/offices etc. The work includes the upkeep of above 430 houses, 3 Boys Hostels, 4 Girls' Hostels, Two Guest Houses, College Bhawan, Sports Stadium, Sports Hostel (Boys), Sports Hostel (Girls), Hockey Ground, Swimming Pool, Auditoriums, Meeting Halls and about 105 teaching and non-teaching departments.

University Campus has a beautiful network of roads which has been well maintained. University has given 24 hours uninterrupted water supply to the campus which is maintained with 10 tubewells. University also maintains two STP and disposal besides network of water supply lines and sewerage lines, has separate system of storm water and Sewage Sullage.

It also looks after the repair of furniture, addition/alteration of various buildings and construction of various projects.

Department has taken a number of projects during the period of 01.07.2024 to 30.06.2025 as mentioned below:

1.	Construction of Food Court Near MYAS Department & opposite Boys Hostel-III (Sports) within GNDU Campus, Amritsar.
2.	Renovation of Guru Nanak Dev University College, Chungh, Tarn Taran.
3.	Construction of RCC Plate form for generator set/Panel And interlocking paver block path near UIT Building within GNDU Campus, Amritsar.
4.	Construction of Fencing work for Agriculture Department within Guru Nanak Dev University, Amritsar.
5.	Shifting & service of Genset 250 Kva capacity from Guru Tegh Bahadur College Sathiala to GNDU Campus Amritsar
6.	Paint & Distemper work in Boys Hostel No.3 within GNDU Campus, Amritsar
7.	Purchase of Electrical Material (Desert Cooler and Pedestal Fans) for Administrative Block within Guru Nanak Dev University Campus, Amritsar.
8.	New Boring Borewell at Tubewell No.6 with 50 HP New Motor within GNDU Campus, Amritsar.
9.	Repair & Renovation of False Ceiling at Existing Shooting Range (10 mtr.)within GNDU Campus, Amritsar.
10.	Providing and Fixing Turbo Ventilators on Roof at Existing Shooting Range (10Mtr) within Guru Nanak Dev University Campus Amritsar.
11.	Renovation of Electrical Work of Old Shooting Range(10 Mtr) within Guru Nanak Dev University Campus Amritsar.
12.	Renovation of Canteen in Mata Nanaki Girls Hostel No. 2 within Guru Nanak Dev University Campus Amritsar.
13.	Repair of Slab with Tile Terracing and other work within Guru Nanak Dev University College Patti.
14.	Electrical work for fire fighting system at Golden Jubilee Convention Centre Guru Nanak Bhawan within Guru Nanak Dev University Campus, Amritsar.
15.	Panel fixing M.S. Fencing from entry of Indoor Stadium to old Shooting Range (10Mtr)entry within Guru Nanak Dev University Campus, Amritsar.
16.	Replacement of Old Fluorescent Street Lights with LED Street Lights in Guru Nanak Dev University College, Verka.
17.	SITC of 20 Mtr. High Mast System in Velodrome within GNDU Campus, Amritsar.
18.	Construction of Vermicompost Shed 2 number (One at Amritsar and One at Ludhiana)
19.	Construction of Parking Shed within GNDU College Narot Jaimal Singh Pathankot.
20.	White Washing painting in Y-Type Girls Hostel within GNDU Campus, Amritsar.
21.	Panel Fixing MS Fencing from entry of indoor stadium to old shooting range (10 Mtr.) within GNDU Campus, Amritsar.
22.	Providing and Fixing Aluminum partition at Corridor opening are in sports hostel for boys (200 Beded) within GNDU Campus, Amritsar
23.	Providing and Fixing Aluminum partition of second and third floor lobby in sports hostel for boys (200 Beded) within GNDU Campus, Amritsar

Construction works in progress:

1.	Construction of New Girls Hostel within GNDU Campus, Amritsar.
2.	Construction of International Boys Hostel & Mess (Phase-I) near Nursery &Proposed CIFS Site within Guru Nanak Dev University Campus, Amritsar.
3.	Renovation of Indoor Gymnasium Hall Roof within Guru Nanak Dev University Campus, Amritsar.
4.	Construction of New Toilet Block for Girls & Construction of Student Parking within Guru Gobind Singh University College Jandiala , Jalandhar.
5.	Renovation of Boys Hostel Toilets First Floor Punjabi Department within Guru Nanak Dev University Campus Amritsar.
6.	Construction of Boundary wall at Shri Guru Teg Bahadur College Sathiala. (PART-A) & Construction of Boundary Wall of Auditorium at Shri Guru Teg Bahadur College Sathiala. Baba Bakala (PART-B)
7.	White Wash Painting at Mata Nanaki Girls Hostel No.4 (Block 5 & 6) within GNDU Campus, Amritsar
8.	Renovation of ladies, Gents Toilets (Ground, First & Second Floor) and Head room toilets at department of Biotechnology within GNDU Campus Amritsar
9.	Repair and renovation of boundary wall within GNDU regional Campus, Gurdaspur
10.	SITC of water cooled Silent Diesel Generating set of 400 kva capacity at new Auditorium/Seminar hall for HRDC Department within GNDU Campus, Amritsar.

Plans for the next year

1.	Upgradation of Automatic RF Access Management System for barrier gates within GNDU Campus, Amritsar.
2.	Construction of Indoor Badminton Court Near Multipurpose hall within GNDU Campus, Amritsar
3.	Addition/alteration of Micro Biology & Bio-Technology with ground floor, 1st, 2nd &3rd Floor
4.	Addition/alteration of recruitment cell with ground and first floor as existing and 2nd & 3rd Proposed

PUBLIC RELATIONS DEPARTMENT

The Public Relations Department at Guru Nanak Dev University has been steadfast in promoting the university's policies, academic achievements, sports, cultural activities, and other endeavors through print, electronic, and social media platforms at international, national, and regional levels. The department diligently issues press releases in English, Punjabi, and Hindi, accompanied by photographs, to highlight both online and offline university activities. It also organizes press conferences for significant events and prepares special write-ups to showcase the university's accomplishments. In its recent tenure, the department facilitated extensive online coverage of various events, including international and national conferences, symposia, workshops, lectures, convocations, foundation day celebrations, memorial lectures, refresher courses, and orientation programs. It released over 650 press notes and thousands of photographs for these events. Additionally, the department coordinated the publication of around 280 advertisements, admission notices, general notices, tenders, and e-tender notices in various newspapers to inform the public and students.

The department is also responsible for issuing smart and user-friendly identity cards to members of the Senate, Syndicate, Academic Council, teaching and non-teaching staff, alumni, research scholars, and retirees across the university's main campus, regional campuses, and constituent colleges. It organizes guided visits for guests to university departments and prominent historical and religious sites in Amritsar, including the Retreat Ceremony at the Wagah Border. The Public Relations Department has published a prestigious coffee table book, Amritsar & Guru Nanak Dev University: The Contours of Inheritance, along with an information booklet, Saga of Progress, telephone directories, wall and desk calendars, invitation cards, greeting cards, and other materials. The department also manages photography and videography for special events and produces visual documentaries highlighting the university's achievements, campus life, and environment.

The Public Relations Department prepares articles for Annual Report of the University such as Preface, About the University, About Sri Amritsar, Foundation Day, Annual Convocation, Seminars, and Functions. It also covers visits and online participation by dignitaries, scholars, and guests, as well as features on Social Media Champions. Moving forward, the department is dedicated to enhancing its digital outreach by leveraging emerging technologies and social media trends to further amplify the university's global presence and foster greater engagement with its diverse stakeholders.

SECURITY DEPARTMENT

Security Officer Harvinder Singh P.P.S.Comdt. (Retd.)

Introduction

Security Wing of the University was raised in Feb 1979 to meet security requirements of the University. The security environment plays an important role in the development of an Academic Institution especially in education field by creating and maintaining congenial and peaceful environment. All out efforts were made by the security staff of the University to provide effective security cover as a result the year 2024 remained free from any major mishappening/security violation. However, isolated incidents of petty theft cases and indiscipline were reported.

Strict Security arrangements were made to prevent internal quarrels amongst the students and residents.

The security staff was also made responsive to the calls of campus residents and to provide them every possible help/assistance.

During the year 2024, apart from routine security duties such as security to vital points, property, protection, maintain of law and order, traffic control, additional special security duties were performed as under :-

(a) Examinations- Annual, Semesters, Supplementary

(b) Annual Convocation, Syndicate, Senate meeting

(c) Annual prize distributions

(d) Cultural Programs

(e) Issue of Walk Passes for Outsiders

(f) Issue of RFID Tags for University Teachers/Employees/Officers.

(g) General Body meetings of the Associations

(h) Religious/Gurudawara functions

(i) University Foundation day

(j) Admissions/Entrance Test/Counselings

(k) Placement/Interviews

(l) Sports competitions

(m) 26 January & 15 August celebrations

(n) VIP duties.

(o) Duties during Protest in Campus

For better performance of Security Staff, Two Motor-Cycles and four bicycles for the purpose of 24 hours patrolling in the University Campus were sanctioned by Worthy Vice-Chancellor.

A Mobile phone No 73411-14130 has also been provided to Security Supervisor Incharge Shift for better communication. Number of this Mobile phone has been circulated to all departments

Teaching/Non-Teaching of University so that they can make call to Security Supervisors on duty at any time round the clock.

Wireless System has also been introduced within GNDU Campus for quick and better communication of security staff. Ten Walkie-Talkie sets have been purchased which are distributed as mentioned below:-

(a) Registrar

(b) Security Officer

(c) Security Supervisor on duty

(d) Main Gate

(e) Ram Tirath Road Gate

(f) C-Type Gate

(g) Girls Hostel No 1

(h) Girls Hostel No 4

(i) Boys Hostel No 1

(j) Boys Hostel No 2

Two sizeable parking stands have been constructed in campus. One at Main Gate towards GT Road side, second at Ram Tirath Road Gate side for parking of four wheelers of students & visitors. To check the entry of vehicles, seven Boom Barriers have also been installed in campus, one on entry from main Gate side, second on entry from Ram Tirath Road Gate side, third opposite physics block, fourth near girls hostel Naka No 1, fifth one near girls hostel Naka No 4, sixth near D-type quarters and seventh near UIT Building for better traffic control.

At present 30 CCTV cameras have been installed for security purpose at various locations of university campus. These cameras have helped the departments to keep a vigil on unauthorized entries into the campus.

UNIVERSITY SOCIAL MEDIA CHAMPION

Elevating GNDU's Digital Presence

In the digital era, social media is more than a communication tool—it's a dynamic platform for storytelling, engagement, and community building. At Guru Nanak Dev University, this understanding has inspired a robust and strategic approach to social networking, spearheaded by the Public Relations Department. Through the vision of Vice Chancellor Prof. Karamjeet Singh and execution by the Department, GNDU has emerged as a social media Champion, successfully connecting its global community and enhancing its institutional image across digital landscapes.

GNDU's social media activities are carefully crafted to reflect the university's holistic ecosystem: Academic Highlights: Sharing updates about research breakthroughs, academic achievements, new programs, and faculty excellence. Events & Celebrations: Live coverage and post-event highlights of seminars, convocations, fests, cultural activities, and sports events. Success Stories: Featuring student and alumni achievements to inspire and motivate the larger community. Announcements & Alerts: Timely posts about admissions, examinations, scholarships, and important notices. These activities are aligned with the university's vision of transparency, inclusivity, and innovation.

GNDU's approach to social media goes beyond just promotion—it's about creating conversations and fostering a sense of belonging. Some key elements of the strategy include: Platform-Specific Targeting: Utilizing platforms like Instagram, Facebook, X (formerly Twitter), YouTube, and LinkedIn based on the preferences of different user demographics. Collaborative Amplification: Partnering with influencers, alumni, faculty experts, and industry professionals to enhance credibility and reach. Two-Way Communication: Encouraging feedback, suggestions, and user-generated content to create an interactive experience. The department also tracks analytics closely to refine content strategies, ensuring that each post delivers maximum value and aligns with the university's mission.

Through the tireless efforts of the Public Relations Department, GNDU has successfully built a vibrant and authentic online identity. The university's social media channels are not only digital noticeboards but thriving communities that reflect the academic excellence, cultural richness, and youthful energy of the institution. This digital-first approach enables GNDU to transcend geographical limitations, attract prospective students, maintain strong alumni relations, and celebrate the accomplishments of its ever-growing community.

The Social Media Champion initiative at GNDU is a testament to the power of strategic communication and digital engagement. GNDU continues to lead by example—setting benchmarks in university social networking that are rooted in clarity, creativity, and community. By aligning its digital strategy with its institutional values, GNDU's social media presence not only promotes its offerings but also **serves as a window into the dynamic life and legacy** of the university incorporating moral & social values as per the teachings of Sri Guru Nanak Dev ji, who's name this great institute of education established 55 years ago. It stands as a model of how higher education institutions can use social networking to inspire, inform, and engage on a global scale.

DEPARTMENT OF LANDSCAPING

Mr. Gurwinder Singh
Landscape Officer

Commemorating Guru Nanak Dev Ji's birth quincentenary celebrations, Guru Nanak Dev University, Amritsar, was established on 24th November 1969. Hence, a high-powered committee was constituted with S. Bishan Singh Samundari, the then founding Vice Chancellor of Guru Nanak Dev University; Dr. M. S. Randhawa, the then Vice Chancellor of Punjab Agricultural University, Ludhiana; the then Vice Chancellor of Punjab University, Chandigarh; the Chief Architect of U.T. Chandigarh, the Architect of PAU Ludhiana, and some prominent personalities in the field for the planning, designing, and development of the university's new campus.

Accordingly, the Department of Landscaping was also established for the proper planning and development of campus landscaping, through the selection and collection of various types of plants trees, shrubs, climbers, indoor plants, ground covers, and grasses as well as their plantation and maintenance to create a beautiful campus. The committee conducted an extensive survey of the campus and intensively planned the plantation of promising and aesthetically pleasing species to make the university evergreen, colorful, fragrant, and pleasant.

This department was initially managed by Mr. H. S. Dhindsa as the founding Landscape Officer (Dec. 1971 – July 1978), followed by Mr. G. S. Pannu from August 1978 to 30th April 2009 until his superannuation.

The Department of Landscaping was reactivated after a long gap with the appointment of Dr. J. S. Bilga as Consultant (Horticulture). He retired on 17th March 2022. Post-retirement, Dr. Bilga was re-appointed as Advisor (Horticulture) by the competent authority for his valuable advice in the field of landscaping and horticulture.

Later, Mr. Gurwinder Singh joined as Landscape Officer w.e.f. 22.12.2020. The Landscape Department planted a large number of plants, achieving near-complete saturation of greenery across the GNDU campus. Mr. Gurwinder Singh, Landscape Officer, is assisted by 5 Head Malis, a small number of 14 Malis, and 35 workers in maintaining the 500-acre campus of Guru Nanak Dev University, including a 25-acre Botanical Garden. Together, they uphold the campus's beauty and enhance its diversity by introducing new plant species

The Department of Landscaping is responsible for planning, plantation, transplanting, and maintenance of gardens throughout the campus, including nursery production, hoeing, irrigation, pruning, training and trimming, plant replacement, fertilization, plant protection, and overall greening and maintenance of lawns. In addition to daily duties, the department also manages the auction of agricultural land, including the pear orchard, with approval from the competent authority. As part of its educational initiatives, the department organizes flower shows to raise awareness among students and residents.

During the reporting year 2024-25 the department of Landscaping has performed the following activities

❖ NEW LANDSCAPING AND PLANTATION WORKS

New planning and landscaping development around the following areas were completed this year:

- **Plantation along the wall of Khalsa College (Ram Tirth Gate to Cycling Velodrome):** The area along the wall was cleaned of wild growth. With the cooperation of Baba Sewa Singh, Kar Sewa Sri Khadoor Sahib, the department transplanted 20 Bohar (*Ficus benghalensis*), 20 Pipal (*Ficus religiosa*), 20 Neem (*Azadirachta indica*), 10 Pilkhan (*Ficus virens*), and 20 Amaltas (*Cassia fistula*), all with a height of approximately 8 feet.

- **GURU NANAK BHAGICHA(S) IN THE CAMPUS**

  Three "Guru Nanak Bhagichas" were developed near the Agriculture Department on barren land, with cooperation from the Forest Department. A total of 1,650 plants, comprising approximately 12 to 15 species of indigenous shrubs and trees, have been planted at high density to aid in pollution control and to promote a natural habitat for birds.

❖ **PROCUREMENT OF PLANTS AND SEEDS**

- Plants were procured free of cost from:
  - DFO, Amritsar
  - NGOs
- A large number of flowering seeds were harvested and stored by the department for next year's nursery production, reducing GNDU's expenditure.
- Additional plants were purchased from local nurseries as needed for campus beautification.

❖ **PROPAGATION**

- The landscape nursery carried out propagation of various plant varieties, including bougainvilleas, climbers, shrubs, trees, chrysanthemums, annual flowers, and pot plants.
- The department also beautified university events by placing potted plants from its nursery.

❖ **GAP FILLING**

As in previous years, the department addressed plant mortality through gap filling:

- Along the road from the main gate to the back gate.
- Behind the Education and Agriculture Department buildings, where indigenous fruit and flowering trees had been planted.
- In continuation of the Shisham (*Dalbergia sissoo*) plantation (state tree of Punjab), gap filling was carried out behind the UIT workshop along the Sadda Pind wall with support from the Forest Department.

❖ **THE 49TH SACRED JUNGLE**

Developed on campus in collaboration with Baba Sewa Singh, Kar Sewa Sri Khadoor Sahib, with 1,800 plants, this area is being maintained by the department.

❖ **MECHANIZATION OF THE LANDSCAPING DEPARTMENT**

- Machinery is serviced regularly to ensure smooth operation.
- A tractor-operated spray pump was purchased for herbicide and pesticide application. It is also used by the Security Department in emergencies such as fire control.

❖ **AWARENESS AGENDA**

To aware & educate the students about the importance of green and beautiful environment and growing of different plants for their surrounding Guru Nanak Dev University organized Flower shows:

- **Spring Festival of flowers, plants and rangoli (17th–19th March 2025)**
  This educational event saw enthusiastic participation from several institutions and individuals. It was inaugurated by Prof. Karamjeet Singh, Vice Chancellor, and the prizes were distributed by Prof. Palwinder Singh, Dean Academic Affairs.

❖ **BOTANICAL GARDEN**

The Botanical Garden is under the supervision of the Landscaping Department. Activities undertaken during 2024-2025 include:

- Planting of seasonal flowers and chrysanthemums to enhance aesthetics.
- Continued mulching to conserve soil and water, suppress weeds, and enrich soil organic matter.
- Introduction of new species including RET (Rare, Endangered, and Threatened), ferns, aromatic, medicinal, spice, and fruit plants sourced from local and distant nurseries.

❖ **CONTINUATION OF REJUVENATION OF CAMPUS:**

Due to poor quality of soil in the campus of Guru Nanak Dev University the growth of trees had been retarded even trees started drying up from top. Hence rejuvenation of campus soil has been continued. Accordingly large quantities of leaves shed were ploughed in the soil that made the soil fertile, aerated and improved its absorption of water. Due to this technique all the lawns have been completely regrassed and the tree tops which were drying up before have been rejuvenated resulting good growth and flowering of plants.

❖ **MAINTENANCE WORKS**

Routine activities included:

- Frequent cutting of grass and removal of wild growth
- Training, pruning, and trimming of plants
- Irrigation, hoeing, weeding, and staking as needed
- Plant protection from weather, insects, and diseases
- Collection of broken, dry, and dead twigs
- General lawn cleaning and removal of dead plant parts
- Installation of hanging baskets across campus (enriched with new varieties)
- Gap filling of flowering and shady trees along roads
- Maintenance of bougainvilleas around the Sports Complex

❖ **LANDSCAPING OF UNIVERSITY BACK GATE**

Completed with a variety of palms, shrubs, and ground covers last year, it has been properly maintained throughout the current year.

❖ **GOLDEN JUBILEE ROSE PARK**

Developed during the Golden Jubilee year, the rose park contains 50 named varieties of roses and is being maintained.

❖ **NEXT YEAR'S PROGRAMMES (2025–2026)**

- Organizing flower shows under the awareness and educational agenda
- Further mechanization of the Landscaping Department
- Plantation on vacant land as a pollution barrier
- Landscaping of newly established departments
- Maintenance of existing plantations trees, shrubs, climbers through training and pruning for campus beautification

NATIONAL YOUTH PARLIAMENT SCHEME (NYPS)

Dr. Nirmal Singh
Nodal Officer

NYPS

Ministry of Parliamentary Affairs has been implementing the Youth Parliament programme since 1966 in Schools under the Directorate of Education, Government of NCT of Delhi and NDMC, Kendriya Vidyalaya, Jawahar Navodaya Vidyalayas, and Universities/ Colleges. At special function on the occasion to commemorate 70th Anniversary of adoption of the Constitution of India, - "Samvidhan Diwas", organized in the Central Hall of Parliament, the Hon'ble President Shri Ram Nath Kovind launched the Web-Portal of "National Youth Parliament Scheme".

Aims of the NYPS

- All recognized educational institutions of the country are eligible to participate in this programme.
- The registration for participation will be done by the education institutions through the web-portal.
- E-training modules, videos, photographs, and scripts are available on the portal for online self-learning of the participants.
- After successful registration, the educational institutions will be able to conduct youth parliament sittings in their respective institutions.
- Each student taking part in the sitting will get a Digital 'Certificate of Participation' and each Teacher-in-charge and Head of Institution will get a 'Certificate of Appreciation' through the web portal.
- The programme envisages Kishore Sabha for the students of Class IX to Class XII and Tarun Sabha for the students of the Under Graduate/ Post Graduate level.
- To ensure effective implementation of the scheme, the participating institutions may invite an MP/ex-MP/ MLA/ Ex-MLA/ MLC/ Ex-MLC or a Person of eminence as the Chief Guest who would oversee the performance of the Youth Parliament sitting of the institution.
- The institutions shall upload the reports and photos/ videos of Youth Parliament conducted by them on the web portal for scrutiny and verification by the Ministry.
- If reports and photos/ videos of Youth Parliament are found to be in order after scrutiny and verification, participating students will get digital "Certificate of Participation" and teachers-in-charge / head of institutions will get digital "Certificate of Appreciation" for the programme.

Activities

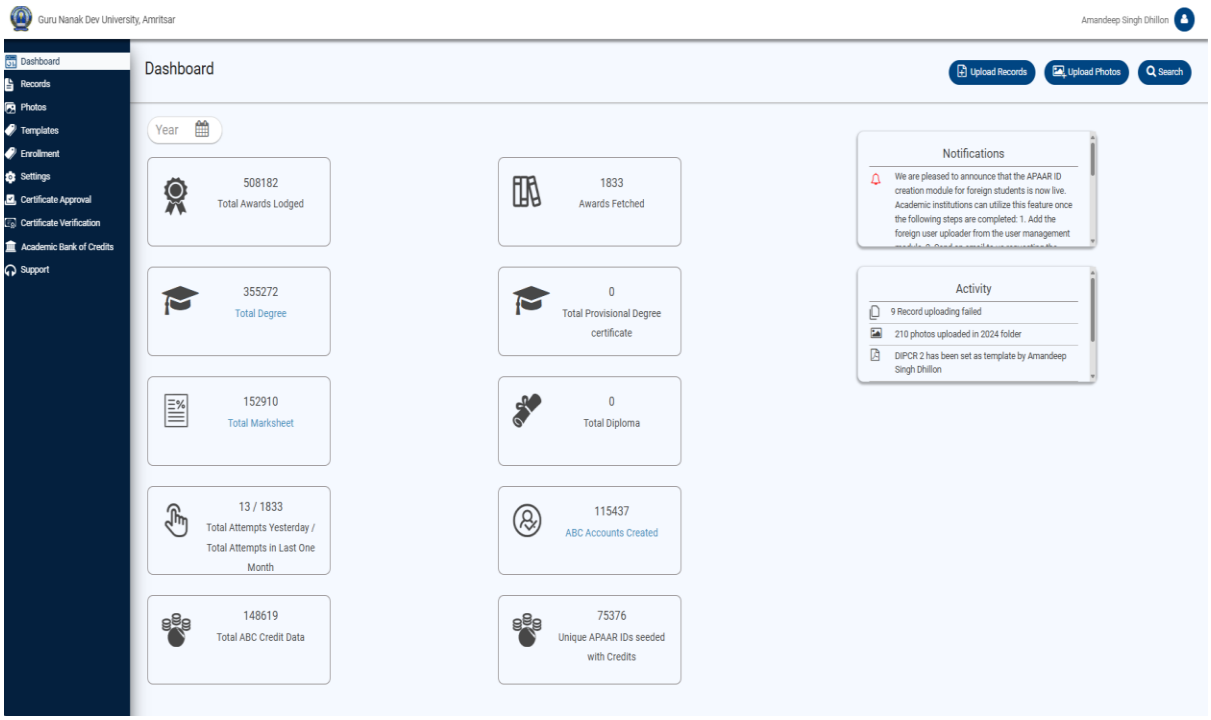

- Enrollment drive for students to be participant in National Youth Parliament Scheme was initiated and time to time meetings were called for making prospective participants aware about the activities to be done.
- Online lecture on the "The use of English as Official Language in Indian Parliament" was delivered by Dr Gurpreet Kaur, Assistant Professor, Shaheed Baba Jeewan Singh Khalsa College, Satlani Sahib, Amritsar on 15 October 2024.
- The students were encouraged to take part in the National Youth Parliament Activities to make it a success.

NATIONAL ACADEMIC DEPOSITORY (NAD)

India's higher education landscape is vast and diverse, comprising over 1,000 universities and numerous skill-based institutions that collectively issue millions of academic awards such as degrees, diplomas, certificates, and mark sheets. Traditionally, these records have been maintained in physical form, making them vulnerable to damage, loss, and forgery. To address these challenges and promote transparency, the Government of India launched the National Academic Depository (NAD), a digital initiative aimed at creating a secure, 24×7 online repository for academic credentials.

NAD enables students, educational institutions, and employers to access and verify academic records digitally, thereby eliminating the need for physical documentation and manual verification. Digi Locker serves as the technology partner for NAD, offering citizens a digital document wallet that ensures authenticity, integrity, and confidentiality of academic records.

Guru Nanak Dev University (GNDU), Amritsar, has been a proactive participant in this initiative, having digitized and uploaded a substantial volume of academic records. The university has lodged a total of 508,182 awards, including 355,272-degree certificates and 152,910-mark sheets under CBES system for the years 2021 to 2024. The university is also an active participant in the Academic Bank of Credits (ABC) scheme, which facilitates the transfer and accumulation of academic credits across institutions. GNDU has created 115,437 ABC accounts and uploaded 148,619 credit records, with 75,376 unique APAAR IDs seeded with student credits. These efforts reflect the university's commitment to enhancing student mobility and supporting lifelong learning. Through its integration with NAD and ABC, Guru Nanak Dev University continues to set a benchmark in digital transformation, ensuring secure, accessible, and verifiable academic records for all stakeholders.

INTERNATIONAL STUDENT CELL

Guru Nanak Dev University (GNDU) continues to reinforce its commitment to academic excellence and global inclusivity by actively encouraging students to enroll in a wide range of programs. The International Student Cell has been instrumental in this endeavor, serving as a vital link in facilitating the admission and integration of international students across various departments. With a dedicated focus on addressing the academic and everyday needs of foreign students, the cell has established robust collaborations with the Indian Council for Cultural Relations (ICCR) and the Study in India program. These partnerships have significantly streamlined the admission process, enhancing the overall experience for incoming students. Currently, 50 international students are enrolled at the GNDU main campus, representing a diverse cohort from countries such as Bangladesh, Nepal, South Sudan, Afghanistan, Iran, Malawi, Trinidad and Tobago, Morocco, Sierra Leone, and Gambia, among others. These students are pursuing studies in highly sought-after disciplines, including Civil Engineering, Pharmaceutical Sciences, Microbiology, History, Computer Science, Computer Science & Engineering, Molecular Biology & Biochemistry, University Business School (UBS), Agriculture, Physics, University School of Financial Studies (USFS), and Biotechnology. This year alone, the University has received an impressive 758 applications through ICCR for admission into various academic programs—underscoring GNDU's growing reputation as a preferred destination for international education. In its efforts to foster a truly global campus environment, the International Student Cell is committed to providing an enriching and inclusive academic atmosphere that encourages cultural exchange and supports the holistic development of every student.

- Her Excellency Esther Karema Mutua from the **Kenya** High Commission visited Guru Nanak Dev University. During her visit, Mutua met with Kenyan students and the Chairman of the International Student Cell at the Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) of the Guru Nanak Dev University. She had open discussions with the Kenyan students, gaining insights into their educational experiences. Additionally, she interacted with heads of various departments to gather information about Kenyan students enrolled in those departments. Mutua also met with the Vice Chancellor of GNDU to discuss strengthening the university's ties with African countries and fostering international relations.
- Bithy Das from Bangladesh showcased her cultural talent by participating in the *Folk Song* category at *Jashan 2024,* reflecting the rich artistic contributions of international students to campus life at Guru Nanak Dev University.
- Dip Ranjan from Bangladesh, a student of B.Tech. in Computer Science & Engineering, actively participated in the University's Inter departmental Football Competition and also demonstrated his strategic skills by taking part in a Chess event—highlighting the diverse interests and engagement of international students in both sports and intellectual activities.
- Bikash Chaudhary, an international student from Bangladesh, has made the university proud by securing the top position in Civil Engineering and receiving the prestigious Gold Medal.
- Sheikh Tijan from The Gambia actively participated in the University's Intercollegiate Football and Tug of War competitions, reflecting the enthusiastic involvement of international students in campus life beyond academics.
- Shivang Datta from Nepal, a student of B.Tech. in Computer Science & Engineering, has graduated with First Class Distinction, achieving an exceptional CGPA of 9.15 out of 10. His

outstanding academic performance places him not only among the top-ranking international students but also among the overall academic achievers at Guru Nanak Dev University. His remarkable record reflects a deep grasp of complex technical concepts, sharp analytical abilities, and an unwavering commitment to academic excellence.

- Azizul Islam Junaid from Bangladesh, a student of B.Tech. in Mechanical Engineering, has brought great pride to the University through his exceptional co-curricular achievements. He secured First Place in the *Jashan 2024 Debate Competition* and actively participated in *Technovista*, an event organized by the Department of Mechanical Engineering. At Technovista, he earned Third Place in the *2024 Extempore Competition* and went on to claim First Place in the *2025 edition* of the same event, demonstrating remarkable growth and consistent excellence in public speaking and critical thinking.

Her Excellency Esther Karema Mutua from the Kenya High Commission visited Guru Nanak Dev University, Amritsar.

Ms. Bithy Das from Bangladesh

Mr. Dip Ranjan from Bangladesh

ਮਕੈਨੀਕਲ ਇੰਜਨੀਅਰਿੰਗ ਵਿਭਾਗ ਦੇ ਵਿਦਿਆਰਥੀਆਂ ਦਾ ਸਨਮਾਨ

ਅੰਮ੍ਰਿਤਸਰ, 3 ਮਈ (ਸੁਰਿੰਦਰਪਾਲ ਸਿੰਘ ਵਰਪਾਲ)-ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਮਕੈਨੀਕਲ ਇੰਜਨੀਅਰਿੰਗ ਵਿਭਾਗ ਦੇ ਵਿਦਿਆਰਥੀਆਂ ਦਾ ਜਸ਼ਨ 2024 'ਚ ਕੀਤੇ ਬੇਮਿਸਾਲ ਪ੍ਰਤਿਭਾ ਅਤੇ ਬਹੁਮੁਖੀ ਹੁਨਰ ਦਾ ਪ੍ਰਦਰਸ਼ਨ ਸਦਕਾ ਉਨ੍ਹਾਂ ਨੂੰ ਸਨਮਾਨਿਤ ਕੀਤਾ ਗਿਆ। ਅੰਤਰ-ਵਿਭਾਗੀ ਚਾਰ ਦਿਨਾਂ ਸੱਭਿਆਚਾਰਕ ਉਤਸਵ ਜਸ਼ਨ-2024 ਦੇ ਵੱਖ-ਵੱਖ ਮੁਕਾਬਲਿਆਂ 'ਚ ਵਿਦਿਆਰਥੀਆਂ ਨੇ ਵੱਧ ਚੜ੍ਹ ਕੇ ਹਿੱਸਾ ਲਿਆ ਤੇ ਵੱਖ-ਵੱਖ ਪੁਜੀਸ਼ਨਾਂ ਹਾਸਲ ਕੀਤੀਆਂ। ਪ੍ਰੋ. ਪ੍ਰੀਤ ਮਹਿੰਦਰ ਸਿੰਘ ਬੇਦੀ, ਡੀਨ ਵਿਦਿਆਰਥੀ ਭਲਾਈ ਨੇ ਵਿਦਿਆਰਥੀਆਂ ਅਤੇ ਕੋਆਰਡੀਨੇਟਰ ਵਲੋਂ ਕੀਤੀ ਸਖਤ ਮਿਹਨਤ ਅਤੇ ਯਤਨਾਂ ਦੀ ਸ਼ਲਾਘਾ ਕਰਦਿਆਂ ਜੇਤੂ ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਸਨਮਾਨਿਤ ਕੀਤਾ। ਮਕੈਨੀਕਲ ਇੰਜੀਨੀਅਰਿੰਗ ਵਿਭਾਗ ਦੇ ਮੁਖੀ ਡਾ. ਹਰਮਿੰਦਰ ਸਿੰਘ ਨੇ ਸਾਰੇ ਜੇਤੂਆਂ ਤੇ ਕੋਆਰਡੀਨੇਟਰਾਂ ਨੂੰ ਵਧਾਈ ਦਿੱਤੀ। ਲਿਟਰੇਰੀ ਵਰਗ ਵਿਚ ਮਕੈਨੀਕਲ ਇੰਜਨੀਅਰਿੰਗ ਵਿਭਾਗ ਨੇ ਸਾਹਿਤਕ ਹੁਨਰ ਦਾ ਪ੍ਰਦਰਸ਼ਨ ਕਰਦਿਆਂ ਦੂਜਾ ਸਥਾਨ ਪ੍ਰਾਪਤ ਕੀਤਾ। ਪਰਮਿੰਦਰ ਸਿੰਘ ਨੇ ਅਜੀਜ਼ੁਲ ਇਸਲਾਮ ਜੁਨੈਦ ਦੇ ਨਾਲ ਬਹਿਸ ਵਿੱਚ ਦੂਸਰਾ ਅਤੇ ਵਾਦ-ਵਿਵਾਦ ਵਿਚ ਪਹਿਲਾ ਸਥਾਨ ਪ੍ਰਾਪਤ ਕੀਤਾ। ਭੰਗੜੇ ਵਿਚ ਵਿਭਾਗ ਦੀ ਟੀਮ ਨੇ ਸ਼ਲਾਘਾਯੋਗ ਤੀਸਰਾ ਸਥਾਨ ਹਾਸਲ ਕੀਤਾ। ਤਰੁਣਜੋਤ ਸਿੰਘ, ਐਮ.ਟੈਕ ਦੇ ਫਾਈਨਲ ਸਾਲ ਦੇ ਵਿਦਿਆਰਥੀ ਨੂੰ ਦੂਜਾ ਸਰਵੋਤਮ ਡਾਂਸਰ ਵੀ ਐਲਾਨਿਆ ਗਿਆ। ਵਿਭਾਗ ਨੇ ਸੰਗੀਤਕ ਖੇਤਰ ਵਿੱਚ ਆਪਣੀ ਸਥਿਤੀ ਨੂੰ ਹੋਰ ਮਜ਼ਬੂਤ ਕਰਦਿਆਂ ਹਰਪ੍ਰੀਤ ਸਿੰਘ ਨੇ ਸ਼ਬਦ/ਭਜਨ ਵਿਚ ਤੀਜਾ ਸਥਾਨ ਅਤੇ ਕਲਾਸੀਕਲ ਇੰਸਟਰੂਮੈਂਟਲ ਨਾਨ-ਪਰਕਸ਼ਨ ਵਿਚ ਦੂਜਾ ਸਥਾਨ ਪ੍ਰਾਪਤ ਕੀਤਾ। ਵਿਦਿਆਰਥੀਆਂ ਨੇ ਫੋਟੋਗ੍ਰਾਫੀ, ਮਹਿੰਦੀ, ਕਾਰਟੂਨਿੰਗ, ਕਾਵਿ-ਸੰਗ੍ਰਹਿ, ਥੀਮੈਟਿਕ ਆਦਿ 'ਚ ਵੀ ਆਪਣੀ ਪ੍ਰਤਿਭਾ ਦਾ ਚੰਗਾ ਪ੍ਰਦਰਸ਼ਨ ਕੀਤਾ। ਇਸ ਮੌਕੇ ਇੰਜੀ. ਪਾਹੁਲਪ੍ਰੀਤ ਸਿੰਘ, ਕਲਚਰਲ ਕੋਆਰਡੀਨੇਟਰ ਅਤੇ ਸਹਾਇਕ ਪ੍ਰੋਫੈਸਰ, ਮਕੈਨੀਕਲ ਵਿਭਾਗ ਨੇ ਵਿਦਿਆਰਥੀਆਂ ਦੀ ਸਫ਼ਲਤਾ ਵਿੱਚ ਅਹਿਮ ਯੋਗਦਾਨ ਪਾਇਆ।

GURU NANAK DEV UNIVERSITY

DEPARTMENT OF MECHANICAL ENGINEERING

CERTIFICATE

OF APPRECIATION

This is to certify that Mr./Ms. MD. Azizul Islam Junaid of Department of Mechanical has participated in the Talking Titans event held on March 27, 2024 and secured 3rd position.

EVENT COORDINATOR

HEAD OF THE DEPARTMENT

GOLDEN JUBILEE CENTRE FOR ENTREPRENEURSHIP AND INNOVATION (GJCEI)

Established under RUSA-II, carried out various events during 2024-25.

1. GJCEI in association with PHD Chamber of Commerce Organized a Session on How to Invest in Startups: Sensitization Program for Ecosystem Enablers on 31-07-2024

Under the esteemed leadership of Prof. Jaspal Singh Sandhu, Honorable Vice-Chancellor of Guru Nanak Dev University, Amritsar, the Golden Jubilee Centre for Entrepreneurship and Innovation at GNDU, in collaboration with PHDCCI, organized a sensitization session titled **"How to Invest in Startups"**, aimed at ecosystem enablers such as incubators, angel investors, and entrepreneurship stakeholders.

The session began with introductory remarks by **Mr. Amit Madaan**, followed by a welcome address from **Dr. JK Sharma**. A theme presentation was delivered by **Mr. Deepindar Dhillon**, Joint Director, Startup Punjab, setting the tone for understanding the state's startup ecosystem.

An industry perspective was shared by **Mr. Supreet Singh**, highlighting real-world investment scenarios. The session featured a **panel discussion** with experts including **Dr. Ati Priye**, **Prof. (Dr) P.K. Pati**, **CA Sahil Makkar**, **Mr. Vikrant Kapoor**, and **Mr. Amitesh Singh**, who shared valuable insights into startup incubation, funding opportunities, and scaling ventures.

An interactive **Open House** session encouraged audience engagement, followed by the **felicitation of speakers** and a **vote of thanks** by **CA Jaideep Singh**.

The event served as a platform for knowledge sharing, collaboration, and networking among key players in the startup ecosystem.

2. One day Interactive Session on "The Laboratory in Entrepreneurial Motivation“ is Organized by GJCEI on 08-08-2024

Under the esteemed leadership of Prof. Jaspal Singh Sandhu, Honorable Vice-Chancellor of Guru Nanak Dev University, Amritsar, the Golden Jubilee Centre for Entrepreneurship and Innovation at GNDU, in partnership with Innovation Mission Punjab, hosted a one-day interactive session titled **“The Laboratory in Entrepreneurial Motivation”** on **8th August 2024**. The event was specially designed to inspire and guide emerging entrepreneurs through intensive interaction and mentorship.

The highlight of the event was the presence of **Prof. Sunil Handa**, one of India's most prominent startup mentors and faculty at IIM Ahmedabad, known for shaping the journeys of numerous successful ventures. His deep expertise and engaging approach brought immense value to all participants.

A total of **18 startups** from diverse sectors participated in the program, which was structured into **three insightful sessions**, focusing on entrepreneurial mindset, problem-solving, and business model

refinement. Each session included **one-on-one interactions**, allowing startups to gain personalized guidance and clarity on their business paths.

The program aimed to boost entrepreneurial motivation, address real-world challenges faced by startups, and foster a deeper understanding of innovation-led growth.

This event served as a powerful platform for young innovators to learn directly from an industry thought leader and connect with fellow entrepreneurs in a focused and impactful setting.

3. GJCEI is Organized an "AI in Action Chat GPT for Modern Entrepreneur" in Association with FICCI FLO on 07-09-2024

Under the esteemed leadership of Prof. Jaspal Singh Sandhu, Honorable Vice-Chancellor of Guru Nanak Dev University, Amritsar, the Golden Jubilee Centre for Entrepreneurship and Innovation organized a hands-on workshop titled ***"ChatGPT for the Modern Entrepreneur: Transform Your Business with ChatGPT"*** in collaboration with FICCI FLO Amritsar. The aim of this workshop was to foster the growth of the startup ecosystem by integrating AI-driven technologies into business strategies.

Ms. Subhi Agarwal, Co-founder and COO of Locobuzz Solutions Pvt. Ltd., Mumbai, led the workshop, showcasing the practical applications of ChatGPT in areas such as customer service automation, workflow optimization, and business scaling. She also highlighted AI's transformative potential in fields like finance and bookkeeping, where automation streamlines processes, enhances accuracy, and saves valuable time. Additionally, AI tools like ChatGPT were demonstrated in customer relationship management (CRM), allowing businesses to deliver personalized and efficient services to clients. Ms. Agarwal discussed the power of AI-driven marketing, including automated email and WhatsApp marketing campaigns, as well as social media management, which helps businesses increase reach and engagement while optimizing content strategies.

Dr. Simarpreet Kaur, Chairperson of FICCI FLO Amritsar, emphasized the pivotal role of artificial intelligence in today's entrepreneurial landscape. She encouraged participants to leverage AI tools like ChatGPT to simplify work, increase productivity, and enhance business competitiveness. AI-driven applications, she noted, enable startups to manage day-to-day tasks more efficiently, automate repetitive processes, and improve overall decision-making through data-driven insights.

Over 40 startups incubated at GJCEI, along with students and faculty members attended this informative workshop to learn how to grow their businesses using ChatGPT's tools. The Amritsar Founders team, led by Mr. Amit Madaan and Mr. Vikrant Kapoor, were also present. Students and startups actively participated in the session, exploring AI-driven solutions for their ventures, making the session an enriching experience for all.

Dr. Pratap Kumar Pati, Coordinator of GJCEI, stressed the center's role in encouraging innovation in the state of Punjab. He emphasized the importance of practical workshops in helping young entrepreneurs learn how to use the latest AI tools to improve their business skills. Dr. Pati also shared that under the visionary leadership and guidance of Prof. Jaspal Singh Sandhu, Honorable Vice-Chancellor of GNDU Amritsar, this university incubation center is providing a common platform where likeminded organizations like FICCI FLO and Amritsar Founders will work in coordination for the welfare of this region and for promoting a culture of entrepreneurship and innovation among the youth of Punjab. He emphasized that this collaboration is aimed at fostering growth and creating opportunities for young minds to drive meaningful change in their communities. Dr. Pati expressed his gratitude to Ms. Agarwal, Ms. Simarpreet, and all the participants for making this workshop valuable for the region's growing entrepreneurs.

4. Women-Led Startups of GNDU Incubation Centre Honored on 78th Independence Day

Under the esteemed leadership of Prof. Jaspal Singh Sandhu, Honorable Vice-Chancellor of Guru Nanak Dev University, Amritsar, the Golden Jubilee Centre for Entrepreneurship and Innovation has rapidly become a cornerstone for fostering startups and enhancing the innovation ecosystem in Punjab. On the momentous occasion of the 78th Independence Day, the Government of Punjab recognized and honored four women-led startups from this university's incubation centre for their remarkable contributions to Punjab's innovation landscape and their significant impact on society.

The honored startups include Dr. Vipasha Sharma, owner of Mkelly Biotech Private Limited, recognized for her groundbreaking healthcare innovations. Dr. Gauri Jemurgen, founder of Gauri's Skin Care Private Limited, was awarded for developing a biomass-based natural sunscreen formula with anti-aging and anti-cancer properties. Mrs. Pooja Kaushik received recognition for her innovative platform 'Kreatekit.' Ms. Nancy Bhola was honored for her social enterprise 'Sakhiyaan,' which empowers marginalized women, weavers, and artisans in Punjab's rural areas to produce sustainable products from textile waste.

Dr. P.K. Pati, Coordinator of the Centre, extended heartfelt congratulations to all the startups and acknowledged their relentless efforts and dedication. He noted that the Centre currently hosts 40 startups working on innovative technologies in areas such as Waste-to-Wealth, Health and Wellness, Agritech, Electronic Technology and Nutrition Security. Many of these startups have secured seed funding from the Punjab State Council for Science and Technology and Startup Punjab.

Beyond promoting and supporting these startups, the Centre has also developed a robust network of mentors, ecosystem enablers, investors, and industry partners. Dr. Pati expressed his deep gratitude to the Government of Punjab, the district administration, and the Honorable Vice-Chancellor, Prof. Jaspal Singh Sandhu, for their continuous inspiration and for recognizing the efforts, hard work, and dedication of these women-led startups. This recognition not only highlights the achievements of these entrepreneurs but also underscores GNDU's commitment to nurturing Innovation and Entrepreneurship in the region.

5. 3-Days Hands-on Workshop on Robotics at GJCEI, GNDU on 12th to 14-10-2024

Under the visionary leadership of Prof. (Dr.) Jaspal Singh Sandhu, Honorable Vice-Chancellor of Guru Nanak Dev University (GNDU), and Prof. Pratap Kumar Pati, Coordinator of the Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI), a three-day hands-on workshop titled "Robotics Workshop, Kickstart Your Robotics Journey: Beginner's Workshop on Robotics" was held at GJCEI, GNDU, Amritsar. The workshop aimed to provide foundational knowledge and practical experience in robotics, drawing enthusiastic participation from 40 students across various departments. Dr. Rajdeep Singh Sohal, Assistant Professor in the Department of Electronics Technology, led the workshop sessions centered on hands-on practice. He was supported by Ishan Sehgal and Kanish Arora, B.Tech. Electronics and Communication Engineering Seventh semester students. Dr. Sohal introduced essential robotics concepts, virtual machines with a focus on the robot operating system (ROS) and the Ubuntu. The first day laid the groundwork for understanding ROS, while the second day involved practical live examples. On the final day, participants gained hands-on experience with live robotsrunning on ROS 2, preparing them to explore advanced robotics applications. This initiative is part of GJCEI's ongoing efforts to integrate cutting-edge technologies into academic learning. The event was also attended by faculty members Dr. Jaipreet Kaur and Dr. Kuldeep Singh, from Department of Electronics Technology, and Dr. Pahulpreet Singh from Department of Mechanical Engineering. Dr. Sohal highlighted that this Incubation Centre has always been at the forefront of initiatives aimed at skill development for students and startups. Dr. Pati congratulated the team on the workshop's success and announced that more such workshops, will be organized by the center in the future. He mentioned that workshops like these will be beneficial for electronics, computer science, and mechanical engineering students.

6. Catalyze the Socio-economic Conditions of Scheduled Caste Community of the Adjoining Areas through Innovative Idea Generation, Skilling and Implementation

Since the key objectives of the present project is to map the SC community of Amritsar and nearby areas and to generate data related to their socio-economic conditions so as to integrate unemployed target groups with the existing startups of Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) of Guru Nanak Dev University for the utilisation of their skills for livelihood; so two workshops/ outreach programmes were organized: one at Jathu Nangal village near Majitha (dated 28th and 29th October, 2024) and the second one at Yaseen Mohalla, Amritsar (dated 30th November, 2024).

a. Jathu Nangal Workshop (28th and 29th October, 2024):

On the first day at Jathu Nangal village (28th October, 2024), unemployed women were imparted hands-on training to make incense sticks and cones from flower waste by Dr. Mini Sharma, founder of Pushp Punya (a startup of GJCEI, GNDU). As many as 80 women participated on first day of this workshop. They were explained all the steps of incense sticks making like sorting and cleaning of temple waste flowers, grinding the flowers and making incense paste, molding the

sticks and cones, and drying techniques. All the participants showed keen interest in making of sticks and cones. They were also provided material to make sticks and cones for practice at home. On the second day (29th October, 2024), the participants were made aware of branding and packaging techniques. Dr. Baljit Kaur, Assistant Professor and Co-PI of the project highlighted the importance of entrepreneurship among women. In her talk, she explained how women could be empowered by starting their own business which they could do at their homes along with their daily chores. To have an understanding of their socio-economic background and to understand the impact of such intervention programmes, data were collected with the help of a questionnaire. As per the collected data, majority (76 percent) of women belong to SC or BC community having education up to senior secondary. Of these women respondents, only 18 percent reported themselves to be employed and that too in the form of stitching clothes at home. Rest of the women reported themselves to be unemployed. However, they showed great interest in incense stick making and cone making and they expressed their desire to be financially independent with the help of such startups and other initiatives.

b. Yaseen Mohalla Outreach Programme (30th November, 2024) on Guiding Schedule Class Community of Amritsar Region to Become Entrepreneurs:

In Yaseen Mohalla of Amritsar, an outreach programme was organized to guide schedule caste community to become entrepreneurs. Prof. P. K. Pati (coordinator, Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) of Guru Nanak Dev University, Amritsar), Dr. Baljit Kaur, Assistant Professor, Punjab School of Economics, Dr. Mini Sharma and Dr. Rajan Sharma from Pushp Punya, Dr. Divjot Kaur, founder of Divine Flames were the resource persons. Prof. Pati highlighted the importance of entrepreneurship to the participants and apprised them the role which GJCEI plays in this context by supporting the startups. Dr. Baljit Kaur then explained various government initiatives for the promotion of entrepreneurship like Skill Development Mission and MUDRA Yojana. Then Dr. Mini Sharma provided hands-on training to make incense sticks and cones from temple flower waste. The participants (mostly women) were explained all the steps of incense sticks making like sorting and cleaning of temple waste flowers, grinding the flowers and making incense paste, molding the sticks and cones, and drying techniques. All the participants showed keen interest in making of sticks and cones. They were also provided material to make sticks and cones for practice at home. Dr. Divjot Kaur explained the process of fancy candles making. Then, to have an understanding of their socio-economic background and to understand the impact of such intervention programmes, data were collected with the help of a questionnaire. As per the collected data, majority (90 percent) of women belong to SC or BC community having education up to senior secondary. Most of the women reported themselves to be unemployed. Those who were minimally employed also expressed their wish to be a part of these two startups, namely, Pushap Punya and Divine Flames.

7. 3 Days Auto Desk Designing Workshop Organized by GJCEI in Collaboration with Department of Mechanical Engineering 27th to 29-01-2025

A 3-day workshop on "Mastering Computer-Aided Designing" held from January 27th to 29th 2025, at Guru Nanak Dev University was a resounding success. The event, organized by the Department of Mechanical Engineering in collaboration with AutoDesk and the Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI), provided an exceptional learning experience for participants. Under the leadership of Prof. Jaspal Singh Sandhu, worthy Vice Chancellor of Guru Nanak Dev University, and coordinated by Dr. Pratap Kumar Pati, the workshop highlighted the importance of hands-on learning and real-world applications in CAD. Dr. Harminder Singh, Head of the Mechanical Engineering Department, expressed his appreciation for the active participation of both students and faculty, acknowledging the valuable contributions of the workshop's resource person Er. Rupinder Singh. Throughout the sessions, attendees gained in-depth knowledge in CAD, covering 3D modeling, assemblies, simulations, rendering, and documentation. The expert sessions not only introduced advanced CAD techniques but also explored global career opportunities, including AutoDesk's scholarships and software access. The practical nature of the workshop helped participants refine their skills while inspiring them to pursue further innovation and professional development in the field of CAD. As the workshop concluded, the enthusiasm and creativity displayed by the participants stood as a testament to the event's success in advancing their understanding and application of computer-aided design.

8. French Ambassador to India Visits Golden Jubilee Centre for Entrepreneurship and Innovation, GNDU ON 17-04-2025

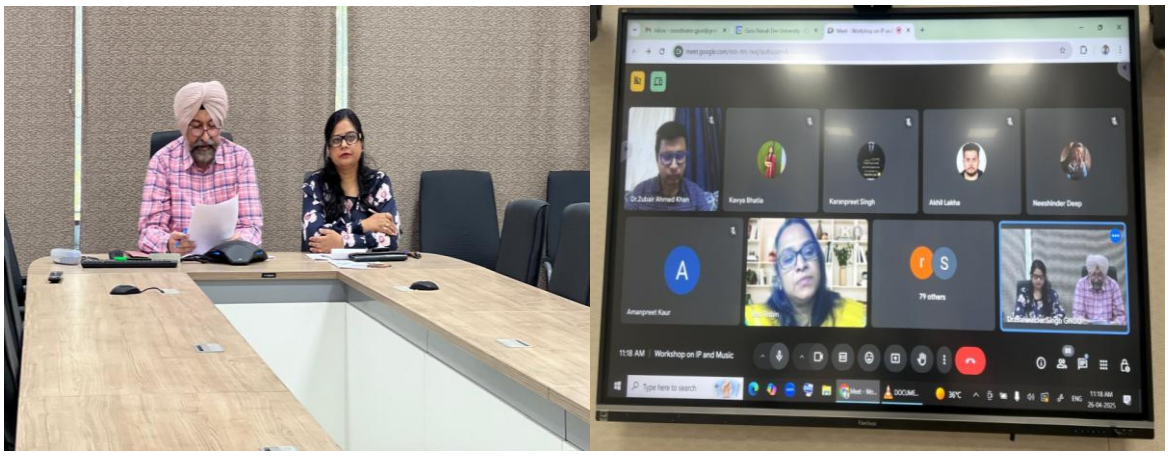

Under the esteemed leadership of Hon'ble Vice Chancellor Prof. (Dr.) Karamjeet Singh, and guided by his visionary approach to shaping the future of learners, Guru Nanak Dev University is forging strong global partnerships by building meaningful bridges with industries, academic institutions, and communities. Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) at Guru Nanak Dev University (GNDU) had the distinct honor of welcoming His Excellency Mr. Thierry Mathou, Ambassador of France to India, during his official visit to the university campus. Mr. Mathou interacted with startup founders, faculty members, and key stakeholders at the incubation centre. During his visit, Dr. Balwinder Singh, Coordinator of GJCEI, provided a comprehensive overview of the centre's operations, its achievements, and future vision. He highlighted the centre's role in fostering entrepreneurship through mentorship, infrastructure support and collaboration with national and international partners.

Startups incubated at GJCEI also had the opportunity to showcase their innovative products and solutions. Startups including Ms. Divjot Kaur (soya wax candles), Mr. Rohin Kundal (sodium-iron battery), Ms. Smiley Choudhary (mural art), Ms. Nancy Bhola (products from textile waste), and Mr. Rachit Jain showcased their ventures.

The Ambassador showed keen interest in their work and encouraged the budding entrepreneurs to explore global opportunities and collaborations, particularly in France. He particularly in his comments congratulated for setting this very innovative incubators which supports creativity and facilitated market access. The visit marks a major milestone for GJCEI and further strengthens Indo-French academic and innovation ties. The university authorities expressed their gratitude for the Ambassador's visit and reiterated their commitment to fostering international partnerships that drive innovation and economic development.

9. National Workshop on "IP and Music: Your Music, Your Rights" Organized on World Intellectual Property Day at GNDU, Amritsar on 26-04-2025

Under the esteemed patronage of Prof. (Dr.) Karmjeet Singh, Worthy Vice-Chancellor, Guru Nanak Dev University, Amritsar, Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) organized a National Workshop to celebrate World Intellectual Property Day on April 26, 2025.

Under the dynamic leadership of Dr. Balwinder Singh, Coordinator, GJCEI, an online national workshop titled **"IP and Music: Your Music, Your Rights"** was conducted. The event featured distinguished resource persons, Prof. (Dr.) Lisa P. Lukose, Chairperson, IPU-IPR Cell, and Dr. Zubair Ahmed Khan, Associate Director, Research and Development Cell (USLLS), Guru Gobind Singh Indraprastha University (GGSIPU), New Delhi.

Dr. Navdeep Singh Sodhi, Incharge, IPR Cell and Industry Linkage Program at GNDU, welcomed the resource persons and introduced them to the participants. Dr. Harkirandeep Kaur, Workshop Coordinator and Incharge, IPR Cell, GJCEI, highlighted the significance of World Intellectual Property Day in her opening remarks.

The resource persons shared valuable insights on protecting music in the era of artificial intelligence, emphasizing the critical need for a robust Intellectual Property framework to safeguard the rights of musicians, composers, and producers. The session was highly informative, engaging, and interactive, witnessing enthusiastic participation from over 150 attendees across the country.

Dr. Balwinder Singh and Dr. Navdeep Singh Sodhi expressed their heartfelt gratitude to all the participants for making the workshop a grand success. The success of the workshop was made possible by the dedicated efforts of the organizing secretaries, Mr. Pardeep Dutta and Ms. Gurmeet Kaur, who played a pivotal role in the smooth execution of the event.

10. National Workshop on "Understanding Patents" at GNDU, Amritsar on 07-06-2025

Under the esteemed patronage of Prof. (Dr.) Karamjeet Singh, Worthy Vice-Chancellor, Guru Nanak Dev University (GNDU), Amritsar, the Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI), in collaboration with the Intellectual Property Rights (IPR) Cell of the University, organized a National Workshop on *"Understanding Patents"*. The workshop aimed to sensitize faculty, researchers, and students about the fundamentals of intellectual property rights, particularly patents, and the procedures involved in securing them.

The online national workshop, held under the dynamic leadership of Dr. Balwinder Singh, Coordinator, GJCEI, featured an insightful session by Dr. T. Pavan Kumar, Principal Scientist at CSIR-Institute of Minerals and Materials Technology, Bhubaneswar, Odisha. Dr. Kumar, a noted expert in the field of intellectual property, provided a detailed overview of the Indian patent system, including the criteria for patentability, documentation requirements, prior art search, and the stages of the patent application process.

Dr. Navdeep Singh Sodhi, Nodal Officer of IPR Cell and Coordinator of University Industry Linkage Program, GNDU, inaugurated the workshop and warmly welcomed the speaker. Dr. Sodhi also introduced the role and mandate of the IPR Cell of the University, emphasizing its role in guiding and supporting innovators across disciplines. He shared the IPR Policy of Guru Nanak Dev University with the participants and highlighted the ongoing initiatives to promote a culture of innovation, awareness about intellectual property rights, and facilitation of patent filing among faculty and students. Dr. Varinder Kaur, Head, Department of Apparel and Textiles, introduced the resource person and emphasized that awareness of patent filing and protection mechanisms is essential for innovators, researchers, and entrepreneurs to safeguard their inventions, while Dr. Harkirandeep Kaur, Workshop Coordinator and Incharge, IPR Cell at GJCEI, highlighted the growing relevance of patents in academia and industry. During his talk, Dr. T. Pavan Kumar stressed that patents not only protect novel inventions but also encourage innovation by granting inventors exclusive rights for a limited period. He elaborated on how universities and startups can strategically utilize patents to build competitive advantage and foster technology transfer. The session was highly interactive, with participants posing thoughtful questions on patent drafting, filing strategies, international patent protection (PCT), and commercialization pathways. The workshop witnessed active participation from more than 150 attendees from across the country, including faculty members, research scholars, and budding entrepreneurs. Participants appreciated the practical insights shared and acknowledged the value such workshops add to their academic and entrepreneurial journeys. Dr. Rahul Thory, Assistant Professor, Department of Food Science and Technology, delivered the formal vote of thanks, expressing gratitude to the speaker and attendees for their enthusiastic engagement. The success of the workshop was made possible by the dedicated efforts of the organizing secretary Mr. Pardeep Dutta, who played a pivotal role in the smooth execution of the event.

11. 3-Days Auto Desk Designing Workshop Organized by GJCEI in Collaboration with Department of Mechanical Engineering 11th to 13th June, 2025

A 3-day workshop on "Mastering Computer-Aided Designing" held from June11th to 13th, 2025, at Guru Nanak Dev University was a resounding success. The event, organized by the Department of Mechanical Engineering in collaboration with AutoDesk and the Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI), provided an exceptional learning experience for participants.

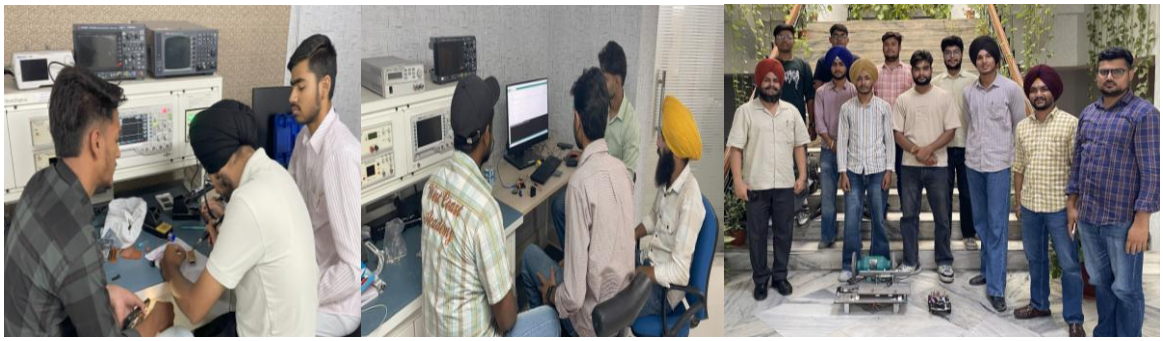

Under the leadership of Prof. (Dr.) Karamjeet Singh, Worthy Vice Chancellor of Guru Nanak Dev University, and coordinated by Dr. Balwinder Singh, the workshop highlighted the importance of hands-on learning and real-world applications in CAD. Dr. Harminder Singh, Head of the Mechanical Engineering Department, expressed his appreciation

for the active participation of both students and faculty, acknowledging the valuable contributions of the workshop's resource person Er. Rupinder Singh.

Throughout the sessions, attendees gained in-depth knowledge in CAD, covering 3D modeling, assemblies, simulations, rendering, and documentation. The expert sessions not only introduced advanced CAD techniques but also explored global career opportunities, including AutoDesk's scholarships and software access. The practical nature of the workshop helped participants refine their skills while inspiring them to pursue further innovation and professional development in the field of CAD.

As the workshop concluded, the enthusiasm and creativity displayed by the participants stood as a testament to the event's success in advancing their understanding and application of computer-aided design.

12. 5-Days Workshop on Robotics and Drone Technology Organized by GJCEI in Collaboration with Mechanical Department on 16th to 20th June, 2025

Under the esteemed leadership of Prof. (Dr.) Karmajeet Singh, Worthy Vice Chancellor, Guru Nanak Dev University (GNDU), a five-day hands-on training workshop on "Robotics and Drone Technology" was successfully organized by the Golden Jubilee Centre for Entrepreneurship and Innovation in collaboration with the Department of Mechanical Engineering.

The training program, held on the GNDU campus, was coordinated by Prof. (Dr.) Balwinder Singh, Coordinator of the Golden Jubilee Centre for Entrepreneurship and Innovation. The workshop provided an excellent platform for students to gain practical exposure to the rapidly advancing fields of robotics and drone technology.

Participants were given extensive hands-on training in drone operations, assembly, and flight programming, as well as robotic programming techniques using industry-relevant tools. The objective was to enhance technical skills and foster innovation among students to better align them with modern industry requirements.

Speaking on the occasion, Dr. Singh emphasized the significance of such training programs in bridging the gap between academic learning and real-world industrial technologies. He remarked, *"These types of workshops play a vital role in preparing students for future technological challenges and enhancing their employability."*

Dr. Harminder Singh, Head of the Department of Mechanical Engineering, also shared his views and praised the collaborative efforts of the departments involved. He noted that such interdisciplinary programs are essential to promote innovation, entrepreneurship, and research-based learning.

The event witnessed enthusiastic participation from students across various engineering disciplines and received positive feedback for its practical approach and relevance to current industry trends.

13. Three GJCEI-Enrolled Startups Won Prize Money in Various Categories at the Future Tycoon Program Organized by District Administration, Amritsar on 30-06-2025

In a major boost to Guru Nanak Dev University's Golden Jubilee Centre for Entrepreneurship and Innovation's incubation programme, three startups registered at the centre clinched top honours at the Future Tycoons programme, organised by the district administration. The grand finale of the initiative witnessed impressive pitches from budding entrepreneurs, with GNDU's incubatees securing three top prizes — a testimony to the university's vibrant entrepreneurial ecosystem nurtured through its Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI).

Founded in 2019 under the Rashtriya Uchhtar Shiksha Abhiyan (RUSA 2.0), GJCEI nurtures entrepreneurs through startup support, from conception to launch. With a network of more than 300 academic mentors, 20 council members, and high-tech labs, providing aspiring entrepreneurs with the tools to succeed. GNDU's aspirations of turning into a cradle for next-generation innovators, three startups led by young entrepreneurs — Rohin Kaundel, Sumit Bhatnagar and Dr Divjot Sadhu — won cash prizes in respective categories at the finale of Future Tycoons. Rohin Kaundel, an engineering graduate, from Khalsa College of Engineering and Technology, co-founded Nadium Energy, which won first prize (Rs 50,000 cash award) in sustainable entrepreneur category. Nadium Energy offers an innovative sodium-ion battery that offers a 30 per cent cost reduction compared to lithium-ion batteries. This breakthrough addresses high costs and environmental concerns of traditional batteries, providing a sustainable solution for the renewable energy and electric vehicle sectors. They have developed prototypes and even powered a drone with this battery, showcasing its potential to revolutionize energy storage and reduce reliance on conventional energy sources.

Sumit Bhatnagar (40-year-old), a 9-5 corporate employee-turned entrepreneur, founded The World OF Punjab.com, a tourism startup focusing on building an ecosystem of tourism industry-based MSMEs, won the second prize in the Tourism category comprising Rs 20,000 cash award. Bhatnagar's aim is to develop immersive tourism based concepts for domestic as well as international tourists coming to Amritsar, extending their stay by two-three days. "This is essential for sustaining tourism-based economy for the city, which is currently limited to only the Golden Temple and the Attari-Wagah border as major tourist attractions," said Sumit. Another game changer for Amritsar's local industry economy is Dr Divjot Sandhu, 50, founder, Divine Flames. An educator by profession, as she teaches geography at the university, Divjot crafts soy wax scented candles, providing a healthier, sustainable solution to conventional wax and synthetic chemical based candles. "The idea came to me during Diwali 2024 when I took to making candles at home and it led to founding Divine Flames. These candles are paraffin free, naturally derived wax candles," she said. She won the second prize in Women entrepreneur category (a cash prize of Rs 10,000). She aims to make Amritsar the candle capital of Punjab, just like Nainital is called the candle capital of India, for its local, small candle crafting industry. Commending their enthusiasm, mentorship, and hand work, Dr Balwinder Singh, Coordinator, GJCEI, applauded the winners and participants for their dedication and creativity. He said these entrepreneurs defy age and challenges to pursue innovation with conviction and resilience.

UNIVERSITY INDUSTRY LINKAGE PROGRAM (UILP)

Coordinator: Dr. Navdeep Singh Sodhi

The National Educational Policy (NEP) 2020 emphasises collaborations between industry and higher education institutions to foster research and innovation for holistic development of the society. In line with this vision, the University Industry Linkage Programme (UILP) of Guru Nanak Dev University, Amritsar facilitates in developing liaison between various departments of the University and related industries for improving the internship opportunities/job prospects of the students. UILP also aims to work closely with the Confederation of Indian Industry (CII), PHD Chamber of Commerce and Industry (PHDCCI), and Federation of Indian Chambers of Commerce and Industry (FICCI) for building an environment conducive for strengthening the university-industry linkages.

The various activities organized by the University Industry Linkage Program (UILP) during the year 2024-2025 (01.07.2024 to 30.06.2025):

1. MoU signed with AMRUT, Ministry of Housing and Urban Affairs (MoHUA) on 23.09.2024

A Memorandum of Understanding (MoU) has been signed between Guru Nanak Dev University and the Ministry of Housing and Urban Affairs on 23.09.2024. The Centre of Urban Planning for Capacity Building has the primary objective to augment capacity-building of state or local authorities and hand-hold them in the training of the latest technologies used in urban planning and development, as well as impart subject-specific training to municipal and town/country planning officials. The centre will also conduct research on 'cities' as part of urban planning reforms and identify needs and challenges, undertake research and provide solutions with respect to concerns such as storm water drainage, urban floods, unsafe streets, parking, retrofitting of marketplaces, etc. The Ministry of Housing and Urban Affairs, Government of India, has selected Guru Ramdas School of Planning, Guru Nanak Dev University, as "AMRUT-funded Centre of Urban Planning for Capacity Building". Only six institutes from across India have been selected, and Guru Ramdas School of Planning, Guru Nanak Dev University, is one of them. The Atal Mission for Rejuvenation and Urban Transformation (AMRUT) is a programme launched by the Union Ministry of Housing and Urban Affairs to improve the quality of life for citizens. The programme aims to provide basic civic amenities like water supply, sewerage and parks. AMRUT 2.0, the extension of the original mission, was launched on October 1, 2021, and is expected to run until 2025-26.

2. MoU signed with IIT Ropar Technology and Innovation Foundation for the Agriculture & Water Technology Development Hub (AWaDH) on 23.09.2024

A Memorandum of Understanding (MoU) has been signed between the Indian Institute of Technology (IIT) Ropar's Technology and Innovation Foundation and Guru Nanak Dev University, Amritsar on 23.09.2024. The MoU establishes a strategic collaboration between IIT Ropar's Agriculture & Water Technology Development Hub (iHub-AWaDH) and GNDU's Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI) to address challenges in agriculture and water management through technological advancements and to establish a startup ecosystem in the state of Punjab.

This collaboration is set to focus on key areas, including water and land resource development, agricultural automation, and the application of IoT and artificial intelligence (AI) in agriculture and water management. It aligns with the National Mission on Interdisciplinary Cyber-Physical Systems, promoting technological solutions to the sustainable use and rejuvenation of natural resources. The partnership will further promote entrepreneurship, focusing on supporting deep-tech

startups in agriculture and water technology. In addition to research and innovation, the MoU includes provisions for personnel exchanges, joint supervision of student projects, and collaborative efforts in applying for national and international funding. This will also include organising joint conferences, workshops, and outreach activities to strengthen academic and entrepreneurial efforts in the region.

3. MoU signed with Olds College of Agriculture & Technology, Canada on 20.03.2025

A Memorandum of Understanding (MoU) has been signed between Olds College of Agriculture & Technology, Canada and Guru Nanak Dev University, Amritsar, on 20.03.2025 for more growth opportunities for students and faculty members, particularly in the field of Agriculture & Management of both the institutes. The MoU was signed by Prof. Palwinder Singh, Dean, Academic Affairs, Guru Nanak Dev University, and Dr. Karen Dancy, Director, Recruitment & International Relations, Olds College Canada, in the presence of Vice-Chancellor, Prof. Karamjeet Singh.

On this occasion, Vice-Chancellor, Prof. Karamjeet Singh shared that, "Today marks nothing less than the beginning of a new era of cooperation for India and Canada. By teaming up, our university is creating a unique alliance and leading the way in shaping the future of the Indo-Canada research partnership. I am happy to look forward to continuing our dialogue in this regard. This initiative will further cement our university's position as one of the world's premier locations for research and innovation". Dr. Karen Dancy expressed her happiness over having a long and fruitful collaboration with Guru Nanak Dev University. Guru Nanak Dev University is among one of the best universities in India with a high research focus and diverse academic programs, carrying research on areas like Agriculture, Management, Pharmaceutical Sciences, Chemistry, Drug Design, Architecture, Planning, Biotechnology, etc. Dr. Preet Mohinder Singh Bedi, Coordinator, University Industry Linkage Programme, shared that, "This collaboration will create more opportunities for our students and faculty members. The MoU is to provide a good foundation for long-term development between the two institutes. Both institutes will benefit through international exchanges that will not only enrich the campus environment but also provide advanced agricultural training to our students with international learning experiences".

4. MoU signed with Arogaya-CIBIoD Affordable Healthcare Foundation, and Nivedita Charitable trust on 11.04.2025

Under the esteemed leadership of Vice Chancellor Prof. Karamjeet Singh, Guru Nanak Dev University signed two Memorandum of Understanding (MoUs) with Arogaya CIBioD Affordable Healthcare Foundation and Nirogya Life Line Foundation working under PGIMER Chandigarh. This partnership aims to facilitate the sharing of knowledge, resources, and expertise between the two institutions, benefiting both organizations and their respective communities. The former aims to foster academic collaboration, research, and innovation under the AROGAYA CIBioD campaign, while the partnership with Nivedita Charitable Trust focuses on advancing the objectives of the POSHAN UTSAV and SAPT SINDHU Campaign. Both collaborations are designed to celebrate nutrition through cultural practices and rediscover and share the rich socio-cultural history and heritage of our civilization.

Prof. Karamjeet Singh, Vice Chancellor, emphasised the importance of connecting academia with innovation to address contemporary challenges. He highlighted that these initiatives align with the university's commitment to developing skills and driving impactful research and development in the field of Biomedical Devices, Instruments, Medicine, Pharma Sector, and Biotechnology from across

the country, and also for the successful implementation of AAHAR KRANTI MISSION. MoUs were signed by Prof. H.S. Saini, Dean, Academic Affairs and Dr. Varinder Garg, Principal Investigator, ICMR-Centre for Innovation and Bio-Design (CIBioD), PGIMER Chandigarh, in the presence of Prof. Vandana Bhalla, Prof. Navdeep Singh Sodhi, Prof. Preet Mohinder Singh Bedi, Prof. Vasudha Sambyal, Dr. Tejwant Singh Kang, Dr. Harish Kumar (UIET, PU), and Dr. Smiti Jhajj (Executive Manager, PGI Chandigarh), and other senior officials.

5. MoU signed with NSE Academy on 21.04.2025

In a landmark move aimed at bridging the gap between academia and industry, Guru Nanak Dev University (GNDU) has signed a three-year Memorandum of Understanding (MoU) with NSE Academy, the education arm of the National Stock Exchange (NSE) of India, to launch a cutting-edge MBA in Financial Analytics. This strategic collaboration introduces a joint MBA programme in Financial Analytics, designed to equip students with data-driven financial skills, industry-relevant knowledge and internationally recognised certifications. Speaking on the occasion, Hon'ble Vice Chancellor Prof. Karamjeet Singh said, "This partnership reflects GNDU's unwavering commitment to academic excellence and industry relevance. Through this MBA programme, students will gain practical exposure to the financial sector and emerge as skilled professionals, ready to make meaningful contributions from day one".

The MoU was signed by Registrar Prof. K.S. Chahal and Mr. Abhilash Misra, CEO of NSE Academy, in the presence of Hon'ble Vice Chancellor Prof. Karamjeet Singh, Prof. Navdeep Singh Sodhi, Coordinator, University-Industry Linkage Programme, and Mr. Ranganathan S, Associate Vice President, NSE Academy. The programme will incorporate live projects, case studies and specialised training modules curated by the NSE Academy, ensuring that graduates are not only well-versed in theoretical concepts but also prepared to address real-world financial challenges. It will be offered through the University School of Financial Studies at GNDU. NSE's Associate Vice President Ranganathan S added, "We are proud to collaborate with GNDU to empower the next generation of finance professionals. Our joint programme is aligned with industry standards and designed to build future-ready talent for both Indian and global markets".

6. Faculty interaction session with DST-Technology Enabling Center (TEC) Team, Panjab University, Chandigarh on 20.06.2025

A faculty interaction session was organized with Prof. C.R. Suri, Chairman, DST-Technology Enabling Center (TEC), and Prof. Manu Sharma, Coordinator (TEC), Panjab University, Chandigarh, in Collaboration with University Industry Linkage Program (UILP), Guru Nanak Dev University on 20.06.2025.

Prof. Manu Sharma presented an overview of the progress made by DST-TEC, highlighting their extensive outreach to over 100 industrial units across Punjab. He shared insights into 200 specific industrial challenges identified during these visits. These "pain points" were discussed with faculty members to explore possible research collaborations, project development, and industrial consultancy opportunities.

Prof. Navdeep Singh Sodhi, Coordinator, UILP, GNDU, elaborated on the university's key research areas and existing MoUs. He emphasized the importance of technology transfer and academia-industry collaboration to bridge the gap between research innovations and industrial applications.

SOLID LIQUID WASTE MANAGEMENT

Prof. Dalbir Singh Sogi

An education institute entrusted with responsibility to impart knowledge and skill, involves numerous activities and engage people with different capacity and roles. Teaching, non-teaching staff and students stay in the campus for academic work. It creates a variety of wastes that can make the campus unpleasant place to live if not managed judiciously. Guru Nanak Dev University is a 'Category A++' University by the UGC because of its outstanding performance in academics, sports and cultural accomplishments. The University is equally concerned about the health and wellbeing of students and staff. It has taken several measures to provide clean and green environment. The University has resolved to make the campus a 'Zero Waste Campus'. In order to achieve this goal, Solid Liquid Resource Management (SLRM)Centre was established in 2016. SLRM committee was constituted to manage the activities of this centre consisting of Prof Dalbir Singh Sogi as convener and Prof Arvinder Kaur, Prof Manpreet Singh Bhatti, Prof Kiran Sandhu, Prof Vikram Sandhu, Sanitary Inspector as members. SLRM Committee has taken many steps to manage different types of solid wastes.

Solid waste generation points:

The main campus is spread over 500 acres land and situated towards the west side of the Amritsar city. It can be divided into academic and residential areas. Academic area consists of teaching and non-teaching departments. There are 35academic departments housed in seventeen buildings. The University has over 5000 students and more than 350 faculty members teaching different courses.Non teaching departments are functioning from six buildings. The residential area includes 409 houses of teaching and non-teaching employees, four Girl hostels, four boys hostels, one sports hostel, one faculty house, one working women hostel, two Guest Houses, ten canteens and cafeterias. All these buildings produce solid waste which is collected on daily basis.

Solid waste collection system:

Solid waste is collected in different types of the bins with colour code green, red and black. Green colored bins are used to collect biodegradable waste; red bins are used to collect non-biodegradable waste; whereas black colored bins were used for the collection of used masks. One tractor-trolley with driver and helper collects the solid waste from the campus whereas one e-rickshaw with two employees collects biodegradable waste from door to door. The Non-biodegradable or dry solid wastes are collected from teaching, non-teaching and residential area and taken to the SLRM centre where this waste is segregated and all the recyclable material are separated and send to the recycling units for further processing. Biodegradable or wet solid waste is collected by a dedicated team separately and is utilized to convert it into compost, biogas or animal feed. Cooked biodegradable waste is generated mainly from the messes where students leave a small part of their meal which is collected in a drum and is collected by dairy farmers to feed their animals. Uncooked waste mainly peels of the vegetables and fruits are collected by SLRM persons from door to door. This waste is converted into vermicompost and microbial compost. This waste is also utilized for the production of biogas.

Quantification of the waste generation:

The average solid waste collection on daily basis is as follows:

Cooked waste 110kg per day Uncooked Waste 31 kg per day
Recyclable dry waste 35 kg per day Non-recyclable waste 40 kg per day
Biomedical Waste 1 kg per day [Collected from Health Center and Teaching Departments by Amritsar Envirocare Systems, Ibbankalan Amritsar]
Sanitary waste generation NIL [Incineration units Installed in all the girl Hostels]

Garden waste: University has adopted on-site-decomposing method in which the garden waste is crushed and mixed with the soil for natural composting.

Utilization of the Solid waste:

SLRM Centre was created to utilize the solid waste generated in the campus and it has taken many steps to maximize the extraction of useful products from the waste.

Non-Biodegradable or dry waste collection and utilization: Bins have been provided in the entire campus at all the suitable places. The dry waste is dumped into these bins. This dry waste collection system is working well. One tractor-trolley along with one driver and one helper collects the non-biodegradable waste from these bins. The collected waste is taken to SLRM Centre where it is segregated into white paper, newspaper, corrugated fiber board boxes,glass bottles, plastic bottles, metal, plastic film etc. These items are sent to the recycling industry through a contractor.

Cooked waste utilization: It is a biodegradable waste which is produced mainly in Boys and Girls hostels. The leftover food is collected in a plastic drum. Dairy farmers visit the mess every day in the early morning and take away the waste to feed the dairy animals.

Organic waste collection: University has procured two E-rickshaws for the collection of the organic waste from residential area, hostel messes and canteens. The workers move regularly from door to door to collect organic waste from residential areas, hostel messes and canteens. The organic waste is taken to the SLRM Centres and utilized for preparation of vermin/microbial compost and biogas.

Vermicomposting: One vermicomposting unit is being run at the SLRM Centre in a shed. Cow dung is procured from the local vendors and used to rear the earthworms. Once the earth worms become active, the uncooked waste collected from the hostel messes, canteens and residential area is crushed in a grinder to reduce the particle size. The ground waste is fed to the earth worms by opening the raw and transferring the waste into the rows followed by covering with the composting material. The ground waste takes about 8-10 days in summer to get completely decomposed.

Microbial Composting: The garden waste and uncooked waste are decomposed under aerobic condition following Bengalore Model. Three layer system has been adopted in which the first layer is of leaves from garden waste, second layer is of ground uncooked waste and the third layer is of cow dung. Two pits are constructed having dimensions of 10ft x 12ft x 4ft. Once the first pit is filled then the composting matter is transferred to the second pit. The compost is allowed to decompose in second pit for one month. The compost is kept moist by sprinkling water regularly all the time. The final compost is of dark brown colour without any off odour.

Pre-composting Unit: The pre-composting unit is designed to partially degrade the garden waste. The volume of waste generation varies due to vacations and academic or other events organised in the campus. The pre-composting unit ensures a regular supply of the partially composed waste for vermicomposting, microbial composting and biogas generation. The pre-composting unit is being used to decompose primarily the dry leaves.

Future Plans

Multi layered Plastic [MLP]and Refuse Derived Fuel [RDF]: Laminated packaging material and used paper cups do not find any utilization due to lack of available technology. SLRM Centre and 'Trust of People' an NGO are working to find the solution to this problem. 'Trust of People' an NGO has the technology to utilize these wastes and are working with Amritsar Municipal Corporation to utilize the waste. SLRM Centre is also having a MoU with the 'Trust of People' to utilize these wastes at their central facility.

Leaf Shredder: The campus produces lot of garden waste which gets dried and become resistant to composting. There is a requirement of one lead shredder to reduce the particle size to facilitate composting. SLRM Centre will make efforts to procure one lead shredder to manage the garden waste effectively.

Organic waste Composter: One organic waste converter has been sanctioned under RUSA-II scheme. This organic waste converter will be used to convert the biodegradable waste into high quality compost under aerobic conditions. It will use specially designed microbial culture along with controlled temperature and aeration to facilitate the microbes to degrade the organic waste.

SLRM centre is successful in managing the all the recyclable and biodegradable wastes being produced in the campus. These efforts have contributed to make our campus clean and green.

EQUAL OPPORTUNITY CELL FOR PWD's

Dr. Sunil, Nodal Officer
Professor
Department of Hindi

The Equal Opportunity Cell-PWD's was established in the year 2020 as per UGC guidelines. The Equal Opportunity Cell for PWD's is therefore set up to address these and other urgent issues concerning people with disabilities. As per the time to time directions received from the Honorable Supreme Court, Honorable High Court, Govt. of India, UGC, Chief Commissioner for Person's with disabilities, Govt. of Punjab and in the able guidance of Honorable Vice Chancellor Prof. (Dr.) Jaspal Singh Sandhu, Guru Nanak Dev University is committed to provide various facilities and friendly environment to the differently-abled persons. The university has also set up a specially designed optimized computer lab and disabled friendly facilities like special Learning and assistive devices for the all type of disabled students and faculty in Bhai Gurdas Library. We follow the Govt. reservation policy in admissions and recruitments. We have the facility of volunteers to help the differently abled students. University is organizing no. of lectures, seminars, conferences and workshop for mental and physical well being of the faculty and students regularly. All possible help is given to persons with disabilities to prepare for competitive Examinations, employment, placement and to encourage them to participate in Paralympics games.

We believe, 'besides the infrastructural help, society must change the in different attitude towards PWD's as People with disabilities come under the 'world's largest minority.' The feeling of discrimination between the common man and the physically disabled people living in society has to be eliminated. PWD's have to be made aware of their rights. Inferiority has to be removed from the mind and serious efforts are necessary to connect with the main stream of society.'

AIMS & OBJECTIVES - EQUAL OPPORTUNITY CELL - PWD

- To implement, monitor, and evaluate continuously the Reservation Policies of the States, Central Governments in consonance with the University Grants Commission regulations. The RPWD Act 2016 implementation in the Guru Nanak Dev University, Amritsar.
- To establish helpdesk in equal opportunity cell for assisting differently abled students in getting admissions and other facilities for their studies.
- To provide counselling to PWD students on the types of courses they could study at the higher education institutions.
- To ensure admission to all PWD students, so that all gets opportunity to higher education, through awareness regarding the open quota and through various reservation policies.
- To gather and get implemented the orders dealing with fee-concessions, examination procedures, reservation policies, etc., pertaining to PWD.
- To assess the educational needs of PWD enrolled in the higher education programmes to determine the types of assistive devices to be procured.
- To conduct awareness programmes for teachers of the institute about the approaches to teaching, evaluation procedures etc. that they should address in the case of PWD students.
- To study the aptitude of PWD students by various program and assist them in getting appropriate employment, when desired by them after their studies.
- To provide information regarding the various available fellowship / scholarship schemes for PWD students and to provide guidance for availing them.
- To provide infrastructural needs to enable them to easily access classrooms, laboratories, toilets, etc. for barrier free learning environment as per the guidelines of Ministry of Urban Development.
- To continuously monitor, evaluate and implement the guidelines for conducting written examination for Persons with Disabilities issued by CCPD and Department of empowerment of person with

disabilities under the aegis of Ministry of Social Justice & Empowerment, Government of India and ratified by UGC and MHRD.

- To organize skill development training programme for PWDs to sensitize and help them regarding carrier opportunities according to their interest, qualifications and nature of disability.
- To organize training programs, cultural & Sports activity, conferences, lectures seminars, workshops, symposia etc. for Differently abled people.
- To undertake celebration of World disabled day and other historical days related to differently abled people.
- To explore the full participation and equality as well as suitable placement opportunities for educated disabled graduates in public as well as private sector enterprises as per the Acts, Rules & Regulations and Policies of the Department of Social Justice & Empowerment, Ministry of Social Justice & Empowerment, Government of India
- To continuously monitor evaluate and implement the guidelines for House allotment, promotions and other issues of the disabled employees issued by CCPD and Department of empowerment of person with disabilities under the aegis of Ministry of Social Justice & Empowerment, Government of India.
- To promote and strengthen voluntary effort; for the guidance and assistance of Differently abled people for providing voluntary service to the differently abled people to help them in their study related problems like providing writers for writing the exams, recording and scanning of the books, notes etc.
- To organize programmes, conferences, lectures, workshops etc. for employees, individuals and other section of the society for sensitizing about the problems of the PWDs.
- To encourage students and employees of the university to come forward for the help of differently abled people for making them independent.

Activities:

UGC Monitoring Committee constituted by the UGC Chairman, visited the Guru Nanak Dev University for conducting the accessible audit of HEIs from Feb. 25-27, 2025.

PUBLICATION BUREAU

Professor Incharge : Dr. Balmeet Singh Gill

The Publication Bureau was set up in 1972 with a view to cater to the needs of the university and to highlight its academic achievements through research journals, books and to provide quality text books to the students. The Bureau during the year under report, continued to publish and sell text-books, general books and research journals and also printed a variety of time-bound assignments relating to examinations, administrative, departmental works, forms, degrees, certificates, citations, calendar, result gazette titles, invitation cards, registers, letter pads, bill books, posters, receipt books, question paper envelopes, DMC, Annual Report etc.

Text-books, General Books and Research Journals published during the year 2024-25.

TEXT-BOOKS

STUDENTS' CLUBS

The Photography Club

The Photography Club of Guru Nanak Dev University, Amritsar, is a lively student community for those who are enthusiastic about photographing the world through their lenses. The club welcomes students of all skill levels and encourages creativity and technical skills through frequent workshops and seminars conducted by experienced photographers with the aim of teaching composition, lighting, editing and narration. Members get to enjoy thrilling photo walks, field trips and theme-based competitions that stimulate creative techniques and artistic vision. The club's best shots are displayed in university exhibitions and highlighted in the GNDU calendar, honoring the talent and vision of its members. Join us to discover, learn and create beautiful visual stories!.

The Drama Club

About the Drama Club

The 'Drama Club' at Guru Nanak Dev University is one of the student activity clubs. Drama Club is created to expand the creative and other developmental interests of students in field of theatre. The 'Drama Club' has been actively working for approximately eight years to continue the theatrical tradition at the university campus and to enhance and refine the acting skills of the students. The leadership of 'Drama club' is also managed by the students themselves. In case of any needs or difficulties and challenges students make decisions based on their understanding. The activities of this club are carried out under the supervision of the teacher in charge Prof. Sunil, Head, Department of Hindi.

Programmes & Students' activities with Photographs (2024-25)

(i) A play 'Bhapa ji da trunk' has been organized at Dashmesh Auditorium in the University Campus on 27-08-2024.

(ii) 4th Theatre Festival-2025 has been organized at Dashmesh Auditorium in the University Campus from 31-03-2025 to 03-04-2025.

Best Practices & Innovations

(i) Every year Threatre Workshop has been organized by the Experts for the University Students.

Other information

(i) Drama Club Students are being actively participating in the Youth Festivals/ Jashan.

INBRIEF

GURU NANAK DEV UNIVERSITY ORGANISES AWARENESS CAMP FOR MENTAL HEALTH AND DRUG ABUSE

Amritsar: Under the visionary leadership of Professor (Dr) Karamjeet Singh, Vice-Chancellor, Guru Nanak Dev University, the Department of Psychology successfully organised a "Mental Health and Nasha Mukt Samaaj Layi Jaagrookta Camp" in Ranghadh village, District Amritsar. This initiative was a significant step towards promoting mental health awareness and combating substance abuse in rural Punjab.

THEATRE FESTIVAL INAUGURATED IN UNIVERSITY

Amritsar: Vice Chancellor Professor Karamjeet Singh inaugurated fourth annual 4-day Drama Festival of Guru Nanak Dev University. The first play, "Natak Paedan," was performed by the university's Drama Club and Awaaz Rangmanch Toli at the Dashmesh Auditorium.

RESPONSIBILITIES ASSIGNED TO FACULTY MEMBERS

Amritsar: Guru Nanak Dev University is pleased to announce the appointment of Professor Palwinder Singh as the Dean Academic Affairs. This significant appointment is part of the university's ongoing efforts to enhance its academic leadership and improve the quality of educational offerings. The University authorised other additional responsibilities to various faculty members, aiming to capitalise on their expertise and dedication for the benefit of the university.

ART EXHIBITION 'GURU NANAK PRAWH: GYAN DA PRAKASH' ORGANISED AT UNIVERSITY

Amritsar: Guru Nanak Dev University organised an art exhibition called "Guru Nanak Prawh: Gyan Da Prakash," which means "The Flow of Guru Nanak: Light of Knowledge." It was part of a bigger event called "Rebooting Punjab," and it was organised in association with Punjab Lalit Kala Akademi and the Punjab Kala Parishad.

The Dance Club

The Dance Club is dedicated to nurturing talent and celebrating the art of dance across all levels. We regularly organize dynamic workshops led by the university's official dance team coach

and skilled student performers, providing a professional and inspiring environment for students eager to learn. Beyond the classroom, our members actively participate in inter-club events and showcase their talent across diverse platforms. Representing the university with pride, our dancers have performed at prestigious national and international folk dance festivals hosted by reputed institutions and government bodies. The club stands committed to preserving and promoting Punjab's rich cultural heritage through traditional dance forms such as Bhangra, Giddha, Luddi, Jhumar, and more. With every beat and every step, we aim to keep the vibrant spirit of Punjabi folk dance alive and thriving on the global stage. Organised workshops for Bhangra, Luddi and Gidha in the month of August and September. More than 200 students participate in these workshops. After the conclusion of the workshop, selected students represent the University's teams of Bhangra Luddi and Gidha for the youth festivals 2024.

Practices and Innovation

Students do the practice in the evening after the classes, different coaches guide them along with drum beats. We are planning to include the fusion of Punjabi dance with other cultural instruments and regional languages for the global exposure of Punjabi folk dance.
